**Section 2**—This Convention is an autonomous body and is neither limited nor restrained by any authority or decision of any other Baptist body and will achieve its objectives through such means as this Convention alone determines.

**Section 3**—This Convention does not have any ecclesiastical authority to limit the autonomy of the local congregation.

**Section 4**—This Convention recognizes the Southern Baptist Convention as our primary instrument to further the cause of Christ on a worldwide basis. This Convention pledges its loyalty and support to the purposes served by the Southern Baptist Convention.

### ***Article III • Membership***

**Section 1**—The membership of this Convention will consist of messengers who are members of Baptist churches which are in friendly cooperation with this Convention and sympathetic with its purpose and work, and which have during the preceding 12 months (October 1 through September 30) been bona fide contributors to the work of this Convention.

**Section 2**—Each cooperating Baptist church will be entitled to two (2) messengers; each cooperating church exceeding fifty (50) members will then be given one additional messenger for each additional fifty (50) members or part thereof; or one additional messenger for each \$750 contributed to the work of this Convention through the Cooperative Program until the maximum of thirty (30) is reached.

**Section 3**—Messengers to this Convention will be certified by their churches. This Convention will be the final judge of election and qualifications of its members.

**Section 4**—The officers of this Convention, the employed staff of this Convention, and its agencies may be messengers provided they are elected by the church in which they hold membership.

**Article IV • Meetings**

**Section 1**—This Convention will meet at least once each year, hereafter known as the Annual Meeting, at such time and place as may be fixed by this Convention at the Annual Meeting held the preceding year. The duly appointed messengers of the cooperating churches will comprise the voting body of this Convention.

**Section 2**—In case of an emergency, the General Mission Board is empowered to change the time and place of meeting or call a special meeting by a vote of two-thirds of the members present and voting.

**Section 3**—Notice of any special meeting will be given at least thirty (30) days prior thereto by publication in BaptistLIFE and in such other ways as the General Mission Board may direct.

**Article V • Officers**

**Section 1**—The Officers of this Convention will be a President, First Vice President, Second Vice President, Corporate Secretary, Treasurer, Recording Secretary, and an Assistant Recording Secretary. All but the Corporate Secretary and Treasurer will be elected at each Annual Meeting by a majority of the duly elected messengers present and voting, and will hold office until their successors are elected and installed. Employees of the Baptist Convention of Maryland/Delaware are ineligible to serve as officers of this Convention with the exception of the Executive Director who will serve as Corporate Secretary and the Director of Finance who will serve as Treasurer.

**Section 2**—Nominations will be from the floor. Election will be by ballot except where there is a single nominee for an office. In the latter case, the President will instruct the Secretary to cast a unanimous ballot for the nominee.

**Section 3**—Officers will serve for one (1) year and hold office until their successors are elected and qualified; however, the President and Vice Presidents may not serve more than two (2) complete successive terms in office. Terms of office will commence at final adjournment of the Annual Meeting in session at the time of their election and terminate in the final adjournment of the succeeding regular session of the Annual Meeting. In case of death, disability of, or other cause making necessary the retirement of the President, the Vice Presidents will succeed in order. The General Mission Board will determine when an office is vacant due to the disability of an incumbent.

**Section 4**—The President will preside over the deliberations of the Annual Meeting and will perform other duties as may be customary to the position or as determined in the Bylaws, and will become an ex officio member of all Convention committees and boards. The President will continue as ex officio member of the General Mission Board for one full year immediately following tenure as President of this Convention unless elected to fill a vacancy in the regular membership of the Board.

**Section 5**—The Vice President may, in the absence of the President or when requested by the President, preside over the Annual Meeting and will perform other duties as may be provided in the Bylaws or as requested by the President.

The Rules of Order for the meetings of the General Mission Board will be those in the current edition of Robert's Rules of Order.

The General Mission Board will be composed of three members from the geographic area of each association. For each 5000 resident members or major fraction thereof, one additional Board member will be chosen, up to but not to exceed a total of ten Board members from any association. The President of this Convention, the President of the Brotherhood, the President of the Woman's Missionary Union and the Maryland member of the Southern Baptist Convention Executive Committee will serve as at-large members of the Board. Board members selected by virtue of their Convention offices, will not be used in determining the number of members from an association or local church.

The term of the office of the members will be four years with, as nearly as possible, the terms of one-fourth of the members expiring each year. Any member serving for a full term or three years of an unexpired term will not be eligible for reelection until one year has expired.

Membership on the Board will cease when the member dies, moves membership from a church within the Convention, or the member's church ceases to be in cooperating fellowship with this Convention. In the event a member moves from a church in one association to another within this Convention, or the member's church changes from one association to another within this Convention, the member will be eligible to serve until a successor is elected at the next Annual Meeting. An agency of this Convention will act in accordance with our historic Baptist doctrine and practices.

**Section 2**—The trustees of these agencies will be elected by this Convention after receiving nominations from the Committee selected by this Convention for this purpose and after giving opportunity for nominations from the floor of this Convention. The number of trustees for each agency and their terms of office will be in accordance with the requirements of their respective charters and bylaws.

**Section 3**—All agencies sharing in the Cooperative Program receipts must include a summary of their financial report in the annual report to the Baptist Convention of Maryland/Delaware, and the General Mission Board will request a copy of the budget of all agencies sharing in the Cooperative Program receipts along with their requests for financial assistance.

**Section 4**—No agency of this Convention will create any liability or indebtedness (except such as can and will be repaid out of its anticipated receipts for current operations within a period of three years) without the consent of this Convention or the General Mission Board. No church will have more than two representatives simultaneously elected to serve on BCM/D committees, the General Mission Board, or as trustees of a BCM/D institution or agency.

Committees of this Convention may appoint persons other than members to special limited purpose subcommittees and advisory committees provided such persons will serve only in an advisory capacity and will not be permitted to vote at meetings of the authorizing committee.

Membership on committees will cease when the member dies, moves membership from a church within the Convention, or the member's church ceases to be in cooperating fellowship with this Convention. In the event a member moves from a church in one association to another within this Convention, or the member's church changes from one association to another within this Convention, the member will be eligible to serve until a successor is elected at the next Annual Meeting. Membership on the Board will automatically be terminated when a member is absent for two consecutive meetings of the Board without notification submitted to the Board President or the Executive Director. The member will be notified of such termination.

In the event of a vacancy between Annual Meetings, the President shall appoint members to fill that vacancy as an interim until approval at the next Annual Meeting. This would apply to all BCM/D committees.

This Committee will make a report to the assembled messengers upon the call of the President, and will pass on the credentials of all messengers.

The Committee on Credentials and Enrollment will function under the following guidelines:

- Each person elected by a church, cooperating with the Baptist Convention of Maryland/Delaware, as a messenger to the Annual Meeting will be registered as a messenger to this Convention upon presentation of proper credentials. Credentials will be presented by each messenger, in person, at the Convention registration desk and will be in the following form:
- A completed and signed BCM/D registration card certifying the messenger's election in accordance with Article III Membership of the Constitution of the Baptist Convention of Maryland/Delaware, Inc.; but if the messenger does not have the messenger registration card,

**2. Committee on Committees**—This committee will consist of one member from each association whose duty it will be to nominate for election by this Convention the members and chairpersons of the committees listed in Sections 2 and 3 of this article, with the exception of the Committee on Committees, and other committees as may be assigned to it. An announcement will be published in BaptistLIFE no later than 75 days before the Annual Meeting requesting resolutions for the committee's consideration and possible presentation at the Annual Meeting. Proposed resolutions will be submitted in writing and addressed to either committee members or to: Resolutions Committee, BCM/D, 10255 Old Columbia Road, Columbia, Maryland 21046-1716. The Christian Life and Public Affairs Committee may act on matters referred to it by this Convention, by the General Mission Board, or by any agency of this Convention

The Christian Life and Public Affairs Committee will be responsible for initiating consideration and study, and for recommending action of the Baptist Convention of Maryland/Delaware and/or General Mission Board on any matter or issue falling within the scope and purpose as set forth in the preceding paragraph.

