Constitution	29
Bylaws.....	35

Constitution of the Baptist Convention of Maryland/Delaware, Inc.

Article I • Name

The body will be called the Baptist Convention of Maryland/ Delaware, Inc.

Article II • Mission Statement

Section 1—The Baptist Convention of Maryland/Delaware will intentionally assist in the starting and strengthening of congregations so that together we can fulfill Jesus' commands in Matthew 28:19-20 and Acts 1:8.

Section 2—This Convention is an autonomous body and is neither limited nor restrained by any authority or decision of any other Baptist body and will achieve its objectives through such means as this Convention alone determines.

Section 3—This Convention does not have any ecclesiastical authority to limit the autonomy of the local congregation.

Section 4—This Convention recognizes the Southern Baptist Convention as our primary instrument to further the cause of Christ on a worldwide basis. This Convention pledges its loyalty and support to the purposes served by the Southern Baptist Convention.

Article III • Membership

Section 1—The membership of this Convention will consist of messengers who are members of Baptist churches which are in friendly cooperation with this Convention and sympathetic with its purpose and work, and which have during the preceding 12 months (October 1 through September 30) been bona fide contributors to the work of this Convention.

Section 2—Each cooperating Baptist church will be entitled to two (2) messengers; each cooperating church exceeding fifty (50) members will then be given one additional messenger for each additional fifty (50) members or part thereof; or one additional messenger for each \$750 contributed to the work of this Convention through the Cooperative Program until the maximum of thirty (30) is reached.

Section 3—Messengers to this Convention will be certified by their churches. This Convention will be the final judge of election and qualifications of its members.

Section 4—The officers of this Convention, the employed staff of this Convention, and its agencies may be messengers provided they are elected by the church in which they hold membership.

Article IV • Meetings

Section 1—This Convention will meet at least once each year, hereafter known as the Annual Meeting, at such time and place as may be fixed by this Convention at the Annual Meeting held the preceding year. The duly appointed messengers of the cooperating churches will comprise the voting body of this Convention.

Section 2—In case of an emergency, the General Mission Board is empowered to change the time and place of meeting or call a special meeting by a vote of two-thirds of the members present and voting.

Section 3—Notice of any special meeting will be given at least thirty (30) days prior thereto by publication in BaptistLIFE and in such other ways as the General Mission Board may direct.

Article V • Officers

Section 1—The Officers of this Convention will be a President, First Vice President, Second Vice President, Corporate Secretary, Treasurer, Recording Secretary, and an Assistant Recording Secretary. All but the Corporate Secretary and Treasurer will be elected at each Annual Meeting by a majority of the duly elected messengers present and voting, and will hold office until their successors are elected and installed. Employees of the Baptist Convention of Maryland/Delaware are ineligible to serve as officers of this Convention with the exception of the Executive Director who will serve as Corporate Secretary and the Director of Finance who will serve as Treasurer.

Section 2—Nominations will be from the floor. Election will be by ballot except where there is a single nominee for an office. In the latter case, the President will instruct the Secretary to cast a unanimous ballot for the nominee.

Section 3—Officers will serve for one (1) year and hold office until their successors are elected and qualified; however, the President and Vice Presidents may not serve more than two (2) complete successive terms in office. Terms of office will commence at final adjournment of the Annual Meeting in session at the time of their election and terminate in the final adjournment of the succeeding regular session of the Annual Meeting. In case of death, disability of, or other cause making necessary the retirement of the President, the Vice Presidents will succeed in order. The General Mission Board will determine when an office is vacant due to the disability of an incumbent.

Section 4—The President will preside over the deliberations of the Annual Meeting and will perform other duties as may be customary to the position or as determined in the Bylaws, and will become an ex officio member of all Convention committees and boards. The President will continue as ex officio member of the General Mission Board for one full year immediately following tenure as President of this Convention unless elected to fill a vacancy in the regular membership of the Board.

Section 5—The Vice President may, in the absence of the President or when requested by the President, preside over the Annual Meeting and will perform other duties as may be provided in the Bylaws or as requested by the President.

Section 6—The Secretary will keep accurate minutes of all sessions of this Convention and will cause these to be published in suitable form in the Annual of this Convention together with other information as this Convention or the General Mission Board of this Convention deems necessary and proper.

Section 7—The President will be authorized to sign legal papers for the Baptist Convention of Maryland/Delaware, Inc. If unable to do so, the First Vice President or the Second Vice President will be so authorized.

Section 8—Should the President and Vice Presidents be unable to serve, the duties of the President will devolve upon the President of the General Mission Board until said Board will elect an interim President.

Article VI • General Mission Board

Section 1—This Convention will elect a General Mission Board to be known as the General Mission Board, none of whose members will be employees of said Board. Fifty-one percent will be a quorum for business.

The Rules of Order for the meetings of the General Mission Board will be those in the current edition of Robert's Rules of Order.

The General Mission Board will be composed of three members from the geographic area of each association. For each 5000 resident members or major fraction thereof, one additional Board member will be chosen, up to but not to exceed a total of ten Board members from any association. The President of this Convention, the President of the Brotherhood, the President of the Woman's Missionary Union and the Maryland member of the Southern Baptist Convention Executive Committee will serve as at-large members of the Board. Board members selected by virtue of their Convention offices, will not be used in determining the number of members from an association or local church.

The term of the office of the members will be four years with, as nearly as possible, the terms of one-fourth of the members expiring each year. Any member serving for a full term or three years of an unexpired term will not be eligible for reelection until one year has expired.

Membership on the Board will cease when the member dies, moves membership from a church within the Convention, or the member's church ceases to be in cooperating fellowship with this Convention. In the event a member moves from a church in one association to another within this Convention, or the member's church changes from one association to another within this Convention, the member will be eligible to serve until a successor is elected at the next Annual Meeting. Membership on the Board will automatically be terminated when a member is absent for two consecutive meetings of the Board without notification submitted to the Board President or the Executive Director. The member will be notified of such termination.

Section 2—The members of the General Mission Board will be elected by this Convention, after receiving nominations from the committee selected by this Convention for this purpose, and after giving opportunity for nominations from the floor of this Convention.

