Constitution & Bylaws

Baptist Convention of Maryland/Delaware

Section 2: Table of Contents

Constitution	23
Bylaws.....	28

Constitution of the Baptist Convention of Maryland/Delaware, Inc.

Article I • Name

The body will be called the Baptist Convention of Maryland/ Delaware, Inc.

Article II • Mission Statement

Section 1—The Baptist Convention of Maryland/Delaware will intentionally assist in the starting and strengthening of congregations so that together we can fulfill Jesus' commands in Matthew 28:19-20 and Acts 1:8.

Section 2—This Convention is an autonomous body and is neither limited nor restrained by any authority or decision of any other Baptist body and will achieve its objectives through such means as this Convention alone determines.

Section 3—This Convention does not have any ecclesiastical authority to limit the autonomy of the local congregation.

Section 4—This Convention recognizes the Southern Baptist Convention as our primary instrument to further the cause of Christ on a worldwide basis. This Convention pledges its loyalty and support to the purposes served by the Southern Baptist Convention.

Article III • Membership

Section 1—The membership of this Convention will consist of messengers who are members of Baptist churches which are in friendly cooperation with this Convention and sympathetic with its purpose and work, and which have during the preceding 12 months (October 1 through September 30) been bona fide contributors to the work of this Convention.

Section 2—Each cooperating Baptist church will be entitled to two (2) messengers; each cooperating church exceeding fifty (50) members will then be given one additional messenger for each additional fifty (50) members or part thereof; or one additional messenger for each \$750 contributed to the work of this Convention through the Cooperative Program until the maximum of thirty (30) is reached.

Section 3—Messengers to this Convention will be certified by their churches. This Convention will be the final judge of election and qualifications of its members.

Section 4—The officers of this Convention, the employed staff of this Convention, and its agencies may be messengers provided they are elected by the church in which they hold membership.

Article IV • Meetings

Section 1—This Convention will meet at least once each year, hereafter known as the Annual Meeting, at such time and place as may be fixed by this Convention at the Annual Meeting held the preceding year. The duly appointed messengers of the cooperating churches will comprise the voting body of this Convention.

Section 2—In case of an emergency, the General Mission Board is empowered to change the time and place of meeting or call a special meeting by a vote of two-thirds of the members present and voting.

Section 3—Notice of any special meeting will be given at least thirty (30) days prior thereto by publication in BaptistLIFE and in such other ways as the General Mission Board may direct.

Article V • Officers

Section 1—The Officers of this Convention will be a President, First Vice President, Second Vice President, Corporate Secretary, Treasurer, Recording Secretary, and an Assistant Recording Secretary. All but the Corporate Secretary and Treasurer will be elected at each Annual Meeting by a majority of the duly elected messengers present and voting, and will hold office until their successors are elected and installed. Employees of the Baptist Convention of Maryland/Delaware are ineligible to serve as officers of this Convention with the exception of the Executive Director who will serve as Corporate Secretary and the Director of Finance who will serve as Treasurer.

Section 2—Nominations will be from the floor. Election will be by ballot except where there is a single nominee for an office. In the latter case, the President will instruct the Secretary to cast a unanimous ballot for the nominee.

Section 3—Officers will serve for one (1) year and hold office until their successors are elected and qualified; however, the President and Vice Presidents may not serve more than two (2) complete successive terms in office. Terms of office will commence at final adjournment of the Annual Meeting in session at the time of their election and terminate in the final adjournment of the succeeding regular session of the Annual Meeting. In case of death, disability of, or other cause making necessary the retirement of the President, the Vice Presidents will succeed in order. The General Mission Board will determine when an office is vacant due to the disability of an incumbent.

Section 4—The President will preside over the deliberations of the Annual Meeting and will perform other duties as may be customary to the position or as determined in the Bylaws, and will become an ex officio member of all Convention committees and boards. The President will continue as ex officio member of the General Mission Board for one full year immediately following tenure as President of this Convention unless elected to fill a vacancy in the regular membership of the Board.

Section 5—The Vice President may, in the absence of the President or when requested by the President, preside over the Annual Meeting and will perform other duties as may be provided in the Bylaws or as requested by the President.

Section 6—The Secretary will keep accurate minutes of all sessions of this Convention and will cause these to be published in suitable form in the Annual of this Convention together with other information as this Convention or the General Mission Board of this Convention deems necessary and proper.