The committee will be elected and directly responsible to the Baptist Convention of Maryland/Delaware. It will report annually to this Convention.

The committee is authorized to make pronouncements on matters within its scope and purpose in as far as they are consistent with actions previously taken by the Baptist Convention of Maryland/Delaware, the General Mission Board, or the Southern Baptist Convention. However, under no circumstances will the committee assume the exercise of authority for this Convention, its agencies or the churches.

The committee will elect a recording secretary and such other officers each year as it will deem necessary. The committee will meet quarterly and/or at such other times as will be designated by the chairperson.

The financial needs of the Christian Life and Public Affairs Committee will be through the budget of the Baptist Convention of Maryland/Delaware.

It will recommend what historic sites, including buildings, should be properly marked and preserved.

The same is true for trustees and directors of any agency of this Convention.

**Article VI • Procedure for the Annual Meeting****Section 1—Rules**

  - The vote is not effective until announced.
2. The President will be elected before the Vice Presidents are nominated and the First Vice President is to be elected before receiving nominations for the Second Vice President.

### **Article VII • Amendments to Bylaws**

The Bylaws may be altered by a majority vote of the messengers present on the first or second day of the Annual Meeting of this Convention. Non-substantive changes such as grammatical corrections and title or name changes may be made by the Administrative Committee of the General Mission Board and included in their report at the Annual Meeting of the Baptist Convention of Maryland/Delaware.

- b. Curtis Hill asked the Chair for permission to speak to the motion.
- i. He gave context to the process as to how the committee arrived at the budget.
  - ii. The budget starts with the staff and then moves to the administrative committee, who approved the budget and passed it on to the General Missions Board.
  - iii. The format is different this year so that the Messengers can see the years side by side:
    1. 2016 represents the actuals
    2. 2017 represents the budget amount
    3. 2018 the proposed budget
  - iv. The budget is built around anticipated receipts from the Cooperative Program, \$3.7 million, which is the baseline. \$1 million dollars comes from NAMB which helps to fund the church planting and evangelistic ministries.
  - v. The most significant change of the budget is the proposed increase to the national entities of the SBC and the Cooperative Program. Last year 43% was leaving the state convention and this year the staff recommends an increase to 48%. (4.5% increase)
  - vi. The 3 budgets:
    1. The General Operating Budget (includes a 1% raise for the staff)
    2. The Skycroft Budget
    3. The State Missions Offering Budget

#### **Christian Life and Public Affairs Committee Report**

- What’s so special about being human?
- Are some humans worth more than others?
- Why should we care about life and death matters?

As Christians, all of these questions begin in the same place: we are all created in the image of God. Because we are all God’s image-bearers, we each possess an inherent worth and purpose: to show off the glory of our Creator in our lives and in the world.

Our contemporary world rejects both God and therefore also rejects that we are all created in his image. How can we uphold the truth in a world of confusion? The Christian Life and Public Affairs (CLPA) Committee would like to help.

What is the CLPA? We exist to provide resources to help you where Christian life and faith intersect. We want to help equip you to engage the ever-changing culture with the unchanging truth of God’s Word.

Our theme for 2018 is “In His Image.” God has called his church to uphold the glory and dignity inherent in all human beings. We want to help you unpack what that means, why

every life matters, and how you can proclaim it in community. Look for our articles in upcoming print or online editions of BaptistLIFE.

## 29. Baptist Foundation Report: Bill Peacock – President, Baptist Foundation of Maryland/Delaware:

### The Baptist Foundation of Maryland/Delaware

The Baptist Foundation of Maryland/Delaware works to advance the message of the Gospel through the prudent management of endowments that benefit Baptist work in Maryland/Delaware and around the world. We also provide loans to our affiliated churches and associations.

The Foundation currently manages assets of approximately \$11 million dollars (\$7.9 million in the Endowment Funds and \$3.1 million in the Church Loan Funds). Significant growth in the amount of managed assets has occurred from \$3.8 million in 1991.

For the fiscal year ended September 30, 2017, the Foundation distributed approximately \$389,712 to Southern Baptist and Baptist Convention of Maryland/Delaware mission causes from the Endowment Funds.

Through the Foundation's Church Loan programs, 17 churches affiliated with the Baptist Convention of Maryland/Delaware are being assisted with approximately \$2.3 million dollars in loans. The advantages of these church loans are favorable interest rates and low closing costs. In addition to the above referenced distribution, the Foundation makes a distribution annually to the Baptist Convention of Maryland/Delaware to be used to start churches and to strengthen existing churches. The distribution to be made for the fiscal year ended September 30, 2017 totals \$106,225.

The Baptist Foundation is now positioned to manage endowment funds for churches while saving them money on administration. Even churches with modest investment needs may take advantage of the same discounts offered to multimillion dollar investors simply by using the services of the Baptist Foundation. We encourage churches to partner with us to create Heritage Funds to ensure funding for their future ministry efforts.

The Baptist Foundation continues to educate our churches in estate planning. If your church is interested in learning more about the Foundation, a representative of the Foundation will be pleased to provide additional information. You may also learn more about the Foundation by visiting <https://bcmd.org/what-we-do/baptist-foundation>. From here, you can learn more about the Foundation's church loan, estate planning, and

planned giving programs as well as view the most recently available audited financial statements.

The Lord has truly blessed the Kingdom work of our Foundation and Convention. We look forward to continuing to serve Maryland/Delaware Baptists in the same trustworthy manner as our predecessors.

## Report of Executive Director Dr. Kevin Smith

What a joy to end the year as an excited and hopeful Maryland/Delaware Baptist! I am grateful for the privilege of gospel ministry as Christ-followers in our 500+ congregations obey the Great Commandment & the Great Commission. During 2017, we have anchored our church planting methodology in biblical ecclesiology and strengthened our relationship with the North American Mission Board. Additionally, we are laying the groundwork to be more effective in the way we consult with churches, as we head into 2018. During our annual meeting at Kettering Baptist Church, I reviewed our core values that I pray will shape our mission together going forward, as we seek to strengthen and plant churches.

### Core Values: Cooperation, Affirmation, & Multiplication

**Cooperation** - the belief that our capacity increases when Maryland/Delaware Baptists cooperate with each other, and with our national Southern Baptist partners. The church planting task of pushing back spiritual darkness is a great work demanding the unified efforts of Christ's followers, in order that we might be useful vessels for the Holy Spirit (who is not the author of confusion). The church strengthening task of pursuing church health and fruitfulness is, likewise, a great work that requires our congregations to be united and prayerful as we ask God to use us to see people converted and growing in godliness to the glory of Jesus Christ.

