For our gifts of knowledge and of inspired messages are only partial; but when what is perfect comes, then what is partial will disappear. When I was a child, my speech, feelings, and thinking were all those of a child; now that I am an adult, I have no more use for childish ways. What we see now is like a dim image in a mirror; then we shall see face-to-face. What I know now is only partial; then it will be complete—as complete as God's knowledge of me.
