### *Constitution & Bylaws*

### *Baptist Convention of Maryland/Delaware*

## ***Section 2: Table of Contents***

Constitution .....	23
Bylaws.....	28

## ***Constitution of the Baptist Convention of Maryland/Delaware, Inc.***

### ***Article I • Name***

The body will be called the Baptist Convention of Maryland/ Delaware, Inc.

### ***Article II • Mission Statement***

**Section 1**—The Baptist Convention of Maryland/Delaware will intentionally assist in the starting and strengthening of congregations so that together we can fulfill Jesus' commands in Matthew 28:19-20 and Acts 1:8.

**Section 2**—This Convention is an autonomous body and is neither limited nor restrained by any authority or decision of any other Baptist body and will achieve its objectives through such means as this Convention alone determines.

**Section 3**—This Convention does not have any ecclesiastical authority to limit the autonomy of the local congregation.

**Section 4**—This Convention recognizes the Southern Baptist Convention as our primary instrument to further the cause of Christ on a worldwide basis. This Convention pledges its loyalty and support to the purposes served by the Southern Baptist Convention.

### ***Article III • Membership***

**Section 1**—The membership of this Convention will consist of messengers who are members of Baptist churches which are in friendly cooperation with this Convention and sympathetic with its purpose and work, and which have during the preceding 12 months (October 1 through September 30) been bona fide contributors to the work of this Convention.

**Section 2**—Each cooperating Baptist church will be entitled to two (2) messengers; each cooperating church exceeding fifty (50) members will then be given one additional messenger for each additional fifty (50) members or part thereof; or one additional messenger for each \$750 contributed to the work of this Convention through the Cooperative Program until the maximum of thirty (30) is reached.

**Section 3**—Messengers to this Convention will be certified by their churches. This Convention will be the final judge of election and qualifications of its members.

**Section 4**—The officers of this Convention, the employed staff of this Convention, and its agencies may be messengers provided they are elected by the church in which they hold membership.

**Article IV • Meetings**

**Section 1**—This Convention will meet at least once each year, hereafter known as the Annual Meeting, at such time and place as may be fixed by this Convention at the Annual Meeting held the preceding year. The duly appointed messengers of the cooperating churches will comprise the voting body of this Convention.

**Section 2**—In case of an emergency, the General Mission Board is empowered to change the time and place of meeting or call a special meeting by a vote of two-thirds of the members present and voting.

**Section 3**—Notice of any special meeting will be given at least thirty (30) days prior thereto by publication in BaptistLIFE and in such other ways as the General Mission Board may direct.

**Article V • Officers**

**Section 1**—The Officers of this Convention will be a President, First Vice President, Second Vice President, Corporate Secretary, Treasurer, Recording Secretary, and an Assistant Recording Secretary. All but the Corporate Secretary and Treasurer will be elected at each Annual Meeting by a majority of the duly elected messengers present and voting, and will hold office until their successors are elected and installed. Employees of the Baptist Convention of Maryland/Delaware are ineligible to serve as officers of this Convention with the exception of the Executive Director who will serve as Corporate Secretary and the Director of Finance who will serve as Treasurer.

**Section 2**—Nominations will be from the floor. Election will be by ballot except where there is a single nominee for an office. In the latter case, the President will instruct the Secretary to cast a unanimous ballot for the nominee.

**Section 3**—Officers will serve for one (1) year and hold office until their successors are elected and qualified; however, the President and Vice Presidents may not serve more than two (2) complete successive terms in office. Terms of office will commence at final adjournment of the Annual Meeting in session at the time of their election and terminate in the final adjournment of the succeeding regular session of the Annual Meeting. In case of death, disability of, or other cause making necessary the retirement of the President, the Vice Presidents will succeed in order. The General Mission Board will determine when an office is vacant due to the disability of an incumbent.

**Section 4**—The President will preside over the deliberations of the Annual Meeting and will perform other duties as may be customary to the position or as determined in the Bylaws, and will become an ex officio member of all Convention committees and boards. The President will continue as ex officio member of the General Mission Board for one full year immediately following tenure as President of this Convention unless elected to fill a vacancy in the regular membership of the Board.

**Section 5**—The Vice President may, in the absence of the President or when requested by the President, preside over the Annual Meeting and will perform other duties as may be provided in the Bylaws or as requested by the President.

**Section 6**—The Secretary will keep accurate minutes of all sessions of this Convention and will cause these to be published in suitable form in the Annual of this Convention together with other information as this Convention or the General Mission Board of this Convention deems necessary and proper.

**Section 7**—The President will be authorized to sign legal papers for the Baptist Convention of Maryland/Delaware, Inc. If unable to do so, the First Vice President or the Second Vice President will be so authorized.

**Section 8**—Should the President and Vice Presidents be unable to serve, the duties of the President will devolve upon the President of the General Mission Board until said Board will elect an interim President.

**Article VI • General Mission Board**

**Section 1**—This Convention will elect a General Mission Board to be known as the General Mission Board, none of whose members will be employees of said Board. Fifty-one percent will be a quorum for business.

The Rules of Order for the meetings of the General Mission Board will be those in the current edition of Robert's Rules of Order.

The General Mission Board will be composed of three members from the geographic area of each association. For each 5000 resident members or major fraction thereof, one additional Board member will be chosen, up to but not to exceed a total of ten Board members from any association. The President of this Convention, the President of the Woman's Missionary Union and the Maryland member of the Southern Baptist Convention Executive Committee will serve as at-large members of the Board. Board members selected by virtue of their Convention offices, will not be used in determining the number of members from an association or local church.

The term of the office of the members will be four years with, as nearly as possible, the terms of one-fourth of the members expiring each year. Any member serving for a full term or three years of an unexpired term will not be eligible for reelection until one year has expired.

Membership on the Board will cease when the member dies, moves membership from a church within the Convention, or the member's church ceases to be in cooperating fellowship with this Convention. In the event a member moves from a church in one association to another within this Convention, or the member's church changes from one association to another within this Convention, the member will be eligible to serve until a successor is elected at the next Annual Meeting. Membership on the Board will automatically be terminated when a member is absent for two consecutive meetings of the Board without notification submitted to the Board President or the Executive Director. The member will be notified of such termination.

**Section 2**—The members of the General Mission Board will be elected by this Convention, after receiving nominations from the committee selected by this Convention for this purpose, and after giving opportunity for nominations from the floor of this Convention.

**Section 3**—The work of this Convention, except as otherwise specified, will be committed to the General Mission Board described as follows: The General Mission Board of the Baptist Convention of Maryland/Delaware will act for this Convention ad interim promoting all the interests of the Kingdom, such as evangelism, missions, education, benevolence, social welfare, and public morals, and so on. The General Mission Board will not have authority to control the agencies and institutions of this Convention, but it will maintain general care and responsibility for the work of same. It is instructed to study annually their reports, to interpret and apply the rules of the constitution and the business and financial policy of this Convention as items may apply to any of the agencies of this

Convention, to make recommendations directly to agencies and also to make whatever recommendations to this Convention concerning them it may deem advisable.