**Affirmation** - the belief that local church affirmation of missionaries and church planters is biblical, and an effective means of stewardship accountability to our Cooperative Program, Maryland/Delaware Missions Offering, and Annie Armstrong Offering supporting churches. "Churches plant churches" is not mere rhetoric to us, we really mean it! Not only do churches participate by giving a percentage of their receipts to the Cooperative Program, they participate by nurturing those in their congregation that will be future missionaries and church planters.

**Multiplication** - the belief that a healthy church produces disciples that make disciples, and that some of those disciples will be led to be missionaries and church planters, and that those remaining in the sending-congregation should support those that go.

As 2017 ends, it is important that we focus on why we do what we do - because Jesus Christ, the Son of God, came into the world to save sinners! We need to have strategy and core values. We need the resources that our cooperative approach to ministry as Maryland/Delaware Baptists provides. But, most of all, we must be animated by the Christmas message reflected in Mary's song in Luke 1: *"My soul magnifies the Lord, and my spirit has rejoiced in God my Savior ... for He who is mighty has done great things for me, and holy is His name."*

## **2016-2017 Summarized Activities/ Highlights of the General Mission Board**

The General Mission Board is pleased to serve the churches within our Convention. As board members, we are both humbled and honored to serve. The highlights of the last year follow.

Concerning staff, key changes included the following: Amy Smith was hired to serve as the BCM/D International Student Consultant, replacing Lynn Davis. Lynn served faithfully for more than 30 years in this ministry. In God's grace, Amy was once a student whose life was impacted by this ministry under Lynn's leadership. Amy oversees ministries to international students, assisting with the development and direction of this ministry through partnership with Ocean City Baptist Church. Ellen Udovich was assigned to serve churches in the area of community engagement, coaching and consulting. Doug DuBois assumed leadership of all BCM/D disaster relief efforts.

A specific partnership between the BCM/D and the Blue Ridge Baptist Association was birthed to assist the association in its effort to coordinate our efforts with a goal to turn around churches that have been in severe decline.

As a significant initiative, we have encouraged the Skycroft sub-committee to launch a comprehensive study of Skycroft Conference Center. We believe that the outcome of this study will include a fresh vision, clarity on our organizational model, assessment of staffing levels, and a time table for facility upgrades.

The 2018 proposed budget is recommended by the General Mission Board for approval by the messengers. This budget includes a commitment to increase the percentage of Cooperative Program receipts sent to the SBC from 43.5% to 48%, reflecting our desire to allocate more to national and international missions causes. As a Board, we believe this step of faith is not only in the best interest of the BCM/D, but also God's work through Southern Baptists throughout the world. The proposed budget forecasts \$3.7 million in Cooperative Program receipts in 2018. This proposed budget also includes funding through our State Missions Offering for key initiatives including ministries to individuals and families affected by disabilities, disaster relief, Skycroft evangelism, college campuses, and church planting.

Concerning, Skycroft Conference Center, this budget reflects serving an estimated 25,000 guests for at least one night as well as ministering to approximately 2,400 students attending the various camps to be provided in 2018. Annually, through the ministry of Skycroft, we see students come to saving faith in Jesus Christ, and we are grateful for how God is using this strategic resource.

I pray that God is pleased with our efforts as we seek to serve and honor Him in all that we do. Currently, more than 600 churches are part of the collective work of the BCM/D. May God be glorified as we share the good news of the Gospel with our communities, our nation, and our world.

A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the cash receipts and disbursement basis of accounting; this includes determining that the cash receipts and disbursement basis of accounting is an acceptable basis for the preparation of financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

### Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with the cash receipts and disbursement basis of accounting. We believe that the results of our procedures provide a reasonable basis for our conclusion.

### Accountant's Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with the cash receipts and disbursements basis of accounting.

### Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared in accordance with the cash receipts and disbursement basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our conclusion is not modified with respect to this matter.

**Baptist Convention of Maryland/Delaware, Inc.  
Notes to Financial Statements  
December 31, 2017**

**Note 1 – Summary of Significant Accounting Policies**

*Date of Management Review:* Management has evaluated subsequent events through February 12, 2018, the date on which the financial statements were available to be issued. The Organization did not have any material recognizable subsequent events during this period.

*Organizational Purpose:* As stated by the mission statement of the Baptist Convention of Maryland/Delaware, Inc. (the "Organization"), it will intentionally assist the starting and strengthening of congregations so that together they can fulfill Jesus' commands in Matthew 28:19-20 and Acts 1:8. The Organization derives the majority of their income from individuals and churches in Maryland and Delaware.

*Basis of Accounting:* These statements are presented on the cash receipts and disbursements basis, modified as described later in this paragraph. The cash receipts and disbursements basis require that revenues and the related assets be recognized when received rather than when earned, and certain expenses be recognized when paid rather than when the obligation is incurred. However, these financial statements have been modified to reflect certain items budgeted for 2017 even though the actual funds related to those items have not been received or expended as of December 31, 2017. The statement of budgeted activities – cash receipts and disbursement basis reports only those transactions that were budgeted for in 2017. Other non-budgeted 2017 activity is reported in the statement of changes in net assets – cash receipts and disbursement basis.

Funds received by the Organization to be used for purposes unrelated to the operating activities of the Organization are recorded as a cash exchange liability until such funds have been disbursed.

*Financial Statement Presentation:* The Organization has adopted FASB ASC 958-205, "Presentation of Financial Statements of Not-for-Profit Entities." Under FASB ASC 958-205, the Organization is required to report information regarding its financial position and activities according to three classes of net assets:

Unrestricted

Net assets which are free of donor-imposed restrictions. Included in unrestricted net assets are certain net assets, donor advised funds, for which donors may make recommendations to the Messengers of the Organization with respect to the distribution of the income and/or principal for an agreed upon period of time. The Messengers of the Organization has complete discretion on whether to accept or reject the donor's recommendation.

Temporarily Restricted

Net assets whose use by the Organization is limited by donor-imposed stipulations that either expire by passage of time or that can be fulfilled or removed by actions of the Organization pursuant to those stipulations. This classification of net assets also includes unexpended net realized and unrealized gains on endowment funds, the income on which has been donor restricted. The Organization's policy is to reinvest such earnings for future growth and to use these earnings in accordance with donor stipulations as to the original gift corpus.

Permanently Restricted

Net assets whose use by the Organization is limited by donor-imposed stipulations that neither expire with the passage of time nor can be fulfilled or otherwise removed by actions of the Organization.

Note 1 – Summary of Significant Accounting Policies (continued)

*Cash and Cash Equivalents:* Cash equivalents generally includes all highly liquid debt instruments that mature in 90 days or less.

*Property Owned:* Property and equipment that have been capitalized are stated at cost. Assets purchased in excess of \$5,000, which have a useful life in excess of one year, are capitalized. Major additions and betterments are charged to the asset accounts only to the extent the costs have been reflected in the operating budget. Management periodically reviews the utilization of assets and removes those assets that no longer have a useful life. Depreciation is not recorded since the operating budget makes no provision for non-cash expenses; accordingly, an impairment loss from the valuation of long-lived assets under FASB ASC 820 would not be recorded.

*Inventory:* Inventories are stated at the lower of cost or market using the first-in, first-out (FIFO) method. Inventory consists of various supplies on hand needed for the operations of the Organization.

*Cooperative Giving:* The Organization adopted FASB ASC 958-605, "Not-for-Profit Entities – Revenue Recognition." In accordance with FASB ASC 958-605, contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions. Promises to give are not recorded as cooperative giving until the funds are received.