Section 3—The work of this Convention, except as otherwise specified, will be committed to the General Mission Board described as follows: The General Mission Board of the Baptist Convention of Maryland/Delaware will act for this Convention ad interim promoting all the interests of the Kingdom, such as evangelism, missions, education, benevolence, social welfare, and public morals, and so on. The General Mission Board will not have authority to control the agencies and institutions of this Convention, but it will maintain general care and responsibility for the work of same. It is instructed to study annually their reports, to interpret and apply the rules of the constitution and the business and financial policy of this Convention as items may apply to any of the agencies of this Convention, to make recommendations directly to agencies and also to make whatever recommendations to this Convention concerning them it may deem advisable.

Section 4—This Convention will annually elect members to fill all vacancies on the Board.

Article VII • Agencies

Section 1—The Convention may establish agencies for the purpose of performing collateral Christian services. An agency will be a separate corporation independent of the Baptist Convention of Maryland/Delaware in its day-to-day operations but will work in cooperation with the Convention in order to avoid costly duplication. The Convention and each agency will establish, through the General

Mission Board, an agreement defining their working relationship. An agency of this Convention will act in accordance with our historic Baptist doctrine and practices.

Section 2—The trustees of these agencies will be elected by this Convention after receiving nominations from the Committee selected by this Convention for this purpose and after giving opportunity for nominations from the floor of this Convention. The number of trustees for each agency and their terms of office will be in accordance with the requirements of their respective charters and bylaws.

Section 3—All agencies sharing in the Cooperative Program receipts must include a summary of their financial report in the annual report to the Baptist Convention of Maryland/Delaware, and the General Mission Board will request a copy of the budget of all agencies sharing in the Cooperative Program receipts along with their requests for financial assistance.

Section 4—No agency of this Convention will create any liability or indebtedness (except such as can and will be repaid out of its anticipated receipts for current operations within a period of three years) without the consent of this Convention or the General Mission Board. In order to obtain such approval, the agency must file a statement showing the source of such anticipated receipts. Such consent must be likewise obtained for a purchase of properties or construction of same, subject to liens or encumbrances which cannot be repaid out of its anticipated receipts for current operations within a period of three years.

Section 5—The President and the Executive Director will be advisory to all Convention committees and agencies.

Article II • Committees and Their Duties

Administrative Guidelines for All Committees

All committees will reflect, as much as possible, a balance between vocational ministers and others. An ex-officio member will have voting privileges. No person will be elected to serve simultaneously on more than one standing committee.

No church will have more than two representatives simultaneously elected to serve on BCM/D committees, the General Mission Board, or as trustees of a BCM/D institution or agency.

Committees of this Convention may appoint persons other than members to special limited purpose subcommittees and advisory committees provided such persons will serve only in an advisory capacity and will not be permitted to vote at meetings of the authorizing committee.

Membership on committees will cease when the member dies, moves membership from a church within the Convention, or the member's church ceases to be in cooperating fellowship with this Convention. In the event a member moves from a church in one association to another within this Convention, or the member's church changes from one association to another within this Convention, the member will be eligible to serve until a successor is elected at the next Annual Meeting.

Membership on the Board will automatically be terminated when a member is absent for two consecutive meetings of the Board without notification submitted to the Board President or the Executive Director. The member will be notified of such termination.

In the event of a vacancy between Annual Meetings, the President shall appoint members to fill that vacancy as an interim until approval at the next Annual Meeting. This would apply to all BCM/D committees.

Section 1—In advance of the Annual Meeting, the President will appoint the following committees:

1. Committee on Credentials and Enrollment—The committee will consist of five members whose duties it will be to register messengers and visitors. This committee will review and rule upon any questions which may arise in registration concerning the credentials of messengers. Any such ruling may be appealed to this Convention during business session. This Committee will make a report to the assembled messengers upon the call of the President, and will pass on the credentials of all messengers.

The Committee on Credentials and Enrollment will function under the following guidelines:

- Each person elected by a church, cooperating with the Baptist Convention of Maryland/Delaware, as a messenger to the Annual Meeting will be registered as a messenger to this Convention upon presentation of proper credentials. Credentials will be presented by each messenger, in person, at the Convention registration desk and will be in the following form:
- A completed and signed BCM/D registration card certifying the messenger's election in accordance with Article III Membership of the Constitution of the Baptist Convention of Maryland/Delaware, Inc.; but if the messenger does not have the messenger registration card,
- A letter from the messenger's church, signed by the clerk or moderator of the church certifying messenger's election in accordance with Article III Membership of the Constitution of the Baptist Convention of Maryland/Delaware, Inc.; or

2. Committee on Committees—This committee will consist of one member from each association whose duty it will be to nominate for election by this Convention the members and chairpersons of the committees listed in Sections 2 and 3 of this article, with the exception of the Committee on Committees, and other committees as may be assigned to it. Members of this committee will be appointed to a three-year term, one-third of its number retiring each year. A member of this committee cannot be nominated as a member of the General Mission Board, a trustee of the agencies of this Convention, or a member of any Convention committee.

3. Resolutions Committee—This committee will consist of five members. It will be responsible for initiating, reviewing, researching, preparing and recommending all resolutions for adoption. Only resolutions presented to the Resolutions Committee at least 45 days in advance of the Annual Meeting will be considered by the committee before the first session. Other resolutions may be referred to the committee by the general body during the session as described in Article VI, Section 2. Resolutions should seek to build up and unify the body rather than divide it; therefore, only resolutions that have the full consensus of the committee will be presented at the Annual Meeting.

An announcement will be published in BaptistLIFE no later than 75 days before the Annual Meeting requesting resolutions for the committee's consideration and possible presentation at the Annual Meeting. Proposed resolutions will be submitted in writing and addressed to either committee members or to: Resolutions Committee, BCM/D, 10255 Old Columbia Road, Columbia, Maryland 21046-1716. BaptistLIFE will be requested to print the titles and nature of the resolutions to be presented by the committee at the Annual Meeting no later than 15 days before the Annual Meeting.

These resolutions will be printed in their entirety and will be distributed for consideration at the Annual Meeting.

