Constitution & Bylaws

Baptist Convention of Maryland/Delaware

Section 2: Table of Contents

Constitution.....	23
Bylaws	28

Constitution of the Baptist Convention of Maryland/Delaware, Inc.

Article I • Name

The body will be called the Baptist Convention of Maryland/ Delaware, Inc.

Article II • Mission Statement

Section 1—The Baptist Convention of Maryland/Delaware will intentionally assist in the starting and strengthening of congregations so that together we can fulfill Jesus' commands in Matthew 28:19-20 and Acts 1:8.

Section 2—This Convention is an autonomous body and is neither limited nor restrained by any authority or decision of any other Baptist body and will achieve its objectives through such means as this Convention alone determines.

Section 3—This Convention does not have any ecclesiastical authority to limit the autonomy of the local congregation.

Section 4—This Convention recognizes the Southern Baptist Convention as our primary instrument to further the cause of Christ on a worldwide basis. This Convention pledges its loyalty and support to the purposes served by the Southern Baptist Convention.

Article III • Membership

Section 1—The membership of this Convention will consist of messengers who are members of Baptist churches which are in friendly cooperation with this Convention and sympathetic with its purpose and work, and which have during the preceding 12 months (October 1 through September 30) been bona fide contributors to the work of this Convention.

Section 2—Each cooperating Baptist church will be entitled to two (2) messengers; each cooperating church exceeding fifty (50) members will then be given one additional messenger for each additional fifty (50) members or part thereof; or one additional messenger for each \$750 contributed to the work of this Convention through the Cooperative Program until the maximum of thirty (30) is reached.

Section 3—Messengers to this Convention will be certified by their churches. This Convention will be the final judge of election and qualifications of its members.

Section 4—The officers of this Convention, the employed staff of this Convention, and its agencies may be messengers provided they are elected by the church in which they hold membership.

Article IV • Meetings

Section 1—This Convention will meet at least once each year, hereafter known as the Annual Meeting, at such time and place as may be fixed by this Convention at the Annual Meeting held the preceding year. The duly appointed messengers of the cooperating churches will comprise the voting body of this Convention.

Section 2—In case of an emergency, the General Mission Board is empowered to change the time and place of meeting or call a special meeting by a vote of two-thirds of the members present and voting.

Section 3—Notice of any special meeting will be given at least thirty (30) days prior thereto by publication in BaptistLIFE and in such other ways as the General Mission Board may direct.

Article V • Officers

Section 1—The Officers of this Convention will be a President, First Vice President, Second Vice President, Corporate Secretary, Treasurer, Recording Secretary, and an Assistant Recording Secretary. All but the Corporate Secretary and Treasurer will be elected at each Annual Meeting by a majority of the duly elected messengers present and voting, and will hold office until their successors are elected and installed. Employees of the Baptist Convention of Maryland/Delaware are ineligible to serve as officers of this Convention with the exception of the Executive Director who will serve as Corporate Secretary and the Director of Finance who will serve as Treasurer.

Section 2—Nominations will be from the floor. Election will be by ballot except where there is a single nominee for an office. In the latter case, the President will instruct the Secretary to cast a unanimous ballot for the nominee.

Section 3—Officers will serve for one (1) year and hold office until their successors are elected and qualified; however, the President and Vice Presidents may not serve more than two (2) complete successive terms in office. Terms of office will commence at final adjournment of the Annual Meeting in session at the time of their election and terminate in the final adjournment of the succeeding regular session of the Annual Meeting. In case of death, disability of, or other cause making necessary the retirement of the President, the Vice Presidents will succeed in order. The General Mission Board will determine when an office is vacant due to the disability of an incumbent.

Section 4—The President will preside over the deliberations of the Annual Meeting and will perform other duties as may be customary to the position or as determined in the Bylaws, and will become an ex officio member of all Convention committees and boards. The President will continue as ex officio member of the General Mission Board for one full year immediately following tenure as President of this Convention unless elected to fill a vacancy in the regular membership of the Board.

Section 5—The Vice President may, in the absence of the President or when requested by the President, preside over the Annual Meeting and will perform other duties as may be provided in the Bylaws or as requested by the President.

Section 6—The Secretary will keep accurate minutes of all sessions of this Convention and will cause these to be published in suitable form in the Annual of this Convention together with other information as this Convention or the General Mission Board of this Convention deems necessary and proper.

Section 7—The President will be authorized to sign legal papers for the Baptist Convention of Maryland/Delaware, Inc. If unable to do so, the First Vice President or the Second Vice President will be so authorized.

Section 8—Should the President and Vice Presidents be unable to serve, the duties of the President will devolve upon the President of the General Mission Board until said Board will elect an interim President.

Article VI • General Mission Board

Section 1—This Convention will elect a General Mission Board to be known as the General Mission Board, none of whose members will be employees of said Board. Fifty-one percent will be a quorum for business.

The Rules of Order for the meetings of the General Mission Board will be those in the current edition of Robert's Rules of Order.

The General Mission Board will be composed of three members from the geographic area of each association. For each 5000 resident members or major fraction thereof, one additional Board member will be chosen, up to but not to exceed a total of ten Board members from any association. The President of this Convention, the President of the Woman's Missionary Union and the Maryland member of the Southern Baptist Convention Executive Committee will serve as at-large members of the Board. Board members selected by virtue of their Convention offices, will not be used in determining the number of members from an association or local church.

The term of the office of the members will be four years with, as nearly as possible, the terms of one-fourth of the members expiring each year. Any member serving for a full term or three years of an unexpired term will not be eligible for reelection until one year has expired.

Membership on the Board will cease when the member dies, moves membership from a church within the Convention, or the member's church ceases to be in cooperating fellowship with this Convention. In the event a member moves from a church in one association to another within this Convention, or the member's church changes from one association to another within this Convention, the member will be eligible to serve until a successor is elected at the next Annual Meeting. Membership on the Board will automatically be terminated when a member is absent for two consecutive meetings of the Board without notification submitted to the Board President or the Executive Director. The member will be notified of such termination.

Section 2—The members of the General Mission Board will be elected by this Convention, after receiving nominations from the committee selected by this Convention for this purpose, and after giving opportunity for nominations from the floor of this Convention.

Section 3—The work of this Convention, except as otherwise specified, will be committed to the General Mission Board described as follows: The General Mission Board of the Baptist Convention of Maryland/Delaware will act for this Convention ad interim promoting all the interests of the Kingdom, such as evangelism, missions, education, benevolence, social welfare, and public morals, and so on. The General Mission Board will not have authority to control the agencies and institutions of this Convention, but it will maintain general care and responsibility for the work of same. It is instructed to study annually their reports, to interpret and apply the rules of the constitution and the business and financial policy of this Convention as items may apply to any of the agencies of this

Convention, to make recommendations directly to agencies and also to make whatever recommendations to this Convention concerning them it may deem advisable.

Section 4—This Convention will annually elect members to fill all vacancies on the Board.

Article VII • Agencies

Section 1—The Convention may establish agencies for the purpose of performing collateral Christian services. An agency will be a separate corporation independent of the Baptist Convention of Maryland/Delaware in its day-to-day operations but will work in cooperation with the Convention in order to avoid costly duplication. The Convention and each agency will establish, through the General Mission Board, an agreement defining their working relationship. An agency of this Convention will act in accordance with our historic Baptist doctrine and practices.

Section 2—The trustees of these agencies will be elected by this Convention after receiving nominations from the Committee selected by this Convention for this purpose and after giving opportunity for nominations from the floor of this Convention. The number of trustees for each agency and their terms of office will be in accordance with the requirements of their respective charters and bylaws.

Section 3—All agencies sharing in the Cooperative Program receipts must include a summary of their financial report in the annual report to the Baptist Convention of Maryland/Delaware, and the General Mission Board will request a copy of the budget of all agencies sharing in the Cooperative Program receipts along with their requests for financial assistance.

Section 4—No agency of this Convention will create any liability or indebtedness (except such as can and will be repaid out of its anticipated receipts for current operations within a period of three years) without the consent of this Convention or the General Mission Board. In order to obtain such approval, the agency must file a statement showing the source of such anticipated receipts. Such consent must be likewise obtained for a purchase of properties or construction of same, subject to liens or encumbrances which cannot be repaid out of its anticipated receipts for current operations within a period of three years.

