## ***Constitution of the Baptist Convention of Maryland/Delaware, Inc.***

### ***Article I • Name***

The body will be called the Baptist Convention of Maryland/ Delaware, Inc.

### ***Article II • Mission Statement***

**Section 1**—The Baptist Convention of Maryland/Delaware will intentionally assist in the starting and strengthening of congregations so that together we can fulfill Jesus' commands in Matthew 28:19-20 and Acts 1:8.

**Section 2**—This Convention is an autonomous body and is neither limited nor restrained by any authority or decision of any other Baptist body and will achieve its objectives through such means as this Convention alone determines.

**Section 3**—This Convention does not have any ecclesiastical authority to limit the autonomy of the local congregation.

**Section 4**—This Convention recognizes the Southern Baptist Convention as our primary instrument to further the cause of Christ on a worldwide basis. This Convention pledges its loyalty and support to the purposes served by the Southern Baptist Convention.

### ***Article III • Membership***

**Section 1**—The membership of this Convention will consist of messengers who are members of Baptist churches which are in friendly cooperation with this Convention and sympathetic with its purpose and work, and which have during the preceding 12 months (October 1 through September 30) been bona fide contributors to the work of this Convention.

**Section 2**—Each cooperating Baptist church will be entitled to two (2) messengers; each cooperating church exceeding fifty (50) members will then be given one additional messenger for each additional fifty (50) members or part thereof; or one additional messenger for each \$750 contributed to the work of this Convention through the Cooperative Program until the maximum of thirty (30) is reached.

**Section 3**—Messengers to this Convention will be certified by their churches. This Convention will be the final judge of election and qualifications of its members.

**Section 4**—The officers of this Convention, the employed staff of this Convention, and its agencies may be messengers provided they are elected by the church in which they hold membership.

**Article IV • Meetings**

**Section 1**—This Convention will meet at least once each year, hereafter known as the Annual Meeting, at such time and place as may be fixed by this Convention at the Annual Meeting held the preceding year. The duly appointed messengers of the cooperating churches will comprise the voting body of this Convention.

**Section 2**—In case of an emergency, the General Mission Board is empowered to change the time and place of meeting or call a special meeting by a vote of two-thirds of the members present and voting.

**Section 3**—Notice of any special meeting will be given at least thirty (30) days prior thereto by publication in BaptistLIFE and in such other ways as the General Mission Board may direct.

**Article V • Officers**

**Section 1**—The Officers of this Convention will be a President, First Vice President, Second Vice President, Corporate Secretary, Treasurer, Recording Secretary, and an Assistant Recording Secretary. All but the Corporate Secretary and Treasurer will be elected at each Annual Meeting by a majority of the duly elected messengers present and voting, and will hold office until their successors are elected and installed. Employees of the Baptist Convention of Maryland/Delaware are ineligible to serve as officers of this Convention with the exception of the Executive Director who will serve as Corporate Secretary and the Director of Finance who will serve as Treasurer.

**Section 2**—Nominations will be from the floor. Election will be by ballot except where there is a single nominee for an office. In the latter case, the President will instruct the Secretary to cast a unanimous ballot for the nominee.

**Section 3**—Officers will serve for one (1) year and hold office until their successors are elected and qualified; however, the President and Vice Presidents may not serve more than two (2) complete successive terms in office. Terms of office will commence at final adjournment of the Annual Meeting in session at the time of their election and terminate in the final adjournment of the succeeding regular session of the Annual Meeting. In case of death, disability of, or other cause making necessary the retirement of the President, the Vice Presidents will succeed in order. The General Mission Board will determine when an office is vacant due to the disability of an incumbent.

**Section 4**—The President will preside over the deliberations of the Annual Meeting and will perform other duties as may be customary to the position or as determined in the Bylaws, and will become an ex officio member of all Convention committees and boards. The President will continue as ex officio member of the General Mission Board for one full year immediately following tenure as President of this Convention unless elected to fill a vacancy in the regular membership of the Board.

**Section 5**—The Vice President may, in the absence of the President or when requested by the President, preside over the Annual Meeting and will perform other duties as may be provided in the Bylaws or as requested by the President.

**Section 6**—The Secretary will keep accurate minutes of all sessions of this Convention and will cause these to be published in suitable form in the Annual of this Convention together with other information as this Convention or the General Mission Board of this Convention deems necessary and proper.

**Section 7**—The President will be authorized to sign legal papers for the Baptist Convention of Maryland/Delaware, Inc. If unable to do so, the First Vice President or the Second Vice President will be so authorized.

**Section 8**—Should the President and Vice Presidents be unable to serve, the duties of the President will devolve upon the President of the General Mission Board until said Board will elect an interim President.

#### **Article VI • General Mission Board**

**Section 1**—This Convention will elect a General Mission Board to be known as the General Mission Board, none of whose members will be employees of said Board. Fifty-one percent will be a quorum for business.

The Rules of Order for the meetings of the General Mission Board will be those in the current edition of Robert's Rules of Order.