**Section 4**—This Convention will annually elect members to fill all vacancies on the Board.

### **Article VII • Agencies**

**Section 1**—The Convention may establish agencies for the purpose of performing collateral Christian services. An agency will be a separate corporation independent of the Baptist Convention of Maryland/Delaware in its day-to-day operations but will work in cooperation with the Convention in order to avoid costly duplication. The Convention and each agency will establish, through the General Mission Board, an agreement defining their working relationship. An agency of this Convention will act in accordance with our historic Baptist doctrine and practices.

**Section 2**—The trustees of these agencies will be elected by this Convention after receiving nominations from the Committee selected by this Convention for this purpose and after giving opportunity for nominations from the floor of this Convention. The number of trustees for each agency and their terms of office will be in accordance with the requirements of their respective charters and bylaws.

**Section 3**—All agencies sharing in the Cooperative Program receipts must include a summary of their financial report in the annual report to the Baptist Convention of Maryland/Delaware, and the General Mission Board will request a copy of the budget of all agencies sharing in the Cooperative Program receipts along with their requests for financial assistance.

**Section 4**—No agency of this Convention will create any liability or indebtedness (except such as can and will be repaid out of its anticipated receipts for current operations within a period of three years) without the consent of this Convention or the General Mission Board. In order to obtain such approval, the agency must file a statement showing the source of such anticipated receipts. Such consent must be likewise obtained for a purchase of properties or construction of same, subject to liens or encumbrances which cannot be repaid out of its anticipated receipts for current operations within a period of three years.

No church will have more than two representatives simultaneously elected to serve on BCM/D committees, the General Mission Board, or as trustees of a BCM/D institution or agency.

Committees of this Convention may appoint persons other than members to special limited purpose subcommittees and advisory committees provided such persons will serve only in an advisory capacity and will not be permitted to vote at meetings of the authorizing committee.

Membership on committees will cease when the member dies, moves membership from a church within the Convention, or the member's church ceases to be in cooperating fellowship with this Convention. In the event a member moves from a church in one association to another within this Convention, or the member's church changes from one association to another within this Convention, the member will be eligible to serve until a successor is elected at the next Annual Meeting. Membership on the Board will automatically be terminated when a member is absent for two consecutive meetings of the Board without notification submitted to the Board President or the Executive Director. The member will be notified of such termination.

In the event of a vacancy between Annual Meetings, the President shall appoint members to fill that vacancy as an interim until approval at the next Annual Meeting. This would apply to all BCM/D committees.

**Section 1**—In advance of the Annual Meeting, the President will appoint the following committees:

**1. Committee on Credentials and Enrollment**—The committee will consist of five members whose duties it will be to register messengers and visitors. This committee will review and rule upon any questions which may arise in registration concerning the credentials of messengers. Any such ruling may be appealed to this Convention during business session. This Committee will make a report to the assembled messengers upon the call of the President, and will pass on the credentials of all messengers.

The Committee on Credentials and Enrollment will function under the following guidelines:

- Each person elected by a church, cooperating with the Baptist Convention of Maryland/Delaware, as a messenger to the Annual Meeting will be registered as a messenger to this Convention upon presentation of proper credentials. Credentials will be presented by each messenger, in person, at the Convention registration desk and will be in the following form:
- A completed and signed BCM/D registration card certifying the messenger's election in accordance with Article III Membership of the Constitution of the Baptist Convention of Maryland/Delaware, Inc.; but if the messenger does not have the messenger registration card,

**2. Committee on Committees**—This committee will consist of one member from each association whose duty it will be to nominate for election by this Convention the members and chairpersons of the committees listed in Sections 2 and 3 of this article, with the exception of the Committee on Committees, and other committees as may be assigned to it. A member of this committee cannot be nominated as a member of the General Mission Board, a trustee of the agencies of this Convention, or a member of any Convention committee.

**3. Resolutions Committee**—This committee will consist of five members. It will be responsible for initiating, reviewing, researching, preparing and recommending all resolutions for adoption. Only resolutions presented to the Resolutions Committee at least 45 days in advance of the Annual Meeting will be considered by the committee before the

first session. Other resolutions may be referred to the committee by the general body during the session as described in Article VI, Section 2. Resolutions should seek to build up and unify the body rather than divide it; therefore, only resolutions that have the full consensus of the committee will be presented at the Annual Meeting.

An announcement will be published in BaptistLIFE no later than 75 days before the Annual Meeting requesting resolutions for the committee's consideration and possible presentation at the Annual Meeting. Proposed resolutions will be submitted in writing and addressed to either committee members or to: Resolutions Committee, BCM/D, 10255 Old Columbia Road, Columbia, Maryland 21046-1716. The Christian Life and Public Affairs Committee will be responsible for initiating consideration and study, and for recommending action of the Baptist Convention of Maryland/Delaware and/or General Mission Board on any matter or issue falling within the scope and purpose as set forth in the preceding paragraph.

The committee will be elected and directly responsible to the Baptist Convention of Maryland/Delaware. It will report annually to this Convention.

The committee is authorized to make pronouncements on matters within its scope and purpose in as far as they are consistent with actions previously taken by the Baptist Convention of Maryland/Delaware, the General Mission Board, or the Southern Baptist Convention. ### ***Section 2—Resolutions***

All resolutions passed at the Annual Meeting are the opinion of the overwhelming majority of the messengers present at that Annual Meeting but are not binding on the Baptist Convention of Maryland/Delaware, local associations, local congregations or individual Baptists. If a majority, the candidate is declared elected. If not a majority, the chairperson declares a run-off of the two receiving the highest number of votes.
  - The vote is not effective until announced.
2. The President will be elected before the Vice Presidents are nominated and the First Vice President is to be elected before receiving nominations for the Second Vice President.

### ***Article VII • Amendments to Bylaws***

The Bylaws may be altered by a majority vote of the messengers present on the first or second day of the Annual Meeting of this Convention. Depression and discouragement affect everyone. It affects pastors and it affected Bible characters such as David, Job, Moses, Elijah, Jonah, and Apostle

Paul. Other men have fallen to depression as well, Martin Luther, Judson, Carey, and Spurgeon.

- The adversary is all about robbing God of his glory. You need to know that discouragement and depression is his number one tool against us. 2 Corinthians 1:1-8.
- Revelation 1:12 We serve a risen Lord. The church is His Bride. Congregants should look forward to the gathering of believers. Pastors shouldn't worry from week to week about who will show up on Sunday. He reminded the pastors to "Love the church you have, not the church you wish you had", a quote from Jared Wilson.
- When we get a right view of the holiness of God, we change. Battling depression starts when we get a realized presence of the risen Lord.
- We battle discouragement and depression by looking at Christ. He's already won.

## ***Report of Executive Director Dr. Kevin Smith***

This has been a historic year. Due to the COVID-19 pandemic, the annual meeting at the Southern Baptist Convention was canceled this past June, and our November meeting is canceled. Without the ability to meet, our convention officers and members of the General Mission Board will serve an additional year.

Despite all, last fall, this winter, spring and summer, have been rich times of ministry for Maryland/Delaware Baptists. Our affiliated and cooperating congregations have baptized new believers, called pastors, and engaged in local outreach and missions opportunities in light of the pandemic. Many quickly adjusted to new technologies and ministry methods. Many congregations discovered gifts that members could use for the benefit of the congregation's mission.