Section 5—Proposals for the establishment of new agencies must follow one of the following procedures: (1) Authority may be granted upon favorable vote by two successive Annual Meetings, or (2) Authority may be granted by vote of one Annual Meeting provided a favorable recommendation is made by the General Mission Board, after thorough study, and provided further that the proposal has been published in two issues of BaptistLIFE.

Section 6—The agency of this Convention is the Baptist Foundation of Maryland/Delaware, Inc.

Article VIII • Business and Financial Policy

Section 1—This Convention approves the Cooperative Program of Southern Baptists as its plan of world mission work and appeals to the churches to support it and to recognize the wisdom and right of this Convention to divide equitably the Cooperative Program receipts.

Section 2—Cooperative Program gifts will be distributed on a percentage basis approved by this Convention and designated gifts according to the wishes of the donors. The Administrative Committee of the General Mission Board will recommend at each

preconvention meeting of the General Mission Board the Cooperative Program goal and the distribution of receipts for the following year. Financial reports will be given at each meeting of the Board and an annual review conducted.

Section 3—The fiscal year of the General Mission Board and this Convention will be the calendar year.

Section 4—All funds entrusted to this Convention or to any of its boards or agencies will be strictly applied according to the expressed will and direction of the donors.

Section 5—This Convention will receive contributions, legacies and bequests for the several objects which it fosters. The Baptist Foundation of Maryland/Delaware, Inc., is the agency designated for the management of trust funds.

Article IX • The Denominational Paper

Section 1—The BaptistLIFE will be the official news journal of this Convention.

Section 2—The General Mission Board of this Convention will be responsible for the conduct of this phase of our work through the Director of the Communication Center.

Article X • Woman's Missionary Union

The Woman's Missionary Union of Maryland/Delaware is recognized as an auxiliary of this Convention whose accomplishments and potentialities in good works are appreciated as being of immeasurable value to the Christian cause.

Article XI • Miscellaneous

Section 1—Neither this Convention nor any agency owned or supported in whole or in part by this Convention, will accept or receive, directly or indirectly, any gift, grant, or aid from the Federal or State governments or any governmental agency except for definite and full services rendered by the agency with the approval of this Convention or its General Mission Board. In any debatable instance that may occur, the General Mission Board will interpret this statement subject to the approval of this Convention.

Section 2—Any special campaign for funds must be specifically approved by vote of this Convention or the General Mission Board.

Article XII • Amendment

All amendments to this constitution must be submitted in writing at an Annual Meeting. A vote will be taken when the amendment is presented and at the succeeding annual session. The proposed amendment may be modified in form but not in substance upon presentation for vote at the second session. The amendment will be adopted only after an affirmative vote of two-thirds of the messengers present and voting at two successive Annual Meetings. Non-substantive changes such as grammatical corrections and title or name changes may be made by the Administrative Committee of the General Mission Board and included in their report at the Annual Meeting of the Baptist Convention of Maryland/Delaware.

Bylaws of the Baptist Convention of Maryland/Delaware, Inc.

The work of this Convention will be governed by the following bylaws:

Article I • Duties of Officers

Section 1—The President will preside over the deliberations of the Annual Meeting and discharge such other duties as are imposed by this Convention or as are incumbent on the presiding officer of a deliberating body. At least two months prior to the Annual Meeting, the President, in consultation with the two Vice Presidents, will appoint a Committee on Credentials and Enrollment, a Committee on Committees, a Resolutions Committee, and other committees when so directed by the Body (see Article II, Section 1). In case of death or incapacity to serve, the Vice Presidents will succeed the President in order.

Article II • Committees and Their Duties

Administrative Guidelines for All Committees

All committees will reflect, as much as possible, a balance between vocational ministers and others. An ex-officio member will have voting privileges. No person will be elected to serve simultaneously on more than one standing committee.

No church will have more than two representatives simultaneously elected to serve on BCM/D committees, the General Mission Board, or as trustees of a BCM/D institution or agency.

Committees of this Convention may appoint persons other than members to special limited purpose subcommittees and advisory committees provided such persons will serve only in an advisory capacity and will not be permitted to vote at meetings of the authorizing committee.

Membership on committees will cease when the member dies, moves membership from a church within the Convention, or the member's church ceases to be in cooperating fellowship with this Convention. In the event a member moves from a church in one association to another within this Convention, or the member's church changes from one association to another within this Convention, the member will be eligible to serve until a successor is elected at the next Annual Meeting. Membership on the Board will automatically be terminated when a member is absent for two consecutive meetings of the Board without notification submitted to the Board President or the Executive Director. The member will be notified of such termination.

In the event of a vacancy between Annual Meetings, the President shall appoint members to fill that vacancy as an interim until approval at the next Annual Meeting. This would apply to all BCM/D committees.

Section 1—In advance of the Annual Meeting, the President will appoint the following committees:

1. Committee on Credentials and Enrollment—The committee will consist of five members whose duties it will be to register messengers and visitors. This committee will review and rule upon any questions which may arise in registration concerning the credentials of messengers. Any such ruling may be appealed to this Convention during business session. This Committee will make a report to the assembled messengers upon the call of the President, and will pass on the credentials of all messengers.

The Committee on Credentials and Enrollment will function under the following guidelines:

- Each person elected by a church, cooperating with the Baptist Convention of Maryland/Delaware, as a messenger to the Annual Meeting will be registered as a messenger to this Convention upon presentation of proper credentials. Credentials will be presented by each messenger, in person, at the Convention registration desk and will be in the following form:
- A completed and signed BCM/D registration card certifying the messenger's election in accordance with Article III Membership of the Constitution of the Baptist Convention of Maryland/Delaware, Inc.; but if the messenger does not have the messenger registration card,
- A letter from the messenger's church, signed by the clerk or moderator of the church certifying messenger's election in accordance with Article III Membership of the Constitution of the Baptist Convention of Maryland/Delaware, Inc.; or

2. Committee on Committees—This committee will consist of one member from each association whose duty it will be to nominate for election by this Convention the members and chairpersons of the committees listed in Sections 2 and 3 of this article, with the exception of the Committee on Committees, and other committees as may be assigned to it. Members of this committee will be appointed to a three-year term, one-third of its number retiring each year. A member of this committee cannot be nominated as a member of the General Mission Board, a trustee of the agencies of this Convention, or a member of any Convention committee.

3. Resolutions Committee—This committee will consist of five members. It will be responsible for initiating, reviewing, researching, preparing and recommending all resolutions for adoption. Only resolutions presented to the Resolutions Committee at least 45 days in advance of the Annual Meeting will be considered by the committee before the

first session. Other resolutions may be referred to the committee by the general body during the session as described in Article VI, Section 2. Resolutions should seek to build up and unify the body rather than divide it; therefore, only resolutions that have the full consensus of the committee will be presented at the Annual Meeting.

An announcement will be published in BaptistLIFE no later than 75 days before the Annual Meeting requesting resolutions for the committee's consideration and possible presentation at the Annual Meeting. Proposed resolutions will be submitted in writing and addressed to either committee members or to: Resolutions Committee, BCM/D, 10255 Old Columbia Road, Columbia, Maryland 21046-1716. BaptistLIFE will be requested to print the titles and nature of the resolutions to be presented by the committee at the Annual Meeting no later than 15 days before the Annual Meeting. These resolutions will be printed in their entirety and will be distributed for consideration at the Annual Meeting.

Section 2—This Convention will elect the following committees to report to the next Annual Meeting:

1. Committee on Order of Business—This committee will consist of one member from each association. The members of this committee will be elected to a three-year term, one-third of their number retiring each year. The President of the Maryland/Delaware Ministers' Conference and the music director for the Annual Meeting will serve as ex officio members of this committee. The committee will be responsible for recommending to this Convention the place, time, preacher, and music director of the Annual Meeting one year hence and, if feasible, the time and place two years hence. The committee will present to the opening session of the Annual Meeting for adoption, a recommended agenda for the Annual Meeting.

A member of this committee cannot be nominated as a member of the General Mission Board, a trustee of the agencies of this Convention, or a member of any Convention committee.

