2018 Camping Season

Dear Parents/Guardians:

We are excited that you and your daughter will be participating in the **Mother/Daughter Camp** this year. **New this year, the overnight camp will be Thursday and Friday, July 12-13, 2018.**

Our primary purpose is missions education. The program is designed to help your daughter grow spiritually, increase her understanding of missions, and develop skills in relating to other Christian girls. To accomplish these purposes, your daughter will participate in activities similar to the following:

Bible study
Swimming
Nature study

Music
Crafts
Recreation

Mission study
Group worship

Camp is a place where everyone is loved and accepted. We look forward to seeing you and your daughter this summer and having the opportunity to learn together how to be a living example of Christ.

The Mother/Daughter Camp Mission Offering this year is going toward Operation Christmas Child boxes through Samaritan's Purse. This ministry is a part of proclaiming the Gospel in more than 100 countries around the world. These boxes bring great joy to a child in need and their family. If you would like to contribute to this ministry, please let the Camp Director know.

Final registration is due by June 21st. All monies and **Camper Information Form(s)** must be in the **WMU office by this date.**

Check-in will begin at 10:30am on Thursday, July 12th. The overnight camp ends at 11am on Friday (July 13th).

Sincerely,

Melody T. Knox
Executive Director