Section 7—The President will be authorized to sign legal papers for the Baptist Convention of Maryland/Delaware, Inc. If unable to do so, the First Vice President or the Second Vice President will be so authorized.

Section 8—Should the President and Vice Presidents be unable to serve, the duties of the President will devolve upon the President of the General Mission Board until said Board will elect an interim President.

Article VI • General Mission Board

Section 1—This Convention will elect a General Mission Board to be known as the General Mission Board, none of whose members will be employees of said Board. Fifty-one percent will be a quorum for business.

The Rules of Order for the meetings of the General Mission Board will be those in the current edition of Robert's Rules of Order.

The General Mission Board will be composed of three members from the geographic area of each association. For each 5000 resident members or major fraction thereof, one additional Board member will be chosen, up to but not to exceed a total of ten Board members from any association. The President of this Convention, the President of the Woman's Missionary Union and the Maryland member of the Southern Baptist Convention Executive Committee will serve as at-large members of the Board. Board members selected by virtue of their Convention offices, will not be used in determining the number of members from an association or local church.

The term of the office of the members will be four years with, as nearly as possible, the terms of one-fourth of the members expiring each year. Any member serving for a full term or three years of an unexpired term will not be eligible for reelection until one year has expired.

Membership on the Board will cease when the member dies, moves membership from a church within the Convention, or the member's church ceases to be in cooperating fellowship with this Convention. In the event a member moves from a church in one association to another within this Convention, or the member's church changes from one association to another within this Convention, the member will be eligible to serve until a successor is elected at the next Annual Meeting. Membership on the Board will automatically be terminated when a member is absent for two consecutive meetings of the Board without notification submitted to the Board President or the Executive Director. The member will be notified of such termination.

Section 2—The members of the General Mission Board will be elected by this Convention, after receiving nominations from the committee selected by this Convention for this purpose, and after giving opportunity for nominations from the floor of this Convention.

Section 3—The work of this Convention, except as otherwise specified, will be committed to the General Mission Board described as follows: The General Mission Board of the Baptist Convention of Maryland/Delaware will act for this Convention ad interim promoting all the interests of the Kingdom, such as evangelism, missions, education, benevolence, social welfare, and public morals, and so on. The General Mission Board will not have authority to control the agencies and institutions of this Convention, but it will maintain general care and responsibility for the work of same. It is instructed to study annually their reports, to interpret and apply the rules of the constitution and the business and financial policy of this Convention as items may apply to any of the agencies of this Convention, to make recommendations directly to agencies and also to make whatever recommendations to this Convention concerning them it may deem advisable.

Section 4—This Convention will annually elect members to fill all vacancies on the Board.

Article VII • Agencies

Section 1—The Convention may establish agencies for the purpose of performing collateral Christian services. An agency will be a separate corporation independent of the Baptist Convention of Maryland/Delaware in its day-to-day operations but will work in cooperation with the Convention in order to avoid costly duplication. The Convention and each agency will establish, through the General Mission Board, an agreement defining their working relationship. An agency of this Convention will act in accordance with our historic Baptist doctrine and practices.

Section 2—The trustees of these agencies will be elected by this Convention after receiving nominations from the Committee selected by this Convention for this purpose and after giving opportunity for

nominations from the floor of this Convention. The number of trustees for each agency and their terms of office will be in accordance with the requirements of their respective charters and bylaws.

Section 3—All agencies sharing in the Cooperative Program receipts must include a summary of their financial report in the annual report to the Baptist Convention of Maryland/Delaware, and the General Mission Board will request a copy of the budget of all agencies sharing in the Cooperative Program receipts along with their requests for financial assistance.

Section 4—No agency of this Convention will create any liability or indebtedness (except such as can and will be repaid out of its anticipated receipts for current operations within a period of three years) without the consent of this Convention or the General Mission Board. In order to obtain such approval, the agency must file a statement showing the source of such anticipated receipts. Such consent must be likewise obtained for a purchase of properties or construction of same, subject to liens or encumbrances which cannot be repaid out of its anticipated receipts for current operations within a period of three years.

Section 5—Proposals for the establishment of new agencies must follow one of the following procedures: (1) Authority may be granted upon favorable vote by two successive Annual Meetings, or (2) Authority may be granted by vote of one Annual Meeting provided a favorable recommendation is made by the General Mission Board, after thorough study, and provided further that the proposal has been published in two issues of BaptistLIFE.