3. The Christian Life and Public Affairs Committee—This committee will act for this Convention in the field of Christian ethics, public affairs, interfaith cooperation, and Christian social concerns. Specifically, but not exclusively, these areas will include family life, human relations, race relations, moral issues, economic life, daily work, citizenship, church-state relations, cooperative relationships with other religious groups, and those areas where the gospel and the churches affect or are affected by community and public life. The Christian Life and Public Affairs Committee may act on matters referred to it by this Convention, by the General Mission Board, or by any agency of this Convention

The Christian Life and Public Affairs Committee will be responsible for initiating consideration and study, and for recommending action of the Baptist Convention of Maryland/Delaware and/or General Mission Board on any matter or issue falling within the scope and purpose as set forth in the preceding paragraph.

The committee will be elected and directly responsible to the Baptist Convention of Maryland/Delaware. It will report annually to this Convention.

The committee is authorized to make pronouncements on matters within its scope and purpose in as far as they are consistent with actions previously taken by the Baptist Convention of Maryland/Delaware, the General Mission Board, or the Southern Baptist Convention. However, under no circumstances will the committee assume the exercise of authority for this Convention, its agencies or the churches.

The Christian Life and Public Affairs Committee will be composed of one member from each association. At least half the members will be lay people. All members will be elected by the Convention in the Annual Meeting. Members will be elected to a three-year term, one-third of their number retiring each year. No member can be elected to serve more than two full terms of office until at least one year will have elapsed after the second full term. A member may be elected to complete an unexpired term caused by vacancy and thereafter be elected to two full terms per above. In addition, the Executive Director will annually designate a Convention staff member as a consultant to this committee. Staff member succession will be at the discretion of the Executive Director.

The committee will elect a recording secretary and such other officers each year as it will deem necessary. The committee will meet quarterly and/or at such other times as will be designated by the chairperson.

The financial needs of the Christian Life and Public Affairs Committee will be through the budget of the Baptist Convention of Maryland/Delaware.

4. History Committee—This committee will consist of one member from each association. Members will be elected to a three-year term, one-third retiring each year. This committee will recommend to this Convention or General Mission Board appropriate measures which should be taken to preserve Baptist history. It will seek to preserve the minutes and records of all Baptist bodies, churches, associations, and conventions, printed materials, including correspondence, and museum objects. It will recommend what historic sites, including buildings, should be properly marked and preserved.

Article VI • Procedure for the Annual Meeting

Section 1—Rules

1. The rules of order for the sessions of the Annual Meeting will be those in the current edition of Robert's Rules of Order, but in cases where the meaning may not be clear, the President's discretion will be exercised. The President may appoint a Parliamentarian who will advise and assist the President with respect to all matters involving parliamentary procedure.
2. No person addressing the Annual Meeting may speak more than twice on the same subject without unanimous consent.
3. The President is charged at all times with the maintenance of decorum and order.
4. In the last two sessions of the Annual Meeting, any new business may only be considered by permission of majority vote of the messengers present.

Section 2—Resolutions

All resolutions considered at the Annual Meeting will come from the Resolutions Committee and have their full consensus or, as a redress, one presented to but rejected by the committee may be ordered to the floor under a “question of privilege” without having the full consensus of the committee. All resolutions available to the Resolutions Committee 45 days before the Annual Meeting will be automatically considered by the committee and, if accepted, will be printed and distributed at the first session of the Annual Meeting. If, in the opinion of the President, a messenger has a “copy-ready master” of a resolution with justifiable reason for not meeting the 45-day rule, it may be referred to the Resolutions Committee by the assembly at the first session. The action should follow the form: (Petitioner) “Mr. President, I request the consideration of a resolution concerning (subject).”; whereupon the President immediately puts the question without debate, “(Messenger) requests the privilege of having a late resolution considered, all who favor instructing the Resolutions Committee to review this resolution for consideration ... (vote).”

All resolutions passed at the Annual Meeting are the opinion of the overwhelming majority of the messengers present at that Annual Meeting but are not binding on the Baptist Convention of Maryland/Delaware, local associations, local congregations or individual Baptists. In order for a resolution to express the clear opinion of the messengers at the Annual Meeting, successful adoption will require an affirmative vote of two-thirds of the messengers present and voting.

Section 3—Election of Officers

1. The Officers of this Convention will be nominated from the floor, and the election will be by secret ballot when two or more persons are nominated for the same office.
 - The one receiving the majority of all votes will be declared elected.
 - The chairperson of the Credentials Committee hands the results of the vote to the presiding officer who announces first whether the vote is a majority vote or not. If a majority, the candidate is declared elected. If not a majority, the chairperson declares a run-off of the two receiving the highest number of votes.
 - The vote is not effective until announced.
2. The President will be elected before the Vice Presidents are nominated and the First Vice President is to be elected before receiving nominations for the Second Vice President.

Article VII • Amendments to Bylaws

The Bylaws may be altered by a majority vote of the messengers present on the first or second day of the Annual Meeting of this Convention. Non-substantive changes such as grammatical corrections and title or name changes may be made by the Administrative Committee of the General Mission Board and included in their report at the Annual Meeting of the Baptist Convention of Maryland/Delaware.

No questions were asked by the Messengers. Adoption of the 2019 budget as presented was unanimous.

Hill offered a second motion which was to amend the Constitution, Article 6 and Article 7 on page 35. He explained the proposed changes in the language of the Constitution.

The following changes in the Constitution are proposed:

Article VI: General Mission Board – Section 1, paragraph 3, third sentence:

“The President of the Brotherhood” should be removed since it ceased existence through a restructuring that combined the Brotherhood Commission, the Radio and Television Commission and the Home Mission Board in the founding of NAMB in 1998.

Add “/Delaware” after Maryland: “...and the Maryland/ Delaware member of the Southern Baptist Convention Executive Committee...”

The General Mission Board will be composed of three members from the geographic area of each association. For each 5000 resident members or major fraction thereof, one additional Board member will be chosen, up to but not to exceed a total of ten Board members from any association. The

President of this Convention, ~~the President of the Brotherhood~~, the President of the Woman's Missionary Union and the Maryland/Delaware member of the Southern Baptist Convention Executive Committee will serve as at-large members of the Board. Board members selected by virtue of their Convention offices, will not be used in determining the number of members from an association or local church.

Article VII: Agencies – Section 6:

Remove the reference to “The Baptist Family and Children’s Services of Maryland” because it ceased as an agency of the BCM/D in 2013.

~~The agencies~~ agency of this Convention ~~are~~ is ~~the Baptist Family and Children’s Services of Maryland, Inc., and~~ the Baptist Foundation of Maryland/Delaware, Inc.

Dr. Trammell asked for questions on the motion to adopt the changes to the Constitution. No questions were asked so the motion to adopt the changes to the two articles was approved. Because this was the second reading of the proposed changes, the Constitution will be revised to reflect the changes.

General Mission Board Report: Dr. Kevin Smith, Executive Director

He was thankful for the additional staff at the BCM/D, which included a full complement of church planting catalysts: Rolando Castro, Dan Hyun and James Choi. Reggie Davis is the new Creative Director.

Randy Millwood is helping churches revitalize through The Awakening Cohort, seeking to help churches that perhaps have plateaued. Tom Rainer’s Revitalization Network provides coaching and resources from NAMB. A Sermon-Based Approach from the Texas Convention will be used.

BCM/D will establish a three-year international partnership with Kenya Baptist Convention in 3 areas: 1) Pastor and Leadership Training; 2) Orphan Care; and 3) Infrastructure Care and Maintenance, Preaching the Gospel in schools without resistance. 21. The Executive Director's Message:

Dr. Smith's evening message was taken from *Matthew 22:35-38*, entitled, One plus one equals two. *"Love the Lord your God with all your heart, with all your soul, and all your mind. This is the greatest and most important command. The second is like it: Love your neighbor as yourself. All the Law and the Prophets depend on these two commands."*

Dr. Smith said, "Love God vertically and love men horizontally. One plus one equals two." He added, sometimes the groups are divided about loving God or loving our neighbors, as if they are not connected. He warned pastors to avoid false dichotomies.