Section 2—This Convention will elect the following committees to report to the next Annual Meeting:

- 1. Committee on Order of Business**—This committee will consist of one member from each association. The members of this committee will be elected to a three-year term, one-third of their number retiring each year. The President of the Maryland/Delaware Ministers' Conference and the music director for the Annual Meeting will serve as ex officio members of this committee. The committee will be responsible for recommending to this Convention the place, time, preacher, and music director of the Annual Meeting one year hence and, if feasible, the time and place two years hence. A member of this committee cannot be nominated as a member of the General Mission Board, a trustee of the agencies of this Convention, or a member of any Convention committee.
- 3. Specifically, but not exclusively, these areas will include family life, human relations, race relations, moral issues, economic life, daily work, citizenship, church-state relations, cooperative relationships with other religious groups, and those areas where the gospel and the churches affect or are affected by community and public life. The Christian Life and Public Affairs Committee may act on matters referred to it by this Convention, by the General Mission Board, or by any agency of this Convention

The Christian Life and Public Affairs Committee will be responsible for initiating consideration and study, and for recommending action of the Baptist Convention of Maryland/Delaware and/or General Mission Board on any matter or issue falling within the scope and purpose as set forth in the preceding paragraph.

The committee will be elected and directly responsible to the Baptist Convention of Maryland/Delaware. It will report annually to this Convention.

The committee is authorized to make pronouncements on matters within its scope and purpose in as far as they are consistent with actions previously taken by the Baptist Convention of Maryland/Delaware, the General Mission Board, or the Southern Baptist Convention. However, under no circumstances will the committee assume the exercise of authority for this Convention, its agencies or the churches.

The Christian Life and Public Affairs Committee will be composed of one member from each association. At least half the members will be lay people. All members will be elected by the Convention in the Annual Meeting. Members will be elected to a three-year term, one-third of their number retiring each year. A member may be elected to complete an unexpired term caused by vacancy and thereafter be elected to two full terms per above. In addition, the Executive Director will annually designate a Convention staff member as a consultant to this committee. Staff member succession will be at the discretion of the Executive Director.

The committee will elect a recording secretary and such other officers each year as it will deem necessary. The committee will meet quarterly and/or at such other times as will be designated by the chairperson.

The financial needs of the Christian Life and Public Affairs Committee will be through the budget of the Baptist Convention of Maryland/Delaware.

4. History Committee—This committee will consist of one member from each association. Members will be elected to a three-year term, one-third retiring each year. In addition, the Executive Director will annually designate a Convention staff member as a consultant to this committee. This committee will recommend to this Convention or General Mission Board appropriate measures which should be taken to preserve Baptist history. It will seek to preserve the minutes and records of all Baptist bodies, churches, associations, and conventions, printed materials, including correspondence, and museum objects. It will recommend what historic sites, including buildings, should be properly marked and preserved.

Members of this committee cannot be nominated as members of the Administrative Committee.
2. **Administrative Committee Purpose**—The Administrative Committee performs normal administrative committee responsibilities for the General Mission Board between regular meetings and works with the Executive Director in the implementation of the Board's policies, programs, and services assigned to its general care.

The incumbent General Mission Board, its officers and committees, will continue to function until the new General Mission Board, at its first meeting during or after the Annual Meeting of the Baptist Convention of Maryland/Delaware, is duly organized. The same is true for trustees and directors of any agency of this Convention.

Article VI • Procedure for the Annual Meeting

Section 1—Rules

1. The rules of order for the sessions of the Annual Meeting will be those in the current edition of Robert's Rules of Order, but in cases where the meaning may not be clear, the President's discretion will be exercised. The President may appoint a Parliamentarian who will advise and assist the President with respect to all matters involving parliamentary procedure.
2. No person addressing the Annual Meeting may speak more than twice on the same subject without unanimous consent.
3. The President is charged at all times with the maintenance of decorum and order.
4. In the last two sessions of the Annual Meeting, any new business may only be considered by permission of majority vote of the messengers present.

Section 2—Resolutions

All resolutions considered at the Annual Meeting will come from the Resolutions Committee and have their full consensus or, as a redress, one presented to but rejected by the committee may be ordered to the floor under a "question of privilege" without having the full consensus of the committee. All resolutions available to the Resolutions Committee 45 days before the Annual Meeting will be automatically considered by the committee and, if accepted, will be printed and distributed at the first session of the Annual Meeting. If, in the opinion of the President, a messenger has a "copy-ready master" of a resolution with justifiable reason for not meeting the 45-day rule, it may be referred to the Resolutions Committee by the assembly at the first session. The action should follow the form: (Petitioner) "Mr. President, I request the consideration of a resolution concerning (subject)."; whereupon the President immediately puts the question without debate, "(Messenger) requests the privilege of having a late resolution considered, all who favor instructing the Resolutions Committee to review this resolution for consideration ... (vote)."

All resolutions passed at the Annual Meeting are the opinion of the overwhelming majority of the messengers present at that Annual Meeting but are not binding on the Baptist Convention of Maryland/Delaware, local associations, local congregations or individual Baptists. In order for a resolution to express the clear opinion of the messengers at the Annual Meeting, successful adoption will require an affirmative vote of two-thirds of the messengers present and voting.

Section 3—Election of Officers

1. The Officers of this Convention will be nominated from the floor, and the election will be by secret ballot when two or more persons are nominated for the same office.

- The one receiving the majority of all votes will be declared elected.
- The chairperson of the Credentials Committee hands the results of the vote to the presiding officer who announces first whether the vote is a majority vote or not. If a majority, the candidate is declared elected. If not a majority, the chairperson declares a run-off of the two receiving the highest number of votes.
- The vote is not effective until announced.

2. The President will be elected before the Vice Presidents are nominated and the First Vice President is to be elected before receiving nominations for the Second Vice President.

Article VII • Amendments to Bylaws

The Bylaws may be altered by a majority vote of the messengers present on the first or second day of the Annual Meeting of this Convention. Non-substantive changes such as grammatical corrections and title or name changes may be made by the Administrative Committee of the General Mission Board and included in their report at the Annual Meeting of the Baptist Convention of Maryland/Delaware.

Belief – we are a network of churches connect to Christ with a high view on the authority of the Bible and a high commitment to the Great Commandment and Great Commission.