*Investments and Investment Income:* The Organization elected to adopt FASB ASC 958-320, "Not-for-Profit Entities – Investments – Debt & Equity Securities." Under FASB ASC 958-320, investments in marketable securities with readily determinable fair values and all investments in debt securities are valued at their fair values in the statement of financial position.

Investments, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. It is reasonably possible that changes in the values of investments could occur in the near term and that such changes could materially affect the amounts reported in the statement of financial position.

*Income Taxes:* The Organization is exempt from Federal taxes under Section 501(c)(3) of the Internal Revenue Code. The Organization is required to file a return to report unrelated business income generated at the Skycroft Convention Center. At December 31, 2017 the provision for unrelated business income tax is \$0. The Organization's Federal tax returns generally stay open to examination for three years from the filing date.

*Estimates:* The preparation of financial statements in conformity with the modified cash receipts and disbursements method used by the Organization, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reported period. Actual results could differ from those estimates.

**December 31, 2017**

**Note 1 – Summary of Significant Accounting Policies (continued)**

*Newly Issued Accounting Standards Not Yet Effective:* In August 2016, the Financial Statement Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2016-14, "Presentation of Financial Statements of Not-for-Profit Entities." The standard changes the required financial presentation of net assets on the statement of activities from three classes to two classes to include net assets without donor restrictions and net assets with donor restrictions. The standard will be effective for years beginning after December 31, 2017.

The Organization is currently in the process of evaluating the impact of adoption of this ASU on the financial statements.

**Note 2 – Cash and Cash Equivalents**

The Organization maintains its cash accounts at various financial institutions and its balances may at times exceed the Federal Deposit Insurance Corporation (FDIC) insured limits. The Organization has not experienced any losses in such accounts and monitors the creditworthiness of the financial institutions with which it conducts business. Management believes that the Organization is not exposed to any significant credit risk with respect to its cash balances.

**Note 3 – Baptist Foundation of Maryland/Delaware, Inc.**

This account represents funds transferred to the Baptist Foundation of Maryland/Delaware, Inc., which is the agency designated for the management of trust funds. Income earned from these funds is returned to the Organization or its designated agencies.

Marketable securities invested with the Baptist Foundation of Maryland/Delaware, Inc. are stated at fair value and are summarized as follows:

Note 4 – Investments and Fair Value Measurements

The Organization accounts for the fair value of its investments under the Fair Value Measurement and Disclosure topic of the FASB Accounting Standards Codification, which provides the framework for measuring fair value. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurement). The three levels of the fair value hierarchy under this guidance are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.

Level 2

Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and maximize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2017. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The Organization's financial instruments, none of which are held for trading purposes, include cash, marketable securities, and notes receivable. The Organization estimates that fair value of all financial instruments at December 31, 2017 does not differ materially from the aggregate carrying values of its financial instruments recorded in these statements. The estimated fair value amounts have been determined by the Organization using available market and appropriate valuation methodologies. Considerable judgment is necessarily required in interpreting market data to develop the estimates of fair value, and accordingly, the estimates are not necessarily indicative of the amounts that the Organization could realize in a current market exchange.

The Organization provides a tax qualified retirement plan for the benefit of eligible employees. Employees become eligible within six months of their starting date, with contributions equaling 11% of compensation in the current year. The plan is designated to provide employees with an accumulation of funds for retirement on a tax-deferred basis and provides for annual discretionary contributions. The expense for the current year was \$136,066.

**Note 7 – Donated Property Received**

In 2000, the Organization received a gift of property which was recorded at management's estimate of fair market value at the time of the gift. The Organization records an increase in the value of the property annually based on the amount of capitalized carrying costs. Additionally, management periodically estimates the fair market value of the property and adjusts the recorded value to the current estimated fair market value plus the capitalized carrying costs since the original date of the gift. The property was last evaluated and adjusted by management in 2017. Management estimates the value for the donated property has not changed since that time. The property held for investment purposes and is not used in operations. The capitalized carrying costs of the property added to the estimated fair market value totaled \$70,514 as of December 31, 2017.

During 2017, the Organization sold two parcels of land from the donated property received. As a result of the sale, the value of the donated property received was reduced by the fair value of the two parcels of land sold, net of any selling costs. The value of the donated property received was reduced by \$47,143 for the year ended December 31, 2017.

**Note 9 – Skycroft Conference Center**

Owned and operated by the Organization, Skycroft is located on over 341 acres in Frederick County, Maryland. The center opened in 1977 to offer the opportunity to slip away into a quiet spot to reflect, to be re-created, to be refreshed in the beauty of “God’s great outdoors”.

On January 14, 2013, the Messengers of the Organization approved the sale of a perpetual conservation easement on the Skycroft property to the Civil War Preservation Trust and the State of Maryland. The Civil War Preservation Trust and the State of Maryland paid \$1,100,000 to the Organization. The easement allows for usage, building, and updating in a 25-acre developmental envelope. Two stipulations in the easement are that the property can never be sub-divided, and second, the property can be sold to an organization for a similar purpose as it is currently being used or for the purpose of one single-family dwelling.

The Messengers of the Organization approved \$1,100,000 of the funds received to be used for improvements to the Skycroft facility, of which all the approved funds have been utilized for this purpose.

On December 30, 2016, the Organization purchased approximately 41 additional acres of land to add to Skycroft for a purchase price of \$325,000. The Organization obtained a note payable in the principal amount of \$276,250, secured by the land, to partially fund the purchase. The note payable requires monthly payments of principal and interest in the amount of \$2,036. The note payable bears interest at a rate of 3.89% per year and matures in December 2031. Interest incurred and paid on the note payable was \$10,652 for the year ended December 31, 2017.

The aggregate maturities of the note payable at December 31, 2017 are as follows:

## WMU Executive Director Report

As the Executive Director for WMU, I have the honor of encouraging churches to view missions as a lifestyle and not as a program. Gail Noda and the WMU Executive Board continue to assist me in any way they can to keep missions alive and well in our churches.

Camp Wo-Me-To located in Jarrettsville, Maryland, is owned and operated by Woman's Missionary Union, Auxiliary to the Baptist Convention of Maryland/Delaware. Our camp staff is headed by Spirit-filled, missions-minded leaders. Frank Ulmer, Ben Block, Eric & Debbie Jones are very capable in their commitment to serve. Here are some recent improvements/purchases that have been done at Camp Wo-Me-To:

