Constitution & Bylaws

Baptist Convention of Maryland/Delaware

Section 2: Table of Contents

Constitution	21
Bylaws	27

Constitution of the Baptist Convention of Maryland/Delaware, Inc.

Article I • Name

The body will be called the Baptist Convention of Maryland/ Delaware, Inc.

Article II • Mission Statement

Section 1—The Baptist Convention of Maryland/Delaware will intentionally assist in the starting and strengthening of congregations so that together we can fulfill Jesus' commands in Matthew 28:19-20 and Acts 1:8.

Section 2—This Convention is an autonomous body and is neither limited nor restrained by any authority or decision of any other Baptist body and will achieve its objectives through such means as this Convention alone determines.

Section 3—This Convention does not have any ecclesiastical authority to limit the autonomy of the local congregation.

Section 4—This Convention recognizes the Southern Baptist Convention as our primary instrument to further the cause of Christ on a worldwide basis. This Convention pledges its loyalty and support to the purposes served by the Southern Baptist Convention.

Article III • Membership

Section 1—The membership of this Convention will consist of messengers who are members of Baptist churches which are in friendly cooperation with this Convention and sympathetic with its purpose and work, and which have during the preceding 12 months (October 1 through September 30) been bona fide contributors to the work of this Convention.

Section 2—Each cooperating Baptist church will be entitled to two (2) messengers; each cooperating church exceeding fifty (50) members will then be given one additional messenger for each additional fifty (50) members or part thereof; or one additional messenger for each \$750 contributed to the work of this Convention through the Cooperative Program until the maximum of thirty (30) is reached.

Section 3—Messengers to this Convention will be certified by their churches. This Convention will be the final judge of election and qualifications of its members.

Section 4—The officers of this Convention, the employed staff of this Convention, and its agencies may be messengers provided they are elected by the church in which they hold membership.

Article IV • Meetings

Section 1—This Convention will meet at least once each year, hereafter known as the Annual Meeting, at such time and place as may be fixed by this Convention at the Annual Meeting held the preceding year. The duly appointed messengers of the cooperating churches will comprise the voting body of this Convention.

Section 2—In case of an emergency, the General Mission Board is empowered to change the time and place of meeting or call a special meeting by a vote of two-thirds of the members present and voting.

Section 3—Notice of any special meeting will be given at least thirty (30) days prior thereto by publication in BaptistLIFE and in such other ways as the General Mission Board may direct.

Article V • Officers

Section 1—The Officers of this Convention will be a President, First Vice President, Second Vice President, Corporate Secretary, Treasurer, Recording Secretary, and an Assistant Recording Secretary. All but the Corporate Secretary and Treasurer will be elected at each Annual Meeting by a majority of the duly elected messengers present and voting, and will hold office until their successors are elected and installed. Employees of the Baptist Convention of Maryland/Delaware are ineligible to serve as officers of this Convention with the exception of the Executive Director who will serve as Corporate Secretary and the Director of Finance who will serve as Treasurer.

Section 2—Nominations will be from the floor. Election will be by ballot except where there is a single nominee for an office. In the latter case, the President will instruct the Secretary to cast a unanimous ballot for the nominee.

Section 3—Officers will serve for one (1) year and hold office until their successors are elected and qualified; however, the President and Vice Presidents may not serve more than two (2) complete successive terms in office. Terms of office will commence at final adjournment of the Annual Meeting in session at the time of their election and terminate in the final adjournment of the succeeding regular session of the Annual Meeting. In case of death, disability of, or other cause making necessary the retirement of the President, the Vice Presidents will succeed in order. The General Mission Board will determine when an office is vacant due to the disability of an incumbent.

Section 4—The President will preside over the deliberations of the Annual Meeting and will perform other duties as may be customary to the position or as determined in the Bylaws, and will become an ex officio member of all Convention committees and boards. The President will continue as ex officio member of the General Mission Board for one full year immediately following tenure as President of this Convention unless elected to fill a vacancy in the regular membership of the Board.

Section 5—The Vice President may, in the absence of the President or when requested by the President, preside over the Annual Meeting and will perform other duties as may be provided in the Bylaws or as requested by the President.

Section 6—The Secretary will keep accurate minutes of all sessions of this Convention and will cause these to be published in suitable form in the Annual of this Convention together with other information as this Convention or the General Mission Board of this Convention deems necessary and proper.

Section 7—The President will be authorized to sign legal papers for the Baptist Convention of Maryland/Delaware, Inc. If unable to do so, the First Vice President or the Second Vice President will be so authorized.

Section 8—Should the President and Vice Presidents be unable to serve, the duties of the President will devolve upon the President of the General Mission Board until said Board will elect an interim President.

Article VI • General Mission Board

Section 1—This Convention will elect a General Mission Board to be known as the General Mission Board, none of whose members will be employees of said Board. Fifty-one percent will be a quorum for business.

The Rules of Order for the meetings of the General Mission Board will be those in the current edition of Robert's Rules of Order.

The General Mission Board will be composed of three members from the geographic area of each association. For each 5000 resident members or major fraction thereof, one additional Board member will be chosen, up to but not to exceed a total of ten Board members from any association. The President of this Convention, the President of the Brotherhood, the President of the Woman's Missionary Union and the Maryland member of the Southern Baptist Convention Executive Committee will serve as at-large members of the Board. Board members selected by virtue of their Convention offices, will not be used in determining the number of members from an association or local church.

The term of the office of the members will be four years with, as nearly as possible, the terms of one-fourth of the members expiring each year. Any member serving for a full term or three years of an unexpired term will not be eligible for reelection until one year has expired.

Membership on the Board will cease when the member dies, moves membership from a church within the Convention, or the member's church ceases to be in cooperating fellowship with this Convention. In the event a member moves from a church in one association to another within this Convention, or the member's church changes from one association to another within this Convention, the member will be eligible to serve until a successor is elected at the next Annual Meeting. Membership on the Board will automatically be terminated when a member is absent for two consecutive meetings of the Board without notification submitted to the Board President or the Executive Director. The member will be notified of such termination.

Section 2—The members of the General Mission Board will be elected by this Convention, after receiving nominations from the committee selected by this Convention for this purpose, and after giving opportunity for nominations from the floor of this Convention.

Section 3—The work of this Convention, except as otherwise specified, will be committed to the General Mission Board described as follows: The General Mission Board of the Baptist Convention of Maryland/Delaware will act for this Convention ad interim promoting all the interests of the Kingdom, such as evangelism, missions, education, benevolence, social welfare, and public morals, and so on. The General Mission Board will not have authority to control the agencies and institutions of this Convention, but it will maintain general care and responsibility for the work of same. It is instructed to study annually their reports, to interpret and apply the rules of the constitution and the business and financial policy of this Convention as items may apply to any of the agencies of this Convention, to make recommendations directly to agencies and also to make whatever recommendations to this Convention concerning them it may deem advisable.

Section 4—This Convention will annually elect members to fill all vacancies on the Board.

Article VII • Agencies

Section 1—The Convention may establish agencies for the purpose of performing collateral Christian services. An agency will be a separate corporation independent of the Baptist Convention of Maryland/Delaware in its day-to-day operations but will work in cooperation with the Convention in order to avoid costly duplication. The Convention and each agency will establish, through the General Mission Board, an agreement defining their working relationship. An agency of this Convention will act in accordance with our historic Baptist doctrine and practices.

Section 2—The trustees of these agencies will be elected by this Convention after receiving nominations from the Committee selected by this Convention for this purpose and after giving opportunity for nominations from the floor of this Convention. The number of trustees for each agency and their terms of office will be in accordance with the requirements of their respective charters and bylaws.

Section 3—All agencies sharing in the Cooperative Program receipts must include a summary of their financial report in the annual report to the Baptist Convention of Maryland/Delaware, and the General Mission Board will request a copy of the budget of all agencies sharing in the Cooperative Program receipts along with their requests for financial assistance.

Section 4—No agency of this Convention will create any liability or indebtedness (except such as can and will be repaid out of its anticipated receipts for current operations within a period of three years) without the consent of this Convention or the General Mission Board. In order to obtain such approval, the agency must file a statement showing the source of such anticipated receipts. Such consent must be likewise obtained for a purchase of properties or construction of same, subject to liens or encumbrances which cannot be repaid out of its anticipated receipts for current operations within a period of three years.