Connection – we are a network of churches on mission together and caring for one another.

We do this by **Equipping** one another for ministry through training opportunities using both Network staff and local church to reach our neighbors around us whether next door, in our region or around the world; by **Encouraging** churches and providing services like coaching, connecting and consulting; and by **Engaging** each other by developing and implementing effective missions and evangelism strategies to reach our neighbors.

28) **Introduction of Business and Resolutions** – Dr. Robert Anderson

29) **Election of Officers** – Dr. Robert Anderson

Nomination for President: Nominations were closed after two nominations

- (1) Tim Simpson nominated Bill Warren (Allen Memorial): 121 ballots were cast for Warren
- (2) Pastor Drew nominated Victor Simpson (Emmanuel of Huntingtown, MD): 66 Ballots were cast for Simpson.

Bill Warren was elected as the new President of the Mid-Atlantic Baptist Network.

30) **Mid-Atlantic Impact: “Pathway”** – David Hall, Special Assistant to Executive Office for Cooperative Missions & Partnerships at the Mid-Atlantic Baptist Network introduced several giving testimonies on: Seminary opportunities and Networking in Delaware; and Pastor Ron Smith of First Baptist Church of Havre De Grace discussed the Turning-Around Churches project.

31) **“Why Go Forward?”** – Dr. Will McRaney, Executive Missional Strategist, Mid-Atlantic Baptist Network, BCM/D: He asked the churches that are over 100 years old to stand. There are 45 pastors that have served 20 years or more in the same church. Pastors Jimmy Jackson and Ward Holland have served 50 plus years; Dr. McRaney shared a letter from Mrs. Isabelle Fenner who makes a contribution to the Cooperative Program faithfully. McRaney asked Pastor Brad O’Brien of Redeemer Church/Lee Street Memorial Baptist Church to pray for the men who have served in the pastorate over 20 years.

Surveys taken earlier this year of groups of Network pastors of various sizes of churches and language groups revealed many pastors felt disconnected from the Network. In response, a #BringurBrick campaign was conceived. The bricks would symbolize the Network’s collective effort to build a path that links its past with its present and leads to its future. Names of all 560 churches were engraved on individual bricks, which the Network staff delivered on personal visits with the pastors. Staff then asked

these church leaders to bring their bricks to the Annual Celebration to represent their part in advancing Christ's mission in the Mid-Atlantic region and beyond.

Gofwd Mid-Atlantic

- a) All contributions (100%) to Gofwd Mid-Atlantic will go to the strengthening and starting of churches in our Mid-Atlantic mission field.
- b) Chief Steward of the Mid-Atlantic Network, Tom Stolle, said that people are giving in a more targeted/designated way. The Network is providing churches with a means to invest in the Mid-Atlantic ministry through monthly support, giving a percentage of offerings or designating one-time gifts.

32) **The Offering** – Michael Crawford, Senior Pastor of Freedom Church, Baltimore, MD, led in prayer.

33) **Congregational Music** – Janice Wood, Cresthill Baptist Church, Worship Team, led messengers and guests in singing “What a Mighty God We Serve” and “Jesus Messiah.”

34) **Special Music** – Sandy McRaney, Specialist Mid-Atlantic Baptist Network, BCMD, sang “I’d Rather Have Jesus Medley”.

35) **Message (Executive Missional Strategist’s Address)** – Dr. Will McRaney – Rebuilding Walls

We want to see God’s Kingdom advance. In Nehemiah 4:1-6, Nehemiah wanted to build the walls of Jerusalem back up. How much more are the walls of men and women’s lives around us broken down who do not know Jesus Christ as their Lord and Savior in a real, meaningful and fulfilling way. There are lessons to be learned: lives of people are in need of rebuilding; lives of families are in need of rebuilding; churches are in need of rebuilding; our denomination and Network are in need of rebuilding.

Nehemiah’s desire was to rebuild the wall around Jerusalem. In spite of external and internal obstacles, Nehemiah took an impossible task and a faithful God and did the impossible. They rebuilt the wall against all obstacles.

Dr. McRaney invited messengers to share Christ and help rebuild the walls of people’s lives; to disciple believers and restore families and communities; rebuild churches and pastor; and rebuild our Network.

36) **Gofwd Challenge** – Reid Sterrett, DOM for the Eastern Association, Mid-Atlantic Baptist Network, BCMD, A time of commitment, “All in!”

37) Covenant:

- a) I will actively promote and encourage
- b) I will actively affirm and guard Baptist beliefs
- c) I will eagerly advocate for and about the Network

**Session V – Tuesday Morning – November 10, 2014

179th Annual Report of the General Mission Board to the Mid-Atlantic Baptist Network

Report of the Interim Executive Director Tom Stolle

As I look back and reflect on 2014, a few thoughts come to mind. The Mid-Atlantic Baptist Network experienced a good year in 2014. For the first time since year end 2008, Cooperative Program receipts were higher than the prior year. I am thankful to our Lord for His faithfulness as we seek to glorify Him in all that we do.

We changed our name. We now do business as the Mid-Atlantic Baptist Network, emphasizing that we are a network of autonomous churches partnering together to bring Jesus to a lost and hurting world.

New churches continued to be started in 2014. I am excited that these new churches are reaching diverse people groups. Men seeking to plant churches in our region continue to reach out to us. We are excited about the opportunities our Lord has placed before us, and are thankful for our partnership with the North American Mission Board. Together we can continue to present Christ through church planting to a world in desperate need of His love.

Church strengthening efforts involving equipping and encouraging our churches were a critical ministry component in 2014. Whether it be music, women's, men's, children's or other types of ministry, our seasoned and committed staff continued to assist our churches in strengthening their efforts. The strength of the Network is the local church. We are thankful to be used by God to assist in strengthening local congregations.

Of course, we must tell our region and the world about Jesus. We did this in 2014 in part through participation with other churches in resort, collegiate, student, and personal evangelism. We possess the greatest story ever told. We remain committed to telling that story.

I am excited about the opportunities God has laid before us. As we move into next year, let us not neglect those around us that are so often forgotten. May God give us the courage and the resolve to do whatever He requires. I say again "whatever" He requires. I pray that God gives us a vision. I pray that we have the courage to follow the vision.