Loving God means understanding God, who He is and what He came to do. Loving neighbors means loving people regardless of the issues that perhaps might separate. These are not suggestions, but commandments.

We need to challenge each other to do ministry according to the Scripture. Cultural distinctions should not weigh into the decision or responsibility of loving God and loving neighbors.

Regarding Racial Reconciliation/Social Justice, believers should frame the discussion from the basis of Scripture. He asked how do we love God in a pluralistic world without identifying who He is, and what He came to do as Savior.

If Christians are sometimes asking, "Do Christians and Muslims worship the same God?" Then perhaps we have not been clear about who God is. Loving God means we are exclusive in our embrace of Him as God and not other so-called deities. The uniqueness of Jesus Christ in His Person-hood.

Sometimes in SBC, the Great Commission thrust is marginalized by the failure in the Great Commandment thrust. The "imago Dei" perception of others under-cuts our application of loving our neighbors.

What God has joined together, let no false dichotomy tear apart. May the churches of this convention be Great Commission churches because we are Great Commandment churches.

22. Closing Remarks: Dr. Mike Trammell expressed his love for the Executive Director, Associate Director, Staff, etc. He thanked Ken Moss for his service as the Parliamentarian. He asked for prayer for John Manry, pastor of North Harford Baptist Church, who was hospitalized and for Dr. Harold Phillips as the new President of the BCM/D.

23. Benediction

Report of Executive Director Dr. Kevin Smith

What a joy to end the year as an excited and hopeful Maryland/Delaware Baptist! I am grateful for the privilege of gospel ministry as Christ-followers in our 500+ congregations obey the Great Commandment & the Great Commission. During 2018, we have anchored our church planting methodology in biblical ecclesiology and strengthened our relationship with the North American Mission Board. Additionally, we are laying the groundwork to be more effective in the way we consult with churches, as we head into 2019. During our annual meeting at Oak Grove Baptist Church, I reviewed our core values that I pray will shape our mission together going forward, as we seek to strengthen and plant churches.

Core Values: Cooperation, Affirmation, & Multiplication

Cooperation - the belief that our capacity increases when Maryland/Delaware Baptists cooperate with each other, and with our national Southern Baptist partners. The church planting task of pushing back spiritual darkness is a great work demanding the unified efforts of Christ's followers, in order that we might be useful vessels for the Holy Spirit (who is not the author of confusion). The church strengthening task of pursuing church health and fruitfulness is, likewise, a great work that requires our congregations to be united and prayerful as we ask God to use us to see people converted and growing in godliness to the glory of Jesus Christ.

Affirmation - the belief that local church affirmation of missionaries and church planters is biblical, and an effective means of stewardship accountability to our Cooperative Program, Maryland/Delaware Missions Offering, and Annie Armstrong Offering supporting churches. "Churches plant churches" is not mere rhetoric to us, we really mean it! Not only do churches participate by giving a percentage of their receipts to the Cooperative Program, they participate by nurturing those in their congregation that will be future missionaries and church planters.

Multiplication - the belief that a healthy church produces disciples that make disciples, and that some of those disciples will be led to be missionaries and church planters, and that those remaining in the sending-congregation should support those that go.

As 2018 ends, it is important that we focus on why we do what we do - because Jesus Christ, the Son of God, came into the world to save sinners! We need to have strategy and core values. We need the resources that our cooperative approach to ministry as Maryland/Delaware Baptists provides. But, most of all, we need a commitment to obeying the Great Commandment & the Great Commission as we engage Maryland, Delaware, and the nations for Christ's glory.

2017-2018 Summarized Activities/ Highlights of the General Mission Board

The General Mission Board counts it a true honor to serve the churches within our Convention. Seeing this as a stewardship from God, we have sought to make decisions prayerfully and carefully. We wanted to summarize a few of the highlights and activities in the last year, as well as give you a basic budget overview.

Regarding our staff, key additions and changes included the following: Reginald Davis was hired to serve as the Creative Director, leading our communications efforts. Reginald possesses expertise including identity development, branding, strategy, and design. Mark Dooley was hired to lead the Church Services Team as the State Director of Evangelism. Mark brings many years of ministry/pastoral experience, including serving as Senior Pastor at Leonardtown Baptist Church for more than a decade. Mark has also served as President of the BCM/D General Mission Board. Mark fills the role that previously Doug DuBois had filled. Doug served faithfully as State Director of Evangelism and currently works for PBI Restorations. Mike Trammell and John Gauger also were retained to visit and serve pastors throughout the Convention. Their many years of service as pastors will be a great benefit to pastors and church members across the BCM/D. Dan Hyun was added to our team as a Church Planting Catalyst with the North American Mission Board, assisting BCM/D church planting efforts. Dan brings extensive ministry experience, including most recently serving as Senior Pastor at The Village Church in Baltimore, Md. Tom Stolle was named Associated Executive Director. BCM/D staff will be accountable to the Executive Director through the Associate Executive Director. Stolle, a licensed State of Maryland CPA, retains his financial and operational responsibilities as Chief Financial Officer and Chief Operating Officer. At Skycroft Conference Center, Jim McBride, Jr., was added as the Facilities Manager, replacing Dennis Flaherty.

Finally, after many years of faithful service with the BCM/D communications team, Shannon Baker answered God's call to serve the Baptist Convention of Pennsylvania/South Jersey in the area of communications.

The General Mission Board recommends the 2019 proposed budget for approval by the messengers. This budget includes our commitment to send 48% of Cooperative Program receipts on to the national entities of the SBC for national and international ministries and missions. The proposed budget forecasts \$3.6 million in Cooperative Program receipts in 2019. Funding through our State Missions Offering would go to some key initiatives including ministries to individuals and families affected by disabilities, disaster relief, Skycroft evangelism, college campuses, and church planting. The Skycroft Conference Center budget reflects serving an estimated 25,000 guests for at least one night as well as ministering to approximately 2,400 students attending the various camps to be provided in 2019. Annually, through the ministry of Skycroft, we see students come to saving faith in Jesus Christ.

I pray that our efforts please God as we seek to do His will. Currently, more than 500 churches are part of the collective work of the BCM/D, and we hunger for God to be glorified as we share the good news of the Gospel with our communities, our nation, and our world.

In His Service,
Dr. Curtis Hill, President, General Mission Board

INDEPENDENT ACCOUNTANT'S REVIEW REPORT

To the General Mission Board of the
Baptist Convention of Maryland/Delaware, Inc.

We have reviewed the accompanying financial statements of the Baptist Convention of Maryland/Delaware, Inc. (a Nonprofit Organization), which comprise the statement of assets, liabilities and net assets – cash receipts and disbursement basis as of December 31, 2018, and the related statements of budgeted activities – cash receipts and disbursement basis and changes in net assets – cash receipts and disbursement basis for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the cash receipts and disbursement basis of accounting; this includes determining that the cash receipts and disbursement basis of accounting is an acceptable basis for the preparation of financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with the cash receipts and disbursement basis of accounting. We believe that the results of our procedures provide a reasonable basis for our conclusion.

Accountant's Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with the cash receipts and disbursements basis of accounting.

Basis of Accounting

We draw attention to the notes to the financial statements, which describes the basis of accounting. The financial statements are prepared in accordance with the cash receipts and disbursement basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our conclusion is not modified with respect to this matter.

Notes to Financial Statements
December 31, 2018

Note 1 – Summary of Significant Accounting Policies

Date of Management Review: Management has evaluated subsequent events through February 22, 2019, the date on which the financial statements were available to be issued. The Organization did not have any material recognizable subsequent events during this period.

Organizational Purpose: As stated by the mission statement of the Baptist Convention of Maryland/Delaware, Inc. (the "Organization"), it will intentionally assist the starting and strengthening of congregations so that together they can fulfill Jesus' commands in Matthew 28:19-20 and Acts 1:8. The Organization derives the majority of their income from individuals and churches in Maryland and Delaware.

Basis of Accounting: These statements are presented on the cash receipts and disbursements basis. The cash receipts and disbursements basis require that revenues and the related assets be recognized when received rather than when earned, and certain expenses be recognized when paid rather than when the obligation is incurred. However, these financial statements have been modified to reflect certain items budgeted for 2018 even through the actual funds related to those items have not been received or expended as of December 31, 2018. The statement of budgeted activities – cash receipts and disbursement basis reports only those transactions that were budgeted for in 2018. Other non-budgeted 2018 activity is reported in the statement of changes in net assets – cash receipts and disbursement basis.