Section 5—Proposals for the establishment of new agencies must follow one of the following procedures: (1) Authority may be granted upon favorable vote by two successive Annual Meetings, or (2) Authority may be granted by vote of one Annual Meeting provided a favorable recommendation is made by the General Mission Board, after thorough study, and provided further that the proposal has been published in two issues of BaptistLIFE.

Section 6—The agencies of this Convention are the Baptist Family and Children's Services of Maryland, Inc., and the Baptist Foundation of Maryland/Delaware, Inc.

Article VIII • Business and Financial Policy

Section 1—This Convention approves the Cooperative Program of Southern Baptists as its plan of world mission work and appeals to the churches to support it and to recognize the wisdom and right of this Convention to divide equitably the Cooperative Program receipts.

Section 2—Cooperative Program gifts will be distributed on a percentage basis approved by this Convention and designated gifts according to the wishes of the donors. The Administrative Committee of the General Mission Board will recommend at each pre-convention meeting of the General Mission Board the Cooperative Program goal and the distribution of receipts for the following year. Financial reports will be given at each meeting of the Board and an annual review conducted.

Section 3—The fiscal year of the General Mission Board and this Convention will be the calendar year.

Section 4—All funds entrusted to this Convention or to any of its boards or agencies will be strictly applied according to the expressed will and direction of the donors.

Section 5—This Convention will receive contributions, legacies and bequests for the several objects which it fosters. The Baptist Foundation of Maryland/Delaware, Inc., is the agency designated for the management of trust funds.

Article IX • The Denominational Paper

Section 1—The BaptistLIFE will be the official news journal of this Convention.

Section 2—The General Mission Board of this Convention will be responsible for the conduct of this phase of our work through the Director of the Communication Center.

Article X • Woman's Missionary Union

The Woman's Missionary Union of Maryland/Delaware is recognized as an auxiliary of this Convention whose accomplishments and potentialities in good works are appreciated as being of immeasurable value to the Christian cause.

Article XI • Miscellaneous

Section 1—Neither this Convention nor any agency owned or supported in whole or in part by this Convention, will accept or receive, directly or indirectly, any gift, grant, or aid from the Federal or State governments or any governmental agency except for definite and full services rendered by the agency with the approval of this Convention or its General Mission Board. In any debatable instance that may occur, the General Mission Board will interpret this statement subject to the approval of this Convention.

Section 2—Any special campaign for funds must be specifically approved by vote of this Convention or the General Mission Board.

Article XII • Amendment

All amendments to this constitution must be submitted in writing at an Annual Meeting. A vote will be taken when the amendment is presented and at the succeeding annual session. The proposed amendment may be modified in form but not in substance upon presentation for vote at the second session. The amendment will be adopted only after an affirmative vote of two-thirds of the messengers present and voting at two successive Annual Meetings. Non-substantive changes such as grammatical corrections and title or name changes may be made by the Administrative Committee of the General Mission Board and included in their report at the Annual Meeting of the Baptist Convention of Maryland/Delaware.

Bylaws of the Baptist Convention of Maryland/Delaware, Inc.

The work of this Convention will be governed by the following bylaws:

Article I • Duties of Officers

Section 1—The President will preside over the deliberations of the Annual Meeting and discharge such other duties as are imposed by this Convention or as are incumbent on the presiding officer of a deliberating body. At least two months prior to the Annual Meeting, the President, in consultation with the two Vice Presidents, will appoint a Committee on Credentials and Enrollment, a Committee on Committees, a Resolutions Committee, and other committees when so directed by the Body (see Article II, Section 1). In case of death or incapacity to serve, the Vice Presidents will succeed the President in order.

Section 2—A First Vice President and a Second Vice President will discharge such duties as requested by the President, will serve as ex officio members of the General Mission Board, and in the event of the death or disability of the President, will succeed the President in order of their rank.

Section 3—The Recording Secretary will record and preserve the proceedings of this Convention and will, in cooperation with the Executive Director, have the same printed and distributed. The Assistant Recording Secretary will serve in the absence of the Recording Secretary and assist as necessary.

Section 4—The Corporate Secretary will perform the duties legally required of this office.

Section 5—The President and the Executive Director will be advisory to all Convention committees and agencies.

Article II • Committees and Their Duties

Administrative Guidelines for All Committees

All committees will reflect, as much as possible, a balance between vocational ministers and others. An ex-officio member will have voting privileges. No person will be elected to serve simultaneously on more than one standing committee.

No church will have more than two representatives simultaneously elected to serve on BCM/D committees, the General Mission Board, or as trustees of a BCM/D institution or agency.

Committees of this Convention may appoint persons other than members to special limited purpose subcommittees and advisory committees provided such persons will serve only in an advisory capacity and will not be permitted to vote at meetings of the authorizing committee.

Membership on committees will cease when the member dies, moves membership from a church within the Convention, or the member's church ceases to be in cooperating fellowship with this Convention. In the event a member moves from a church in one association to another within this Convention, or the member's church changes from one association to another within this Convention, the member will be eligible to serve until a successor is elected at the next Annual Meeting. Membership on the Board will automatically be terminated when a member is absent for two consecutive meetings of the Board without notification submitted to the Board President or the Executive Director. The member will be notified of such termination.

In the event of a vacancy between Annual Meetings, the President shall appoint members to fill that vacancy as an interim until approval at the next Annual Meeting. This would apply to all BCM/D committees.

Section 1—In advance of the Annual Meeting, the President will appoint the following committees:

1. Committee on Credentials and Enrollment—The committee will consist of five members whose duties it will be to register messengers and visitors. This committee will review and rule upon any questions which may arise in registration concerning the credentials of messengers. Any such ruling may be appealed to this Convention during business session. This Committee will make a report to the assembled messengers upon the call of the President, and will pass on the credentials of all messengers.

The Committee on Credentials and Enrollment will function under the following guidelines:

- Each person elected by a church, cooperating with the Baptist Convention of Maryland/Delaware, as a messenger to the Annual Meeting will be registered as a messenger to this Convention upon presentation of proper credentials. Credentials will be presented by each messenger, in person, at the Convention registration desk and will be in the following form:
- A completed and signed BCM/D registration card certifying the messenger's election in accordance with Article III Membership of the Constitution of the Baptist Convention of Maryland/Delaware, Inc.; but if the messenger does not have the messenger registration card,
- A letter from the messenger's church, signed by the clerk or moderator of the church certifying messenger's election in accordance with Article III Membership of the Constitution of the Baptist Convention of Maryland/Delaware, Inc.; or

2. Committee on Committees—This committee will consist of one member from each association whose duty it will be to nominate for election by this Convention the members and chairpersons of the committees listed in Sections 2 and 3 of this article, with the exception of the Committee on Committees, and other committees as may be assigned to it. Members of this committee will be appointed to a three-year term, one-third of its number retiring each year. A member of this committee cannot be nominated as a member of the General Mission Board, a trustee of the agencies of this Convention, or a member of any Convention committee.

3. Resolutions Committee—This committee will consist of five members. It will be responsible for initiating, reviewing, researching, preparing and recommending all resolutions for adoption. Only resolutions presented to the Resolutions Committee at least 45 days in advance of the Annual Meeting will be considered by the committee before the first session. Other resolutions may be referred to the committee by the general body during the session as described in Article VI, Section 2. Resolutions should seek to build up and unify the body rather than divide it; therefore, only resolutions that have the full consensus of the committee will be presented at the Annual Meeting.

An announcement will be published in BaptistLIFE no later than 75 days before the Annual Meeting requesting resolutions for the committee's consideration and possible presentation at the Annual Meeting. Proposed resolutions will be submitted in writing and addressed to either committee members or to: Resolutions Committee, BCM/D, 10255 Old Columbia Road, Columbia, Maryland 21046-1716. BaptistLIFE will be requested to print the titles and nature of the resolutions to be presented by the committee at the Annual Meeting no later than 15 days before the Annual Meeting. These resolutions will be printed in their entirety and will be distributed for consideration at the Annual Meeting.