Sadly, many of our congregations had to adjust to unusual patterns of grief and funerals in the early part of the pandemic. Again, I celebrate the creativity and intentionality of our pastors, ministry leaders, and congregations.

Your BCM/D the staff was engaged with congregations at all levels, in both states, throughout the pandemic. Our staff immediately adjusted to serving our churches in whatever ways were healthy, safe, and preferable to particular congregations and their leaders. Our communications team was able to help churches strengthen their ability to engage in live streaming and videotaping. Our finance team was able to help churches develop the ability to give electronically and use other financial/stewardship technologies.

Our staff has been able to preach, teach, and train in various congregational settings during the pandemic. Some of our congregations used virtual technologies, while some of our congregations have been able to have outdoor services and outdoor gatherings if their church had sufficient land. Our staff has consulted with Maryland Delaware Baptists at the churches, in parking lots, in open settings like parks, and anywhere that was agreeable to meet.

Although COVID protocols in the state of Maryland kept our Skycroft camp closed during this past summer, we have been using the downtime to address a lengthy list of capital maintenance items at the camp. Our staff has been diligently engaged in tasks that they would not be able to complete if they were functioning in their normal roles, with campers onsite. In that way, the downtime has been a benefit to the infrastructure of our Skycroft camp.

Finally, we thank the Lord for consistency in our Cooperative Program missions giving. These mission funds allow us to do and support ministry locally, in our region, across the U.S., and around the world. For example, our IMB missionaries have had many "love your neighbor" opportunities around the world during this

global pandemic. This is possible because of the missions giving of MD/DE Baptists and other Baptists in our denominational family.

There's no denying the challenges since our 2019 annual meeting in Ocean City. However, there's also no denying the grace of God in, through, and to MD/DE Baptists during this season.

## ***2019-2020 Summarized Activities/ Highlights of the General Mission Board***

As General Mission Board (GMB) members, we are both humbled and honored to serve the churches in our convention. Some of the highlights and activities of the last year are below.

Concerning staff, key additions and changes included the following.

Alex Bouffard was hired as communications manager. Alex possesses marketing and social media expertise, as he was the co-owner of a social media strategies company for several years before accepting a position with BCM/D. Alex is currently enrolled at The Southern Baptist Theological Seminary and is working toward the completion of a Master of Divinity. Alex has helped the BCM/D improve its ministry promotion. His work with Reginald Davis (Creative Director) has highlighted, through various outlets, the numerous ways Maryland/Delaware Baptists are impacting communities throughout our Convention.

Within Church Services, Blake Hardcastle accepted a ministry call to serve as an associate pastor in Houston, Texas, after more than 20 years of service to BCM/D. Nathan Walters replaced Blake as the BCM/D collegiate ministry consultant. Nathan serves as the Baptist Student Ministries (BSM) Director at the University of Delaware. Additionally, he connects with BSM directors on other Maryland and Delaware campuses to encourage and support their ministries.

Dr. David Hall joined BCM/D as a church ministry consultant. David served as the pastor of Oak Grove Baptist Church (OGBC) for 25 years. David enthusiastically champions Cooperative Program (CP) ministry, and under David's leadership, OGBC was consistently the leading CP giving church in the BCM/D. That commitment to CP giving continues with OGBC. David will be meeting with churches and pastors, seeking ways the BCM/D can better love and serve them as we partner together to reach our communities for Christ. David's many years of service as a senior pastor will be a great benefit to pastors and church members across the BCM/D.

Demetra Bennett replaced Niki Taylor as the church services support assistant. Niki left BCM/D to pursue a career in serving others as a professional counselor. Demetra supports the ministries of the Church Services team.

Rosalie Chesley began serving as the assistant to the executive director, supporting both executive office operations and missions mobilization through the executive director.

Emily Reedy was promoted to the position of director of Skycroft Conference Center, in recognition of both her knowledge of and commitment to Skycroft. Emily has served faithfully at Skycroft for many years, most recently as the associate director. Her love for Skycroft runs deep, as the staff ministered to her while she was a camp lifeguard, prior to her service as a full-time employee.

Jose Marin Fernandez joined the food service team at Skycroft Conference Center as a full-time chef. We are thankful for Jose's commitment to serving our guests.

The General Mission Board recommends the 2020 proposed budget for approval by the messengers. This budget includes a commitment to send 48 percent of Cooperative Program receipts to the SBC, reflecting our desire to allocate a significant portion to

national and international missions causes. The proposed budget forecasts \$3.65 million in Cooperative Program receipts in 2020. In addition, the budget includes funding through our State Missions Offering for key initiatives including ministries to individuals and families affected by disabilities, college campuses, and our three-year international missions partnership with the Gucha Central Baptist Association, part of the Baptist Convention of Kenya.

Concerning Skycroft Conference Center, this budget reflects service to an estimated 25,000 guests for at least one night, as well as ministry to approximately 2,400 students attending the various camps to be provided in 2020.

Skycroft Conference Center remains a vital part of the BCM/D church strengthening and evangelistic ministry. Each year, many campers make decisions for Christ through the ministry of Skycroft. Various churches hold meetings or retreats at the facility. A reinvestment totaling more than \$200,000 was approved for needed repairs and upgrades at Skycroft Conference Center.

I pray that God is pleased with our efforts as we seek to serve and honor Him in all that we do. Currently, more than 500 churches are part of the collective work of the BCM/D. May God be glorified as we share the good news of the Gospel with our communities, our nation, and our world.

In His Service,

Rev. Frank Duncan  
President, General Mission Board

**Baptist Convention of Maryland/Delaware, Inc.**  
**Notes to Financial Statements**  
**December 31, 2018**

**Note 1 – Summary of Significant Accounting Policies**

*Date of Management Review:* Management has evaluated subsequent events through February 22, 2019, the date on which the financial statements were available to be issued. The Organization did not have any material recognizable subsequent events during this period.

*Organizational Purpose:* As stated by the mission statement of the Baptist Convention of Maryland/Delaware, Inc. (the "Organization"), it will intentionally assist the starting and strengthening of congregations so that together they can fulfill Jesus' commands in Matthew 28:19-20 and Acts 1:8. The Organization derives the majority of their income from individuals and churches in Maryland and Delaware.

*Basis of Accounting:* These statements are presented on the cash receipts and disbursements basis. The cash receipts and disbursements basis require that revenues and the related assets be recognized when received rather than when earned, and certain expenses be recognized when paid rather than when the obligation is incurred. However, these financial statements have been modified to reflect certain items budgeted for 2018 even through the actual funds related to those items have not been received or expended as of December 31, 2018. The statement of budgeted activities – cash receipts and disbursement basis reports only those transactions that were budgeted for in 2018. Other non-budgeted 2018 activity is reported in the statement of changes in net assets – cash receipts and disbursement basis.

Funds received by the Organization to be used for purposes unrelated to the operating activities of the Organization are recorded as a cash exchange liability until such funds have been disbursed.