Section 6—The agency of this Convention is the Baptist Foundation of Maryland/Delaware, Inc.

Article VIII • Business and Financial Policy

Section 1—This Convention approves the Cooperative Program of Southern Baptists as its plan of world mission work and appeals to the churches to support it and to recognize the wisdom and right of this Convention to divide equitably the Cooperative Program receipts.

Section 2—Cooperative Program gifts will be distributed on a percentage basis approved by this Convention and designated gifts according to the wishes of the donors. The Administrative Committee of the General Mission Board will recommend at each pre-convention meeting of the General Mission Board the Cooperative Program goal and the distribution of receipts for the following year. Financial reports will be given at each meeting of the Board and an annual review conducted.

Section 3—The fiscal year of the General Mission Board and this Convention will be the calendar year.

Section 4—All funds entrusted to this Convention or to any of its boards or agencies will be strictly applied according to the expressed will and direction of the donors.

Section 5—This Convention will receive contributions, legacies and bequests for the several objects which it fosters. The Baptist Foundation of Maryland/Delaware, Inc., is the agency designated for the management of trust funds.

Article IX • The Denominational Paper

Section 1—The BaptistLIFE will be the official news journal of this Convention.

Section 2—The General Mission Board of this Convention will be responsible for the conduct of this phase of our work through the Director of the Communication Center.

Article X • Woman's Missionary Union

The Woman's Missionary Union of Maryland/Delaware is recognized as an auxiliary of this Convention whose accomplishments and potentialities in good works are appreciated as being of immeasurable value to the Christian cause.

Article XI • Miscellaneous

Section 1—Neither this Convention nor any agency owned or supported in whole or in part by this Convention, will accept or receive, directly or indirectly, any gift, grant, or aid from the Federal or State governments or any governmental agency except for definite and full services rendered by the agency with the approval of this Convention or its General Mission Board. In any debatable instance that may occur, the General Mission Board will interpret this statement subject to the approval of this Convention.

Section 2—Any special campaign for funds must be specifically approved by vote of this Convention or the General Mission Board.

Article XII • Amendment

All amendments to this constitution must be submitted in writing at an Annual Meeting. A vote will be taken when the amendment is presented and at the succeeding annual session. The proposed amendment may be modified in form but not in substance upon presentation for vote at the second session. The amendment will be adopted only after an affirmative vote of two-thirds of the messengers present and voting at two successive Annual Meetings. Non-substantive changes such as grammatical corrections and title or name changes may be made by the Administrative Committee of the General Mission Board and included in their report at the Annual Meeting of the Baptist Convention of Maryland/Delaware.

Section 1—The President will preside over the deliberations of the Annual Meeting and discharge such other duties as are imposed by this Convention or as are incumbent on the presiding officer of a deliberating body. At least two months prior to the Annual Meeting, the President, in consultation with the two Vice Presidents, will appoint a Committee on Credentials and Enrollment, a Committee on Committees, a Resolutions Committee, and other committees when so directed by the Body (see Article II, Section 1). In case of death or incapacity to serve, the Vice Presidents will succeed the President in order.

Section 2—A First Vice President and a Second Vice President will discharge such duties as requested by the President, will serve as ex officio members of the General Mission Board, and in the event of the death or disability of the President, will succeed the President in order of their rank.

Section 3—The Recording Secretary will record and preserve the proceedings of this Convention and will, in cooperation with the Executive Director, have the same published. The Assistant Recording Secretary will serve in the absence of the Recording Secretary and assist as necessary.

Section 4—The Corporate Secretary will perform the duties legally required of this office.

Section 5—The President and the Executive Director will be advisory to all Convention committees and agencies.

Article II • Committees and Their Duties

Administrative Guidelines for All Committees

All committees will reflect, as much as possible, a balance between vocational ministers and others. An ex-officio member will have voting privileges. No person will be elected to serve simultaneously on more than one standing committee.

No church will have more than two representatives simultaneously elected to serve on BCM/D committees, the General Mission Board, or as trustees of a BCM/D institution or agency.

Committees of this Convention may appoint persons other than members to special limited purpose subcommittees and advisory committees provided such persons will serve only in an advisory capacity and will not be permitted to vote at meetings of the authorizing committee.