The General Mission Board will be composed of three members from the geographic area of each association. For each 5000 resident members or major fraction thereof, one additional Board member will be chosen, up to but not to exceed a total of ten Board members from any association. The President of this Convention, the President of the Woman's Missionary Union and the Maryland member of the Southern Baptist Convention Executive Committee will serve as at-large members of the Board. Board members selected by virtue of their Convention offices, will not be used in determining the number of members from an association or local church.

The term of the office of the members will be four years with, as nearly as possible, the terms of one-fourth of the members expiring each year. Any member serving for a full term or three years of an unexpired term will not be eligible for reelection until one year has expired.

Membership on the Board will cease when the member dies, moves membership from a church within the Convention, or the member's church ceases to be in cooperating fellowship with this Convention. In the event a member moves from a church in one association to another within this Convention, or the member's church changes from one association to another within this Convention, the member will be eligible to serve until a successor is elected at the next Annual Meeting. Membership on the Board will automatically be terminated when a member is absent for two consecutive meetings of the Board without notification submitted to the Board President or the Executive Director. The member will be notified of such termination.

**Section 2**—The members of the General Mission Board will be elected by this Convention, after receiving nominations from the committee selected by this Convention for this purpose, and after giving opportunity for nominations from the floor of this Convention.

**Section 3**—The work of this Convention, except as otherwise specified, will be committed to the General Mission Board described as follows: The General Mission Board of the Baptist Convention of Maryland/Delaware will act for this Convention ad interim promoting all the interests of the Kingdom, such as evangelism, missions, education, benevolence, social welfare, and public morals, and so on. The General Mission Board will not have authority to control the agencies and institutions of this Convention, but it will maintain general care and responsibility for the work of same. It is instructed to study annually their reports, to interpret and apply the rules of the constitution and the business and financial policy of this Convention as items may apply to any of the agencies of this

Convention, to make recommendations directly to agencies and also to make whatever recommendations to this Convention concerning them it may deem advisable.

**Section 4**—This Convention will annually elect members to fill all vacancies on the Board.

### **Article VII • Agencies**

**Section 1**—The Convention may establish agencies for the purpose of performing collateral Christian services. An agency will be a separate corporation independent of the Baptist Convention of Maryland/Delaware in its day-to-day operations but will work in cooperation with the Convention in order to avoid costly duplication. The Convention and each agency will establish, through the General Mission Board, an agreement defining their working relationship. An agency of this Convention will act in accordance with our historic Baptist doctrine and practices.

**Section 2**—The trustees of these agencies will be elected by this Convention after receiving nominations from the Committee selected by this Convention for this purpose and after giving opportunity for nominations from the floor of this Convention. The number of trustees for each agency and their terms of office will be in accordance with the requirements of their respective charters and bylaws.

**Section 3**—All agencies sharing in the Cooperative Program receipts must include a summary of their financial report in the annual report to the Baptist Convention of Maryland/Delaware, and the General Mission Board will request a copy of the budget of all agencies sharing in the Cooperative Program receipts along with their requests for financial assistance.

**Section 4**—No agency of this Convention will create any liability or indebtedness (except such as can and will be repaid out of its anticipated receipts for current operations within a period of three years) without the consent of this Convention or the General Mission Board. In order to obtain such approval, the agency must file a statement showing the source of such anticipated receipts. Such consent must be likewise obtained for a purchase of properties or construction of same, subject to liens or encumbrances which cannot be repaid out of its anticipated receipts for current operations within a period of three years.

**Section 5**—Proposals for the establishment of new agencies must follow one of the following procedures: (1) Authority may be granted upon favorable vote by two successive Annual Meetings, or (2) Authority may be granted by vote of one Annual Meeting provided a favorable recommendation is made by the General Mission Board, after thorough study, and provided further that the proposal has been published in two issues of BaptistLIFE.

**Section 6**—The agency of this Convention is the Baptist Foundation of Maryland/Delaware, Inc.

### **Article VIII • Business and Financial Policy**

**Section 1**—This Convention approves the Cooperative Program of Southern Baptists as its plan of world mission work and appeals to the churches to support it and to recognize the wisdom and right of this Convention to divide equitably the Cooperative Program receipts.

**Section 2**—Cooperative Program gifts will be distributed on a percentage basis approved by this Convention and designated gifts according to the wishes of the donors. The Administrative Committee of the General Mission Board will recommend at each

preconvention meeting of the General Mission Board the Cooperative Program goal and the distribution of receipts for the following year. Financial reports will be given at each meeting of the Board and an annual review conducted.

**Section 3**—The fiscal year of the General Mission Board and this Convention will be the calendar year.

**Section 4**—All funds entrusted to this Convention or to any of its boards or agencies will be strictly applied according to the expressed will and direction of the donors.

**Section 5**—This Convention will receive contributions, legacies and bequests for the several objects which it fosters. The Baptist Foundation of Maryland/Delaware, Inc., is the agency designated for the management of trust funds.

### ***Article IX • The Denominational Paper***

**Section 1**—The BaptistLIFE will be the official news journal of this Convention.

**Section 2**—The General Mission Board of this Convention will be responsible for the conduct of this phase of our work through the Director of the Communication Center.

### ***Article X • Woman's Missionary Union***

The Woman's Missionary Union of Maryland/Delaware is recognized as an auxiliary of this Convention whose accomplishments and potentialities in good works are appreciated as being of immeasurable value to the Christian cause.