Section 2—This Convention will elect the following committees to report to the next Annual Meeting:

1. Committee on Order of Business—This committee will consist of one member from each association. The members of this committee will be elected to a three-year term, one-third of their number retiring each year. The President of the Maryland/Delaware Ministers' Conference and the music director for the Annual Meeting will serve as ex officio members of this committee. The committee will be responsible for recommending to this Convention the place, time, preacher, and music director of the Annual Meeting one year hence and, if feasible, the time and place two years hence. 3. The Christian Life and Public Affairs Committee—This committee will act for this Convention in the field of Christian ethics, public affairs, interfaith cooperation, and Christian social concerns. Specifically, but not exclusively, these areas will include family life, human relations, race relations, moral issues, economic life, daily work, citizenship, church-state relations, cooperative relationships with other religious groups, and those areas where the gospel and the churches affect or are affected by community and public life. The Christian Life and Public Affairs Committee may act on matters referred to it by this Convention, by the General Mission Board, or by any agency of this Convention

The Christian Life and Public Affairs Committee will be responsible for initiating consideration and study, and for recommending action of the Baptist Convention of Maryland/Delaware and/or General Mission Board on any matter or issue falling within the scope and purpose as set forth in the preceding paragraph.

The committee will be elected and directly responsible to the Baptist Convention of Maryland/Delaware. It will report annually to this Convention.

The committee is authorized to make pronouncements on matters within its scope and purpose in as far as they are consistent with actions previously taken by the Baptist Convention of Maryland/Delaware, the General Mission Board, or the Southern Baptist Convention. However, under no circumstances will the committee assume the exercise of authority for this Convention, its agencies or the churches.

The Christian Life and Public Affairs Committee will be composed of one member from each association. At least half the members will be lay people. All members will be elected by the Convention in the Annual Meeting. Members will be elected to a three-year term, one-third of their number retiring each year. No member can be elected to serve more than two full terms of office until at least one year will have elapsed after the second full term. A member may be elected to complete an unexpired term caused by vacancy and thereafter be elected to two full terms per above. In addition, the Executive Director will annually designate a Convention staff member as a consultant to this committee. Staff member succession will be at the discretion of the Executive Director.

The committee will elect a recording secretary and such other officers each year as it will deem necessary. The committee will meet quarterly and/or at such other times as will be designated by the chairperson.

The financial needs of the Christian Life and Public Affairs Committee will be through the budget of the Baptist Convention of Maryland/Delaware.

4. History Committee—This committee will consist of one member from each association. Members will be elected to a three-year term, one-third retiring each year. This committee will present nominations for General Mission Board officers and the chairperson and members of the Administrative Committee at its organizational meeting. Members of this committee cannot be nominated as members of the Administrative Committee.

2. Administrative Committee Purpose—The Administrative Committee performs normal administrative committee responsibilities for the General Mission Board between regular meetings and works with the Executive Director in the implementation of the Board's policies, programs, and services assigned to its general care.

- **Membership**—The Administrative Committee will be comprised of a chairperson, the President of the Baptist Convention of Maryland/Delaware, the President of the General Mission Board, the past BCM/D President (one year), and one member from the geographic region of each association. Each member of the General Mission Board and trustees of any agency of this Convention will be a member, for at least twelve months preceding election, of one church which cooperates with this Convention.

The incumbent General Mission Board, its officers and committees, will continue to function until the new General Mission Board, at its first meeting during or after the Annual Meeting of the Baptist Convention of Maryland/Delaware, is duly organized. The same is true for trustees and directors of any agency of this Convention.

Article VI • Procedure for the Annual Meeting**Section 1—Rules**

1. The rules of order for the sessions of the Annual Meeting will be those in the current edition of Robert's Rules of Order, but in cases where the meaning may not be clear, the President's discretion will be exercised. The President may appoint a Parliamentarian who will advise and assist the President with respect to all matters involving parliamentary procedure.
2. No person addressing the Annual Meeting may speak more than twice on the same subject without unanimous consent.
3. The President is charged at all times with the maintenance of decorum and order.
4. In the last two sessions of the Annual Meeting, any new business may only be considered by permission of majority vote of the messengers present.

Section 2—Resolutions

All resolutions considered at the Annual Meeting will come from the Resolutions Committee and have their full consensus or, as a redress, one presented to but rejected by the committee may be ordered to the floor under a "question of privilege" without having the full consensus of the committee. All resolutions available to the Resolutions Committee 45 days before the Annual Meeting will be automatically considered by the committee and, if accepted, will be printed and distributed at the first session of the Annual Meeting. If, in the opinion of the President, a messenger has a "copy-ready master" of a resolution with justifiable reason for not meeting the 45-day rule, it may be referred to the Resolutions Committee by the assembly at the first session. The action should follow the form: (Petitioner) "Mr. President, I request the consideration of a resolution concerning (subject)."; whereupon the President immediately puts the question without debate, "(Messenger) requests the privilege of having a late resolution considered, all who favor instructing the Resolutions Committee to review this resolution for consideration ... (vote)."

All resolutions passed at the Annual Meeting are the opinion of the overwhelming majority of the messengers present at that Annual Meeting but are not binding on the Baptist Convention of Maryland/Delaware, local associations, local congregations or individual Baptists. In order for a resolution to express the clear opinion of the messengers at the Annual Meeting, successful adoption will require an affirmative vote of two-thirds of the messengers present and voting.

Section 3—Election of Officers

1. The Officers of this Convention will be nominated from the floor, and the election will be by secret ballot when two or more persons are nominated for the same office.
 - The one receiving the majority of all votes will be declared elected.
 - The chairperson of the Credentials Committee hands the results of the vote to the presiding officer who announces first whether the vote is a majority vote or not. If a majority, the candidate is declared elected. If not a majority, the chairperson declares a run-off of the two receiving the highest number of votes.
 - The vote is not effective until announced.
2. The President will be elected before the Vice Presidents are nominated and the First Vice President is to be elected before receiving nominations for the Second Vice President.

Article VII • Amendments to Bylaws

The Bylaws may be altered by a majority vote of the messengers present on the first or second day of the Annual Meeting of this Convention. Non-substantive changes such as grammatical corrections and title or name changes may be made by the Administrative Committee of the General Mission Board and included in their report at the Annual Meeting of the Baptist Convention of Maryland/Delaware.

2017 Budget Notes:

Note 1: Projected Cooperative Program receipts down from 2016 budget and 2015 actual.

Note 2: Church Multiplication and Evangelism support from the North American Mission Board. Increase reflects an additional \$200,000 investment by NAMB in church multiplication efforts.

Note 3: Projected receipts from churches to be reinvested in 2017 into Skycroft/Camp evangelism, church planting initiatives, and special needs people groups.

Note 4: No budgeted release from escrowed dollars for additional funds given specifically designated to church planting as NAMB has increased their financial partnership to plant churches by \$200,000.

Note 5: Includes a 1% increase in the amount of Cooperative Program funds sent on to the national SBC to increase commitment to national and international missions efforts.

Note 6: Communications has been merged into the Executive Office. The figures above have been restated for the 2016 budget and 2015 actual expenses to reflect this change.

Note 7: Financial Services, Baptist Mission Resource Center Operations, and Engagement/Training (Evangelism) has been merged to create the Convention Operations Team. The figures above have been restated for the 2016 budget and 2015 actual expenses to reflect this change. The reduction in 2017 budgeted expenses is due to the defunding of multiple collegiate evangelism positions and the transfer of the Love Loud Missionary to the Church Strengthening Team.

Note 8: Largely reflects reduction in available program dollars as compared to the prior year.

Report of Executive Director Dr. Kevin Smith

What a joy to end the year as an excited and hopeful Maryland/Delaware Baptist! I am grateful for the General Mission Board's call, in June, to serve as Executive Director of the Baptist Convention of MD/DE. During the second half of 2016, I have enjoyed meeting churches and pastors all over our two-state convention. I have been especially moved by the Great Commandment & Great Commission desires of so many that I have met. During our annual meeting in Towson, I presented some core values that I pray will shape our mission together going forward, as we seek to strengthen and plant churches.

Core Values: Cooperation, Affirmation, & Multiplication

Cooperation - the belief that our capacity increases when Maryland/Delaware Baptists cooperate with each other, and with our national Southern Baptist partners. The church planting task of pushing back spiritual darkness is a great work demanding the unified efforts of Christ's followers, in order that we might be useful vessels for the Holy Spirit (who is not the author of confusion). The church strengthening task of pursuing church health and fruitfulness is, likewise, a great work that requires our congregations to be united and prayerful as we ask God to use us to see people converted and growing in godliness to the glory of Jesus Christ.