Membership on committees will cease when the member dies, moves membership from a church within the Convention, or the member's church ceases to be in cooperating fellowship with this Convention. In the event a member moves from a church in one association to another within this Convention, or the member's church changes from one association to another within this Convention, the member will be eligible to serve until a successor is elected at the next Annual Meeting. Membership on the Board will automatically be terminated when a member is absent for two consecutive meetings of the Board without notification submitted to the Board President or the Executive Director. The member will be notified of such termination.

In the event of a vacancy between Annual Meetings, the President shall appoint members to fill that vacancy as an interim until approval at the next Annual Meeting. This would apply to all BCM/D committees.

Section 1—In advance of the Annual Meeting, the President will appoint the following committees:

1. Committee on Credentials and Enrollment—The committee will consist of five members whose duties it will be to register messengers and visitors. This committee will review and rule upon any questions which may arise in registration concerning the credentials of messengers. Any such ruling may be appealed to this Convention during business session. This Committee will make a report to the assembled messengers upon the call of the President, and will pass on the credentials of all messengers.

The Committee on Credentials and Enrollment will function under the following guidelines:

- Each person elected by a church, cooperating with the Baptist Convention of Maryland/Delaware, as a messenger to the Annual Meeting will be registered as a messenger to this Convention upon presentation of proper credentials. Credentials will be presented by each messenger, in person, at the Convention registration desk and will be in the following form:
- A completed and signed BCM/D registration card certifying the messenger's election in accordance with Article III Membership of the Constitution of the Baptist Convention of Maryland/Delaware, Inc.; but if the messenger does not have the messenger registration card,
- A letter from the messenger's church, signed by the clerk or moderator of the church certifying messenger's election in accordance with Article III Membership of the Constitution of the Baptist Convention of Maryland/Delaware, Inc.; or

2. Committee on Committees—This committee will consist of one member from each association whose duty it will be to nominate for election by this Convention the members and chairpersons of the committees listed in Sections 2 and 3 of this article, with the exception of the Committee on Committees, and other committees as may be assigned to it. Members of this committee will be appointed to a three-year term, one-third of its number retiring each year. A member of this committee cannot be nominated as a member of the General Mission Board, a trustee of the agencies of this Convention, or a member of any Convention committee.

3. Resolutions Committee—This committee will consist of five members. It will be responsible for initiating, reviewing, researching, preparing and recommending all resolutions for adoption. Only resolutions presented to the Resolutions Committee at least 45 days in advance of the Annual Meeting will be considered by the committee before the first session. Other resolutions may be referred to the committee by the general body during the session as described in Article VI, Section 2. Resolutions should seek to build up and unify the body rather than divide it; therefore, only resolutions that have the full consensus of the committee will be presented at the Annual Meeting.

An announcement will be published online, or in such other ways as the General Mission Board may direct, no later than 75 days before the Annual Meeting requesting resolutions for the committee's consideration and possible presentation at the Annual Meeting. Proposed resolutions will be submitted in writing and addressed to either committee members or to: Resolutions Committee, BCM/D, 10255 Old Columbia Road, Columbia, Maryland 21046-1716.

Section 2—This Convention will elect the following committees to report to the next Annual Meeting:

1. Committee on Order of Business—This committee will consist of one member from each association. The members of this committee will be elected to a three-year term, one-third of their number retiring each year. The committee will be responsible for recommending to this Convention the place, time, preacher, and music director of the Annual Meeting one year hence and, if feasible, the time and place two years hence. The committee will present to the opening session of the Annual Meeting for adoption, a recommended agenda for the Annual Meeting.

2. Committee to Nominate the Members of the General Mission Board and Trustees of the Agencies of this Convention—This committee will consist of one member from each association. Members of this committee will be elected to a three-year term, one-third of their number retiring each year. The head of an agency, or his representative, will meet with the committee to suggest names for consideration on the committee, for vacancies on the respective agency's board of trustees and for the agency's representatives on the General Mission Board. A member of this committee cannot be nominated as a member of the General Mission Board, a trustee of the agencies of this Convention, or a member of any Convention committee.