### ***Article XI • Miscellaneous***

**Section 1**—Neither this Convention nor any agency owned or supported in whole or in part by this Convention, will accept or receive, directly or indirectly, any gift, grant, or aid from the Federal or State governments or any governmental agency except for definite and full services rendered by the agency with the approval of this Convention or its General Mission Board. In any debatable instance that may occur, the General Mission Board will interpret this statement subject to the approval of this Convention.

**Section 2**—Any special campaign for funds must be specifically approved by vote of this Convention or the General Mission Board.

### ***Article XII • Amendment***

All amendments to this constitution must be submitted in writing at an Annual Meeting. A vote will be taken when the amendment is presented and at the succeeding annual session. The proposed amendment may be modified in form but not in substance upon presentation for vote at the second session. The amendment will be adopted only after an affirmative vote of two-thirds of the messengers present and voting at two successive Annual Meetings. Non-substantive changes such as grammatical corrections and title or name changes may be made by the Administrative Committee of the General Mission Board and included in their report at the Annual Meeting of the Baptist Convention of Maryland/Delaware.

## ***Bylaws of the Baptist Convention of Maryland/Delaware, Inc.***

The work of this Convention will be governed by the following bylaws:

### ***Article I • Duties of Officers***

**Section 1**—The President will preside over the deliberations of the Annual Meeting and discharge such other duties as are imposed by this Convention or as are incumbent on the presiding officer of a deliberating body. At least two months prior to the Annual Meeting, the President, in consultation with the two Vice Presidents, will appoint a Committee on Credentials and Enrollment, a Committee on Committees, a Resolutions Committee, and other committees when so directed by the Body (see Article II, Section 1). In case of death or incapacity to serve, the Vice Presidents will succeed the President in order.

**Section 2**—A First Vice President and a Second Vice President will discharge such duties as requested by the President, will serve as ex officio members of the General Mission Board, and in the event of the death or disability of the President, will succeed the President in order of their rank.

**Section 3**—The Recording Secretary will record and preserve the proceedings of this Convention and will, in cooperation with the Executive Director, have the same printed and distributed. The Assistant Recording Secretary will serve in the absence of the Recording Secretary and assist as necessary.

**Section 4**—The Corporate Secretary will perform the duties legally required of this office.

**Section 5**—The President and the Executive Director will be advisory to all Convention committees and agencies.

### ***Article II • Committees and Their Duties***

#### ***Administrative Guidelines for All Committees***

All committees will reflect, as much as possible, a balance between vocational ministers and others. An ex-officio member will have voting privileges. No person will be elected to serve simultaneously on more than one standing committee.

No church will have more than two representatives simultaneously elected to serve on BCM/D committees, the General Mission Board, or as trustees of a BCM/D institution or agency.

Committees of this Convention may appoint persons other than members to special limited purpose subcommittees and advisory committees provided such persons will serve only in an advisory capacity and will not be permitted to vote at meetings of the authorizing committee.

Membership on committees will cease when the member dies, moves membership from a church within the Convention, or the member's church ceases to be in cooperating fellowship with this Convention. In the event a member moves from a church in one association to another within this Convention, or the member's church changes from one association to another within this Convention, the member will be eligible to serve until a successor is elected at the next Annual Meeting. Membership on the Board will automatically be terminated when a member is absent for two consecutive meetings of the Board without notification submitted to the Board President or the Executive Director. The member will be notified of such termination.

In the event of a vacancy between Annual Meetings, the President shall appoint members to fill that vacancy as an interim until approval at the next Annual Meeting. This would apply to all BCM/D committees.

**Section 1**—In advance of the Annual Meeting, the President will appoint the following committees:

**1. Committee on Credentials and Enrollment**—The committee will consist of five members whose duties it will be to register messengers and visitors. This committee will review and rule upon any questions which may arise in registration concerning the credentials of messengers. Any such ruling may be appealed to this Convention during business session. This Committee will make a report to the assembled messengers upon the call of the President, and will pass on the credentials of all messengers.

The Committee on Credentials and Enrollment will function under the following guidelines:

- Each person elected by a church, cooperating with the Baptist Convention of Maryland/Delaware, as a messenger to the Annual Meeting will be registered as a messenger to this Convention upon presentation of proper credentials. Credentials will be presented by each messenger, in person, at the Convention registration desk and will be in the following form:

### ***Section 1—Rules***

1. The rules of order for the sessions of the Annual Meeting will be those in the current edition of Robert's Rules of Order, but in cases where the meaning may not be clear, the President's discretion will be exercised. The President may appoint a Parliamentarian who will advise and assist the President with respect to all matters involving parliamentary procedure.
2. No person addressing the Annual Meeting may speak more than twice on the same subject without unanimous consent.
3. The President is charged at all times with the maintenance of decorum and order.
4. In the last two sessions of the Annual Meeting, any new business may only be considered by permission of majority vote of the messengers present.