Affirmation - the belief that local church affirmation of missionaries and church planters is biblical, and an effective means of stewardship accountability to our Cooperative Program, Maryland/Delaware Missions Offering, and Annie Armstrong Offering supporting churches. "Churches plant churches" is not mere rhetoric to us, we really mean it! Not only do churches participate by giving a percentage of their receipts to the Cooperative Program, they participate by nurturing those in their congregation that will be future missionaries and church planters.

Multiplication - the belief that a healthy church produces disciples that make disciples, and that some of those disciples will be led to be missionaries and church planters, and that those remaining in the sending-congregation should support those that go.

As 2016 ends, it is important that we focus on why we do what we do - because Jesus Christ, the Son of God, came into the world to save sinners! We need to have strategy and core values. We need the resources that our cooperative approach to ministry as Maryland/Delaware Baptists provides. But, most of all, we must be animated by the Christmas message reflected in Mary's song in Luke 1:

"My soul magnifies the Lord, and my spirit has rejoiced in God my Savior ... for He who is mighty has done great things for me, and holy is His name."

2015-2016 Summarized Activities/ Highlights of the General Mission Board

The General Mission Board is pleased to serve the churches within our Convention. We are thankful to our God for the wisdom He provides as we seek to honor Him in all we do. The highlights of the last year follow.

The General Mission Board approved the purchase of 43 acres of land adjacent to Skycroft Conference Center. The purchase of this property would allow for necessary future improvements and possible expansion of the conference center.

Concerning staff, Dr. Kevin Smith was called to lead the Baptist Convention of Maryland/Delaware as Executive Director. Dr. Smith is a graduate of Southern Seminary and most recently served on staff as Teaching Pastor at Highview Baptist Church in Louisville, Ky. Prior to hiring Dr. Smith, the General Mission Board reinstalled Tom Stolle as Interim Executive Director after the term served by Rick Hancock had concluded. Missionaries were contracted through the end of 2016 specifically targeting unreached Muslim and Jewish people groups with whom to share Christ.

The 2017 proposed budget is being recommended by the General Mission Board for approval by the messengers. This budget reflects expected Cooperative Program contributions of \$3,750,000 from our affiliated churches. An additional one percent of Cooperative Program receipts will be sent out of our region to support the spreading of the Gospel both nationally and internationally. The North American Mission Board has agreed to increase funding for new church plants by 25 percent over the prior year. Concerning this effort, the North American Mission Board will be contributing \$800,000 to the Baptist Convention of Maryland/Delaware for the planting of new churches in our region, an increase of \$200,000 in church planter assistance compared to the previous year's budget. This proposed budget also includes funding for church planting initiatives to include individuals and families affected by disabilities.

This has been an exciting year. The General Mission Board looks forward to serving alongside management to see vision for the future become reality. We will continue to prioritize the sharing of the Gospel in the Mid-Atlantic region. The General Mission Board is grateful for the opportunity to give guidance to the work of our many affiliated churches as we labor together serving Christ.

In His Service,

Dr. Mike Trammell
President, General Mission Board

INDEPENDENT ACCOUNTANT'S REVIEW REPORT

To the General Mission Board of the
Baptist Convention of Maryland/Delaware, Inc.

We have reviewed the accompanying financial statements of the Baptist Convention of Maryland/Delaware, Inc. (a nonprofit organization), which comprise the statement of assets, liabilities and net assets – cash receipts and disbursement basis as of December 31, 2016, and the related statements of budgeted activities – cash receipts and disbursement basis, changes in net assets – cash receipts and disbursement basis, and cash flows – cash receipts and disbursement basis for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of entity management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the cash receipts and disbursement basis of accounting and includes determining that the cash receipts and disbursement basis of accounting is an acceptable basis for the preparation of financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement whether due to fraud or error.

Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with the cash receipts and disbursement basis of accounting. We believe that the results of our procedures provide a reasonable basis for our conclusion.

Accountant's Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with the modified cash receipts and disbursements basis of accounting.

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared in accordance with the cash receipts and disbursement basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our conclusion is not modified with respect to this matter.

Baptist Convention of Maryland/Delaware, Inc.
Notes to Financial Statements

Note 1 – Summary of Significant Accounting Policies

Date of Management Review: Management has evaluated subsequent events through January 31, 2017, the date on which the financial statements were available to be issued.

Organizational Purpose: As stated by the mission statement of the Baptist Convention of Maryland/Delaware, Inc. (the "Organization"), it will intentionally assist the starting and strengthening of congregations so that together they can fulfill Jesus' commands in Matthew 28:19-20 and Acts 1:8.

Basis of Accounting: These statements are presented on the cash receipts and disbursements basis, modified as described later in this paragraph. The cash receipts and disbursements basis requires that revenues and the related assets be recognized when received rather than when earned, and certain expenses be recognized when paid rather than when the obligation is incurred. However, these financial statements have been modified to reflect certain items budgeted for 2016 even though the actual funds related to those items have not been received or expended as of December 31, 2016. The statement of budgeted activities – cash receipts and disbursement basis reports only those transactions that were budgeted for in 2016. Other non-budgeted 2016 activity is reported in the statement of changes in net assets.

Property Owned: Property and Equipment is stated at cost. Assets in excess of \$5,000 which have a useful life in excess of one year are capitalized. Depreciation is not recorded since the operating budget makes no provision for non-cash expenses. Management periodically reviews the utilization of assets and removes those that no longer have a useful life. Replacement of fixed assets is budgeted as needed, in each year's operating budget.

Inventory: Inventories are carried at lower of cost or market at December 31, 2016 on a first-in, first-out method.

Financial Statement Presentation: The Organization has adopted FASB ASC 958-205, "Financial Statements of Not-for-Profit Organizations." Under FASB ASC 958-205, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. In addition, the Organization is required to present a statement of cash flows.

Contributions: The Organization has also adopted FASB ASC 958-605, "Accounting for Contributions Received and Contributions Made." In accordance with FASB ASC 958-605, contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions.

Investments: The Organization has elected to adopt FASB ASC 958-320, "Accounting for Certain Investments Held By Not-for-Profit Organizations." Under FASB ASC 958-320, investments in marketable securities with readily determinable fair values and all investments in debt securities are valued at their fair values in the statement of assets, liabilities and net assets – cash receipts and disbursement basis. Unrealized gains and losses are included in the change in net assets.

Income Taxes: The Organization is exempt from Federal taxes under Section 501(c)(3) of the Internal Revenue Code. The Organization is required to file a return to report unrelated business income generated at the Skycroft Convention Center. At December 31, 2016 the provision for unrelated business income tax is \$0. The Organization's Federal tax returns generally stay open to examination for three years from the filing date.

Notes to Financial Statements**

Note 1 – Summary of Significant Accounting Policies (Continued)

Estimates: The preparation of financial statements in conformity with the modified cash receipts and disbursements method used by the Organization, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reported period. Actual results could differ from those estimates.

Cash Equivalents: Cash for cash flow purposes is defined as checking, money market accounts and Certificates of Deposit with original maturities of ninety days or less.

Note 2 – Concentration of Risk

Cash Concentrations: The Company maintains cash balances in banks. These balances are insured by the Federal Deposit Insurance Corporation. As of December 31, 2016, the uninsured portion of this balance was \$725,993.

Geographic Concentrations: The Organization derives the majority of its income from individuals and churches in Maryland and Delaware.

Note 3 – Baptist Foundation of Maryland/Delaware, Inc.

This account represents funds transferred to the Baptist Foundation of Maryland/Delaware, Inc., which is the agency designated for the management of trust funds. Income earned from these funds is returned to the Organization or its designated agencies.

Marketable securities invested with the Baptist Foundation of Maryland/Delaware, Inc. are stated at fair value and are summarized as follows:

	Cost	Fair Value	Unrealized (Depreciation)/ Appreciation as of December 30, 2016
Fixed Income Funds	\$ 869,824	\$ 846,532	\$ (23,292)

**Baptist Convention of Maryland/Delaware, Inc.
Notes to Financial Statements**

Note 4 – Cash Exchange

This account represents miscellaneous funds received by December 31, 2016, which are being held for subsequent disbursement for activities designated by the Organization.