3. The Christian Life and Public Affairs Committee—This committee will act for this Convention in the field of Christian ethics, public affairs, interfaith cooperation, and Christian social concerns. Specifically, but not exclusively, these areas will include family life, human relations, race relations, moral issues, economic life, daily work, citizenship, church-state relations, cooperative relationships with other religious groups, and those areas where the gospel and the churches affect or are affected by community and public life. The Christian Life and Public Affairs Committee may act on matters referred to it by this Convention, by the General Mission Board, or by any agency of this Convention

The Christian Life and Public Affairs Committee will be responsible for initiating consideration and study, and for recommending action of the Baptist Convention of Maryland/Delaware and/or General Mission Board on any matter or issue falling within the scope and purpose as set forth in the preceding paragraph.

The committee will be elected and directly responsible to the Baptist Convention of Maryland/Delaware. It will report annually to this Convention.

The committee is authorized to make pronouncements on matters within its scope and purpose in as far as they are consistent with actions previously taken by the Baptist Convention of Maryland/Delaware, the General Mission Board, or the Southern Baptist Convention. However, under no circumstances will the committee assume the exercise of authority for this Convention, its agencies or the churches.

The Christian Life and Public Affairs Committee will be composed of one member from each association. At least half the members will be lay people. All members will be elected by the Convention in the Annual Meeting. Members will be elected to a three-year term, one-third of their number retiring each year. No member can be elected to serve more than two full terms of office until at least one year will have elapsed after the second full term. A member may be elected to complete an unexpired term caused by vacancy and thereafter be elected to two full terms per above. In addition, the Executive Director will annually designate a Convention staff member as a consultant to this committee. Staff member succession will be at the discretion of the Executive Director.

The committee will elect a recording secretary and such other officers each year as it will deem necessary. The committee will meet quarterly and/or at such other times as will be designated by the chairperson.

The financial needs of the Christian Life and Public Affairs Committee will be through the budget of the Baptist Convention of Maryland/Delaware.

This committee will present nominations for General Mission Board officers and the chairperson and members of the Administrative Committee at its organizational meeting. Members of this committee cannot be nominated as members of the Administrative Committee.

2. Administrative Committee Purpose—The Administrative Committee performs normal administrative committee responsibilities for the General Mission Board between regular meetings and works with the Executive Director in the implementation of the Board's policies, programs, and services assigned to its general care.

The incumbent General Mission Board, its officers and committees, will continue to function until the new General Mission Board, at its first meeting during or after the Annual Meeting of the Baptist Convention of Maryland/Delaware, is duly organized. The same is true for trustees and directors of any agency of this Convention.

Article VI • Procedure for the Annual Meeting

Section 1—Rules

1. The rules of order for the sessions of the Annual Meeting will be those in the current edition of Robert's Rules of Order, but in cases where the meaning may not be clear, the President's discretion will be exercised. The President may appoint a Parliamentarian who will advise and assist the President with respect to all matters involving parliamentary procedure.
2. No person addressing the Annual Meeting may speak more than twice on the same subject without unanimous consent.
3. The President is charged at all times with the maintenance of decorum and order.
4. The President will only allow new business to be considered once during the Annual Meeting by permission of majority vote of the messengers present.

Section 2—Resolutions

All resolutions considered at the Annual Meeting will come from the Resolutions Committee and have their full consensus or, as a redress, one presented to but rejected by the committee may be ordered to the floor under a "question of privilege" without having the full consensus of the committee. All resolutions available to the Resolutions Committee 45 days before the Annual Meeting will be automatically considered by the committee and, if accepted, will be printed and distributed at the first session of the Annual Meeting. If, in the opinion of the President, a messenger has a "copy-ready master" of a resolution with justifiable reason for not meeting the 45-day rule, it may be referred to the Resolutions Committee by the assembly at the first session. The action should follow the form: (Petitioner) "Mr. President, I request the consideration of a resolution concerning (subject)."; whereupon the President immediately puts the question without debate, "(Messenger) requests the privilege of having a late resolution considered, all who favor instructing the Resolutions Committee to review this resolution for consideration ... (vote)."

All resolutions passed at the Annual Meeting are the opinion of the overwhelming majority of the messengers present at that Annual Meeting but are not binding on the Baptist Convention of Maryland/Delaware, local associations, local congregations or individual Baptists. In order for a

resolution to express the clear opinion of the messengers at the Annual Meeting, successful adoption will require an affirmative vote of two-thirds of the messengers present and voting.

Section 3—Election of Officers

1. The Officers of this Convention will be nominated from the floor, and the election will be by secret ballot when two or more persons are nominated for the same office.