Independent Accountant's Review Report

To the General Mission Board of the
Baptist Convention of Maryland/Delaware, Inc.

We have reviewed the accompanying statement of assets, liabilities and net assets – cash receipts and disbursement basis of the Baptist Convention of Maryland/Delaware, Inc., as of December 31, 2012, and the related statements of budgeted activities – general fund – cash receipts and disbursement basis, changes in net assets – cash receipts and disbursement basis and cash flows – cash receipts and disbursement basis for the year then ended. A review includes primarily applying analytical procedures to management's financial data and making inquiries of company management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the cash receipts and disbursement basis and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Our responsibility is to conduct the review in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance that there are no material modifications that should be made to the financial statements. We believe that the results of our procedures provide a reasonable basis for our report.

As described in Note 1, the policy of the Baptist Convention of Maryland/Delaware, Inc., is to prepare its financial statements on a modified basis of cash receipts and disbursements; consequently, certain revenues and the related assets are recognized when received rather than when earned and certain expenses are recognized when paid rather than when the obligation is incurred. Accordingly, the accompanying financial statements are not intended to present financial position and results of operations in conformity with accounting principles generally accepted in the United States.

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with the basis of accounting described in Note 1.

BAPTIST CONVENTION OF MARYLAND/DELAWARE, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2012

1. Summary of Significant Accounting Policies

a) Date of Management Review

Management has evaluated subsequent events through January 22, 2013, the date on which the financial statements were available to be issued. (Note 11)

b) Organizational Purpose

As stated by the mission statement of the Organization, the Baptist Convention of Maryland/Delaware, Inc. will intentionally assist the starting and strengthening of congregations so that together they can fulfill Jesus' commands in Matthew 28:19-20 and Acts 1:8.

c) Basis of Accounting

These statements are presented on the basis of cash receipts and disbursements, modified as described later in this paragraph. The basis of cash receipts and disbursements requires that revenues and the related assets be recognized when received rather than when earned, and certain expenses be recognized when paid rather than when the obligation is incurred. However, these financial statements have been modified to reflect certain items budgeted for 2012 even though the actual funds related to those items have not been received or expended as of December 31, 2012. The statement of budgeted activities – general fund – cash receipts and disbursement basis reports only those transactions that were budgeted for in 2012. Other non-budgeted 2012 activity is reported in the statement of changes in net assets.

d) Property Owned

Property and Equipment is stated at cost. Assets in excess of \$5,000 which have a useful life in excess of one year are capitalized. Depreciation is not recorded since the operating budget makes no provision for non-cash expenses. Management periodically reviews the utilization of assets and removes those that no longer have a useful life. Replacement of fixed assets is budgeted as needed, in each year's operating budget.

e) Inventory

Inventories are carried at lower of cost or market at December 31, 2012 on a first-in, first-out method.

DECEMBER 31, 2012

1. Summary of Significant Accounting Policies - Cont'd.

f) Financial Statement Presentation

The Baptist Convention of Maryland/Delaware, Inc. has adopted FASB ASC 958-205, "Financial Statements of Not-for-Profit Organizations." Under FASB ASC 958-205, the Baptist Convention of Maryland/Delaware, Inc. is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. In addition, the Baptist Convention of Maryland/Delaware, Inc. is required to present a statement of cash flows.

g) Contributions

The Baptist Convention of Maryland/Delaware, Inc. has also adopted FASB ASC 958-605, "Accounting for Contributions Received and Contributions Made." In accordance with FASB ASC 958-605, contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions.

h) Investments

The Organization has elected to adopt FASB ASC 958-320, "Accounting for Certain Investments Held By Not-for-Profit Organizations." Under FASB ASC 958-320, investments in marketable securities with readily determinable fair values and all investments in debt securities are valued at their fair values in the statement of assets, liabilities and net assets. Unrealized gains and losses are included in the change in net assets.

i) Income Taxes

The Baptist Convention of Maryland/Delaware, Inc. is exempt from Federal taxes under Section 501(c)(3) of the Internal Revenue Code and therefore has made no provision for income taxes in the accompanying financial statements.

j) Estimates

The preparation of financial statements in conformity with the modified cash receipts and disbursements method used by the Organization, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reported period. Actual results could differ from those estimates.

BAPTIST CONVENTION OF MARYLAND/DELAWARE, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2012

1. Summary of Significant Accounting Policies - Cont'd.

k) Cash Equivalents

Cash for cash flow purposes is defined as checking, money market accounts and Certificates of Deposit.

l) Accounts Receivable

The Organization uses the direct write-off method for accounts receivable deemed uncollectible at the end of the year, which approximates the allowance method. The Organization did not write-off any bad debt nor did it deem any amounts uncollectible for the year ended December 31, 2012. All amounts included as accounts receivable have been billed by December 31, 2012. The trade accounts receivable are subject to credit risk and are generally not collateralized.

2. Concentration of Risk

Cash Concentrations

The Organization held its cash in two financial institutions at December 31, 2012. The accounts are guaranteed by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 for interest bearing accounts per bank and an unlimited amount for non-interest bearing transaction accounts. The primary banking funds are invested in U.S. Government overnight investments in order to increase yield. A summary of the total insured and uninsured cash balances follow:

Total Cash in Maryland Banks	\$ 696,461
Portion Insured by FDIC	<u>(186,550)</u>
Uninsured Cash Balances	<u>\$ 509,911</u>

NOTES TO FINANCIAL STATEMENTS

6. Fair Value of Financial Instruments

The Organization's financial instruments, none of which are held for trading purposes, include cash and marketable securities. The Organization estimates that fair value of all financial instruments at December, 31, 2012, does not differ materially from the aggregate carrying values of its financial instruments recorded in these statements. The estimated fair value amounts have been determined by the Organization using available market and appropriate valuation methodologies. Considerable judgment is necessarily required in interpreting market data to develop the estimates of fair value, and accordingly, the estimates are not necessarily indicative of the amounts that the Organization could realize in a current market exchange.