Funds received by the Organization to be used for purposes unrelated to the operating activities of the Organization are recorded as a cash exchange liability until such funds have been disbursed.

Financial Statement Presentation: The Organization has adopted the Financial Accounting Standards Board (FASB) Accounting Standards Updated (ASU) 2016-14, "Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities." Under ASU 2016-14, the Organization is required to report information regarding its financial position and activities according to the following two classes of net assets:

Without Donor Restrictions

Net assets which are free of donor-imposed restrictions. Included net assets are donor advised funds, for which donors may make recommendations to the Board of Trustees with respect to the distribution of the income and/or principal for an agreed upon period of time. The Board of Trustees has complete discretion on whether to accept or reject the donor's recommendation.

With Donor Restrictions

The Organization reports gifts of cash and other assets as restricted support if they are received with donor or grantor stipulations that limit the use of the donated assets. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other specified events. When time or purpose restrictions expire, or are achieved, the net assets are reclassified to net assets without donor restrictions. Other restrictions are perpetual in nature, where resources are to be maintained in perpetuity.

Cash and Cash Equivalents: Cash equivalents generally includes all highly liquid debt instruments that mature in 90 days or less.

Property Owned: Property and equipment that have been capitalized are stated at cost. Assets purchased in excess of \$5,000, which have a useful life in excess of one year, are capitalized. Major additions and betterments are charged to the asset accounts only to the extent the costs have been reflected in the operating budget. Management periodically reviews the utilization of assets and removes those assets that no longer have a useful life. Depreciation is not recorded since the operating budget makes no provision for non-cash expenses; accordingly, an impairment loss from the valuation of long-lived assets under FASB Accounting Standards Codification (ASC) 820 would not be recorded.

Note 1 – Summary of Significant Accounting Policies (continued)

Inventory: Inventories are stated at the lower of cost or market using the first-in, first-out (FIFO) method. Inventory consists of various supplies on hand needed for the operations of the Organization.

Cooperative Giving: The Organization adopted FASB ASC 958-605, "Not-for-Profit Entities – Revenue Recognition." In accordance with FASB ASC 958-605, contributions received are recorded without donor restrictions or with donor restrictions support depending on the existence and/or nature of any donor restrictions. Promises to give are not recorded as cooperative giving until the funds are received.

Investments and Investment Income: The Organization elected to adopt FASB ASC 958-320, "Not-for-Profit Entities – Investments – Debt & Equity Securities." Under FASB ASC 958-320, investments in marketable securities with readily determinable fair values and all investments in debt securities are valued at their fair values in the statement of financial position.

Investments, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. It is reasonably possible that changes in the values of investments could occur in the near term and that such changes could materially affect the amounts reported in the statement of financial position.

Income Taxes: The Organization is exempt from Federal taxes under Section 501(c)(3) of the Internal Revenue Code. The Organization is required to file a return to report unrelated business income generated at the Skycroft Convention Center. At December 31, 2018 the provision for unrelated business income tax was \$0. The Organization's Federal tax returns generally stay open to examination for three years from the filing date.

Estimates: The preparation of financial statements in conformity with the modified cash receipts and disbursements method used by the Organization, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reported period. Actual results could differ from those estimates.

Newly Issued Accounting Standards Not Yet Effective: In August 2018, the FASB issued ASU 2018-13, "Fair Value Measurement (Topic 820): Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement." The standards core principle is to improve the effectiveness of disclosures in the notes to the financial statements. The Organization is currently in the process of evaluating the impact of this ASU on the financial statements.

Note 2 – Cash and Cash Equivalents

The Organization maintains its cash accounts at various financial institutions and its balances may at times exceed the Federal Deposit Insurance Corporation (FDIC) insured limits. The Organization has not experienced any losses in such accounts and monitors the creditworthiness of the financial institutions with which it conducts business. Management believes that the Organization is not exposed to any significant credit risk with respect to its cash balances.

Note 3 – Baptist Foundation of Maryland/Delaware, Inc.

This account represents funds transferred to the Baptist Foundation of Maryland/Delaware, Inc., which is the agency designated for the management of trust funds. Income earned from these funds is returned to the Organization or its designated agencies.

Note 3 – Baptist Foundation of Maryland/Delaware, Inc. (continued)

Marketable securities invested with the Baptist Foundation of Maryland/Delaware, Inc. are stated at fair value and are summarized as follows:

	Cost	Fair Value	Unrealized (Depreciation) Appreciation as of December 30, 2018
Fixed Income Funds	\$ 1,126,403	\$ 1,084,640	\$ (41,763)
Equity Funds	935,273	1,401,143	465,870
Total	<u>\$ 2,061,676</u>	<u>\$ 2,485,783</u>	<u>\$ 424,107</u>

Note 4 – Investments and Fair Value Measurements

The Organization accounts for the fair value of its investments under the Fair Value Measurement and Disclosure topic of the FASB ASC, which provides the framework for measuring fair value. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurement). The three levels of the fair value hierarchy under this guidance are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.

Level 2

Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2018. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements.

The Organization's financial instruments, none of which are held for trading purposes, include cash, marketable securities, and notes receivable. The Organization estimates that fair value of all financial instruments at December 31, 2018 does not differ materially from the aggregate carrying values of its financial instruments recorded in these statements. The estimated fair value amounts have been determined by the Organization using available market and appropriate valuation methodologies. Considerable judgment is necessarily required in interpreting market data to develop the estimates of fair value, and accordingly, the estimates are not necessarily indicative of the amounts that the Organization could realize in a current market exchange.

Employees become eligible within six months of their starting date, with contributions equaling 11% of current year compensation. The plan is designated to provide employees with an accumulation of funds for retirement on a tax-deferred basis and provides for annual discretionary contributions. The expense was \$102,914 for the year ending December 31, 2018.

Note 7 – Donated Property Received

In 2000, the Organization received a gift of property which was recorded at management's estimate of fair market value at the time of the gift. The Organization records an increase in the value of the property annually based on the amount of capitalized carrying costs. Additionally, management periodically estimates the fair market value of the property and adjusts the recorded value to the current estimated fair market value plus the capitalized carrying costs since the original date of the gift. The property was last evaluated and adjusted by management in 2018. The property held for investment purposes and is not used in operations. The capitalized carrying costs of the property added to the estimated fair market value totaled \$78,233 as of December 31, 2018.

During 2018, the Organization sold a portion of land from the donated property received. As a result of the sale, the value of the donated property received was adjusted to its fair value.

Note 8 – Related Party Transactions

The Organization provides the services of their employees to the Baptist Foundation of Maryland/Delaware, Inc. Distributions received from the Baptist Foundation of Maryland/Delaware, Inc. were \$166,000 for the year ended December 31, 2018, which are included in receipts on the statement of budgeted activities – cash receipts and disbursement basis. Total management fees received from the Baptist Foundation of Maryland/Delaware, Inc. were \$28,969 for the year ended December 31, 2018, which are included in cash exchange on the statement of assets, liabilities and net assets – cash receipts and disbursement basis.

Note 9 – Skycroft Conference Center

Owned and operated by the Organization, Skycroft is located on over 341 acres in Frederick County, Maryland. The center opened in 1977 to offer the opportunity to slip away into a quiet spot to reflect, to be re-created, to be refreshed in the beauty of "God's great outdoors."

On January 14, 2013, the Messengers of the Organization approved the sale of a perpetual conservation easement on the Skycroft property to the Civil War Preservation Trust and the State of Maryland. The Civil War Preservation Trust and the State of Maryland paid \$1,100,000 to the Organization. The easement allows for usage, building, and updating in a 25-acre developmental envelope. Two stipulations in the easement are that the property can never be sub-divided, and second, the property can be sold to an organization for a similar purpose as it is currently being used or for the purpose of one single-family dwelling.

The Messengers of the Organization approved \$1,100,000 of the funds received to be used for improvements to the Skycroft facility, of which all the approved funds have been utilized for this purpose.