**Section 2—Resolutions**

All resolutions considered at the Annual Meeting will come from the Resolutions Committee and have their full consensus or, as a redress, one presented to but rejected by the committee may be ordered to the floor under a “question of privilege” without having the full consensus of the committee. All resolutions available to the Resolutions Committee 45 days before the Annual Meeting will be automatically considered by the committee and, if accepted, will be printed and distributed at the first session of the Annual Meeting. If, in the opinion of the President, a messenger has a “copy-ready master” of a resolution with justifiable reason for not meeting the 45-day rule, it may be referred to the Resolutions Committee by the assembly at the first session. The action should follow the form: (Petitioner) “Mr. President, I request the consideration of a resolution concerning (subject).”; whereupon the President immediately puts the question without debate, “(Messenger) requests the privilege of having a late resolution considered, all who favor instructing the Resolutions Committee to review this resolution for consideration ... (vote).”

All resolutions passed at the Annual Meeting are the opinion of the overwhelming majority of the messengers present at that Annual Meeting but are not binding on the Baptist Convention of Maryland/Delaware, local associations, local congregations or individual Baptists. In order for a resolution to express the clear opinion of the messengers at the Annual Meeting, successful adoption will require an affirmative vote of two-thirds of the messengers present and voting.

**Section 3—Election of Officers**

1. The Officers of this Convention will be nominated from the floor, and the election will be by secret ballot when two or more persons are nominated for the same office.
  - The one receiving the majority of all votes will be declared elected.
  - The chairperson of the Credentials Committee hands the results of the vote to the presiding officer who announces first whether the vote is a majority vote or not. If a majority, the candidate is declared elected. If not a majority, the chairperson declares a run-off of the two receiving the highest number of votes.
  - The vote is not effective until announced.
2. The President will be elected before the Vice Presidents are nominated and the First Vice President is to be elected before receiving nominations for the Second Vice President.

**Article VII • Amendments to Bylaws**

The Bylaws may be altered by a majority vote of the messengers present on the first or second day of the Annual Meeting of this Convention. Non-substantive changes such as grammatical corrections and title or name changes may be made by the Administrative Committee of the General Mission Board and included in their report at the Annual Meeting of the Baptist Convention of Maryland/Delaware.

### ***Report of Executive Director Dr. Kevin Smith***

This has been a historic year. Due to the COVID-19 pandemic, the annual meeting at the Southern Baptist convention was canceled this past June, and our November meeting is canceled. Without the ability to meet, our convention officers and members of the General Mission Board will serve an additional year.

Despite all, last fall, this winter, spring and summer, have been rich times of ministry for Maryland/Delaware Baptists. Our affiliated and cooperating congregations have baptized new believers, called pastors, and engaged in local outreach and missions opportunities in light of the pandemic. Many quickly adjusted to new technologies and ministry methods. Many congregations discovered gifts that members could use for the benefit of the congregation's mission.

Sadly, many of our congregations had to adjust to unusual patterns of grief and funerals in the early part of the pandemic. Again, I celebrate the creativity and intentionality of our pastors, ministry leaders, and congregations.

Your BCMD the staff was engaged with congregations at all levels, in both states, throughout the pandemic. Our staff immediately adjusted to serving our churches in whatever ways were healthy, safe, and preferable to particular congregations and their leaders. Our communications team was able to help churches strengthen their ability to engage in live streaming and videotaping. Our finance team was able to help churches develop the ability to give electronically and use other financial/stewardship technologies.

Our staff has been able to preach, teach, and train in various congregational settings during the pandemic. Some of our congregations used virtual technologies, while some of our congregations have been able to have outdoor services and outdoor gatherings if their church has sufficient land. Our staff has consulted with Maryland Delaware Baptist at the churches, in parking lots, in open settings like parks, and anywhere that was agreeable to meet.

Although Covid protocols in the state of Maryland kept our Skycroft camp closed during this past summer, we have been using the downtime to address a lengthy list of capital maintenance items at the camp. Our staff has been diligently engaged in tasks that they would not be able to

complete if they were functioning in their normal roles, with campers onsite. In that way, The downtime has been a benefit to the infrastructure of our Skycroft camp.

Finally, we think the Lord for consistency in our Cooperative Program missions giving. These mission funds allow us to do and support ministry locally, in our region, across the U.S., and around the world. For example, our IMB missionaries have had many “love your neighbor” opportunities around the world during this global pandemic. This is possible because of the missions giving of MD/DE Baptists and other Baptists in our denominational family.

There’s no denying the challenges since our 2019 annual meeting in Ocean City. However, there’s also no denying the grace of God in, through, and to MD/DE Baptists during this season.

## ***2019-2020 Summarized Activities/ Highlights of the General Mission Board***

The General Mission Board is pleased to serve the churches within our Convention.

As you know, the COVID-19 pandemic greatly affected our lives and our churches in 2020. praise God that He provided for us and sustained us in this journey. The highlights of the last year follow.

The 2021 budget approved by the General Mission Board included a commitment to send 48% of Cooperative Program receipts to the SBC, reflecting our desire to allocate a significant portion to national and international missions causes. The budget forecasted \$3.65 million in Cooperative Program receipts in 2021. This budget also included funding through our State Missions Offering for key initiatives including ministries to individuals and families affected by disabilities, disaster relief, and our three-year international missions partnership with Kenya. Concerning Skycroft Conference Center, this budget reflects service to more than 20,000 guests for at least one night as well as ministering to more than 2,000 students attending the various camps to be provided in 2021. Skycroft Conference Center remains a vital part of the BCM/D church strengthening and evangelistic ministry. Many campers make decisions for Christ through the ministry of Skycroft. We are looking forward to returning to increased church meetings and retreats as the pandemic wanes.