*Financial Statement Presentation:* The Organization has adopted the Financial Accounting Standards Board (FASB) Accounting Standards Updated (ASU) 2016-14, "Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities." Under ASU 2016-14, the Organization is required to report information regarding its financial position and activities according to the following two classes of net assets:

Without Donor Restrictions

Net assets which are free of donor-imposed restrictions. Included net assets are donor advised funds, for which donors may make recommendations to the Board of Trustees with respect to the distribution of the income and/or principal for an agreed upon period of time. The Board of Trustees has complete discretion on whether to accept or reject the donor's recommendation.

With Donor Restrictions

The Organization reports gifts of cash and other assets as restricted support if they are received with donor or grantor stipulations that limit the use of the donated assets. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other specified events. When time or purpose restrictions expire, or are achieved, the net assets are reclassified to net assets without donor restrictions. Other restrictions are perpetual in nature, where resources are to be maintained in perpetuity.

*Cash and Cash Equivalents:* Cash equivalents generally includes all highly liquid debt instruments that mature in 90 days or less.

*Property Owned:* Property and equipment that have been capitalized are stated at cost. Assets purchased in excess of \$5,000, which have a useful life in excess of one year, are capitalized. Major additions and betterments are charged to the asset accounts only to the extent the costs have been reflected in the operating budget. Management periodically reviews the utilization of assets and removes those assets that no longer have a useful life. Depreciation is not recorded since the operating budget makes no provision for non-cash expenses; accordingly, an impairment loss from the valuation of long-lived assets under FASB Accounting Standards Codification (ASC) 820 would not be recorded.

**Notes to Financial Statements**  
**December 31, 2018**

Note 1 – Summary of Significant Accounting Policies (continued)

*Inventory:* Inventories are stated at the lower of cost or market using the first-in, first-out (FIFO) method. Inventory consists of various supplies on hand needed for the operations of the Organization.

*Cooperative Giving:* The Organization adopted FASB ASC 958-605, "Not-for-Profit Entities – Revenue Recognition." In accordance with FASB ASC 958-605, contributions received are recorded without donor restrictions or with donor restrictions support depending on the existence and/or nature of any donor restrictions. Promises to give are not recorded as cooperative giving until the funds are received.

*Investments and Investment Income:* The Organization elected to adopt FASB ASC 958-320, "Not-for-Profit Entities – Investments – Debt & Equity Securities." Under FASB ASC 958-320, investments in marketable securities with readily determinable fair values and all investments in debt securities are valued at their fair values in the statement of financial position.

Investments, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. It is reasonably possible that changes in the values of investments could occur in the near term and that such changes could materially affect the amounts reported in the statement of financial position.

*Income Taxes:* The Organization is exempt from Federal taxes under Section 501(c)(3) of the Internal Revenue Code. The Organization is required to file a return to report unrelated business income generated at the Skycroft Convention Center. At December 31, 2018 the provision for unrelated business income tax was \$0. The Organization's Federal tax returns generally stay open to examination for three years from the filing date.

*Estimates:* The preparation of financial statements in conformity with the modified cash receipts and disbursements method used by the Organization, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reported period. Actual results could differ from those estimates.

*Newly Issued Accounting Standards Not Yet Effective:* In August 2018, the FASB issued ASU 2018-13, "Fair Value Measurement (Topic 820): Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement." The standard's core principle is to improve the effectiveness of disclosures in the notes to the financial statements. The Organization is currently in the process of evaluating the impact of this ASU on the financial statements.

Note 2 – Cash and Cash Equivalents

The Organization maintains its cash accounts at various financial institutions and its balances may at times exceed the Federal Deposit Insurance Corporation (FDIC) insured limits. The Organization has not experienced any losses in such accounts and monitors the creditworthiness of the financial institutions with which it conducts business. Management believes that the Organization is not exposed to any significant credit risk with respect to its cash balances.

Note 3 – Baptist Foundation of Maryland/Delaware, Inc.

This account represents funds transferred to the Baptist Foundation of Maryland/Delaware, Inc., which is the agency designated for the management of trust funds. Income earned from these funds is returned to the Organization or its designated agencies.

**Notes to Financial Statements**  
**December 31, 2018**

Note 3 – Baptist Foundation of Maryland/Delaware, Inc. (continued)

Marketable securities invested with the Baptist Foundation of Maryland/Delaware, Inc. are stated at fair value and are summarized as follows:

	Cost	Fair Value	Unrealized (Depreciation) Appreciation as of December 30, 2018
Fixed Income Funds	\$ 1,126,403	\$ 1,084,640	\$ (41,763)
Equity Funds	935,273	1,401,143	465,870
Total	<u>\$ 2,061,676</u>	<u>\$ 2,485,783</u>	<u>\$ 424,107</u>

Note 4 – Investments and Fair Value Measurements

The Organization accounts for the fair value of its investments under the Fair Value Measurement and Disclosure topic of the FASB ASC, which provides the framework for measuring fair value. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurement). The three levels of the fair value hierarchy under this guidance are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.

Level 2

Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2018. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements.

The Organization's financial instruments, none of which are held for trading purposes, include cash, marketable securities, and notes receivable. The Organization estimates that fair value of all financial instruments at December 31, 2018 does not differ materially from the aggregate carrying values of its financial instruments recorded in these statements. The estimated fair value amounts have been determined by the Organization using available market and appropriate valuation methodologies. Considerable judgment is necessarily required in interpreting market data to develop the estimates of fair value, and accordingly, the estimates are not necessarily indicative of the amounts that the Organization could realize in a current market exchange.

Employees become eligible within six months of their starting date, with contributions equaling 11% of current year compensation. The plan is designated to provide employees with an accumulation of funds for retirement on a tax-deferred basis and provides for annual discretionary contributions. The expense was \$102,914 for the year ending December 31, 2018.

**Note 7 – Donated Property Received**

In 2000, the Organization received a gift of property which was recorded at management's estimate of fair market value at the time of the gift. The Organization records an increase in the value of the property annually based on the amount of capitalized carrying costs. Additionally, management periodically estimates the fair market value of the property and adjusts the recorded value to the current estimated fair market value plus the capitalized carrying costs since the original date of the gift. The property was last evaluated and adjusted by management in 2018. The property held for investment purposes and is not used in operations. The capitalized carrying costs of the property added to the estimated fair market value totaled \$78,233 as of December 31, 2018.

During 2018, the Organization sold a portion of land from the donated property received. As a result of the sale, the value of the donated property received was adjusted to its fair value.

Note 8 – Related Party Transactions

The Organization provides the services of their employees to the Baptist Foundation of Maryland/Delaware, Inc. Investment income and administrative fees paid by the Baptist Foundation of Maryland/Delaware, Inc. support the administrative costs incurred by the Organization. Distributions received from the Baptist Foundation of Maryland/Delaware, Inc. were \$166,000 for the year ended December 31, 2018, which are included in receipts on the statement of budgeted activities – cash receipts and disbursement basis. Total management fees received from the Baptist Foundation of Maryland/Delaware, Inc. were \$28,969 for the year ended December 31, 2018, which are included in cash exchange on the statement of assets, liabilities and net assets – cash receipts and disbursement basis.

Note 9 – Skycroft Conference Center

Owned and operated by the Organization, Skycroft is located on over 341 acres in Frederick County, Maryland. The center opened in 1977 to offer the opportunity to slip away into a quiet spot to reflect, to be re-created, to be refreshed in the beauty of "God's great outdoors."