On December 30, 2016, the Organization purchased approximately 41 additional acres of land to add to Skycroft for a purchase price of \$325,000. The Organization obtained a note payable in the principal amount of \$276,250, secured by the land, to partially fund the purchase. The note payable requires monthly payments of principal and interest in the amount of \$2,036. The note payable bears interest at a rate of 3.89% per year and matures in December 2031. Interest incurred and paid on the note payable was \$10,099 for the year ended December 31, 2018.

Executive Director Report

As the Executive Director for WMU, I have the honor of encouraging churches to view missions as a lifestyle and not as a program. Gail Noda and the WMU Executive Board continue to assist me in any way they can to keep missions alive and well in our churches.

Camp Wo-Me-To located in Jarrettsville, MD, is owned and operated by Woman’s Missionary Union, Auxiliary to the Mid-Atlantic Baptist Network. Our camp staff is headed by Spirit-filled, missions-minded leaders. Frank Ulmer, Ben Block, Eric & Debbie Jones are very capable in their commitment to serve. Here are some recent improvements/ purchases that have been done at Camp Wo-Me-To: Completed major renovations in White Pine Lodge, 2nd floor- Re-built the Dorothy Jackson porch on the end of the White Pine Lodge including all new windows and exterior doors; updated all electrical and added ceiling fans in the second floor; modified the stairwell and built new stairs and railings; insulated both levels; added windows on the first floor; added baseboard heaters, to make it more usable in the winter; sheet rocked the walls and ceilings. Installed a new propane generator and poured a concrete pad for the dining hall generators.

- The theme for the 2018 Women on Mission Spring Retreat was *“Ignite.”* The keynote speaker was Pam Smith, who at that time was the WMU Executive Director for Pennsylvania/South Jersey. Pam reminded us that we live in the resolution part of the story, when responsibility for the missional activity of God has been entrusted to us and the resource of His Holy Spirit has been born in us to accomplish it. Our missionary speakers for the retreat were Ellen Udovich, Church Service Consultant for BCM/D and Octavia Davis, a trained Disaster Relief chaplain. They shared with us how they assisted in ministering to the community in the aftermath of Hurricane Irma in Immokalee, Florida. Our convention supplied shower, laundry and kitchen trailers to support the effort by ministering and loving the community that were affected by the hurricane. Ellen and Octavia encouraged the women to please continue to pray for this community. There were 79 ladies in attendance. The mission offering (\$840.00), was donated to Mark and Karen Dwyer. This money was used to help pay for their

travel to Nepal to assist in missionary work being done there. The overall scope of their trip was focused on Unreached, Unengaged People groups. They participated in disciple training and sharing the gospel door-to-door.

- Health Kits 2018-Ministries were once again blessed by the generosity of our Maryland/Delaware churches! We received over 1,354 health kits. The kits were distributed to the International Student Ministry in Ocean City and for various ministries in the Western region.
- The 2018 theme for Girls Camp was *Life on the Edge*. The theme verse was Philippians 4:13, "I can do everything through Christ Who gives me strength." Camp started with staff orientation in the Chapel. Each morning the campers rotated through Bible Study, Mission Study and time with the camp Missionary. In the afternoons, the campers rotated through swimming, recreation/snack shack and crafts. We added canoeing and paddle boating this year and the girls loved it! Before dinner each day, we had Camper's Choice. This is where the campers chose one performance or activity to work on the whole week to present at closing chapel for the parents on Friday. Each choice was created and led by counselors. Each night they were taught about different people in the Bible who lived on the edge. Our offering emphasis was for Operation Christmas Child. The campers gave sacrificially out of their snack/gift shop money they brought for camp. We collected \$124.00. The girls were also given an Operation Christmas box to take home and fill and then turn in to a collection site. We had 82 campers, plus staff.
- A different approach was tried for the 2018 Mother/Daughter Overnight *Life on the Edge* camp this year. Instead of holding it the Friday/Saturday before camp, it was the last full day and morning of Girl's Camp. It worked out well in that the mother/daughters were able to experience camp with the older girls there, but still have their mom with them in all aspects. The initial consensus is that the experience was more exciting and fun for the girls, as well as it gave their moms another level of understanding of what it is like to come to Girl's camp. Along with the Mother/Daughter Overnight change, we incorporated the older campers in the Camper's Choice Leadership Group, led by our assistant director, with on-the-job training to be counselors to the Mother/Daughter overnight camp. We received positive feedback from the older campers, as well as from the mothers and daughters. We now have several campers who are looking forward to becoming counselors in training next year! We had nine mothers and daughters.
- The 2018 Boys Camp theme was, "*Make a Move*" based on the song by Royal Tailor with the same name. The daily Bible studies were based on these lessons as well and delivered during the following mornings. The boys and staff performed two hours of mission projects all over the camp. It is a great opportunity for the boys to go beyond reading about missions and do it themselves. The work accomplished was noticeable and appreciated by the Camp Wo-Me To staff. The staff appreciates the great value of this activity and assisted hand-in-hand in helping our boys live an on-missions lifestyle. Each cabin, before lights out, read and discussed a nightly devotional.
- The 2018 Annie Armstrong Easter Offering for North American Missions (*On Mission Here & Now*) and the Lottie Moon Offering for International Missions (*Every church. Every nation.*) materials were mailed to each BCM/D church. Additional materials were mailed upon request.
- Breathless 2018 was held at Colonial Baptist Church. This one-day event for women had 114 attendees. Shelley Johns who served as the women and senior adult consultant and event planner for Kentucky Baptist Convention for 21 years, was our speaker. Shelley shared biblical insights and her experiences of how the Lord has left her breathless throughout her career and her new mission field with HUD. The ladies attended break-out conferences on: the plight of Refugees and how the faith community should respond to those that the Lord is bringing to our neighborhoods; a time of prayer and anointing of hands to be used by God in different ways and ministries; Operation Christmas Child

and how a simple shoebox has led to 11 million children hearing the gospel; how to create a successful women's mentoring ministry; why everyone should consider being a part of global missions; how to study the Bible with our hearts and minds; and how to stay connected to the vine according to John 15. In addition to attending various breakout conferences, the women purchased items from WorldCrafts which helps sustain women with employment in various countries and attempts to keep women out of prostitution and human trafficking. The women also purchased the WMU National emphasis book, "Unshakable Pursuit-Chasing the God who Chases Us" by Grace Thornton. As always, we were blessed to have Janet Allen and Lindsay Holland, who led in awesome worship with praise songs and hymns. The offering (\$551.63) was donated to the State Missions Offering for BCMD's ongoing work.

Church Planting

Michael Crawford, Church Planting Team Consultant, State Director of Missions

Brothers and Sisters, as always it's a privilege to report to you regarding church planting in the BCM/D. As I say in every report I am grateful for your leadership, prayers and sacrifices you make to make sure the BCM/D has everything it needs to accomplish its mission. There are three things I want to share with you at this point in time.

First, our brother Dan Hyun has formally joined the church multiplication team effective September 1st 2018! What is so awesome about this is we now have three CPC's! That's the first time we have had all three slots filled for our convention since I have been the State Director of Missions (SDOM). Dan is one of my best friends and he is an extremely competent planter, pastor and catalyst. Our convention is going to be blessed with his presence. Remember to pray for him as he on boards and continue to pray for Rolando Castro and James Choi as they labor in the field.

Second, we try to focus on three things every year. Coaching, cohorts and community. Every one of our planters is coached. We are excited that this is our reality and more so that it's bearing fruit. Every month our planters have a coach who spends an hour or so with them checking in on them and helping them to navigate through the challenges of planting a church. One of the things our coaches give us twice a year is a coaching review of each planter they coach. What we end up with is a picture of the health of our church planters. Each planter is assessed and assigned a color which represents how they are doing. Green means they are healthy and thriving. Yellow means there are some concerns that need to be addressed. Orange means there are severe developmental issues that must be addressed or the church will eventually need to be shut down. Red means the church needs to be shut down. Right now we have 48 planters. There are 14 greens, 25 yellows, 5 oranges, and 4 reds. We are working hard to make sure our planters have everything they need to succeed. In the cases where they need to be shut down, we ensure that we are as supportive as we can be so that the transition can be as smooth as possible.