Note 5 – Unrestricted – Board Designated Fund Balances

As of December 31, 2016, the general fund had \$8,772,682 unrestricted – board designated reserves summarized as follows:

Legacy of Faith Property Reserve	\$ 478,349
Capital Equipment Reserve	5,963,140
Endowment Reserves	2,098,420
Skycroft Endowment Reserves	<u>232,773</u>
	<u>\$ 8,772,682</u>

Note 6 – Fair Value of Financial Instruments

Accounting principles generally accepted by Not-for-Profit organizations that have adopted FASB ASC 958-320 establish a framework for measuring fair value. That framework provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. Financial assets valued using Level 1 inputs are based on unadjusted quoted market prices within active markets. Financial assets valued using Level 2 inputs are based primarily on quoted prices for similar assets in active or inactive markets. Financial assets valued using Level 3 inputs are based on significant unobservable inputs as determined by a third party.

The Organization's financial instruments, none of which are held for trading purposes, include cash and marketable securities. The Organization estimates that fair value of all financial instruments at December, 31, 2016, does not differ materially from the aggregate carrying values of its financial instruments recorded in these statements.

Employees become eligible within six months of their starting date, with contributions equaling 11% of compensation in the current year. The expense for the current year was \$154,704.

**Baptist Convention of Maryland/Delaware, Inc.
Notes to Financial Statements**

Note 8 – Donated Property Received

In 2000, the Organization received a gift of property which was recorded at management's estimate of fair market value at the time of the gift. The Organization records an increase in the value of the property annually based on the amount of capitalized carrying costs. Additionally, management periodically estimates the fair market value of the property and adjusts the recorded value to the current estimated fair market value plus the capitalized carrying costs since the original date of the gift. The property was last evaluated and adjusted by management in 2013. Management estimates the value has not changed since that time. The property held for investment purposes and is not used in operations. The capitalized carrying costs of the property added to the estimated fair market value totaled \$65,349 as of December 31, 2016.

Note 9 – Skycroft Conference Center

Owned and operated by the Organization, Skycroft is located on over 300 acres in Frederick County, Maryland. The center opened in 1977 to offer the opportunity to slip away into a quiet spot to reflect, to be re-created, to be refreshed in the beauty of "God's great outdoors".

On January 14, 2013, the Messengers of the Organization approved the sale of a perpetual conservation easement on the Skycroft property to the Civil War Preservation Trust and the State of Maryland. The Civil War Preservation Trust and the State of Maryland paid \$1,100,000 to the Organization. The easement allows for usage, building, and updating in a 25-acre developmental envelope. Two stipulations in the easement are that the property can never be sub-divided, and second, the property can be sold to an organization for a similar purpose as it is currently being used or for the purpose of one single-family dwelling.

The Messengers of the Organization approved \$1,100,000 of the funds received be used for improvements to the Skycroft facility. As of December 31, 2016, all of the funds have been used for that purpose.

On December 30, 2016, the Organization purchased approximately forty-one additional acres of land to add to Skycroft for \$325,000. The Organization obtained a note payable, secured by the land, to partially fund the purchase. The note is payable in monthly installments of \$2,036, bears interest at 3.89% per year, and matures in 2031.

Maturities on the note payable as of December 31, 2016 are due in future years as follows:

2017 Budget Notes:

Note 1: Projected Cooperative Program receipts down from 2016 budget and 2015 actual.

Note 2: Church Multiplication and Evangelism support from the North American Mission Board. Increase reflects an additional \$200,000 investment by NAMB in church multiplication efforts.

Note 3: Projected receipts from churches to be reinvested in 2017 into Skycroft/Camp evangelism, church planting initiatives, and special needs people groups.

Note 4: No budgeted release from escrowed dollars for additional funds given specifically designated to church planting as NAMB has increased their financial partnership to plant churches by \$200,000.

Note 5: Includes a 1% increase in the amount of Cooperative Program funds sent on to the national SBC to increase commitment to national and international missions efforts.

Note 6: Communications has been merged into the Executive Office. The figures above have been restated for the 2016 budget and 2015 actual expenses to reflect this change.

Note 7: Financial Services, Baptist Mission Resource Center Operations, and Engagement/Training (Evangelism) has been merged to create the Convention Operations Team. The figures above have been restated for the 2016 budget and 2015 actual expenses to reflect this change. The reduction in 2017 budgeted expenses is due to the defunding of multiple collegiate evangelism positions and the transfer of the Love Loud Missionary to the Church Strengthening Team.

Note 8: Largely reflects reduction in available program dollars as compared to the prior year.

WMU Executive Director Report

As the Executive Director for WMU, I have the honor of encouraging churches to view missions as a lifestyle and not as a program. Gail Noda and the WMU Executive Board continue to assist me in any way they can to keep missions alive and well in our churches.

Camp Wo-Me-To located in Jarrettsville, Maryland, is owned and operated by Woman's Missionary Union, Auxiliary to the Mid-Atlantic Baptist Network. Our camp staff is headed by Spirit-filled, missions-minded leaders. Frank Ulmer, Ben Block, Eric & Debbie Jones are very capable in their commitment to serve. Here are some updates on Camp Wo-Me-To:

- * Pine Lodge had major renovations done. (windows, furniture, etc.)

- * Our theme for the 2016 Women on Mission Spring Retreat was "Refuge." Our keynote speaker was Kathy Sheldon, president of Pennsylvania/South Jersey WMU. Our missionary speakers were Jim & Kim Busching, IMB missionaries who had previously served in Venezuela and would be relocating to Peru as their new assignment by the end of 2016. There were 125 ladies in attendance. We had a season of prayer for the IMB missionaries that were taking the voluntary retirement. Our mission project was to collect an offering for five missionary couples that chose the Voluntary Retirement Incentive who had previously participated in assignments in the Maryland/Delaware area. We were able to abundantly bless them with over \$500.00 each with the money collected for this project.

- * Health Kits - Once again in 2016, ministries were blessed by the generosity of our Maryland/Delaware churches. We received over 1,250 health kits, from 28 churches in six associations. The kits were distributed to International Student Missions, the Port Ministry and the Inner Harbor Ministry.

- * Mother/Daughter Weekend attendance was a total of 10 moms and daughters. It was a mini-camp for the girls and moms to experience what the older girls experience from sleeping in cabins to eating in the Dining Hall to Worship, Missions, Bible Study, Missionary, Swimming, Crafts, Hayride and S'mores around a camp fire.

- * Girls Camp 2016 was a blessing from God to all who had a part in the process. The theme was "Run the Race" with the focal verse of 1 Timothy 4:8. There were 61 campers, plus 25 staff members. Gayla Parker was our Camp Pastor and Missionary. She engaged the girls in her work in the Philippians with activities, stories, pictures and songs. Each night she used Bible characters to illustrate TRAIN. T-Trust (Trust with heart, soul and mind), R-Reward (Run for the prize...Jesus), A-Accomplish (His will), I-Inherit the Kingdom of Heaven, N-No Death!!!! (Life Everlasting). During Chapel the last night, Ms. Gayla did a wonderful job of pulling everything together from the week and point us to the most important decision...Jesus! We had one first time commitment and five rededications with two being called into ministry.

- * The Annie Armstrong Easter Offering for North American Missions (Together for His Kingdom) and the Lottie Moon Offering for International Missions (the gospel resounds) materials were mailed to each Baptist Convention of Maryland/Delaware church. Additional materials were mailed upon request.

* Breathless 2016 was held at South Columbia Baptist Church in Columbia, Md. This one-day event for women had 100 attendees. Leighann McCoy is an author and speaker who helps women across the nation and overseas develop a never fail faith. LeighAnn is a conference leader for Lifeway Christian Resources and a frequent guest on radio programs. The ladies attended break-out conferences on relevant subjects and missions. We were blessed with Janet Allen and company who led in worship. In addition to attending various breakout sessions, the women purchased items from WorldCrafts which helps sustain women with employment in various countries and attempts to keep women out of prostitution and human trafficking. Our mission project was to donate the money collected at the event to the Roma people in Romania. This money allowed the Roma people to purchase wood to keep warm during the coldest days in that area.

Church Multiplication

Michael Crawford, Church Multiplication Strategist

I'm grateful to be able to serve on the multiplication team. God has been good to us and allowed us to see His favor in our ministry. Here is a brief update from the church planting world.

We continue to focus our attention on coaching, cohorts and community. We had our first of four cohorts and they were incredible. The planters really liked them. We addressed the subject of money and also tackled giving to the Cooperative Program! We have paired every funded planter with a coach, and we are looking forward to seeing the fruit that comes from this. Our desire is to have every planter coached and cared for.