On January 14, 2013, the Messengers of the Organization approved the sale of a perpetual conservation easement on the Skycroft property to the Civil War Preservation Trust and the State of Maryland. The Civil War Preservation Trust and the State of Maryland paid \$1,100,000 to the Organization. The easement allows for usage, building, and updating in a 25-acre developmental envelope. Two stipulations in the easement are that the property can never be sub-divided, and second, the property can be sold to an organization for a similar purpose as it is currently being used or for the purpose of one single-family dwelling.

The Messengers of the Organization approved \$1,100,000 of the funds received to be used for improvements to the Skycroft facility, of which all the approved funds have been utilized for this purpose.

On December 30, 2016, the Organization purchased approximately 41 additional acres of land to add to Skycroft for a purchase price of \$325,000. The Organization obtained a note payable in the principal amount of \$276,250, secured by the land, to partially fund the purchase. The note payable requires monthly payments of principal and interest in the amount of \$2,036. The note payable bears interest at a rate of 3.89% per year and matures in December 2031. Interest incurred and paid on the note payable was \$10,099 for the year ended December 31, 2018.

The aggregate maturities of the note payable at December 31, 2018 are as follows:

### **Executive Director Report**

As the Executive Director for WMU, I have the honor of encouraging churches to view missions as a lifestyle and not as a program. Demetra Bennett and the WMU Executive Board continue to assist me in any way they can to keep missions alive and well in our churches.

Camp Wo-Me-To located in Jarrettsville, Maryland, is owned and operated by Woman’s Missionary Union, Auxiliary to the Baptist Convention of Maryland/Delaware. Our camp staff is headed by Spirit-filled, missions-minded leaders. Frank Ulmer, Ben Block, & Debbie Jones are very capable in their commitment to serve. Here are some recent improvements/purchases that have been done at Camp Wo-Me-To: extensive damage done to White Pine Lodge when tree fell on the newly renovated building; contracted to perform all repairs for damage caused by damage to the building; HVAC systems were replaced ; roof re-framed and roofing was replaced. A new website was created for registration forms for Boys Camp and Girls Camp; all the registrations were done through the camp office for the first time. There was a total replacement of the website for the camp; we are working on camp guests being able to register online in the future.

- Our theme for the 2019 Women on Mission Spring Retreat was *“Redeemed.”* Our keynote speaker was Laurie Register executive director-treasurer of South Carolina Woman’s Missionary Union serving as the executive officer with responsibility for administration program, and development of the work of Woman’s Missionary Union in South Carolina. Drawing on the theme *“Redeemed,”* we looked at the following characteristics found in the Hebrews scripture that we are to strive for: live holy lives, to reverently fear and trust God, to be honest and loving, to become like Christ. In doing so, we looked at four Biblical women - Mary Magdalene, Rahab, Esther and Martha as well as a figure from South Carolina

missions history – Hephzibah Jenkins Townsend. In seeing how they lived out these words, we were challenged to do so as well. Our missionary speaker for the retreat was Linda Pegram, a retired IMB missionary who served in several countries including Vietnam, the Philippines and Pakistan. In Pakistan she trained the women to work in their communities to teach others in the community about health issues; she established a literary program and started Bible studies. There were 55 ladies in attendance; some women had to cancel because we had a snow incident that weekend. Our mission offering (\$901.00), was collected and sent to Baptist Global Response Clean Water project. This check was sent toward the fundraiser for 40 days, 40 wells, \$40,000 goal. Through this fundraiser water filters were distributed, well were drilled, latrines were built, and sanitation training was offered throughout various impoverished countries.

- Health Kits 2019. Through the kindness and caring of our churches, we collected 1,097 health kits this year. Many of the kits were distributed to Amy Smith for the Ocean City Internal ministry and other BCMD ministries. The health kits are collected yearly May 1-31, 2019.
- The 2019 theme for Girls Camp was “*Set Free.*” The theme verse was Micah 6:8 (NIRV), “*The Lord has shown you what is good. He has told you what He requires of you. You must act with justice. You must love to show mercy. And you must be humble as you live in the sight of your God.*” Camp started with staff orientation in the Chapel. Each morning the campers rotated through Bible Study, Mission Study and time with the missions activity. In the afternoons the campers rotated through swimming, canoeing, paddle boating and recreation/snack shack and crafts. During the day, the campers rotated through Bible Study with Pastor Chris from Lexington Park Baptist Church, where they were taught about people in the Bible who were refugees and how God used and set them free. Mission Study with Ms. Dale Jones was about missionaries, home and international, who work with refugees and how God is using them to tell others about Jesus. Mission Action with Ms. Monique Kirkland was added this year in place of an actual missionary. The first day was spent praying and writing cards and messages to Missionary Kids by name in Peru. They were mailed to the area coordinator in Peru who will make sure each MK receives their cards. The rest of the week was spent in Interactive Prayer Stations. This addition was received well and some of the campers who were counseled after Chapel in the evenings said God spoke to them during one of the prayer stations! Our offering emphasis was on Alpha’s Glory Pregnancy Resource Center in Aberdeen, MD. The campers gave sacrificially out of their snack/gift shop money they brought for camp. We collected \$125.00. The camp donated 177 bottles of baby wash, lotion and shampoos for mothers with babies in need! For the first time, we had a good number of campers from a non-profit in Harford County attend girls camp. We were so blessed to have them. We had 82 campers, plus staff. There were 17 salvations and 7 rededications!
- 2019 Mother/Daughter Overnight “*Set Free*” camp this year had 7 Mother/Daughters who checked in on Thursday. The Mother/Daughters as a group met to “Get the Scoop” first to answer any questions and explain their schedule to them. After lunch they went to crafts, swam, visited the Snack Shack and Gift Shop, and went to Mission Study and then Mission Action. After dinner they joined everyone for Chapel. Although the hayride and s’mores were canceled due to rain, they seemed to have just as much fun as the campers did with Plan B.
- The 2019 Boys Camp theme was, “*Dare to Prepare*” based on The Parable of the Sower with various Bible verses each day. The daily Bible studies were based on these lessons as well and delivered during the following mornings. For the first time, we had a good number of campers from a non-profit in Harford County attend for the first time who provided the funding for 21 boys from disadvantaged

situations to attend the camp. This was an experience unlike any other for most of these boys, and God used the Boys Camp staff to impact these boys, hopefully forever. Two of these first-time campers, accepted the Lord as their Savior at camp: that was AWESOME! The boys and staff performed 2 hours of mission projects all over the camp. The schedule provides a balance of God-specific activities (daily Bible study, prayer at all meals, evening Vespers with the entire camp, mission projects, and nightly cabin devotionals) with fun experiences for the boys (swimming, canoeing, archery, crafts, water slide, hike, 1 million games). With 20 activities planned for each of the two, full days (Friday and Saturday), the boys and counselors are happy and wore out at the end of the day.