7. Retirement Plan

The Organization provides a tax qualified retirement plan for the benefit of eligible employees. Employees become eligible on their six-month anniversary with contributions equaling 11% of annual compensation. The properties are not used in operations and are held for investment purposes.

As the Interim Executive Director for WMU, I have the honor of encouraging churches to view missions as a lifestyle and not as a program. Gail Noda and the WMU Executive Board continue to assist me in any way they can to keep missions alive and well in our churches.

Camp Wo-Me-To located in Jarrettsville, Maryland, is owned and operated by Woman’s Missionary Union, Auxiliary to the Mid-Atlantic Baptist Network. Our camp staff is headed by Spirit-filled, missions-minded leaders. Frank Ulmer, Ben Block, Eric & Debbie Jones are very capable in their commitment to serve. Updates are continually being made by the staff and volunteers to keep the facility in good condition and to make the stay there very pleasurable.

- The theme for the **Women on Missions** 2014 retreat was “**Flourish**”. We had 136 ladies that attended this event. Our speaker this year was Debby Ackerman, the national president of WMU. The mission project was to collect toilet articles that were donated to The Karis Home, the women’s and children’s division of the Baltimore Rescue Mission.
- **Health Kits** Once again in 2014, ministries were blessed by your generosity of our Maryland/Delaware churches! We have received over 1,615 health kits, from 42 churches in 10 associations! Recipients include the International Student Ministry in Ocean City and the Port Ministry in Baltimore, along with churches that will use the kits to minister to those in need this summer.
- **Mother/Daughter Weekend** attendance was a total of 21 moms and daughters. This overnight stay gives mothers and daughters a taste of what the week-long camp would be like. The schedule followed closely to one of the days from the week-long camp.
- **Girls Camp 2014** was a blessing from God to all who had a part in the process. The theme was “**Gotta Tell It**” from Acts 4:20. There were 70 campers, plus 20 staff members. Peggi Kissinger was our Camp Pastor. We had different missionaries every day. Lindsay Roberts who had just returned from Germany as a Nanny to a Missionary family; Ashley Magliaro

who had just returned from a mission trip in the Dominican Republic; Pat Rousch, Dottie Templeton and another lady from Calvary Baptist Church in Bel Air who had participated in a mission trip to Maine and helped at a Christian Girls Camp there; and then Ellen Udovich from Mid-Atlantic Baptist Network came to speak to the girls about disaster relief. Many seeds were planted and some rededications were made by the girls. Five girls accepted Jesus as their Lord and Savior. This information was sent to their pastors for follow-up. The mission offering from the campers went to *HeARTful Soles* in the amount of \$300.00. *HeARTful Soles* are custom designed hand-painted canvas shoes given to seriously ill children as an act of kindness.

- International Mission Board (IMB) and North American Mission Board (NAMB) commissioned 96 missionaries during a rare **Joint Commissioning Service** sponsored by WMU, June 8, 2014, at the Baltimore Convention Center. Many were commissioned to serve as church planters, evangelism catalysts, collegiate ministers, refugee workers, chaplains and ministers to people groups in difficult areas of the world. The last joint commissioning service between IMB and NAMB is believed to have been conducted 25 years ago.
- On June 8-9 the **WMU Celebration and Annual Meeting** was held at Sheraton Baltimore City Center Hotel. A bus tour was planned to take WMU ladies and friends to some of the places where Annie Armstrong ministered and to where she is buried. All of these activities were the culmination of the 125th anniversary of WMU.
- The **Annie Armstrong Easter Offering** for North American Missions and the **Lottie Moon Offering for International Missions** materials were mailed to each Mid-Atlantic Baptist Network church. Additional materials were mailed upon request.
- **Breathless 2014** was held at Faith Baptist Church in Glen Burnie. This one day event for women had 145 attendees with Laurie Register, WMU Executive from South Carolina as the speaker and Wendy Mindte from the Mid-Atlantic Baptist Network. Sherrie McKay and her group from Bethany led the worship. In addition to attending various breakout sessions, the women purchased items from WorldCrafts which helps sustain women with employment in various countries and attempts to keep women out of prostitution and human trafficking

Church Multiplication

Rolando Castro, Church Multiplication and Language Churches

The Church Multiplication Team of the Mid-Atlantic Baptist Network is carrying on in the work of extending the kingdom of God locally during our leadership transition. As reported previously new churches are reaching African-Americans, Anglo Americans, Cambodian, Chinese, Hispanic, Korean, Mongolian, and Thai people groups.

During the transition the team continues in dedication to building this network for the glory of God. The opportunities for church planting across the Mid-Atlantic region continue to grow requiring more frequent assessments. New contacts of those interested in church planting in the Mid-Atlantic region continue to flow into the office. The addition of Earl Gray as the dedicated coach for the church planters has already shown great benefit to the planters as well as allowing better flow of relevant information flowing back to the church multiplication missionaries. Specific language training centers are producing and strengthening leaders for the ministry.

The number of Church Planter Catalysts engaged across our region has reduced. While temporarily challenging, the development of new leaders will allow the new Church Multiplication Missionary to reorganize the responsibilities around geography and skill sets. We hope these updates will provide better resourcing and support for our planters once they are in the field. We will continue the process of negotiating with NAMB to develop these changes.

Church Strengthening, Equipping and Encouraging

Randy Millwood, Leader

During the 2014 Annual Celebration, you saw and experienced our clarified focus and fresh emphasis on Church Strengthening as our primary objective for every Church in our Network, regardless of where they are on their journey. In the months leading up to our Celebration much time and effort was expended on aligning our ministry teams and supporting resources in order to position us to effectively move forward with our 3 strategies of equipping, encouraging, and engaging our churches for multiplied ministry together.

Since September, in addition to preparing for the Annual Celebration itself, we have also been busy visiting our churches throughout our Network across the Mid-Atlantic region in order to directly connect with as many of them as possible so that we could extend a personal invitation and encourage them to come join us while delivering a brick that was representative of them being an important part of something much bigger than themselves. Our visit was also intended to demonstrate to them and to remind them that they were not alone in ministry and that we could do far more and much better together than we can ever do apart.