- Fellowship Hall renovated with new cabinets, tile floor and updated walls & ceilings
  - Rebuilt coffee station and desk in Main Hall
  - Handicap restroom completely remodeled and bathroom for meeting spaces has a new ceiling
  - Purchased new copier for the office.
  - Snack Shack renovated (new roofing, siding, windows, doors, trim, walls and shelving
- Our theme for the 2016 Women on Mission Spring Retreat was "*Refuge*." Our keynote speaker was Kathy Sheldon, president of Pennsylvania/South Jersey convention. Our missionary speakers were Jim & Kim Busching, IMB missionaries who had previously served in Venezuela and would be relocating to Peru as their new assignment by the end of 2016. There were 125 ladies in attendance. We had a season of prayer for the IMB missionaries that were taking the voluntary retirement. Our mission project was to collect an offering for the missionaries five missionary couples that chose the Voluntary Retirement Incentive who had previously participate in assignments in the Maryland/Delaware area. We were able to abundantly bless them with over \$500.00 each with the money collected for this project.
  - Health Kits were collected once again in 2016—ministries were blessed by your generosity of our Maryland/Delaware churches! We received over 1, 250 health kits, from 28 churches in six associations! The kits were distributed to International Student Ministry, the Port Ministry and the Inner Harbor Ministry.
  - Mother/Daughter Weekend attendance was a total of 10 moms and daughters. It was a mini-camp for the girls and moms to experience what the older girls experience from sleeping in cabins to eating in the Dining Hall to Worship, Missions, Bible Study, Missionary, Swimming, Crafts, Hayride and S'mores around a camp fire.
  - Girls Camp 2016 was a blessing from God to all who had a part in the process. The theme was "Run the Race" with the focal verse of 1 Timothy 4:8. There were 61 campers, plus 25 staff members. Gayla Parker was our Camp Pastor and Missionary. She engaged the girls in her work in the Philippians with activities, stories, pictures and songs. Each night she used Bible characters to illustrate TRAIN. T-Trust (Trust with heart, soul and mind), R-Reward (Run for the prize...Jesus), A-Accomplish (His will), I-Inherit the Kingdom of Heaven, N-No Death!!!! (Life Everlasting). During Chapel the last night, Ms. Gayla did a wonderful job of pulling everything together from the week

and point us to the most important decision...Jesus! We had 1 first time commitment and five rededications with two being called into ministry.

- The Annie Armstrong Easter Offering for North American Missions (*Together for His Kingdom*) and the Lottie Moon Offering for International Missions (*the gospel resounds*) materials were mailed to each BCM/D church. Additional materials were mailed upon request.
- Breathless 2016 was held at South Columbia Baptist Church in Columbia, MD. This one day event for women had 100 attendees. Leighann McCoy is an author and speaker who helps women across the nation and overseas develop a never fail faith. LeighAnn is a conference leader for Lifeway Christian Resources and a frequent guest on radio programs. The ladies attended break-out conferences on relevant subjects and missions. We were blessed with Janet Allen and company who led in worship. In addition to attending various breakout sessions, the women purchased items from WorldCrafts which helps sustain women with employment in various countries and attempts to keep women out of prostitution and human trafficking. Our mission project was to donate the money collected at the event to the Roma people in Romania. This money allowed the Roma people to purchase wood to keep warm during the coldest days in that area.

## Church Multiplication

*Michael Crawford, Church Multiplication Strategist*

I want to start by thanking each and every one of you for your prayers, service and sacrifices you have made on behalf of our convention. I'm reminded of Hebrews 6:10, "God is not unjust, He will not forget your work and love you have shown Him as you have helped his people and continue to help them." May the Lord keep you and continue to bless the work of your hands!

Earlier this year, I sat with Steven Foster, a church planter born and raised in Baltimore who is planting a church in Linthicum. As we talked with him, I was reminded of God's call on my life which is to plant churches and invest in young men. I was also reminded of the great need there is to equip and resource men and churches to plant churches. I am thankful for our African American initiative because it helps men like Steven Foster advance the Kingdom of God.

Transitions! That is the best word to describe this year. As many of you are aware, we have had three team members transition from working with us into other areas of influence in the Kingdom.

Marcus and Chrissie Redding relocated to North Carolina to work with their state convention. Marcus will be doing some of the same type of work he was doing here. We will have the privilege of having him continue to work with us on a limited basis throughout the rest of this year, which is a great blessing to us and our planters. Ron Larson transitioned from being the Send City missionary for NAMB to planting a church in Columbia. We appreciate what Ron has done for our planters.

Clint Clifton, the Send City missionary for Washington, D.C., is now functioning in Ron Larson's role here in Baltimore. He is going to bring some amazing things to the table, and we are really excited to be working with him for the foreseeable future. James Choi is our newest church

planting catalyst. James comes highly recommended to us, and we believe he is going to be a great asset to our team and help us increase the health of both church planting and their church plants. Last, but not least, our faithful sister Margot Painter has transitioned into the role of support specialist for our church planting team. Margot brings experience and passion to our team, and we are blessed.

Early in 2017, Dr. Kevin Smith and I visited six regions of our convention to lay out and explain our BCM/D church planting strategy, as outlined in previous pages. We were received warmly and found many pastors excited about our future strategy. We look forward to implementing this strategy and seeing the Lord do amazing things through it!

We believe prayer is our primary strategy, so please continue to pray for us as we solidify many of these changes. Our God is able to do more than we can ask or think!

This year our training for our planters has focused on preaching. We recently held our second round of cohorts as well as another assessment for planters in September. A few weeks ago, we provided an appreciation dinner for our church planting coaches. We are among very few conventions that provide monthly coaching for planters. It's making a big difference.

We are continuing our focus on quality over quantity in church planting. We want to identify, partner, serve and resource existing churches who have a desire to plant a church. We continue to look for church planters who are recognized and sent by a local church. Our passion is to help the local church resource these called, gifted and qualified men. We are excited about our direction and future.

This year, so far, we have seen the Lord plant 20 churches. We also have seven men in the pipeline who are going through the assessment process right now. Church multiplication is in a good place, and we are excited about the rest of this year.

I want to tell you about the Salaam Center in Baltimore. Our Muslim Initiative is important because our convention region receives the second largest number of immigrants in the United States and many of them are Muslims. Pastor Reda Narouz is doing some excellent work in Baltimore reaching Muslims for Jesus. I took my church "d group" (small group) there, and we are now prayerfully considering how we are going to come along side of him and partner in serving. I would encourage you to prayerfully consider what, if anything, you or your church could do to help.

The Apostle Paul said, "I have great sorrow and unceasing anguish in my heart" referring to the fact that so many Jews were lost in his day. Brothers and Sisters, I feel some of this. We have the third largest population of Jews in our convention, and I'm burdened to reach them! Rabbi/Pastor Robert Pristoop has been praying and searching for a man to plant amongst the Jews. We have interviewed a few people, but have not found a suitable candidate yet. Please continue to pray for this.

Both Reda and Robert participated in this year's Language Music Celebration, which is held annually on Palm Sunday at Global Mission Church in Silver Spring, Md. Included in this year's event were the following language groups: Bhutanese, Burmese, Central African, Chinese, Filipino, French, Haitian, Hebrew, Hispanic, Japanese, Korean, Middle Eastern, Nepalese, Thai, Vietnamese, and West African. In a departure from previous celebrations, when many of the international groups only led songs that were native to their own cultures and traditions, several of this year's

groups chose songs familiar to all in the Christian faith. This elicited heart-felt worship from the participants!

On Saturday, May 6, we hosted our second annual Special Needs Conference at Cresthill Baptist Church. Please continue to be in prayer that God will inspire, equip and resource our churches to engage and serve those effected by disability and special needs. We are also working with First Baptist Church in Whitehouse, Texas to host a Special Needs conference there. God is moving in mighty ways in our churches and in churches across the United States. I am so grateful our convention is engaging in the noble and godly pursuit of equipping churches to serve, love and be served by people and families affected by disabilities. Thanks for your support, love and prayers in these endeavors.

In September, we hosted a different kind of conference, called the Upper Room, [www.upperroombaltimore.org](http://www.upperroombaltimore.org). Dr. Michael Catt of Sherwood Baptist Church and Chief Melvin Russell of the Baltimore City Police Department, along with some other gifted men and women, led the conference, whose primary purpose was prayer, not speaking. The majority of the time was spent to prayer. It was powerful.