Through the pandemic, the BCM/D was able to keep its core staff in place. After many years of faithful service to churches in the areas of children's ministry and vacation bible school, June Holland retired. Her impact on Kingdom work in Maryland/Delaware is immeasurable. We are thankful for her! Kris Buckman was hired as June's successor in the same role. Her experience in children's ministry will be a blessing to our affiliated churches. Kris is a member at Tri-County Baptist Church.

Due to the impact of the pandemic and associated government regulation, Skycroft Conference Center experienced a complete vacancy for four months, and much lower attendance than in past years through the remainder of 2020. Skycroft's core staff utilized this time to perform many needed repairs and maintenance projects at the conference center.

The shortfall generated by the lack of guests at Skycroft was partially offset by the receipt of a Payroll Protection Loan issued by the federal government. This loan was fully forgiven, essentially becoming a grant that was critical in maintaining conference center operations.

During 2020, Skycroft began the journey of a repair/replacement of its current septic system. Convention leadership is working with an engineer, legal counsel, and state/county officials to design and install a new septic solution. This project is anticipated to continue for approximately two years and perhaps longer before a solution is approved and installed.

The BCMD initiated a health plan in which full-time staff of churches affiliated with the BCMD can participate.

I pray that God is pleased with our efforts as we seek to serve and honor Him in all that we do. Approximately 500 churches choose to affiliate with the BCM/D to be a part of a

cooperative sharing of the Gospel. May God be glorified as we share the good news of Jesus with our communities, our nation, and our world.

In His Service,

**Baptist Convention of Maryland/Delaware, Inc.  
Notes to Financial Statements  
December 31, 2020**

**Note 1 – Summary of Significant Accounting Policies**

*Date of Management Review:* Management has evaluated subsequent events through March 2, 2021, the date on which the financial statements were available to be issued. The Organization did not have any material recognizable subsequent events during this period.

*Organizational Purpose:* As stated by the mission statement of the Baptist Convention of Maryland/Delaware, Inc. (the "Organization"), it will intentionally assist the starting and strengthening of congregations so that together they can fulfill Jesus' commands in Matthew 28:19-20 and Acts 1:8. The Organization derives the majority of their income from individuals and churches in Maryland and Delaware.

*Basis of Accounting:* These statements are presented on the cash receipts and disbursements basis. The cash receipts and disbursements basis require that revenues and the related assets be recognized when received rather than when earned, and certain expenses be recognized when paid rather than when the obligation is incurred. However, these financial statements have been modified to reflect certain items budgeted for 2020 even through the actual funds related to those items have not been received or expended as of December 31, 2020. The statement of budgeted activities – cash receipts and disbursement basis reports only those transactions that were budgeted for in 2020.

Funds received by the Organization to be used for purposes unrelated to the operating activities of the Organization are recorded as a cash exchange liability until such funds have been disbursed.

*Financial Statement Presentation:* The Organization has adopted the Financial Accounting Standards Board (FASB) Accounting Standards Updated (ASU) 2016-14, "Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities." Under ASU 2016-14, the Organization is required to report information regarding its financial position and activities according to the following two classes of net assets:

Without Donor Restrictions

Net assets which are free of donor-imposed restrictions. Included net assets are donor advised funds, for which donors may make recommendations to the Board of Trustees with respect to the distribution of the income and/or principal for an agreed upon period of time. The Board of Trustees has complete discretion on whether to accept or reject the donor's recommendation.

With Donor Restrictions

The Organization reports gifts of cash and other assets as restricted support if they are received with donor or grantor stipulations that limit the use of the donated assets. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other specified events. When time or purpose restrictions expire, or are achieved, the net assets are reclassified to net assets without donor restrictions. Other restrictions are perpetual in nature, where resources are to be maintained in perpetuity.

The Organization has adopted the FASB issued ASU 2018-13, "Fair Value Measurement (Topic 820): Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement." The standards core principle is to improve the effectiveness of disclosures in the notes to the financial statements.

*Cash and Cash Equivalents:* Cash equivalents generally includes all highly liquid debt instruments that mature in 90 days or less.

*Inventory:* Inventories are stated at the lower of cost or market using the first-in, first-out (FIFO) method. Inventory consists of various supplies on hand needed for the operations of the Organization.

Notes to Financial Statements

**Note 1 – Summary of Significant Accounting Policies** (continued)

*Property Owned:* Property and equipment that have been capitalized are stated at cost. Assets purchased in excess of \$2,500 which have a useful life in excess of one year, are capitalized. Major additions and betterments are charged to the asset accounts only to the extent the costs have been reflected in the operating budget. Management periodically reviews the utilization of assets and removes those assets that no longer have a useful life. Depreciation is not recorded since the operating budget makes no provision for non-cash expenses; accordingly, an impairment loss from the valuation of long-lived assets under FASB Accounting Standards Codification (ASC) 820 would not be recorded.