One of our highest current priorities is to facilitate and encourage ongoing participation in Peer Learning Groups (PLGs) that will foster growth while providing relational support and accountability among our pastors and other key ministry leaders. Toward that end, we offered an introductory session at the Annual Celebration on our plans to initiate a series of PLGs this coming year that will be centered on the Lead Like Jesus leadership materials. A series of 5 regionally-based Lead Like Jesus Encounters have already been scheduled for the early part of 2015 as the launch point for these important groups.

During the Celebration we also offered a breakout session on our increased capability and availability to offer on-site Walk-Thru-the-Bible Live Events for our churches. These very engaging and highly effective live events provide a comprehensive overview of both the Old and New Testaments that lays and/or strengthens a foundation in God's Word in such a way that it benefits both new believers and seasoned believers alike. Additional live events are also available that focus on Marriage Enrichment and Ministry Team Building.

Below are some of the activities that the Church Strengthening, Equipping and Encouraging Team were involved in this Fall:

Breathless 2014 was held at Faith Baptist Church in Glen Burnie. This one-day event for women had 145 attendees with Laurie Register, WMU Executive from South Carolina as the speaker and Wendy Mindte from the Mid-Atlantic Baptist Network. Sherrie McKay and her group from Bethany was the worship leader. In addition to attending various breakout sessions, the women purchased items from WorldCrafts, which helps sustain women in various countries with employment and attempts to keep women out of prostitution and human trafficking.

Worship and Music - Equipping and Encouraging Highlights: The worship ministry of the Mid Atlantic Network continued hosting networking meetings for our worship leaders. These meetings occur four times a year and are faithfully attended by numerous worship leaders from across the Mid Atlantic Network. These gatherings allow for high-level connection, discussion of best practices and mutual support. As we move to a more formal "Peer Learning Group" model in 2015, this current "Teaching Church Network" group will be a great launch pad for the new PLG effort.

Bill Archer also led choral workshops in Southern Maryland (Dunkirk Baptist Church) and Blue Ridge Association (Covenant Baptist Church)

Our entire Network was blessed by great worship during our recent Annual Celebration. We were led by musicians from Colonial Baptist Church, El Bethel Baptist Church, Kettering Baptist Church, The Church at Severn Run, Cresthill Baptist Church, Riva Trace Baptist Church, Redemption Church, First Baptist Church, Waldorf, and Montrose Baptist Church.

Along with ongoing individual and group meetings regarding safety & security in our churches, The Bible Teaching/Children's Ministry had a number of events this Fall, and is looking forward to two more in February:

On September 20, 2014, the Bible Teaching /Children's Ministry partnered with LifeWay to present the Transform conference for churches across the Mid-Atlantic Baptist Network/BCMD area. LifeWay assembled Bible Teaching/Sunday School/Small Groups and Discipleship Leaders from across the nation who lead seminars for all age groups in a one day teaching-learning experience 25 conferences. There were 200 in attendance. (Next Seminar - September 2016)

From October 6-9, 2014, 20 leaders (including one Senior Pastor) from several churches in the Mid-Atlantic Baptist Network/BCMD area attended KMC (Kids Ministry Conference), a yearly leadership conference for Professional and Volunteer Children's Ministers and Leaders in Nashville. This was a great opportunity to connect with kids ministry leaders from around the country, and a time of fellowship and spiritual renewal.
(Next KMC - October 2015)

On September 19, 2014, 25 Bible Teaching Resource Team trainers had an opportunity to connect, assess, evaluate, and update strategies, programs, events, and trends in Bible Teaching. The Appreciation dinner and seminar took place at the Baptist Mission Resource Center; David Apple, Leadership Ministry Specialist, LifeWay Christian Resources was the presenter. (Next Gathering - May 2015)

On October 21, 2014, 20+ new and experienced Kids Ministry Directors and Coordinators in our

churches met for the Fall Kids Ministry Seminar, a specialized time of equipping and discovery (provides networking and fellowship). It was an opportunity to develop strategies around leadership development and other areas of need.

Presenter - Jerry Vogel, Kids Ministry Specialist, LifeWay Christian Resources.
(Next Meeting May 2015)

Upcoming Events:

Kids Ministry Conference will be held at The Church at Covenant Park on Saturday, February 7, 2015 from 9:30am-2:30pm. The theme is "In Our Neighborhood". There will be a Keynote Speaker and breakout sessions. Lunch is included.

Vacation Bible School Expo and Celebration will be held at South Columbia Baptist Church on Saturday, February 28, 2015 from 9:30am-2:00pm. The theme is "Journey Off the Map". Spend the day in VBS from Opening Rally to Closing Prayer! (Lunch included)

Engagement Team for Evangelism and Missions

Joel Rainey, Team Leader

The Engagement Team supports churches as they develop and implement effective mission strategies that will fulfill Matthew 28:19-20 and Acts 1:8. As we approach the end of 2014, we are implementing a new comprehensive strategy that has the "Love Your Neighbor, Share Christ" strategic framework at the center. LYNSC is the primary way we will be speaking about evangelism and cultural engagement across our network, and the questions that flow from this framework will shape every outreach effort, whether that effort be local, regional, or international. Our goal is for our entire staff to have a working knowledge of this approach in all its expressions, so that we can help our churches share the greatest expression of love with their communities and the world through the greatest story ever told in the history of the world!

Here are some of the ways our team has assisted Mid-Atlantic Baptists in living out their Acts 1:8 calling in the past two months:

Personal Evangelism: Over the past two months, our team has helped churches place a particular focus on engaging Muslims. Islam is currently the 2nd fastest growing religion in the world, and our own region has seen exponential growth in the Muslim population in the last decade. Our aim through two events was to help churches understand the nature of the worldview differences between Christianity and Islam, and also help them engage Muslim peoples in friendship to provide opportunities where the Gospel can be shared.

On November 2, four churches across our network partnered with us to present "Seeking Allah; Finding Jesus." Approximately 400 people attended this simulcast to hear the story of Nabeel Qureshi, a Pakistani-American who turned from the Islam of his birth to faith in Jesus Christ. Attendees were able to hear directly from one who converted to Christianity from Islam about the key differences in these two faiths, and were better equipped to share their own faith with Muslims. Qureshi also shared that the most important part of his journey was a close friend who never gave up on him. Attendees were encouraged to build relationships and deep, unconditional friendships with those of other faiths as a result.