- The one receiving the majority of all votes will be declared elected.
- The chairperson of the Credentials Committee hands the results of the vote to the presiding officer who announces first whether the vote is a majority vote or not. If a majority, the candidate is declared elected. If not a majority, the chairperson declares a run-off of the two receiving the highest number of votes.
- The vote is not effective until announced.

2. The President will be elected before the Vice Presidents are nominated and the First Vice President is to be elected before receiving nominations for the Second Vice President.

Article VII • Amendments to Bylaws

The Bylaws may be altered by a majority vote of the messengers present at the Annual Meeting of this Convention. Non-substantive changes such as grammatical corrections and title or name changes may be made by the Administrative Committee of the General Mission Board and included in their report at the Annual Meeting of the Baptist Convention of Maryland/Delaware.

Worship - Jason Brown and the worship team of First Baptist Church of Upper Marlboro, Maryland led in worship.

Call to Order (Enrollment of Messengers)

Beth Fillis, Fenwick Island Baptist Church, Committee on Credentials and Enrollment, reported there are 167 registered messengers and 10 guests for a total of 177 attendees.

Approval of Order of Business

Phillips presented the Order of Business on behalf of Mike Cooper, chair of the Committee on Order of Business. The motion was made to adopt the Order of Business agenda for the 185th Annual Meeting of the Baptist Convention of Maryland/Delaware. The messengers unanimously approved the agenda.

New Resolutions

Phillips asked if there were any additional resolutions to be presented. There were none.

Recognition of Dr. Kevin Smith

Victor Kirk, chair of the Administrative Committee recognized former Executive Director Kevin Smith. Kirk thanked Smith for his service and commended him for bringing stability and restored integrity with the SBC, fruitful relationships with NAMB and other associations and partnerships with other state conventions. He expressed appreciation for Smith as the first African American Executive Director. Kirk presented a plaque to Smith in appreciation and recognition of five years of service to the BCM/D.

Dr. Smith expressed appreciation saying, “Five and a half years were totally enhanced by Brother Tom Stolle.” He expressed appreciation for the BCM/D staff and for NAMB Send Network Director, Mike Crawford.

Mark Dooley led in a time of prayer thanking the Lord for Kevin Smith.

Celebrations of Success in BCM/D Churches

Mark Dooley recognized several pastors who reported on how the Lord was working in and through their churches.

- **Adam Muhtaseb - Redemption City Church in Baltimore City**
Muhtaseb reported that he planted Redemption City Church three years ago and expressed gratitude for what the BCM/D has done in his life. They have 90 members and yesterday, November 14, sent out their first missionary to the Middle East. They have two church planting residents in their church. He thanked messengers for their support. May God receive the glory.
- **Adam Polk - Redeeming Grace Baptist, Lexington Park Maryland.**
Polk report Redeeming Grace was launched as a campus of Leonardtown Baptist Church in 2015.

Over the last few years, they have seen the Lord grow their church even in a transient community. They want to equip believers and grow in their relationship with Christ. They are in the process of securing their own space in a new facility. They believe the Great Commission is their purpose and in making disciples. Some have pursued full-time ministry. They remain committed to coming along side other churches, both domestically and internationally. Their goal is to plant other healthy churches in the years to come. They are eager to see what the next chapter holds

- **Colin Pugh - Clinton Baptist**
Pugh reported that his church is a re-plant. In 2019, He became the pastor with only nine members. Within two years, they have grown to 150 members, with 64% being new believers. They delivered 12,000 meals to senior adults during COVID, provided 400 book bags and provided coats to men in homeless shelters.
On October 13, 2021, they had a Harvest Fest with approximately 300 people in attendance. This ministry brought light and life to the church, but also to the community.

Joseph Jones - Freedom Church Windsor

Jones reported they planted the church three years ago. They have planted one church. He told messengers Baltimore is not dead and people are being impacted. Everything you do to provide support matters: resources, time and effort.

- **Dan Housam - North Valley Church**

Housam reported they are a replant of Myersville Baptist Church. He thanked BCM/D and NAMB for their support. They began meeting in person in June 2021. They are growing several ministries, starting a sensory room and partnering with Banquet Network.

▪ **Richard Pope - Canvas Church in Salisbury**

Pope reported in the last 33 weeks they've seen several decisions to follow Christ. They are seeing generational change. They are also planting another church in Sussex County, Delaware. Michael Crawford prayed for Richard and his family.