Psalm 46:10-11, "Cease striving and know that I am God; I will be exalted among the nations, I will be exalted in the earth. The Lord of hosts is with us; The God of Jacob is our stronghold." Let's keep praying!

## **Church Strengthening, Equipping and Encouraging**

Randy Millwood, Church Strengthening Strategist

### **Church Strengthening:**

The Church Strengthening Team (CST) of our Baptist Convention of Maryland/Delaware seeks to help local churches glorify God by making disciples of Jesus Christ in the Presence and Power of God's Holy Spirit. We long to see the Great Confession, the Great Commission, and the Great Commandments become a great, living reality among the churches of BCM/D.

In 2017, our focus has been on helping churches in three primary areas: Ministers, Ministries, and local Missions. This we do by helping churches address:

- **Discipleship Pathways** (the whole journey from first contact to the increasing image of Christ...personally and congregationally)
- **Church Revitalization** (local churches who are multiplying disciples, multiplying servant leaders, multiplying groups, and ultimately multiplying congregations)
- **Groups** (building-based, home-based, market-based, formal, informal, etc.)
- **Equipping Leaders** (development strategies that we host, partner, facilitate, etc.)
- **Coaching Pastors/Pastoral Staff** (ongoing covenanted relationships, driven by the pastor/staff agenda and the mission of Christ for a local church)

Over the course of 2017 the CST has been in meaningful contact with approximately 70% of the supporting and participating BCM/D churches. These contacts have included ongoing coaching, customized equipping events, consulting, long-term relationships for Church Revitalization, development of discipleship pathways, assisting churches who are between pastors, building up existing and new local church leaders, and a host of other church strengthening services.

During the first quarter of 2017, the CST hosted and participated in an in-depth coach training event facilitated by Blackaby Ministries International, preparing almost 40 church leaders from 35 different churches to practice coaching skills as a way of developing disciples of Jesus and new leaders. Our Transitional Interim Pastors continued to learn from one another and invest in our churches. A new informal approach to connecting and caring for pastors' wives was launched. Through a new partnership with Renovate Conference, we are offering interested BCM/D pastors a one-year subscription to Church Revitalizer Magazine. New and returning leaders for VBS ministries were trained across the region.

In early May, a Worship Team Boot Camp was held at Dunkirk Baptist Church, involving six area churches. These boot camps encourage worship team health, provide practical training, and introduce participants to the grander world of worship. Follow up includes coaching for worship teams regarding their unique next steps. Tools for assisting smaller churches have become an emerging focus of these trainings.

Having equipped hundreds of leaders for summer children's ministries through the late winter and spring, the summer represented a season of harvest among our churches. Vacation Bible School now comes in many forms --- the traditional VBS by the week or weekend, or one day each week all summer; local Sports Camps; local Art and Music Camps; BackYard Kids Clubs... and so many other unique expressions.

During the summer, we had churches hold summer children's ministries that had not done so in more than a decade, new churches trying new approaches, and churches who have held traditional VBS in the past, spreading their wings to experiment with new ideas. The summer season continues to be an effective time of reaching outside of our walls and into the community so that many may come to know JESUS. The result for our BCM/D churches is the launch of Fall programs with new leaders, refreshed returning leaders and inspired kids...all because of their summer experiences in VBS and beyond!

On the other end of the spectrum of our work are those churches/leaders experiencing endurance and stretching seasons of faith. Tom Rodgerson worked with dozens of pastors, planters and their spouses through the year. In addition, he was invited to lead a series of meetings helping a local congregation deal with grief due to multiple losses for the church and for individuals of the church, over the last year.

Dr. Rodgerson was also part of a team of BCM/D consultants (including Doug DuBois, Ellen Udovich and myself) who helped Redland Baptist Church launch their new year through a series of four, joint adult Sunday School sessions (called Sunday School Merge) dealing with spiritual habits, an outreach lifestyle, active service and relational health.

Our summer camps included seven BCM/D churches, with 32 boys, joining other evangelical congregations for Boys Camp, 2017 (64 boys in all). This year's theme for the boys was God's Battle Plan.

The Girls Camp theme was Diving In, and included 96 girls (a 20% increase from summer, 2016). Lynn Davis, retired missionary from resort ministry in Ocean City, was camp missionary and chapel speaker. There were six professions of faith and two who expressed a call to missionary service. If you would like to see pictures, visit this Facebook page: MD/DE WMU Girl's Camp.

Examples of our commitment to GROUP ministries in our local churches include a recent event at Welsh Church in Frostburg where GROUP leaders from six BCM/D congregations joined together for an evening of re-centering on what the work of a GROUP truly is, and the assessing and equipping of GROUP leaders of Deep Creek Baptist Church, along with specific goal setting, growing out of the event at Welsh.

A Lead Like Jesus Leadership Encounter impacted three of our churches near Ocean City, another equipped leaders in Frederick, and one more this year already has pre-registered leaders from multiple churches along with the mayor of the city where the host church is located! These life-changing events challenge people to lead as Jesus would if He were living life in their family, at their job, and in/through their Church.

Two opportunities (September 13 and 14) to explore Situational Leadership II in one-day events were held (Derwood, Md. and White Marsh, Md.) as part of our Healthy Leaders for Healthy Churches leadership development series. In partnership with Dogwood Leadership, we will be hosting continuing education/growth opportunities for pastors/leaders over the next three years!

Our Transitional Interim Pastors (T.I.P.) gathered in mid-September for their next Best Practices luncheon. One of the most significant revitalization opportunities for a local Church is during their season of interim – a chance to celebrate and/or confess matters of the past, take a fresh look at our current health, and see our mission field as it actually is today. The men of our T.I.P. team help our churches to do these and other uniquely interim kinds of things.

The 2018 AWAKEN (Church Revitalization) cohort is now open for registration. If your church is on a plateau or early in decline, there is no time like the present to schedule space in your life and calendar to learn, hear from God, set new objectives and partner with God's Spirit to reverse the trend!

As always, the true heroes and real equippers of our state convention are our pastors and church leaders. A key role the CST plays is connecting churches to churches for Kingdom of God impact across the region. During the year, those stories have included connecting a Delaware church with a Baltimore City church for ongoing relationship and fiscal support; connecting a Glen Burnie church (with extra preschool resources due to a renovation) with a Westernport church (with incredible opportunity and need in that very area); and connecting the expertise and experience of a Frostburg pastor and an Indian Head pastor with six pastors from around the state convention, who are in our second BCM/D contextualized Southeastern Baptist Theological Seminary (SEBTS) D.Min. cohort!

The ongoing work of resourcing pastors and key leaders, serving churches in conflict, and providing pastoral care for ministers in crisis continues. Toward that end, our team has been fast at work to respond to those requests as they come to us.

In 2018, expect to enjoy some of these church strengthening conferences and retreats: Restore My Soul retreats; Healthy Leaders for Healthy Churches leadership development series; the DREAM Church Conference, in partnership with Oak Ridge Baptist Church, Salisbury; a Pastor Date Night and a Pastors Essentials conference, in partnership with LifeWay Christian Resources; and so much more!

Also in 2018, the Church Strengthening team will fall under the larger umbrella of Church Services, to include Church Strengthening, Community Engagement and Disaster Relief.

