

## God Heals Naaman

Naaman was the captain of the army of the king of Aram, but he was also sick with leprosy. A servant of Naaman's wife said to his wife, "I wish that my master would meet the prophet who lives in Samaria. He could heal Naaman of his leprosy." Naaman went to the king and told him what the Israelite girl said. Then the king of Aram said, "Go now, So Naaman came with his horses and chariots to Elisha's house and stood outside the door. Elisha sent a messenger to Naaman who said, "Go and wash in the Jordan River seven times. Then your skin will be healed, and you will be pure and clean."

Naaman became angry and left. He said, "I thought Elisha would at least come out and call on the name of the LORD his God.

But Naaman's servants said, "If the prophet told you to do some great thing, you would do it, isn't that right?"

So Naaman did what the man of God said. He went down and dipped himself in the Jordan River seven times, and he became pure and clean. His skin became soft like the skin of a baby.

Naaman came back to the man of God, and said, "Look, I now know there is no God in all the earth except in Israel.

Ask yourself

Is there a sin to avoid?  
Is there an example to follow?  
Is there a truth about God?  
Is there a lesson to learn?  
Is there a warning to heed?  
Is there a reason to be thankful?

What is this about?  
When is this happening?  
Who is this about?  
Why does God tell us this?  
How can I obey this?