Our cohorts are covering ecclesiology. In February, we spent eight hours investigating various theological perspectives on the church. Our planters researched and interacted with all 115 references to the church in the New Testament during this cohort. In September, we covered a lot of practical issues regarding church planting. We want our planters equipped!

One of the things I wanted to happen was for planters to have a sense of community with one another. We have achieved that. It's not perfect, but I can't tell you how many planters feel networked, supported and befriended by one another. They are constantly stepping in and helping each other. This is amazing and something to praise God for!

Third, brothers and sisters, it is my humble opinion that planting is in the best place it's been since I started working here four years ago. We still have our challenges, but we are able to meet them by the grace of God.

The future is bright. This year alone, I have been contacted by almost a dozen convention churches to help them plan and think through what it will be like to plant a church. That's exciting!

Church Services

Mark Dooley, State Director of Evangelism

Revitalization is a process that starts with a conviction. Usually that conviction finds first root in the heart of the pastor and then moves out virally to infect others in the congregation. The Baptist Convention of Maryland/Delaware (BCMD) offers two distinct revitalization approaches as we attempt to serve our churches – a cohort process and an individual approach.

We continued offering a church revitalization strategy, *AWAKEN* – a ten-month covenant journey, with a variety of other BCM/D pastors and churches. This year's participating churches brings total participation to 10 percent of existing BCM/D churches. Reports from participants included progress on matters as diverse as rewriting *Constitution and By-Laws*; establishing new school partnerships; hosting community-based ministries for reaching others; and the use of fresh demographic and life segmentation data to understand and serve the community. Plans are already being made for a 2019 *AWAKEN* cohort. We are currently hoping to host that group on the Eastern Shore. This would occur in partnership with both Eastern and Delaware Baptist Associations.

New for 2019! One of our national partners, the North American Mission Board (NAMB), will be partnering with Thom Rainer's Revitalize Network to focus on helping churches outside the South (like BCM/D cooperating churches) gain health and vitality through an intentional and focused revitalization process. **Because of our Cooperative Program (CP) giving and this strategic partnership, SBC churches in non-South states like ours can join the Network at a significantly reduced rate.** Resources provided by the Network include: assessment and surveys, video teaching on revitalization topics from experienced practitioners, personal coaching from trained revitalization leaders, and access to exclusive online content. Look for upcoming information as NAMB and your state convention work together to create new value for the local church.

In 2018 we launched a partnership with a missional church in Georgia designed to bring excellent leadership development learning opportunities to the region. These one-day, continued learning experiences are called *Healthy Leaders for Healthy Churches*. Recently, we completed this year's tour, including two one-day seminars over three days. Ken Blanchard's *Situational Leadership* was taught, in conjunction with the Eastern Baptist Association, at Grace Baptist Church in Seaford, DE. And *S.E.R.V.E.* by *Leading Others* – the leadership paradigm of the Chick-Fil-A corporation was taught in partnership with the Potomac Baptist Association, at Emmanuel Baptist Church of Huntingtown, MD, and in partnership with the Mid-Maryland Baptist Association at the Baptist Mission Resource Center in Columbia, MD.

Over 50 pastors and leaders from 35 different congregations participated. In the two years of this partnership, we have now helped over 100 BCM/D pastors, staff and key leaders from nearly 75 unique congregations to begin to grow in leadership once more. Plans are already at work to repeat the tour next year focusing on the unique skill set necessary to lead powerful teams!

Our Church Services partnership with *LifeWay Christian Resources* continues to flourish and deepen. In 2018, we partnered to provide two very significant events for our pastors and staff. In late September, over 50 ministry couples gathered at the First Baptist Church of Laurel, MD, for a celebration of marriage, a delicious meal, a transparent give-and-take about the celebrations and challenges inherent in a pastors marriage, and some gracious gift boxes. The following week-end, we co-hosted a targeted training event for pastors known as *Pastors Essentials*. This 2+ day learning boot camp was built around the theme of making disciples of Jesus through our local churches. Participants heard from two LifeWay presenters, some of our local consultants, and enjoyed the opportunity to learn from one another.

Our BCM/D Church Services team continued to provide services to churches without a pastor. Consulting, coaching and conferencing has been a part of those efforts in approximately 20 local churches including Ashton Baptist Church; Emmanuel Baptist Church, Huntingtown; First Baptist Church, Cambridge; Mt. Airy Baptist Church; Northwest Baptist Church, Reisterstown; and Trinity Baptist Church, Waldorf. Helping churches find interim pastors and then their *next pastor*; helping them to navigate the interim time with an ear to the Father; helping them to grieve the loss of a former pastor and celebrate the next horizon; helping pastors and pastoral staff find their next place of service – all of this and much more reflect the BCM/D staff’s desire to serve our churches and pastors.

Church Services also includes consulting and coaching services to assist local churches with an incredible variety of questions. This year those questions have included topics such as: disciple-making pathways, groups ministry, church health-driven strategy development, leadership pipeline, seminary and ministry preparation decisions, personal soul care, staff/pastor relationships, geo-demographic and lifestyle study interpretations, and building planning.

June, July and August mean summer outreach for our churches, and lots of activities for kids and families. This was a great year for VBS (Vacation Bible School), starting in June and concluding the middle of August. Many churches participated in additional outreach projects -Sports Camps, Music Camps, Drama Camps, and Back Yard Kids Clubs. As churches prepared for Mission Trips, they used a new resource “Go and Tell” designed for reaching persons with the Story of Jesus. CWE (Church Weekday Education) Directors continue to gather together in fellowship discussing their church schools, considering state regulations and guidelines. In June, we partnered with LifeWay to provide a Sunday School Seminar. One hundred fifty persons enjoyed the general sessions and age level workshops.

As in the past, we continue to consult with churches about Safety and Security in their church and especially in the Kids areas. Materials are available online (bcmd.org) and a sample leaflet is available for your use (until you develop your own).

We’re committed to helping Maryland/Delaware Baptists fulfill the Great Commission and the Great Commandment across town as well as around the world. One of the best ways to “love your neighbor as yourself” is to actually get to know your neighbors!

This summer, some of the ways we have equipped and assisted BCM/D churches in loving their neighbors included:

- Ports of Call Ministry Retreat for Older Adults (May 21-23, Skycroft). Participants from 17 churches engaged in ministry skills training and hands-on mission projects in the Frederick area. Dr. Mike Trammel served as camp pastor and Bible teacher.
- English as a Second Language Basic Workshop (August 18 and 25, FBC Laurel, MD) Participants from four congregations were equipped to serve as ESL teachers in their local church’s ESL ministry. This 14-hour workshop will be offered again in January 2019.
- BCM/D web portal for ministry opportunities (<https://bcmd.org/get-involved/volunteer/>) Churches were (and still are) able to find mission/ministry opportunities as well as post their own requests for mission teams and volunteers. We’re gathering stories about this new tool, so if your church found a summer project using the website, we want to hear your story! If you have a ministry need, please post it so others can partner with you.
- Bibles for block parties, sports camps, back-to-school events, and other evangelistic ministry efforts.

Now that summer is over and the school year has begun, has the Holy Spirit been whispering to you about beginning a ministry to your neighborhood school? A ministry partnership with a local school gives churches an opportunity to show God’s love to students, families, and school staff in a very real way. Some excellent

resources to help you get started are posted at <https://bcm�.org/what-we-do/partnerships/church-school-partnerships/>.

BCM/D Disaster Relief Update

Disaster relief has been extremely active in 2018 with significant flooding throughout the area, including six flash floods between mid-May and Labor Day, affecting many areas including Ellicott City, parts of Baltimore County, and the west side of Baltimore City, as well as Washington and Frederick counties, and Harford County. Trained volunteers throughout Maryland/Delaware rallied to offer support, providing hands-on recovery work, and sharing the Gospel as God provided opportunities. Churches provided staging areas and support for both local and units from neighboring partner states.

In addition, teams have been deployed to Connecticut in response to hurricane victims, and most recently, they served flood victims in North Carolina.

God has provided for needs throughout the year with new volunteers, veteran workers, and the support of BCM/D churches giving the State Missions Offering and the Cooperative Program.