We want to know the pulse of the planter and the best way for us to get that is through competent coaching.

We are grateful that the North American Mission Board decided to partner with us to close up a shortfall of funding to plant 15 more churches this year.

On March 30, Barry Whitworth, Multiplying Churches Team Leader from the Baptist Resource Network in Harrisburg, Pa., trained Maryland/Delaware church planters in 16-8-4, which is our new church multiplication strategy. In essence, it is an approach to seeing churches planted where our Church Planting Catalysts (CPCs) exegete 16 communities, engage eight, and seek to see four of those communities establish a church. We are excited about this.

I'm really excited about our Muslim and Jewish strategists. Rabbi Robert Pristoop has a strong lead on a man who is interested in coming to Reisterstown to plant a church to reach the Jews! I can't tell you how happy I am to see this all start to come together.

S.D. Abraham is continuing to work with some of our planters who are reaching Muslims and is also engaged in helping us to understand how to better engage Muslims.

I am also grateful for Michael Mattar who serves as our African strategist.

It was amazing to attend the first special needs conference in March. To see Tom Stolle leading and so many in attendance was a blessing to my heart. I'm excited to see what God is going to do with all this. To learn more about planting churches for special needs families, in May, I met with a man who has planted a deaf church.

In August, Dr. Kevin Smith had the privilege of speaking to 30 planters at one of our planter gatherings in Baltimore. At the end of the meeting our Send City Missionary Ron Larson asked the planters if they could share some praises with all of us. Planter after planter began to share how God was using them to lead people to Christ and get baptized. God is so good! These stories are happening all over our states.

This year we have focused on coaching, cohorts and community. We have three regional cohorts (Baltimore, southern Maryland, Eastern Shore) focusing on 16-8-4 (exegesis, engagement and evangelism) as presented earlier in the year. Our final cohort this year will be in November and we will focus on multiplication.

Our goal at the beginning of the year was to have every funded planter coached and cared for. We achieved that goal! In August, we had our brother Jamie Limato from NAMB come and equip new coaches and take the existing coaches to the 2.0 level. We are excited about the trajectory of our coaching for our planters.

Our CPC's are doing a great job this year. We have instituted a monthly report that seems to be working well for them and our whole team.

If there was an MVP award to be handed out this year it would definitely go to Chrissie Redding. She has done a remarkable job. She has learned fast and now has a good command of her position. There is no way we could have had the success we have had this year without her. God blessed us with her presence. Thank you!

Earlier this fall, the Multiplication Team attended the first Send City Assessment. It's a two-day assessment for planters designed by NAMB. We are excited to have learned and experienced this new concept for Send City planters. This assessment is required for planters who plant in Send Cities and desire funding.

The BCM/D will continue to have our one-day assessments while these are being developed.

Church Strengthening, Equipping and Encouraging

Randy Millwood, Church Strengthening Strategist

The Baptist Convention of Maryland/Delaware exists to intentionally assist in starting and strengthening congregations so that together we can fulfill Jesus' commands in Matthew 28:19-20 and Acts 1:8.

The Church Strengthening Team of BCM/D was formed out of the phrases "intentionally assist" and "strengthening congregations." We long to see the Great Confession, the Great Commission and the Great Commandments become a great reality in our day and our region.

The most vital step taken by this group in 2016 was to hear from the LORD a clear mission concerning our part in this great, shared work. Your Church Strengthening Team helps churches glorify God by making disciples of Jesus Christ in the presence and power of God's Holy Spirit.

We understand these words to mean...

- to glorify God is to reveal the One True God by representing God well and truthfully
- to make disciples of Jesus Christ is to see people come to faith in Christ and to walk by faith into the always increasing, redeemed image of Christ (who is, Himself, the most sure and complete revelation of God) and
- such a high calling could only happen living life in the Presence of God's Spirit and serving in the Power of God's Spirit

Our place in this great work is an 'alongside of' place. As a Church seeks to invest in these kinds of things, this small team with over 400 cumulative years of local Church experience is reordering our lives and our roles to help.

With a confident sense of God-given mission clearly stated, this group is better positioned to evaluate what has been done and to discern what should be done.

There are three distinct categories of our work: We help churches by helping Ministers, Ministries, and local Missions. At the point where these three categories intersect, you will find the heart of our work: effective disciple-making paths; eternity-changing groups; and real Church revitalization.

Our second AWAKEN cohort was launched this year – AWAKEN is our most comprehensive, holistic approach to Church Revitalization. The pilot group saw 75 percent of participating churches either stop the decline or begin to climb off of a plateau. This year's cohort is currently completing their covenant, but a similar return on investment seems likely.

The model combines:

- a 2-day formation/discernment retreat
- 6 workshops over 3 days dealing with topics like how change works, redeeming conflict, and understanding structures that facilitate or halt mission advancement
- the recruitment of a team of discerning leaders within each Church in whose life the pastor invests
- salient readings/resources; and
- the design of an externally focused 6-month plan, complemented by coaching from a revitalizing pastor

In addition, cohort members exchange ideas with each other all along the way creating a best-practices dynamic. At the end of the 11- month covenant, cohort members assess their progress, articulate their next steps, and become part of a growing AWAKEN alumni community, providing continued learning for many years.

The 2017 AWAKEN cohort is now open for registration. Applicants should express their interest before the cohort closes, and in order to schedule the winter and spring meetings on your personal calendar. Apply now at bcmd.org/awaken.

Three Restore My Soul retreats involved pastors/ministers from about 30 churches, plus additional retreats with key leaders from individual churches.

Research in revitalization has demonstrated that the inner life of the leader is one of the chief factors. Unfortunately, pastoral expectations lead to attempts to fold soul care into regular preparation rhythms almost weekly. The Restore My Soul retreats offer ministers (and, at

times, their mates) the opportunity to pull aside for time with God, alone, deepening that most important of human relationships.

Our devotion to an enriched inner life for anyone who provides servant leadership in a local Church – pastor or key volunteer leader – will continue through the Restore My Soul retreats, with three scheduled for 2017, and availability for even more scheduled through your local church and for your leaders. Learn more at bcmd.org/restoremysoulretreats.

Three Lead Like Jesus Leadership Encounters were completed, involving pastors and key leaders from over a dozen local churches. These 1.5-day events are a launching pad for leadership development as participants have email supported reviews for multiple weeks afterwards, can opt for 4 small groups studies, and a next year devotional guide all of which moves the tenets of this leadership development process from head, to heart, to hands.

Schedule a Lead Like Jesus Leadership Encounter for your Church (and others near you) today. Meet us at the Church Strengthening table in the exhibit area, or at bcmd.org/llj.

Our Ministerial Counseling services have supported over 30 pastors/planters, literally saving marriages and ministries along the way. In addition, diagnostic conversations have been held with several churches in significant conflict, with steps taken for Christ-honoring resolution. To discover help available for you or your church, reach out to Dr. Tom Rodgerson at trodgerson@bcmd.org.

At any given moment, between 8-10 percent of our BCM/D churches are saying “Goodbye” to a pastor, in-between pastors, or welcoming a new pastor. Research indicates that this transitional period is one of the most important turning points in the life of a church with regards to revitalization. There are, of course, many different kinds of interims. But the kind we call a Transitional Interim Pastor (longer termed, with a fully trained T.I.P. who has agreed not be a candidate for the job) can help a church accept a true picture of who they are, where they are, address selected challenges (so a new pastor is not saddled with them), and ultimately be an instrument of the Father to find the right pastor to lead this church to reach her current mission field. This year your Church Strengthening Team hosted a Transitional Interim Pastor (T.I.P.) training event to increase the number of T.I.P.’s available to serve our churches. In addition to the training event, new and former T.I.P.’s were invited to our first ever T.I.P. Best Practices lunch.

A series of new T.I.P. Best Practices luncheons will be held in the Spring and Fall, 2017. To be added to the T.I.P. mailing list, learn about T.I.P. training opportunities or request information about covenanting with a T.I.P. in your Church, email Randy at rmillwood@bcmd.org.

The Church Strengthening Team has been exploring varieties of ways to help churches know who they are and where they are in order to reveal/glorify God by making disciples of Jesus Christ in the Presence and Power of God’s Holy Spirit. During 2016 we did more Portrait of a Healthy Church health assessments and workshops, and entered into partnership with the Leavell Center of New Orleans Seminary, providing extensive demographic and psycho-graphic resources to our churches at a greatly reduced rate. With these two tools, alongside of Annual Church Profile data and a variety of community assessments, we are now able to help you see and understand the place where God has called you through a variety of layers of data.