*Cooperative Giving:* The Organization adopted FASB ASC 958-605, "Not-for-Profit Entities – Revenue Recognition." In accordance with FASB ASC 958-605, contributions received are recorded without donor restrictions or with donor restrictions support depending on the existence and/or nature of any donor restrictions. Promises to give are not recorded as cooperative giving until the funds are received.

*Investments and Investment Income:* The Organization elected to adopt FASB ASC 958-320, "Not-for-Profit Entities – Investments – Debt & Equity Securities." Under FASB ASC 958-320, investments in marketable securities with readily determinable fair values and all investments in debt securities are valued at their fair values in the statement of financial position.

Investments, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. It is reasonably possible that changes in the values of investments could occur in the near term and that such changes could materially affect the amounts reported in the statement of financial position.

Investments held at the Baptist Foundation of Maryland/Delaware, Inc. are available to meet the needs for general expenditures of the Organization.

*Income Taxes:* The Organization is exempt from Federal taxes under Section 501(c)(3) of the Internal Revenue Code. The Organization is required to file a return to report unrelated business income generated at the Skycroft Convention Center. At December 31, 2020 the provision for unrelated business income tax was \$0. The Organization's Federal tax returns generally stay open to examination for three years from the filing date.

*Estimates:* The preparation of financial statements in conformity with the modified cash receipts and disbursements method used by the Organization, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reported period. Actual results could differ from those estimates.

**Note 2 – Cash and Cash Equivalents**

The Organization maintains its cash accounts at various financial institutions and its balances may at times exceed the Federal Deposit Insurance Corporation (FDIC) insured limits. The Organization has not experienced any losses in such accounts and monitors the creditworthiness of the financial institutions with which it conducts business. Management believes that the Organization is not exposed to any significant credit risk with respect to its cash balances.

**Note 3 – Baptist Foundation of Maryland/Delaware, Inc.**

This account represents funds transferred to the Baptist Foundation of Maryland/Delaware, Inc., which is the agency designated for the management of trust funds. Income earned from these funds is returned to the Organization or its designated agencies.

Note 3 – Baptist Foundation of Maryland/Delaware, Inc. (continued)

Marketable securities invested with the Baptist Foundation of Maryland/Delaware, Inc. are stated at fair value and are summarized as follows:

	Cost	Fair Value	Unrealized Appreciation as of December 31, 2020
Fixed Income Funds	\$ 1,055,585	\$ 1,129,080	\$ 73,495
Equity Funds	1,371,192	2,481,658	1,110,466
Total	<u>\$ 2,426,777</u>	<u>\$ 3,610,738</u>	<u>\$ 1,183,961</u>

Note 4 – Investments and Fair Value Measurements

The Organization accounts for the fair value of its investments under the Fair Value Measurement and Disclosure topic of the FASB ASC, which provides the framework for measuring fair value. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurement). The three levels of the fair value hierarchy under this guidance are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.

Level 2

Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and maximize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2020. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements.

The Organization's financial instruments, none of which are held for trading purposes, include cash, marketable securities, and notes receivable. The Organization estimates that fair value of all financial instruments at December 31, 2020 does not differ materially from the aggregate carrying values of its financial instruments recorded in these statements. The estimated fair value amounts have been determined by the Organization using available market and appropriate valuation methodologies. Considerable judgment is necessarily required in interpreting market data to develop the estimates of fair value, and accordingly, the estimates are not necessarily indicative of the amounts that the Organization could realize in a current market exchange.

### ***Executive Director Report***

As the Executive Director for WMU, I have the honor of encouraging churches to view missions as a lifestyle and not as a program. Demetra Bennett and the WMU Executive Board continue to assist me in any way they can to keep missions alive and well in our churches.

Camp Wo-Me-To located in Jarrettsville, Maryland, is owned and operated by Woman's Missionary Union, Auxiliary to the Baptist Convention of Maryland/Delaware. Our camp staff is headed by Spirit-filled, missions-minded leaders. Frank Ulmer, Ben Block, & Debbie Jones are very capable in their commitment to serve. A major storm occurred on April 12, 2020 that caused damage to the septic system at the camp. A tree had to be removed to assess the damage to the dry well. After assessing the damage and considering the fact that the dry well was originally installed in 1966, it was decided that it would be a good idea to contact the county and see what they would recommend as a septic system that would serve the camp for the upcoming decades. We had them base their septic design figures on a building with 250-person capacity that is being used year-round. We then completed a percolation test to find where the septic system would be placed, and the county designed a system to meet our needs. It was estimated that the new system would cost the camp about \$10,000.00. Replacing the damaged septic system and other repairs will enable camp to safely reopen after COVID. On December 8, 2020, the camp submitted a proposal to the WMU Heart Fund Grant Request. Praise the Lord, on December 15, 2020 the WMU Foundation granted the HEART fund request in the amount of \$11,000. The extra funds will be used for grading, sewing seed, moving water pipes, and replacing gas lines.