Training and Drills:

- May 5 & 6—Drill for mass care feeding and showers held in conjunction with NASCAR races in Dover, DE. Ministry partner: New Harvest Baptist Church
- May 5 & 12—Chainsaw skills and exercises. Ministry partner: Skycroft
- June 25 & 26—Drill for mass care feeding held in conjunction with local church VBS. Ministry partner: Tri-County Baptist Church
- August 4—Training in Introduction to Southern Baptist Disaster Relief, Chainsaw/Flood Recovery, and Administration. Ministry partner: Potomac Baptist Association

Volunteers Responding to Disaster Events:

May—Unit leaders and chainsaw volunteers deployed to Connecticut in response to a devastating tornado. Ministry partner: New England Baptist Disaster Relief

Memorial Day weekend—Labor Day weekend/early September—chaplains, damage assessors, unit leaders, flood recovery, feeding, logistical and administrative volunteers deployed to various locations in Central Maryland in response to 5 flooding events in Baltimore City and Frederick, Washington, Howard and Baltimore Counties.

Ministry partners during the flood response: Blue Ridge Baptist Association, Faith Baptist Church (Knoxville), Metanoia Church (Ellicott City), Bethel Baptist (Ellicott City), Catonsville Baptist Church (Catonsville). Freedom Church Windsor Mill (Baltimore), Olney Baptist Church (Olney) and New Harvest Baptist Church (Dover) also provided mission volunteers/logistical support. Virginia Baptist Disaster Relief, Southern Baptist Conservatives of Virginia Disaster Relief and Pennsylvania/South Jersey Baptist Disaster Relief sent volunteers to assist our teams.

Many BCM/D churches and individuals supported this ministry response by undergirding volunteers and affected communities with prayer and by generously giving funds to provide us what we needed to do recovery work for over 80 households this summer. Thank you!

Repair/Rebuilding opportunities—Skilled and unskilled volunteers are needed over the next several months to assist with repair and rebuilding of homes damaged in the floods. Please contact us if your church is interested in serving in this way.

Church Services Collegiate Ministry Report

We partnered with Southern Baptists on the following 11 campuses: Cecil College, Coppin State University, Frostburg State University, Johns Hopkins University, Stevenson University, Towson University, University of Delaware, University of Maryland Baltimore County, University of Maryland College Park, and United States Naval Academy, and Wesley College.

The partnerships entailed a variety of expressions of support such as evangelism project funding, ministry coaching, personal encouragement, accountability, conferences, training seminars, book resources, and mentoring.

While numbers do not tell the whole story, they do help give an idea of what has occurred. The following figures provided a sense of what God has done this least year.

There were 501 collegians involved in these ministries with an additional 3,497 students impacted during the year. Three hundred seventeen students were involved in small group Bible study or discipleship. A total of \$91,150 was raised through these ministries for student missions. Twenty-one students served in summer or semester missions roles. Ninety-eight collegians served on a short term mission trip. There were 114 students involved in leadership training and 18 of them were preparing for a church-related vocation. Twenty-one collegians came to saving faith in Jesus. One hundred fifty-six students participated in evangelism. Thirty-one churches were assisted by these college ministries and 117 meaningful church leader contacts occurred.

There are currently three campuses that God seems to be stirring a future work: Delaware State University, Morgan State University, and the College of Southern Maryland.

- Pray for strengthening of the spiritual lives, marriages, and ministries of our collegiate ministry partners.
- Pray for dynamic students to accept the roles of leader in these ministries.
- Pray for God's blessing of churches to have margin to pursue new collegiate work on area campuses.

Convention Finance/Operations

Tom Stolle, Associate Executive Director

The Finance/Convention Operations Team is comprised of the Finance Office, Baptist Mission Resource Center Operations, and Skycroft Conference Center.

Finance Office

Bookkeeping Services - Beyond the scope of finance day-to-day operations, this office has been providing bookkeeping services to the Mid-Maryland Baptist Association. This allows the association to allocate a greater portion of their resources toward ministry to their member churches and results in a cost savings. In addition to providing this support, the finance office provides financial accounting services to the Baptist Foundation of MD/DE and the Rivers Corporate Park condominium association (an association that includes the BCM/D as a member). Our office is willing to partner with other local associations to provide these services if requested.

Cooperative Program (CP) Promotion—It is imperative that we continue to educate our churches about the value and purpose of the Cooperative Program. In March and September, requesting churches received Cooperative Program promotion material. Our emphasis is continuing education about the value of Cooperative Program and how we can do more together than we can apart.

Education—Education continues to be a focal point with a variety of seminars offered. Financial stewardship seminars continue to be made available to our churches, presenting biblical principles for giving and money management. Multiple churches have participated in ministers' tax training seminars. Seminars providing helpful information to church pastors, treasurers, and other church leaders concerning establishing and maintaining a system of internal control, better safeguarding of church assets, preparing a church budget, and planned giving options are available. These training opportunities have proven to be valuable to our churches. Meetings with individual churches on request are routinely available throughout the year to assist our churches with these important issues.

The team continues to search for ways to make the operation of our facility in Columbia more efficient, while being good stewards of the facility God has blessed us with.

Classroom Renovation – Renovation on the classroom will continue in 2019, serving to highlight our ministries to our churches. The goal is for the walls of the classroom to tell a story, emphasizing visually how we serve together with churches throughout Maryland and Delaware to share the Gospel.

Parking Lot – The parking lot was resealed and restriped.

Skycroft Conference Center

Camps and Spiritual Decisions – 2,176 young people attended seven weeks of camp (three weeks were teenage camp and four weeks were children's camp).

These decisions were made:

- Salvations: 39
- Rededications: 54
- Decisions to be baptized: 10
- Other spiritual "milestone" decisions: 39
- Ask for emotional healing: 42
- Ask for physical healing: 16

Skycroft utilized fourteen summer interns for ten weeks, working as summer camp staff and leading VBS and outreach activities for thirteen churches. This staff assisted churches within Frederick, Washington and Allegany counties of the with varying ministries including Vacation Bible Schools, children's camps, outreach events, and church building renovations. Skycroft partnered with the Kentucky Baptist Convention (KBC) for a second year to provide the summer camp program, Bible study and promotional material and will continue this partnership into future years. KBC has not requested any reimbursement for the program and are willing to offer us future assistance. Skycroft partnered again with Southeastern Seminary (SEBTS) to receive speakers and worship teams for our camps this year and in the future.

Skycroft will assist as Southeastern launches a ministry team department, introducing our region to potential worship leaders and pastors from our seminaries.

Baptist Foundation of Maryland/Delaware, Inc.

Carl Tilghman, President; Tom Stolle, Director

Church Loans

Fourteen churches have outstanding loans from the church loan fund. Income for the fiscal year ending September 30, 2019, will be distributed to the Baptist Convention of Maryland/Delaware to start and strengthen churches. Management currently anticipates that distribution to total between \$90,000 - \$105,000.

Three churches have outstanding loans from the Arthur Nanney church loan fund, which was established in 2006. This fund is used for small, emergency loans to churches.

Investment Balances and Market Performance

As of March 31, 2019, the market value of the investment portfolio was \$8,577,994. The most recent calendar quarter portfolio performance reflected a return of 9.4 percent. The one year performance reflected a return of 4.7 percent, and the three year return totaled 8.2 percent.

The Baptist Foundation of MD/DE is positioned to manage endowment funds for churches and associations while saving them money on administration. Even churches or associations with modest investment needs may take advantage of the same discounts offered to multimillion-dollar investors simply by using the services of the Baptist Foundation. We encourage churches and associations to partner with us to create Heritage Funds to secure future ministry efforts.

Education

The Baptist Foundation of MD/DE continues to provide education to our churches. Multiple presentations have been prepared that are shared with churches highlighting both a Christian's responsibility to be a faithful steward as well as various options available to financially give to the Lord's work both in life and after death. We have partnered with the law firm of Davis, Agnor, Rapaport, and Skalny in a continued effort to provide high quality education and information to our churches.

If your church is interested in learning more about the Foundation, a representative of the Foundation will be happy to provide additional information. You may also learn more about the Foundation by visiting www.bcmd.org/baptist-foundation . From here you can learn more about the Foundation's church loan, estate planning, and planned giving programs as well as view the most recently available audited financial statements.