- The 2019 Annie Armstrong Easter Offering for North American Missions (“*Sharing God’s Transforming Power*”) According to NAMB, the offering again set a historic giving record. The year’s total was 62.2 million was the highest ever! The Lottie Moon Offering for International Missions gives 100! Of the gifts to provide missionaries the services they need to live among the unreached peoples they serve. As always, the materials were mailed to each BCMD church. Additional materials were mailed upon request.
- Breathless 2019 was held at Westminster Baptist Church. For this year, we held the event on Friday and Saturday, as we had done in previous years. We had had 82 attendees. We had two authors for our speakers this year. One of the speakers, Grace Thornton, speaker and author of the WMU emphasis book, “*Unshakable Pursuit*.” The other speaker, Gayla Parker, is the former WMU Executive Director of Maryland/Delaware and a former IMB missionary, as well as the author of *Active Compassion*, a calling to care. Again, the ladies attended breakout conferences to equip, encourage and refresh. “*Displaced*,” one of our conferences again spotlighted the WMU work on how to minister to refugees who are forced to flee and who reside right in our communities. There is a 12 sessions Bible study on how to fuel a biblical response to ministering to refugees. Another one of our conferences, “Reaching the “*Not My*” Generation” was about how to connect with generations that come after us and how God’s work transcends generational trends. Our offering this year (\$217.00) was given to place a brick on the Walk of Faith garden, at national WMU, Birmingham, AL on behalf of the late Aquilla B. Smith, former WMU Executive Director of Maryland/Delaware. The Walk of Faith is for those who have contributed to the legacy of missions through WMU.

## **Church Planting**

*Michael Crawford, Church Planting Team Consultant, State Director of Missions*

Brothers and Sisters, another year has passed, and I am pleased to report again that God has been with us as a convention in the area of church planting. As I said last year, I am thankful for your leadership, love and prayer. I wanted to do something different for the 2019 report and thought that you might be encouraged to see what we did for our two Cohorts this past year.

In the Spring of 2019, we did a Cohort on “The Pillars of Soul Care”. Below is our agenda.

- 9:00-9:15 Group discussion and prayer (What is soul care and what are some challenges?)
- 9:15-10:00 Session 1: A definition of Soul Care and its challenges (Acts 20:28, 1 Timothy 4:16)
- 10:05-11:00 Session 2: Soul Care and Your Past (Genesis 47:7-9, 1 Corinthians 15:9)
- 11:10-12:00 Session 3: Soul Care and Permeability (Mark 8:15, 1 Corinthians 15:33)

- 12:30-1:30 Session 4: Soul Care and Your Psychology (Romans 12:3, Galatians 6:3)
- 1:35-2:30 Session 5: Soul Care and Your Physiology (Galatians 2:20, 1 Thessalonians 5:23)
- 2:30-3:00 Group Exercises

In the fall, we constructed a Cohort based on the top six challenges our planters are facing. We decided to use the concept of tables and place two practitioners at each of them. The planters then chose four tables to attend. We got a lot of good feedback from this cohort. Here are the topics and practitioners who led at each table.

- Leadership Development (Michael & Rolando)
- Finances (Steve & Jeff)
- Time management (CJ & Joel)
- Discipleship & Multiplication (Clint & James)
- Sunday Gatherings: (Ronnie & Dan)
- Facilities (Tally & Brad)

In 2019, we had an amazing addition to our multiplication team as C.J. Matthews planter and pastor of Bethany Church Columbia became our coaching champion. He will oversee our coaching processes and ensure that all our planters are getting the best coaching we can provide.

We ended 2019 with 35 church plants, 129 baptisms. Our plants collectively averaged around 2,000 people in attendance. Brothers and Sisters, this is something to praise God for! Our church planters are real heroes. We are so privileged to be able to work with them and serve them. Please continue to pray for them that God would open doors for the gospel so that people could be saved, baptized and discipled.

May God do more than we can ask or think in 2020!

## ***Church Services***

Mark Dooley, State Director of Evangelism

The work of the Church Services team is intended to assist churches where they are by meeting a wide variety of needs. Perhaps the biggest asset offered to BCM/D churches is that most of our Church Services consultants are seasoned pastors who have served many years in the local church. This experience allows them to bring an understanding of the unique situations faced by pastors in their local context.

One of the important areas of work our consultants undertake is connecting with the churches and pastors. Each consultant regularly visits pastors and churches, seeking to discover the unique needs they face and finding ways to partner with them in helping to meet those needs. Often, our consultants can be found filling the pulpit for a pastor while he has to be away from his church fellowship. At other times, they simply worship with a local church, sometimes bringing brief greetings from the convention or merely participating in congregational worship.

In 2019, the Church Services team invested much effort in working with churches that were in transition. Consultants trained search committees and walked with them in various capacities throughout their search process to provide guidance and consultation as needed. There were approximately 35 BCM/D churches that were without pastors at

various points throughout the year. As of the publication of this report, ten of them have called pastors and the others remain at different stages of the search process.

In that same regard, the BCM/D maintains a database of resumes for potential pastors. Some pastors are available to serve in supply roles while churches are searching for a permanent pastor or if a regular pastor must be away. Others are available to serve in interim capacities. “Transitional interim pastors” are a subset of interim pastors and their work is a more intentional and engaged effort than regular pulpit supply. Transitional interim pastor training is provided each year to help strengthen the skills of those called to this important work. Typically, a transitional interim pastor will make a 12-18 month commitment to stay with a church as they organize and prepare for the new full-time pastors. Obviously, the supply of resumes ebbs and flows as individuals accept calls to serve in various churches.

Revitalization efforts remain a major focus of the work of the Church Services team. We continue to offer two distinct approaches to this effort – AWAKEN, a cohort process; and an individual approach in partnership with NAMB and Thom Rainer’s Revitalize Network. Because of our Cooperative Program (CP) giving and these strategic partnerships, BCM/D churches can focus on revitalization efforts at significantly reduced rates. In addition, on March 20 and 21, 2020, we will host “Renovate,” a major conference with keynote speakers and breakout conferences that focus on various areas of revitalization. We are excited about this upcoming opportunity.

The “Healthy Leaders for Healthy Churches” tour continues to be an important emphasis in 2019 for BCM/D churches. This year’s tour took us to Montgomery County, the Eastern Shore, and Anne Arundel County, all in Maryland. We thank Redland Baptist Church in Derwood, First Baptist Church of Easton and Faith Baptist Church in Glen Burnie for hosting this year’s tour. Forty-four pastors and leaders from 18 churches participated in an intense time of training around the subject of team leadership. The participants included three complete pastoral teams as well as two entire church leadership teams. The attendees comprehensively examined the challenge of investing to nurture high-performance teams. Participants were shown the importance of results in creating common purpose and clarity for teams; the challenge of identifying/developing the right talent for the right team; a variety of hands-on skills necessary for teams to function well; the value of developing a real sense of community on service teams; practical exercises for skill development; fun videos; and a time of thoughtful self-assessment.

One of our new initiatives this year, which proved to be very successful, was the “Preaching Roundtable” series. Three separate Roundtable series took place. In April, Dr. Allan Moseley, senior professor of Old Testament and Hebrew from Southeastern Baptist Theological Seminary, led us in a study of preaching and teaching from the wisdom literature of the Old Testament. In June, Dr. David Prince, assistant professor of Christian preaching at The Southern Baptist Theological Seminary (SBTS), led us as we considered preaching and teaching Christ from the Old Testament. In August, Dr. Michael Pohlman, also an assistant professor of Christian Preaching at SBTS, led us as we studied preaching and teaching from the narratives in Scripture. In all, there were 57 participants in April, 78 participants in June, and 89 participants in August, or 224 total participants over the series of events. Some of these individuals attended multiple events, but the non-duplicated headcount for 178 individuals.