The 2016 Ministry Wives Retreat was held at Annapolis with 120 BCM/D ministry wives participating. The event provided opportunities for connecting with friends you do not see often, establishing new friendships, extensive prayer, and presentations designed to address the unique circumstances of a wife who is married to a Baptist minister. As in recent years, testimonies declared the healing movement of God's Spirit throughout the weekend. Look for information coming soon for next year's Ministry Wives retreat.

New Initiatives in 2017:

To help pastors make disciples and develop new leaders, we have entered into partnership with Blackaby Ministries and will be hosting a three-day Coaching Workshop led by Bob Royall and Richard Blackaby. The Blackaby Coaching model is built on the "Seven Realities of Experiencing God" and principles drawn from the Blackaby text, *Spiritual Leadership*. This first ever BCM/D event will be March 27-29, 2017 at the Baptist Mission Resource Center in Columbia, Md. Registration is now open.

Providing a platform for continued growth and learning for our BCM/D ministers is an important objective of our Church Strengthening Team. In partnership with Dogwood Leadership (a local Church-based, leadership development team from Georgia), we will host our first in what will be an annual series of growth and training events for ministers and key leaders during the Fall 2017.

While AWAKEN is our most comprehensive response to Church Revitalization, it is only one of a number of revitalization models the Church Strengthening Team is investigating and investing in on behalf of our local churches. Others include:

- In partnership with the North American Mission Board, our regional representative (and BCM/D pastor) Brad O'Brian, and our local associations, we are promoting a re-start/legacy option to select churches.
- As we identify healthier churches with healthier pastors, we are exploring satellite partnerships where possible.
- When there is a distinct change in the community around a church (ethnically, racially, etc.) we are recommending our Church Multiplication Team as a way to start a church within a church.
- When a church is in pastoral transition, we promote the possibility of a Transitional Interim Pastor.
- In partnership with Southeastern Baptist Theological Seminary, we have started our second Doctor of Ministry/regional track. Students from the first track are now in project stage and, in every single case, the projects are missionally focused with revitalization implications.

In May, our Music/Worship services hosted a training event that focused on the technical support aspects of today's corporate worship experiences. Over 25 leaders from our member churches participated, many of which had never attended any other BCM/D event.

One of the urgent requests coming out of our visits with churches is the desire for a pipeline of future worship leaders in our region. Toward that end, we have formed a team of leaders to invest in next gen leaders for our churches, as well as developing a process for that journey.

Other new Worship/Music initiatives in 2017 include:

- New learning cohort opportunities for Worship leaders, launching in January and, again, in September

- Worship Team Boot Camps in both the winter and spring
- A Worship Mentor seminar in winter
- A Preaching Lab in mid-February with another in September
- A Transitioning Your Worship seminar in April

For more information about these or other worship/music initiatives, or to request a consultation, email pgifford@bcmd.org.

Our Kids Ministry strategist reported about 400 VBS leaders equipped in three separate VBS Expo events this year. These events were far more than training events as participants themselves shared ideas on scheduling, promoting, developing new leaders, and following up on new families discovered during this summer disciple making strategy.

A slate of VBS Expos have already been scheduled for 2017. These regionally hosted events will equip veteran and rookie leaders for an effective VBS. Learn more at bcmd.org/vbs or email jholland@bcmd.org.

In addition to VBS and Backyard Kids Clubs, churches also hosted a growing variety of specialized camps for kids this summer. These included sports, music, mission, and drama/production camps. The Church Strengthening Team even provided BYKC material to 21 of our new church starts.

Our estimate is over two-thirds of BCM/D churches intentionally reached into their local communities in these ways this summer. One of our networking goals is to connect churches who host similar strategic events, to one another in order to improve learning for years to come.

In addition to consulting and coaching with pastors and key leaders, this year's Bible teaching events included a coordinated region-wide training event done in partnership with BCM/D, four other regional state partners, and LifeWay.

Next year our Church Strengthening team will move to using the word, "Groups," to refer to smaller groups that your church uses in the transformative journey of evangelism and discipleship. These groups include Sunday School classes, home groups, micro-groups, seminars, and missional engagement groups. Stay tuned to the BCM/D website and BaptistLIFE for development of this new approach to strengthening our churches.

The 2016 Breathless conference was held in Columbia this year, and involved over 100 ladies from women's ministries around our multi-state convention. Participants enjoyed a beautiful time of worship and teaching and made connections for strategic improvement of efforts to reach and grow women through women's ministries.

Next year's event has been scheduled. Follow news of the event, or learn about the number of women's ministry resources available through the Church Strengthening Team, at bcmd.org/women.

Earlier this year, over 100 Kid's ministers and leaders from 41 diverse BCM/D congregations gathered to focus their annual training on "moving church into the neighborhood." Out-of-region presenters, in-region specialists, and idea exchanges made for a dynamic, fast-paced, experience for the participants. A similar experience is being planned for winter, 2017.

In addition, our kids ministry consultant and specialty teams have continued to provide expert advice to member congregations regarding ongoing concerns like safety and security and weekday education. Learn about many of those resources at bcmd.org/preschool-children. This assignment represents a new area of work for the Church Strengthening Team.

The quickest solution to circular discussions in a local church on plateau or in decline is to “look unto the fields, which are ripe for the harvest.” This year our team will be deepening the services we provide to help you and your church look into your mission field.

As people from the whole world continue to immigrate to our region of the United States, we saw the need for more ways of engaging that audience. Toward that end, in 2016, we enlarged the number of trained English as a Second Language (ESL) equippers now available to assist our churches.

Two ESL workshops have already been scheduled for 2017 (one in January, another in August). Discover how your church can learn to teach ESL to the new residents of your community at bcmd.org/esl, or email eudovich@bcmd.org.

A natural follow-up to ESL is to help new residents in your mission field design a path to citizenship. Such a ministry extends the interaction of your church with their families, and provides even more opportunities to share Christ with people. Thanks to the passion and ground-breaking work of Michael Mattar (a BCM/D pastor and associate with Montgomery Baptist Association), our team will be learning ways to help all of our churches develop expertise in this very specialized form of ministry.

In 2016, intense, long-term efforts have resulted in connecting local churches with urgent/crisis needs in their communities (some related to the Howard county tornado, others regarding the Ellicott City floods). The objective of these disaster relief efforts is to move beyond the first responder service (largely populated by volunteers from a host of places) to more long-term ministry to the local community by local churches with Gospel conversations and eternal implications.

Over 100 participated in this year’s Mother/Daughter Overnight retreat and Girl’s Camp. This year’s schedule included significant times of worship, missions, Bible study, as well as fun activities for the kids and moms. Gayla Parker returned to our region as the missionary in residence for the retreat. Missionary studies included a focus on God’s work in Rio, Brazil – extremely timely given this year’s Olympic Games. Follow next year’s preparations at bcmd.org/girlscamp or bcmd.org/mother-daughter-camp.

A Church/School Partnership training event in the spring, helped local churches to begin or extend partnerships with local schools. Visionary pastors and churches, who already have such ministries, shared their stories, exchanged ideas, and learned of resources, providing examples of healthy local churches going to their communities rather than repeatedly trying to get the community to come to the church building. It is, in that respect, an outstanding example of the viral impact of a church in their mission field...of a church “loving their neighbors.” Look for the Church Strengthening Team to be discovering new ways and means to take advantage of this door into local communities.

During this year’s Women on Mission Retreat, about 100 ladies engaged in passionate prayer for International Missionaries who had taken the recent Voluntary Retirement Incentive. The

season of prayer led to concrete action, when the participating ladies gave (during the retreat) and raised (immediately thereafter) almost \$3,000 to divide among five families with BCM/D ties. Your church can also launch a missionary focused women's ministry (WMU). For more information email mknnox@bcmd.org.

With missions newly assigned to its team, the Church Strengthening Team is discovering and investing in external strategies that help a local Church focus on their local mission field. These include a number of helpful community assessment instruments and processes.

Remember to pray for the mission of Christ in our part of the world. Pray "every time you remember" this shared work. But, also schedule now a focused Week of Prayer for state/regional missions. Plenty of resources will be available to help you do so during our annual Week of Prayer, scheduled for September 10-17, 2017.