### **Community Engagement**

Ellen Udovich's role as Community Engagement Consultant is to help churches make disciples--people who are growing to look more and more like Jesus.

Matthew 9:36 tells us that when Jesus saw the crowds, He had compassion on them. How do we follow Jesus into those fields of hurting people and twisted up situations?

The most difficult step in engaging our community is that critical first step of discovering who exactly is "our community" and what would "compassion" look like in this setting? Who lives, works, studies or plays in this community? What are their needs and burdens? What are their hopes and fears? What assets and potential partners has God already sown into this community? What's God already doing here and what is He now inviting us to do?

Once we have heard God's voice clearly, the rest is easy (well, at least easier). We're here as a resource to help you with that discernment process as well as the next step of developing effective strategies to do what you've heard God calling you to do. If God put immigrants and refugees on your heart, compassion might look like ESL ministry, citizenship classes or helping the Salaam Center. If God is breaking your heart for children, compassion might look like afterschool tutoring, mentoring, foster care, backpacks full of food for the weekend. Compassion might look like ministry to those who are hungry, homeless, illiterate, trapped in poverty, trapped in domestic violence, trapped in human trafficking. Once you've heard God's voice, we can help you build and implement your strategy to follow that calling.

For example, this past year, our annual Ports of Call ministry conference for older adults was held at Skycroft with 19 BCM/D churches participating. In addition to equipping sessions, participants engaged in hands-on ministry work in Frederick and Hagerstown. In addition, four BCM/D churches (and three non-BCM/D churches) participated in the summer 16-hour ESL Basic Workshop held at First Baptist Church of Laurel, equipping new volunteers to serve in English as a Second Language ministries.

Our commitment to church/school partnerships continued as we launched a pilot project in Baltimore to assist churches in starting and strengthening ministry to their neighborhood public schools.

As followers of Christ, we can impact our communities by putting the gospel into action: serving our neighbors with compassion, building real relationships and sharing the hope we have in Christ. Some of those we serve will choose to follow Christ and become disciples. And as we serve, we ourselves become more like Christ--disciples growing together into stronger, healthier, more vibrant congregations.

### **Disaster Relief**

As Maryland/Delaware State Director of Disaster Relief, Doug DuBois has had a particularly busy season in the aftermath of Hurricanes Harvey, Irma and Maria.

Here is a summary of the incredible amount of work that is taking place:

**First, Hurricane Harvey, Texas.** Maryland/Delaware Baptists quickly responded in the wake of "the worst disaster" to hit Texas by generously donating materials for crisis buckets and hygiene kits as well as donating financially to help disaster relief teams address needs. In addition to financial donations, the BCM/D had set up three collection centers for material donations, which

were delivered to Fredonia Hill Baptist Church in Nacogdoches, Texas, a partner SBC church who regularly brought supplies into the areas devastated by the storm.

Presently, Disaster Relief teams are wrapping up initial efforts, but there are still opportunities for teams to go to Texas to do mud-out and recovery for the coming months in Houston, Vidor, and Groves. After this, teams will go into the long-term rebuild stage of recovery. Local church mission teams can consider going down and partnering with local churches in those same areas.

**Next, Hurricane Irma, Florida.** Maryland/Delaware Disaster Relief volunteers deployed to Immokalee, Fla., in a successful partnership with the North American Mission Board's Send Relief and First Baptist Church, Immokalee. Over 70 volunteers representing all of our 11 associations served on site. BCM/D DR was able to deploy four recover units, a shower unit, laundry unit, and a feeding unit. BCM/D will continue to partner with the FBC, Immokalee, to assist them as they help their community through the rebuilding process. As it turns out, God had already established a connection with First Baptist Church of Immokalee. They are the sending church for Restoration Church, in Towson, Md., where Chris Pugh is planter!

In a video, First Baptist, Immokalee, Pastor Timothy Pigg thanked Maryland/Delaware Baptists for giving to the Cooperative Program.

"Because you have done that, your state convention has been able to help us out at First Baptist, Immokalee, in a great way. You provided for us supplies, manpower... the resources we need to begin to grow, repair and recover from the disaster of Hurricane Irma." Pigg shared that with our help, over 200 volunteers distributed supplies of water and food to people in 550 cars plus the over 150 who walked to the church. "There was one time that the car line was completely out of town," Pigg said. "It was incredible, and it could not have happened without your churches partnering with us to accomplish that."

After the initial distribution, the church and DR volunteers have systematically gone from door-to-door, asking how to serve them. They've covered damaged homes with tarps, cleaned up debris, and have done some mudout and various rebuilding projects already. They've also done a lot of spiritual work.

Rick Merritt of Lynnhaven Baptist Church shared Christ with Jose (last name unavailable), a Florida resident affected by Hurricane Irma. Jose had walked by the trailer where Merritt was working.

"You're the Christians who are working on the houses?" Jose asked him. "Yes, we are!" Merritt responded, asking Jose if he knew Jesus. "No, I am a sinner," Jose replied.

"We're all sinners," Merritt explained. After asking questions about not being clean, Jose prayed, accepting Jesus into his life. "He says he'll be at the church Sunday morning. Praise God!" Merritt said.

As of mid-October, the official Disaster Relief response is winding down across the state, and long-term rebuild is in focus. Maryland/Delaware congregations are invited to do mission trips to the "Sunshine State" to assist in rebuild projects, with churches such as Goodland Baptist Church and First Baptist Church of Immokalee, among others.

**Lastly, Hurricane Maria, Puerto Rico.** Deploying in Puerto Rico has been logistically challenging due to the amount of devastation caused by the storm. As of mid-October, there are more than

14,000 federal staff including more than 800 FEMA personnel, on the ground in Puerto Rico and the U.S. Virgin Islands. The Governor of Puerto Rico has established Regional Staging Areas around the island, serving all 78 municipalities. The National Guard is delivering supplies to the regional staging areas around the island.

So, where does this leave BCM/D DR when it comes to the Caribbean? BCM/D DR had volunteers, as part of a team from Region 1 (Virginia through the Northeast conventions), to assist in distributing resources and food. We are working, along with our Region 1 partners, to adopt a zone of the island for an extended period as a mission opportunity. This could allow congregations to go on mission trips to assist local church planters as they work throughout their community. Stay tuned for more information, as this is still in development.

Those who are interested in any of these efforts can go to the BCM/D's DR website, <https://md.disasterreliefonline.com>, where they can sign up under the upcoming deployment page. Those interested in giving financially to assist these efforts can donate online at [www.bcnd.org/give](http://www.bcnd.org/give). Consistent updates about disaster relief also are available.

## Convention Operations

Tom Stolle, CFO/COO

In 2017, the Convention Operations Team was comprised of the Finance Office, Baptist Mission Resource Center Operations, Evangelism (Engagement and Training), and Skycroft Conference Center and was responsible for the following efforts:

### Finance Office

**Bookkeeping Services**—Beyond the scope of finance day-to-day operations, this office has been providing bookkeeping services to the Mid-Maryland Baptist Association (MMBA) beginning January 1, 2017. This allows the association to allocate a greater portion of their resources toward ministry to their member churches and results in a cost savings. Feedback received from Rev. Gary Glanville, MMBA Director of Missions, has been extremely positive. In addition to providing this support, the Finance Office provides financial accounting services to the Baptist Foundation of MD/DE and the Rivers Corporate Park condominium association (an association that includes the BCM/D as a member). Our office is willing to partner with other local associations to provide these services, if requested.