Looking Toward the Future - Mark Dooley, Interim Executive Director

Drawing from the book of Acts where Saul of Tarsus was radically converted, he asked, "Is there anything greater than seeing someone go from darkness to Light?" Antioch became his home church where believers were first called Christians. This church supported other churches.

We need to give our people the opportunity to serve the Lord. Don't underestimate the beauty of a local church.

In Paul's first missionary journey, Dooley shared three overarching truths.

- i. We are to be a Gospel proclaiming people.
- ii. We must maintain a church starting emphasis.
- iii. We must be a church strengthening organization.

Dooley encouraged all churches to report in the Annual Church Profile (ACP). The purpose for the ACP is not bragging rights, but knowledge, knowing the needs of our churches. We also need to know cultural elements facing each of our churches.

We can agree that any kind of abuse has no place in God's church. We are called to minister to and serve the vulnerable.

We will provide training for Caring Well which is a unified call to action among our churches to stop the tragedy of physical, sexual and emotional abuse by providing pathways to enhance protective measures for vulnerable people groups as well as care for abuse survivors. We have three dates to begin this training:

- February 26
- April 30
- June 4

Dooley announced on May 19, 20 and 21 in three different locations there will be a Teaching Round Table on Spiritual Warfare taught by Chuck Lawless, professor at Southeastern Seminary.

He recognized the BCM/D staff. He honored Margot Painter for 10 years of service and Ellen Udovich for 20 years of service. Margot works with the church planting

team, IT and manages the facilities. Ellen oversees disaster relief efforts and community ministry.

The Work of BCMD's Church Services

Dooley gave an overview of Church Services and introduced the church services team members.

Revitalization - Randy Millwood

Discussed revitalization over the course of the years, cohorts, small groups, core groups, consultation work, churches in interim were formed.

In 2021, we were busy developing cohort, prayer groups, study groups, developing partnerships, assessing church health, prayer, coaching, etc. we will continue cohorts, continue Core Values Index, training for churches in searching for pastors. We are providing a 40-day guide for Praying for Revitalization. There is a CVI Calculator online. We are starting a new Doctorate of Ministry. There will also be an evangelism conference this year. In 2023, the Renovate Mid-Atlantic event will be here.

Kris Buckman - Children/Youth

Reaching the next generation is important. Currently Generation Z is the least religious and research has predicted 35 million young people will walk away from the faith. Statistics show that 45% of unchurched teens say they would go to church if they were invited. We need to create meaningful worship experiences. We have a goal to baptize 2022 youth in 2022.

Ellen Udovich - Disaster Relief and Community Ministry

The last few years have been the busiest we've ever had and have had to work around the pandemic. Last year in Prince George's County, disaster relief tore out and sanitized a great deal of homes. This was for a lot of people of the senior population. FBC of Upper Marlboro adopted a home and began to build a relationship with the homeowners. The couple showed up unannounced on Sunday. We don't always know if our prayers work but we can trust that the Lord always fulfills His purposes as we continue to help bring healing to hurting people in your communities.

Michael Mattar - African American Fellowship

Mattar explained purpose of the Fellowship is to advise and assist African American churches to strengthen and start churches.

Purpose of the Fellowship is to provide a united base of SBC churches that identify themselves as African Americans congregants in order to build relationships, form partnerships together and organize fellowship with one another.

In 2022, we will be hosting, educating, equipping by celebrating February 4th and 5th. There is a Black Church Fellowship Awareness Conference and a Black Church Leadership Conference in July. We also have regional breakfasts around the BCM/D area to continue to discuss BCM/D life.

The Work of BCM/D's Church Planting Team - Michael Crawford

Crawford wants to Identify, Assess, Plant and Send, to Discover, Develop and Deploy. Crawford's vision is to see more Maryland Delaware churches developing a system to identify gifts, develop them, coach them, train them, and send them out.

One of the most valuable parts of church planting that is often overlooked is the planter's wives. Thank you for what you do and the sacrifices you make.

Crawford introduced his team, the church planting catalyts (CPCs)

Jamie Caldwell exhorted the BCM/D to see church planting as a priority. He highlighted family and cooperation using Scripture from Mark 3, Romans 16.