As in the past, we have continued to partner with LifeWay Christian Resources to provide training for our churches. In May, LifeWay’s Claude King led four sessions on prayer over three days. All-day Prayer Boot Camps took place in Delaware and at Skycroft Conference Center in Middletown, Maryland. Prayer Essentials, half-day experiences, occurred in

southern Maryland and at the BCMD offices in Columbia, Maryland. Our thanks to Grace Baptist Church in Seaford, Delaware, and Dunkirk Baptist Church in Dunkirk, Maryland, for hosting events this year.

Almost 70 people from 31 difference churches participated in the trainings, which included a powerful blend of teaching about prayer, inspirational videos, and incredible seasons of prayer. Participants left having spent time with God and with tools to carry back into their congregations to call people to prayer. Plans have already been made to host additional Prayer Boot Camps in 2020, and Dr. King has agreed to facilitate them for us once again.

Also, training for children's leaders, weekday education directors, and Vacation Bible School workers continues to be a valuable ongoing source of encouragement and strengthening for our churches. Not only does training provide an important opportunity for fellowship among those called to this important work, but the resultant strengthening enables participants to go back and make a greater impact in their local church context.

The work of Disaster Relief (DR) continues to be a focus of BCM/D churches through our Church Services team. Maryland/Delaware DR partnered with the Eastern Baptist Association and Grace Baptist Church of Seaford, Delaware, to assist with clean-up work following a tornado near Laurel, Delaware, this spring. Several DR teams also provided chainsaw, flood recovery, and logistics assistance in North Carolina after Hurricane Dorian. New and current volunteers gained new skills at five regional trainings across Maryland and Delaware this year. Local churches are ideally situated to provide both rapid and long-term ministry following local disaster events. Our team provides consulting support and training for churches which are responding to an event or looking ahead "in case something were to ever happen" in their communities.

BCM/D continues to equip and assist churches engaged in the area of English as a Second Language (ESL) ministry. This year marked the launch of our ESL ministry directors network, facilitating prayer support and the sharing of information, resources, and best practices among churches with ESL ministries. Basic ESL workshops, which were 14 hours long, provided training for directors and colunteers of two churches in the process of launching new ESL ministries, as well as education for new volunteers in current ministries.

Senior adult ministry featured "Ports of Call" at Skycroft Conference Center in May 2019. Approximately 75 participants enjoyed fellowship, worship, and teaching from Mark Dooley, BCM/D state director of evangelism. The topic this year was the "one anothers" of Scripture. Specifically, participants considered, "love one another," "serve one another," "honor one another," and "forgive one another." In addition to the messages and worship, participants took part in various hands-on mission activities around the Skycroft area.

Ministry to the women in our churches remains a focus of our Church Services team. The these of the yearly Woman's Missionary Union (WMU) Spring Retreat, held at Camp Wo-Me-To, was "Redeemed." Our main speaker was Laurie Register, the present executive director-treasurer of the South Carolina WMU. While in this role, Laurie continues to be involved in volunteer missions and has served on five continents. Our missionary speaker was Linda Pegram, former International Mission Board (IMB) missionary to the Philippines. She also fulfilled several other missionary assignments. Linda shared about her struggles and learning to trust God in difficult situations while on the mission field. Our 2019 missions project offering was for Baptist Global Response's (BGR) Clean Water project. BGR does its part to provide high-quality water for an many people as possible by

distributing water filters, drilling wells, building latrines, and offering sanitation training throughout various impoverished countries.

“Breathless: A Gathering for Women” took place at Westminster Baptist Church. The purpose of Breathless is to bring a holistic approach to women’s work in churches and to assist women in becoming more effective in various ministries. Our main speaker was Grace Thornton, an award-winning author and blogger. Grace challenged us to join in God’s eternal story and she shared some of her missionary experiences. Our missionary speaker was Gayla Parker, prior IMB Missionary to the Philippines, a former BCM/D consultant and previous Maryland/Delaware WMU executive director. She and her husband, Freddy, have returned to Little Rock, Arkansas, where Freddy pastors a church they attended at one time. She shared with about how co-workers, family members, neighbors, and friends may need to be “carried” to the feet of Jesus. The offering collected at the event purchased a brick in memory of Aquilla B. Smith, also a former Maryland/Delaware WMU executive director. The brick will be placed in the Walk of Faith, an honor/memorial garden at the national WMU in Birmingham, Alabama. On behalf of the convention, this brick will honor Aquilla for her work and will encourage churches to make missions a part of their daily lives. Aquilla inspired others to have a heart for missionaries and to remember to always make them a part of one’s prayer list.

The Church Services team continues to strengthen the partnerships we enjoy with the 11 existing associations within the BCM/D. Consultant John Gauger meets regularly with the associational missional strategists and seeks to find ways to enable the associations and the BCM/D to work closer together. In addition, BCM/D served the Potomac, Arundel, and Montgomery Associations by providing staff to lead conferences at major associational events. We thank God for the associations that labor in partnership with us to advance the Gospel through Maryland and Delaware. And, we thank God for the privilege of serving the churches of the BCM/D.

#### ***Church Services Collegiate Ministry Report***

This year, BCM/D partnered with Southern Baptists on the following 11 campuses: Cecil College, Coppin State University, Frostburg State University, Johns Hopkins University, Stevenson University, Townson University, University of Delaware, University of Maryland Baltimore County, University of Maryland College Park, United States Naval Academy, and Delaware State University. The partnerships entailed varied expressions of support, including project funding, ministry, coaching, personal encouragement, accountability, conferences, training seminars, book resources, and mentoring.

While numbers do not tell the whole story, they do help to give an idea of what has occurred. The following figures provide a sense of what God has done this past year. These ministries involved 533 collegians and impacted an additional 3,520 students during the year. Three hundred twelve students participated in small group Bible studies or discipleship. The ministries raised to total of \$99,835 for student missions. Thirty students served in summer or semester missions roles. Sixty-five collegians serviced on a short-term mission trip. There were 103 students involved in leadership training and two of them were preparing for a church-related vocation. Seventeen collegians came to saving faith in Jesus. One hundred seventy-eight students participated in evangelism. Thirty-five churches received assistance from these college ministries, and we made 52 meaningful contacts with church leaders.

The BCM/D is currently pursuing collegiate ministry involvement at three campuses: Salisbury University, University of Maryland Eastern Shore, and Delaware Technical and Community College.

***Convention Finance/Operations***

Tom Stolle, Associate Executive Director

The Finance/Convention Operations Team is comprised of the Finance Office, Baptist Mission Resource Center Operations, Special Needs Ministry, and Skycroft Conference Center.

***Finance Office***

The finance office, like most finance and accounting operations, records cash receipts, pays vendors, produces financial statements, and provides financial information to both management and staff. However, the finance office of the Baptist Convention of Maryland/Delaware (BCM/D) goes far beyond these internal processes. We also minister to Maryland and Delaware Baptist in other ways.