**Cooperative Program (CP) Promotion**—It is imperative that we continue to educate our churches about the value and purpose of the Cooperative Program. In March, all affiliated churches received a Cooperative Program poster which explained how CP works, including the various ministries which are supported by these contributions. In addition, Cooperative Program materials were mailed in September to requesting churches.

**Education**—Education continues to be a focal point with a variety of seminars offered. Financial stewardship seminars continue to be made available to our churches, presenting biblical principles for giving and money management. Multiple churches have participated in ministers' tax training seminars. Seminars providing helpful information to church pastors, treasurers, and other church leaders concerning establishing and maintaining a system of

internal control, better safeguarding of church assets, preparing a church budget, and planned giving options are available. Meetings with individual churches on request are routinely available throughout the year to assist our churches with these important issues.

**Classroom Renovation**—Renovation on the classroom has begun. Furniture has been replaced, giving the room more of an informal feel. Technology has also been upgraded. The room will ultimately showcase our missions and ministries to those who visit.

**Security**—Deadbolt locks have been added and our cameras underwent maintenance.

**Patio**—We will continue to upgrade the patio connected to the kitchen. It will be an inviting space for both staff and visitors.

### **Skycroft Conference Center**

#### **Camps and Related Partnerships—**

2,070 young people attended seven weeks of camp (three weeks were teenage camp and four weeks were children's camp).

These decisions were recorded:

- Salvations: 36
- Rededications: 116
- Decisions to be baptized: 35
- Desire to be discipled: 153
- Ask for emotional healing: 105
- Ask for physical healing: 16

Skycroft utilized eleven summer interns for ten weeks, working as summer camp staff and leading VBS and outreach activities for twelve churches. To accommodate the summer staff, the newly acquired property at the Frostown Road entrance was renovated, allowing Skycroft to retain summer camp staff for the entire summer. This staff assisted churches within proximity of the campus with their VBS and outreach events. Skycroft has partnered with the Kentucky Baptist Convention (KBC) to provide the summer camp program, Bible study and promotional material for both this year and future years. KBC has not requested any reimbursement for the program and are willing to offer us future assistance. Skycroft has also partnered with Southeastern Seminary to receive speakers and worship teams for our camps this year and in the future. Skycroft will assist as Southeastern launches a ministry team department, introducing our region to potential worship leaders and pastors from our seminaries.

### **Evangelism (Engagement and Training)**

**Coaching and Ministry Tools**—Doug DuBois continues to assist individual churches on a “one-on-one basis” throughout our convention. In the spring, John Meador from First Baptist Church, Eules provided two days of evangelism training. This training was hosted by Skycroft Conference Center. We plan to offer that training again in the future, perhaps closer to Baltimore, allowing for a greater number of church planters and bi-vocational pastors to attend.

## Disaster Relief (DR)

**Hurricane Response**—Doug DuBois, in his role as state director of disaster relief, has organized responses to Hurricane Harvey in Texas, Hurricane Irma in Florida and Hurricane Maria in Puerto Rico. He oversaw deployments to the community surrounding First Baptist Church, Immokalee, Fla., where volunteers have worked in the feeding, shower, laundry and recovery units, placed tarps on residents' homes, cleaned debris and performed other recovery projects, and most of all, shared about Jesus. This work is ongoing. Generous donors throughout Maryland and Delaware have given to support these efforts in the areas affected by these destructive storms.

**Volunteer Leadership Structure**—Beginning in January, Disaster Relief began a reorganization of the volunteer leadership structure. A six-member regional leadership team will oversee trainings, budget expenditures, and recruitment in Disaster Relief. Training in FEMA/Disaster Relief Incident Command is required to supervise any emergency or crisis that might arise in our region. Doug DuBois will support the leaders that come from within our local churches as they spearhead the direction of disaster relief.

**Transition/Ownership of DR Units**—The transition of our state convention owning and maintaining DR units has begun. Hopefully, this assists in removing the financial burden residing with local associations. The state convention has purchased the feeding unit from the Eastern Association, partnered with Ocean City Baptist Church in purchasing a shower unit, and has added a new chainsaw/flood recovery unit.

**Database**—We have partnered with the Baptist Convention of Pennsylvania/South Jersey in acquiring a DR database which was operational by May 15. This will improve our understanding of our volunteer base and will provide a tool for communicating and deploying our volunteers.

**Training**—Standardized disaster relief training for leaders is being developed. Introductory classes will be placed in a video format making it more convenient for potential volunteers. The training is taking place via partnership between BCM/D and the SBC of Virginia. The video classes were implemented in August before hurricane season.

Training also includes “drills” or “exercises.” We deployed on March 21st to feed attendees of the Potomac Baptist Association Launch Night. BCM/D Disaster Relief partnered with New Harvest Baptist Church and Raceway Ministry to supply meals for race fans at the Dover NASCAR race in June. In August, Disaster Relief joined in with the State of Delaware to participate in a state-wide exercise simulating the aftermath of a category three hurricane landfall. On September 15-16, the BCM/D hosted Naomi Paget for chaplaincy CISM (Critical Incident Stress Management) training at South Columbia Baptist Church. Through this training, Disaster Relief workers earned CISM certification and will then assist in training and sharing the Gospel during disasters and crisis situations.

## **Baptist Foundation of Maryland/Delaware, Inc.**

Bill Peacock, President; Tom Stolle, Director

The Baptist Foundation of Maryland/Delaware works to advance the message of the Gospel through the prudent management of endowments that benefit Baptist work in Maryland/Delaware and around the world. We also provide loans to our affiliated churches and associations.

The Foundation currently manages assets of approximately \$11 million dollars (\$7.9 million in the Endowment Funds and \$3.1 million in the Church Loan Funds). Significant growth in the amount of managed assets has occurred from \$3.8 million in 1991.

For the fiscal year ended September 30, 2017, the Foundation distributed approximately \$389,712 to Southern Baptist and Baptist Convention of Maryland/Delaware mission causes from the Endowment Funds.

Through the Foundation's Church Loan programs, 17 churches affiliated with the Baptist Convention of Maryland/Delaware are being assisted with approximately \$2.3 million dollars in loans. The advantages of these church loans are favorable interest rates and low closing costs. In addition to the above referenced distribution, the Foundation makes a distribution annually to the Baptist Convention of Maryland/Delaware to be used to start churches and to strengthen existing churches. The distribution to be made for the fiscal year ended September 30, 2017 totals \$106,225.

The Baptist Foundation is now positioned to manage endowment funds for churches while saving them money on administration. Even churches with modest investment needs may take advantage of the same discounts offered to multimillion dollar investors simply by using the services of the Baptist Foundation. We encourage churches to partner with us to create Heritage Funds to ensure funding for their future ministry efforts.

The Baptist Foundation continues to educate our churches in estate planning. If your church is interested in learning more about the Foundation, a representative of the Foundation will be pleased to provide additional information. You may also learn more about the Foundation by visiting <https://bcmd.org/what-we-do/baptist-foundation>. From here, you can learn more about the Foundation's church loan, estate planning, and planned giving programs as well as view the most recently available audited financial statements.

The Lord has truly blessed the Kingdom work of our Foundation and Convention. We look forward to continuing to serve Maryland/Delaware Baptists in the same trustworthy manner as our predecessors.