Convention Operations

Tom Stolle, CFO/COO

Ensuring a solid foundation for all Convention efforts is the Convention Operations Team, comprised of the incredibly supportive Financial Office and Baptist Mission Resource Center Operations teams. This team also coordinates all Convention-related evangelism efforts, such as disaster relief, special needs ministry, network connection ministries, and the ever-expanding opportunities at Skycroft Conference Center.

Finance Office

Accounting Services Mid-Maryland Baptist Association Pilot Project:

Beyond the scope of finance day-to-day operations, BCM/D's finance office is moving forward with a "pilot project" of providing accounting services to the Mid-Maryland Baptist Association, effective January 1, 2017. This will allow the association to allocate a greater portion of their resources toward ministry to their member churches, resulting in a cost savings. In addition to providing this support, the finance office provides financial accounting services to the Baptist Foundation of MD/DE and the Rivers Corporate Park condominium association (an association that includes the BCM/D as a member).

Cooperative Program (CP) Promotion: The Cooperative Program is Southern Baptists' unified plan of giving through which cooperating Southern Baptist churches give a percentage of their undesignated receipts in support of their respective state convention and the Southern Baptist Convention missions and ministries. It is imperative that we continue to educate our churches about the value and purpose of the Cooperative Program. Accordingly, we sent out mailings in March and September with 50 and 61 churches requesting 6,220 and 9,375 promotional pieces respectively.

Planned Giving Promotion: In partnership with the Baptist Foundation of Maryland/Delaware, our office extended multiple seminar offerings to our churches, emphasizing the need to increase future committed dollars to Baptist causes.

Stewardship Education: Education continues to be a focal point of our services, with a variety of seminars offered. We continue to make available to our churches financial stewardship seminars, which present biblical principles for giving and money management. In addition,

multiple churches have participated in minister's tax training seminars, which provide helpful information to church pastors, treasurers, and other church leaders concerning establishing and maintaining a system of internal control, safeguarding of church assets, and preparing a church budget. We also meet with individual churches on request throughout the year to assist our churches with these important issues.

Baptist Mission Resource Center Operations: This team constantly searches for and employs ways to make the operation of our facility in Columbia efficient and safe, and with good stewardship. Most recently, we added increased bandwidth at our facility. These recent technology changes will provide greatly increased internet speed and phone services at a substantial savings. We also enhanced our security systems. Again, this upgraded technology has allowed us to make our headquarters more secure for our staff, visiting pastors and guests.

Special Needs/Disability Ministry

Special Needs Conference: In March, the BCM/D co-sponsored a special needs conference with the internationally recognized disability ministry, Joni and Friends. Shauna Amick and Sib Charles from Joni and Friends provided expert advice and specific recommendations for how churches can be inclusive of individuals and families affected by disabilities and Christopher Duffley, a child who is blind and has autism, led worship. Over 125 people from approximately 40 churches came to the training held at South Columbia Baptist Church.

Assisting Churches: The BCM/D partnered with Ogletown Baptist Church, Newark, Del., to provide a room especially designed for serving children who have special needs. The space was built-out and rebranded, with a portion of it being designated especially for children affected by disabilities. The children's area is called The Backyard and the space for the children with special needs kids is called The Nest.

Skycroft Conference Center

Camps: Over our summer camp season, Skycroft hosted over 30 churches who attended reCHARGE, our resident teenage camp. In addition to coming to camp, students were sent out on mission to assist seven churches with mission projects and Vacation Bible School. Over 700 students attended the camp, with almost 70 decisions for Christ. We were also able to raise approximately \$3,300 to assist two affiliated churches with their local mission camps. CentriKid, a camp for children between third and sixth grades, recorded attendance of approximately 1,200 students with 23 decisions for Christ.

Property Purchase: In September, General Mission Board members voted to authorize up to \$400,000 to negotiate the purchase of 43 acres of land, which includes an old farmhouse, adjacent to the Skycroft Conference Center that has become available for sale. This additional land would provide a needed buffer for Skycroft as well as possibly provide an upgraded wastewater field, which would allow for further improvements and expansion of Skycroft's operations.

Evangelism (Engagement and Training)

Disaster Relief: Trained volunteers from BCM/D churches responded to several natural disasters in our region, including the Howard County tornado (June 22-August 6, supporting Gethsemane Baptist Church and the Mid-Maryland Baptist Association); the West Virginia flooding (July 3-August 13), and the Ellicott City flash flood (August 2-present, supporting Metanoia, Bethel and Bethany Lane Baptist Churches and the Mid-Maryland Baptist Association).

In addition to meeting immediate physical needs of people affected by disasters, our Disaster Relief volunteers seek to meet spiritual and emotional needs through prayer walking, engaging in intentional spiritual conversations and presenting each individual or family served with a Bible signed by each member of the team. We try hard to make the local church “a champion” in the eyes of the community, working to equip and position the church for ongoing long-term ministry in the community once the emergency phase of the disaster has ended. We were also able to assist both Metanoia Church and Bethel Baptist with organizing a backpack drive with three other affiliated churches to provide backpacks to students displaced due to the flood in Ellicott City.

Engagement: We have partnered with our local associations to provide training concerning multicultural engagement and Great Commission Living. We connected with the North American Mission Board to bring in Aslam Masih, South Asian & Muslim Peoples Church Mobilizer, to lead a panel discussion in the Eastern and Mid-Maryland Associations. On another occasion, Dr. Chuck Lawless of Southeastern Seminary, led a discussion on Great Commission Living in the Eastern Association and also in the Arundel Association.

Our team was also able to assist Bethany Baptist Church in Wilmington, Del., with a student event. Around 250 students from several youth groups and local schools attended a gospel-centered Back-to-School night. During this event, focused on students from the city of Wilmington, seven students made a decision to accept Jesus as their Savior.

The initiative focused on prayer for our nation’s senators has made connections on Capitol Hill. Letters written by our pastors have been personally delivered, and our efforts have been appreciated and noticed. Due to the presence of the Ethics & Religious Liberty Commission (ERLC) on Capitol Hill, emphasis ultimately will be shifted to make these types of connections with key leaders within Maryland and Delaware state governments in Annapolis and Dover, expanding this important prayer emphasis into the arena of our own state governments.

Baptist Foundation of Maryland/Delaware, Inc.

Bob Eaton, President; Bill Peacock, Vice President/President-Elect; Tom Stolle, Director

For 162 years, the Baptist Foundation of Maryland/Delaware has served the cause of Christ through the prudent management of endowments that benefit Baptist work in Maryland/Delaware and around the world and by providing loans to our churches and associations.

The Foundation currently manages assets of almost \$10.4 million (\$7.3 million in the Endowment Funds and \$3.1 million in the Church Loan Funds.) Significant growth in the amount of managed assets has occurred from \$3.8 million in 1991.

For the fiscal year ended September 30, 2016, the Foundation distributed approximately \$326,749 to Southern Baptist and Mid-Atlantic Baptist Network mission causes from the Endowment Funds.

Through the Foundation’s Church Loan program, 18 Mid-Atlantic Baptist Network churches are being assisted with over \$2.3 million dollars in loans. The advantages of these church loans are

favorable interest rates and low closing costs. In addition to the above referenced distribution, the Foundation makes a distribution annually to the Mid-Atlantic Baptist Network to be used to start churches and to strengthen existing churches. The distribution to be made for the fiscal year ended September 30, 2015 totals \$113,875.

The Baptist Foundation is now positioned to manage endowment funds for churches and associations while saving them money on administration. Even churches or associations with modest investment needs may take advantage of the same discounts offered to multi-million dollar investors simply by using the services of the Baptist Foundation. We encourage churches and associations to partner with us to create Heritage Funds to ensure funding for their future ministry efforts.

The Baptist Foundation continues to educate our churches in estate planning. If your church is interested in learning more about the Foundation, a representative of the Foundation will be happy to provide additional information. You may also learn more about the Foundation by visiting www.bcnd.org/baptist-foundation. From here you can learn more about the Foundation's church loan, estate planning, and planned giving programs as well as view the most recently available audited financial statements.

The Lord has truly blessed the Kingdom work of our Foundation and Convention. We look forward to continuing to serve Maryland/Delaware Baptists in the same trustworthy manner as our predecessors.