One method of ministry is through education. We offer a variety of training opportunities that may benefit your churches. One of our most popular training opportunities is the annual Ministers' Tax Seminar, which due to demand, is held in three locations across Maryland and Delaware. These seminars benefit not only church treasurers, but also pastors as they learn more about current regulations that help them improve their individual tax planning and preparation. Another helpful learning opportunity is the Planned Giving Seminar. It is a joy to share information with Christ's followers which assists them in planning not only for their financial future, but also for their children's future and the future of their local church. We continue to make financial stewardship seminars available to our churches. These seminars present Biblical principles for giving and money management. Multiple churches have participated in seminars which provide helpful information to church pastors, treasurers, and other church leaders concerning establishing and maintaining systems of internal control, including the safeguarding of church assets. No church wants to be a victim of fraud or embezzlement. We provide training on how a church can better protect itself against these threats. Other topics, such as preparing a church budget and insurance issues, are available. These training opportunities have proven to be valuable to our churches. On request, we can schedule meetings with individual churches. These requested meetings are available throughout the year to assist our churches with these and other important issues.

Beyond the scope of day-to-day operations, seminars, and individual church trainings on various financial and operational topics, the finance office provides bookkeeping services to two local associations. The finance office also provides these services to the Baptist

Foundation of Maryland/Delaware and the Rivers Corporate Park condominium association, of which BCM/D is a member.

It is imperative that we continue to educate our churches about the value and purpose of the Cooperative Program (CP). In March and September, requesting churches received CP promotional material through the finance office. Our continuing education emphasizes the value of CP and how we can do more together than we can apart. The finance office works closely with our Communications team to highlight the importance of church participation in CP giving. We are better together, and the CP allows us, as Maryland and Delaware Baptists, to have a powerful comprehensive missions and ministry impact.

### ***BCM/D Office Operations***

The operations staff continue to search for ways to improve the operational efficiency and aesthetic appearance of the BCM/D office, while continuing to be good stewards of the facility that God has blessed us with.

The results of our classroom renovation will highlight our ministries to our churches. The finance and operations team is assisting the communications team in this effort. Our goal is that the classroom walls will eventually tell a story – a visual emphasis of how we serve together with churches throughout Maryland and Delaware to share the Gospel.

The physical moves at the BCM/D office include the relocation of our historical archives to another area of the building. We have allocated more space to store these precious pieces of Maryland and Delaware Baptist history.

We have cleaned up the back patio at the BCM/D office and have updated the furniture and fixtures, which provides a comfortable place for staff or guests to meet while enjoying the outdoors... on a nice day, of course!

### ***Special Needs***

At the most recent Special Needs Conference, held at Cresthill Baptist Church in Bowie, Maryland, 132 attendees from 31 churches gathered together to learn more about how their churches can effectively reach out to and include individuals and families affected by disabilities. Educational breakout sessions, on a variety of relevant topics, allowed our attendees to leave equipped for ministry. This annual conference has become one of the largest single-day BCM/D training events.

We continue to partner with churches that participate in the Tim Tebow Foundation's "Night to Shine." This annual event, which occurs on the same evening around the world, incites individuals affected by disabilities to a prom in their honor. The special guests, their families, local volunteers, and the surrounding community share an evening of celebration and encounter Jesus in a special way. In 2019, five BCM/D churches hosted a Night to Shine, including Cresthill Baptist Church in Bowie, Maryland; Emmanuel Baptist Church in Huntingtown, Maryland; Faith Baptist Church in Glen Burnie, Maryland; First Baptist Church of Waldorf in Waldorf, Maryland; and Grace Baptist Church of Seaford, Delaware.

The BCM/D is partnering with One Church Comerio, a Southern Baptist church in Puerto Rico, to bring the first-ever Night to Shine celebration to the island. A team of volunteers from multiple BCM/D churches will participate in hands-on ministry at this event in 2020.

The Banquet Network and Inspire Ministry, a special needs ministry originating from Colonial Baptist Church in Randalstown, Maryland, also collaborate with the BCM/D to educate our churches.

We are pleased to partner with cooperating churches as we seek to share Jesus and obey his mandate, which states, “Then Jesus said to his host, ‘When you give a luncheon or dinner, do not invite your friends, your brothers or sisters, your relatives, or your rich neighbors; if you do, they may invite you back and so you will be repaid. But when you give a banquet, invite the poor, the crippled, the lame, the blind, and you will be blessed. Although they cannot repay you, you will be repaid at the resurrection of the righteous.’” (Luke 14:12-14)

### ***Skycroft Conference Center***

One thousand eight hundred sixteen young people from 80 different church groups attended seven weeks of camp (three weeks were teenage camps and four weeks were children’s camps). Thirty-three churches and 715 students attended three weekend sessions of winter camp.

Nine summer interns served for eight weeks, working as summer camp staff at Skycroft and leading VBS and outreach activities for seven churches and parachurch organizations. This staff assisted churches within Frederick and Washington counties with varying ministries including Vacation Bible Schools, children’s camps, outreach events, and church building renovations.

Skycroft partnered with Crossings Ministries (an affiliate of the Kentucky Baptist Convention) for a third year to provide the summer camp program, Bible study resources, and promotional material. We plan to expand this partnership in 2020.

Skycroft has also partnered with Southeastern Baptist Theological Seminary to receive speakers and worship teams for camps this year and in the future.

Decisions follow:

- 51 salvations
- 32 other spiritual “milestone” decisions
- 4 baptisms

### **Church Loans**

Thirteen churches have outstanding loans from the church loan fund. Income for the fiscal year ended September 30, 2019 will be distributed to the Baptist Convention of MD/DE to start and strengthen churches. The distribution totals \$116,853.35.

Four churches have outstanding loans from the Arthur Nanney church loan fund. The Arthur Nanney fund was established in 2006. This fund is used for small, emergency loans to churches.

### **Investment Balances and Market Performance**

As of September 30, 2019, the market value of the investment portfolio was \$9,454,176. The one year performance reflected a return of 5.7%, and the three year return totaled 8.1%.

The Baptist Foundation of MD/DE is positioned to manage endowment funds for churches and associations while saving them money on administration. Even churches or associations with modest investment needs may take advantage of the same discounts offered to multimillion-dollar investors simply by using the services of the Baptist Foundation. We encourage churches and associations to partner with us to create Heritage Funds to secure future ministry efforts.

### **Education**

The Baptist Foundation of MD/DE continues to provide education to our churches. Multiple presentations have been prepared that are shared with churches highlighting both a Christian's responsibility to be a faithful steward as well as various options available to financially give to the Lord's work both in life and after death. We have partnered with the law firm of Davis, Agnor, Rapaport, and Skalny in a continued effort to provide high quality education and information to our churches.

If your church is interested in learning more about the Foundation, a representative of the Foundation will be happy to provide additional information. You may also learn more about the Foundation by visiting [www.bcnd.org/what-we-do/baptist-foundation/](http://www.bcnd.org/what-we-do/baptist-foundation/). From here you can learn more about the Foundation's church loan, estate planning, and planned giving programs as well as view the most recently available audited financial statements.