- Our theme for the 2020 Women on Mission Spring Retreat was to be *"Indescribable."* Our scheduled keynote speaker was Rosalie Hunt, author, speaker, drama. *This event had to be cancelled due to the closing of the camp following the state COVID regulations.*
- Health Kits 2020. Due to the closing of the building because of the pandemic, only two faithful churches donated health kits. Kendal BC and Elder BC (with Erin Holland) were kind enough to continue to donate health kits. Through the kindness and caring of these churches, we collected 50 health kits. The kits were distributed to the newly formed unit of the Helping Up Mission for Inspiring Hope Capital Campaign for the Women's & Children's Center and the Baltimore Rescue Mission, Karis House, who support homeless women and children. The health kits are collected yearly May 1-31, 2019.
- The 2020 theme for Virtual Girls Camp was *"New Creation."* The theme verse II Corinthians 5:17, *"When anyone lives in Christ the new creation has come. The old is gone! The new is here!"* The event had 25-30 girls in attendance and opened with introductions and Simon Says with Connie Zinn. We had worship songs and a mission prayer/study time. One of the missionaries in the WMU Mosaic had a birthday that day (Cliff) and he sent the girls a personal message with prayer requests. We had a scavenger hunt and another Bible study that included us going into break out zoom rooms with assignments related to the Bible Study with an adult leader. We have a Kahoot app gam to review the Bible study lesson which was a lot of fun! We ended the zoom call by being given direction on how to make a craft at home. The time spent was enjoyed by all and gave the leaders, counselors, and girls a chance to see each other during the pandemic.
- *Due to the pandemic and COVID restrictions for the state, 2020 Boys camp was cancelled.*

- The 2020 Annie Armstrong Easter Offering for North American Missions was *"It's All about the Gospel."* The year's total was over 49.4 million dollars. The Annie Armstrong Easter Offering (AAEO) is the primary way we support mission efforts in North America. **One hundred percent** of gifts given to AAEO are used to support Southern Baptist missionaries serving across the United States and Canada.
- The 2020 Lottie Moon Offering for International Missions (*Getting the Gospel to the Nations*) goal was \$175 million. That number was significant because 2020 marked the 175<sup>th</sup> anniversary of Southern Baptists sending workers to the nations. The final total was \$155 million. These gifts provide missionaries the services they need to live among the unreached peoples they serve. As always, the materials were mailed to each BCMD church. Additional materials were mailed upon request.
- For the very first time, Breathless 2020 was held virtually. Kim Hardy was our speaker for our first virtual conference. Kim is a wonderful speaker, pastor's wife, mom, and grand mom. She shared with us about, *"How to Grow in our Now."* You know, this new way of living life during a pandemic. Kim reminded us that God is still preeminent in our lives even during this pandemic. God has not lost His focus and we are to remain in having a proper view about Christ in the midst of all the changes we are going through in our new way of living. We were reminded and blessed by her reminding us that we can live an overcoming life even while we are journeying through this time of COVID.

We were blessed again to be led in worship by Janet Allen and company.

## ***Convention Reports***

*Tom Stolle, Associate Executive Director/Chief Financial Officer*

In March 2020, our world changed. The impact of COVID-19 and associated regulations wreaked havoc on businesses and churches as they scrambled to find alternative solutions to continue operations. Many churches found themselves forced to stop meeting in person and quickly pivoted to online services. For some churches, this involved overcoming a significant learning curve. Some congregations are still not physically meeting. There was also uncertainty concerning how churches that choose to affiliate with the Baptist Convention of Maryland/Delaware (BCM/D) would respond regarding cooperative giving.

I am pleased to report that Cooperative Program (CP) giving for 2020 was stronger than management expected once the pandemic hit. CP ended the year down only (8.6 percent) from the prior year. Through the four months ended April 30, 2021, CP giving is ahead of the same period last year by 4.5 percent. We are so thankful for God's provision! Our partnership with many churches across our state convention is strong, as evidenced by the strength of CP giving through the pandemic. As a result of that generous giving, we were able to continue to assist in starting and strengthening churches! God has provided passionate, loving, and committed staff to support so many churches and pastors. Praise God!

Please allow me to share a few highlights from 2020 and our plans moving forward into the spring and summer, traditionally our busiest seasons of ministry.

***Strengthening churches***

Strengthening churches is a priority that continued through the Church Services team in 2020, albeit with a more virtual flavor. A few of the many events that were held online included VBS and KidMin Forums (led by Kris Buckman, BCM/D's children and youth ministry consultant); Teaching Roundtables featuring Dr. Dominick Hernandez from Southern Baptist Theological Seminary and Dr. Kenneth Keathley from Southeastern Baptist Theological Seminary; the Breathless conference for women (planned and coordinated by Melody Knox, BCM/D's women's ministry consultant); and the Healthy Leaders for Healthy Churches training events (planned and coordinated by Church Services Consultant Dr. Randy Millwood).

The pandemic also provided the opportunity to develop the BCMDKids social media presence, which has been a great way to assist churches.

The team canceled some events, but most of these are returning this year with a renewed emphasis. BCM/D had to postpone Renovate, our church revitalization conference twice in 2020, but it will occur in October 2021. It will be the featured event in the BCM/D's heavy emphasis on church revitalization. Learn more about this emphasis and the numerous revitalization opportunities on our website.

