

Elijah rebuilds the Alter.

Elijah found twelve stones. Elijah used these stones to repair the altar. He dug a small ditch around the altar. It was wide enough to hold about 4 gallons of water. Then Elijah put the wood on the altar. He cut the bull into pieces and laid the pieces on the wood. Then he said, "Fill jars with water. Pour the water on the pieces of meat and on the wood." Then Elijah said, "Do it again." Then he said, "Do it a third time." The water ran down off the altar and filled the ditch.

The prophet Elijah prayed, "Lord, the God, I ask you now to prove that you are the God of Israel and that I am your servant... Show these people that you, Lord, are God." Then fire came down from the Lord and burned the sacrifice, the wood, the stones, and the ground around the altar. Then it dried up all the water in the ditch. All the people saw this and began saying, "The Lord is God! The Lord is God!"

Teach those who are rich in this world not to be proud and not to trust in their money, which is so unreliable. Their trust should be in God, who richly gives us all we need for our enjoyment. 18 Tell them to use their money to do good. They should be rich in good works and generous to those in need, always being ready to share with others. 19 By doing this they will be storing up their treasure as a good foundation for the future so that they may experience true life.