Two weeks later, our team provided one avenue through which those relationships could be developed at the Mid-Atlantic Summit on Faith and Culture, which took place at Gethsemane Baptist Church. More than 70 attendees from Christian, Jewish and Muslim backgrounds attended. A panel

discussion involving pastors and Imams provided clarity as to the differences between us, and other breakout sessions provided insight on religious freedom, and issues on which we agree, such as eliminating human trafficking, and economic justice. Many friendships were developed that we pray will lead to greater understanding of each other, and many opportunities to invite our new friends into genuine relationship with Jesus.

Joel Rainey, lead strategist of our team, also led a breakout session on “The Future of Evangelism,” at our network’s annual celebration on November 11. Additionally, Rainey and Doug DuBois led a “Love Your Neighbor; Share Christ” breakout session over lunch that same day. This breakout was designed to give the more than 40 attendees who came a preview of what a LYNSC learning community is, and how it can help pastors encourage and equip each other. Peer Learning Groups focusing on this strategic framework are currently being formed across our network, and will launch in early 2015.

Disaster Relief: 12 churches were represented at our fall Disaster Relief regional training in Upper Marlboro in October. Disaster Relief volunteer teams have been deployed 12 times since the beginning of the year. Most recently, volunteers were deployed to Pennsylvania to provide kitchen support for a manhunt executed by PA state troopers in the Poconos. Currently, we are on alert for potential flooding in Buffalo as 7 feet of heavy, wet snow begins to melt after a large snowstorm there last week.

Resort Evangelism: When the World Canoe and Kayak Championship came to Garrett County, Maryland this September, Deep Creek Lake Resort Ministry was invited to set up a children’s ministry tent and baby changing station to support the many families who would be coming to enjoy the event. In addition, DCLRM provided daily prayer time and Bible study for the athletes and coaches as well as many informal conversations with athletes. Ministry director Julie DuVal asks for prayer for three athletes she met who are followers of Christ and who are trying to be a light in a sports culture that isn’t open to spiritual things. Volunteers from Western Association and other Mid-Atlantic Baptist Network churches looked for opportunities to love, serve and share Christ, including an 11-year old volunteer who was able to share the gospel with a father and his child at the craft table.

Collegiate Evangelism: Two new churches have officially launched at Frostburg State, and the University of Maryland. This has resulted in 100 new students attending church. Additionally, the Naval Academy reached a new high of 150 midshipmen at their weekly worship event. Many students have come to faith in Christ and are being scheduled for baptism, including two new students at the University of Delaware from Muslim backgrounds who have given their lives to Jesus. As we approach 2015, two major initiatives will be an international student coalition at Towson University, which connects area churches and families with international students, and a new church-based network for training volunteer leaders who wish to work with college students.

Ministry Evangelism: The Network Women’s Missionary Union recently held the “Breathless” conference, which featured South Carolina WMU President Laurie Register, and our own Wendy Mindte. Women’s Ministry leader Melody Knox also taught for four weeks at Manna Bible Baptist Church in how to help combat human trafficking, as well as a ladies’ retreat in October and early November based on “Lies Women Believe and the Truth that Sets Them Free” by Nancy Leigh DeMoss. Additionally, our staff represented the Mid-Atlantic Network at numerous Associational meetings, and emphasized evangelism and missions. Wendy Mindte helped with the language pastors tour, and also continues to help with mobilization for ESL ministry in our churches.

Student Evangelism: Three different events were held in October by Amped Student Ministry with over 100 young people and youth leaders in attendance. Additionally, Doug DuBois hosted a brunch at our annual celebration focused on student discipleship, which was attended by 23 youth pastors and lay leaders. Additionally, a student version of “Lead Like Jesus” launched last weekend at Skycroft. Monthly meetings will follow focused on this subject.

Conclusion: Our team exists to mobilize churches in engaging our culture with the love of Jesus Christ, and I am honored to work alongside all on this team who demonstrate a clear passion for those outside a relationship to Jesus. We approach 2015 with great excitement as we continue to more effectively focus our resources and embrace the lost.

Baptist Foundation of Maryland/Delaware, Inc.

Bruce Conley, President; Tom Stolle, Director

For 160 years, the Baptist Foundation of Maryland/Delaware has served the cause of Christ through the prudent management of endowments that benefit Baptist work in Maryland/Delaware and around the world and be providing loans to our churches and associations.

The Foundation currently manages assets of almost \$10.5 million dollars (\$7.4 million in the Endowment Funds and \$3.1 million in the Church Loan Funds.) Significant growth in the amount of managed assets has occurred from \$3.8 million in 1991.

For the fiscal year ended September 30, 2014, the Foundation distributed approximately \$439,000 to Southern Baptist and Mid-Atlantic Baptist Network mission causes from the Endowment Funds.

Through the Foundation's Church Loan program, 19 Mid-Atlantic Baptist Network churches are being assisted with over \$2.9 million dollars in loans. The advantages of these church loans are favorable interest rates and low closing costs. In addition to the above referenced distribution, the Foundation makes a distribution annually to the Mid-Atlantic Baptist Network to be used to start churches and to strengthen existing churches. The distribution to be made for the fiscal year ended September 30, 2014 totals \$140,720.49.

The Baptist Foundation is now positioned to manage endowment funds for churches and associations while saving them money on administration. Even churches or associations with modest investment needs may take advantage of the same discounts offered to multi-million dollar investors simply by using the services of the Baptist Foundation. We encourage churches and associations to partner with us to create Heritage Funds to ensure funding for their future ministry efforts.

The Baptist Foundation continues to educate our churches in estate planning. If your church is interested in learning more about the Foundation, a representative of the Foundation will be happy to provide additional information. You may also learn more about the Foundation by visiting www.bcnd.org/baptist-foundation. From here you can learn more about the Foundation's church loan, estate planning, and planned giving programs as well as view the most recently available audited financial statements.

The Lord has truly blessed the Kingdom work of our Foundation and Convention. We look forward to continuing to serve Maryland/Delaware Baptists in the same trustworthy manner as our predecessors.