***Special needs ministry***

Special needs ministry is a heavily emphasized BCM/D initiative. Unfortunately, the convention had to cancel the annual special needs conference in 2020 due to the pandemic's impact. We are thrilled to announce we are hosting the conference, in partnership with [The Banquet Network](#) (TBN), both virtually and in-person on June 5.

In 2020, churches with a passion for reaching individuals affected by disabilities either hosted Night To Shine alternative events or began planning for future proms when the pandemic ends.

In July, the BCM/D, in cooperation with TBN, plans to host a special needs weekend camp at Skycroft Conference Center. Keep an eye on [bcmd.org](http://bcmd.org) for details and registration information.

***Church planting***

Church planting in Maryland/Delaware is going very well. The BCM/D enjoys a strong partnership with the North American Mission Board (NAMB).

We are excited about our new emphasis on the relationship between our Church Services and Church Planting staff within the BCM/D. This connection of teams allows us to help each new plant enter a path that gives them a better chance at overall health and multiplication.

Despite the global pandemic, nine churches were planted in 2020. Several new planters recently went through assessment and are or will be planting this year, with more in our pipeline. God continues to provide!

The pandemic did not stop church planting, coaching, and training. In fact, once the pandemic hit, church planting leaders met virtually with planters several times a month to help them navigate through planting and meeting as a church during COVID-19. Topics included how to plant in a pandemic, how to meet, and how to navigate through the loss.

### ***Skycroft Conference Center***

COVID-19 hit the hospitality industry hard and Skycroft was no exception. Our conference center experienced a complete vacancy for the first four months after the pandemic hit. For the first time in over 30 years, Skycroft canceled our traditional summer camp. As we moved into the fall and winter, COVID-19 regulations placed significant limitations on Skycroft's ability to host groups. These restrictions, coupled with the understandable hesitancy of many individuals to gather even in small group settings, have had a negative impact on our operation.

While Skycroft has struggled, by God's grace, we weathered the storm. The staff worked hard, and God has provided. Great work is still happening at Skycroft during this challenging season. We made many improvements to our buildings, property, and infrastructure. Our small full-time team primarily completed this amazing work. I am also excited to share that in 2020 seven volunteer crews from churches affiliated with the BCM/D assisted with deep cleaning, painting, groundskeeping, tree-clearing, deck repairs, and much more. We are so thankful for this help at a time when it was so desperately needed!

Despite the cancellation of 2020 summer camps, we held a one-day outdoor summer camp event with six churches participating, along with more than 80 youth and leaders. We had the pleasure of hosting 26 overnight and day retreats between July and December 2020. Also, eleven churches with approximately 140 youth and leaders attended two small-scale winter camp weekends.

This year, Skycroft has already hosted fifteen retreats, and there have been ten baptisms. We are especially thrilled to announce that we are having our 2021 summer camps, adjusted according to COVID protocol to provide the safest possible camping experience. We are excited to re-engage many more individuals and churches at Skycroft so that many souls come to Christ through this ministry.

### ***Final thoughts***

As believers, we know that God provides and sustains. He is always with us. 2020 was an extremely difficult year for so many people in so many ways. There has been so much uncertainty as we have journeyed life during this pandemic. The good news is our God is present and our God is able!

"The steadfast love of the Lord never ceases; His mercies never come to an end; they are new every morning; great is Your faithfulness. 'The Lord is my portion,' says my soul, 'therefore I will hope in Him'" (Lamentations 3:22-24, ESV).

We thank God for His grace, mercy, and provision through this season! Great is His faithfulness!

**Church Loans**

Twelve churches have outstanding loans from the church loan fund. Income for the fiscal year ending September 30, 2020 totaling \$92,651.62 will be distributed to the Baptist Convention of MD/DE to start and strengthen churches.

Six churches have outstanding loans from the Arthur Nanney church loan fund. The Arthur Nanney fund was established in 2006. This fund is used for small, emergency loans to churches.

**Investment Balances and Market Performance**

As of September 30, 2020, the market value of the investment portfolio was \$9,881,667.82. The most recent calendar quarter portfolio performance reflected a return of 5.7%. The one-year performance reflected a return of 9.4%, and the three year return totaled 7.7%.

The Baptist Foundation of MD/DE is positioned to manage endowment funds for churches and associations while saving them money on administration. Even churches or associations with modest investment needs may take advantage of the same discounts offered to multimillion-dollar investors simply by using the services of the Baptist Foundation. We encourage churches and associations to partner with us to create Heritage Funds to secure future ministry efforts.

**Education**

The Baptist Foundation of MD/DE continues to provide education to our churches. Multiple presentations have been prepared that are shared with churches highlighting both a Christian's responsibility to be a faithful steward as well as various options available to financially give to the Lord's work both in life and after death. We have partnered with the law firm of Davis, Agnor, Rapaport, and Skalny in a continued effort to provide high quality education and information to our churches.

If your church is interested in learning more about the Foundation, a representative of the Foundation will be happy to provide additional information. You may also learn more about the Foundation by visiting [www.bcmd.org/baptist-foundation](http://www.bcmd.org/baptist-foundation).