Alejandro Molero's emphasis is on Hispanic involvement in the Convention. Last month there was an event with 18 Hispanic churches in order to fellowship. Pray for more laborers.

Daniel Hyun, City Missionary for Baltimore, does "Whatever it Takes". We have an emphasis on cooperation with other entities. This work is worth it. Planting takes work, prayer, endurance, perseverance. Thank you for the support.

Crawford expressed thanksgiving for SBC entities and all others who come along side to be a part of church planting.

Worship - Jason Brown and the worship team of First Baptist Church of Upper Marlboro, Maryland led in worship.

Harold Philips announced Salaam Center in Baltimore is reaching over 200 Arab family and are awaiting the arrival of 250 more families. God is doing a great work in Baltimore.

Constitution & Bylaws Committee

Mrs. Van-Kim Lin and Evan Collier gave the report on behalf of Randall Blackmon, chair. Lin directed messengers to look at the proposed changes to the Constitution & Bylaws, which were distributed to all messengers.

Article 3 Membership: Collier expressed the need for bringing the constitution and bylaws up-to-date. BCM/D recognized the need for clarification on membership because of the new BCM/D health plan that was offered to all cooperating churches. There needed to be a clear and measurable metric for determining whether a church was cooperating. The first metric that was suggested was adding a monetary contribution for affiliated churches. The second metric is regarding a theological commitment - affirming the Baptist Faith and Message 2000.

Section 1—The membership of this Convention will consist of messengers who are members of Baptist churches which are in friendly cooperation with this Convention and sympathetic with its ~~purpose~~ mission and work, ascribe to the Baptist Faith & Message 2000, and which have during the preceding 12 months (October 1 through September 30) been bona fide contributors to the work of this Convention. Each affiliated church must make a minimum contribution of \$500.00 annually during the preceding 12 months (October 1 through September 30). If the church does not contribute the minimum annual amount, they have until the end of the following 12 months (October 1 through September 30) to meet their current and prior year minimum. Membership will cease when Baptist churches are no longer either in friendly cooperation with this convention and sympathetic with its mission and work, no longer ascribe to the Baptist Faith & Message 2000, or which have not during the preceding 12 months (October 1 through September 30) been bona fide contributors to the work of this Convention.

Section 2—Each ~~cooperating~~ member church meeting the requirements in Article III Section 1 will be entitled to two (2) messengers; ~~each cooperating church exceeding fifty (50) members will then be given one additional messenger for each additional fifty (50) members or part thereof; or~~ and one additional messenger for each \$750 contributed to the work of this Convention through the Cooperative Program until the maximum of thirty (30) is reached.

The motion was made to amend the motion and add the word “newly”: *...Each “newly” affiliated church must make a minimum contribution of \$500.00..* The motion was seconded and after discussion and a vote, the amendment failed.

The addition of a monetary requirement was discussed. There was a motion to send this recommendation back to the committee, but the motion failed.

Kevin Collins called for the question on the proposed change to Article 3, Section 1 and 2 and the motion passed.

There was a motion to reinstate the deleted language in Section 2, which was seconded. The motion passed.

Changes to Articles 4.3, 7 5 and 9 2 regarding BaptistLIFE were presented as a group.

18. Chairman of Andy Bell chair of the Committee on Resolutions presented two resolutions

The first resolution was in appreciation of First Baptist Church of Laurel, Md., for hosting the meeting and to all the people who served us today.

On Appreciation for First Baptist Laurel

WHEREAS, the messengers to the 185th session of the Baptist Convention of Maryland/Delaware are enjoying a time of worship, encouragement, and fellowship in the Lord Jesus Christ; and

WHEREAS, we acknowledge God's providence in all these blessings; and

WHEREAS, we acknowledge the kind hospitality of First Baptist Church and Rev. Brent Brewer for hosting the Annual Meeting with graciousness, generosity and professionalism; and

WHEREAS, we also acknowledge the kind hospitality of the First Laurel staff and volunteers for graciously and selflessly helping to make this gathering of Maryland/Delaware believers God-honoring.

RESOLVED, that the messengers to the Baptist Convention of Maryland/Delaware meeting in Laurel, Maryland, on November 15, 2021, express our profound gratitude to the Lord and to all those through whom He is working to bring about an annual meeting characterized by prayer, grace, worship, encouragement, cooperation, and purpose.

The resolution was approved.

The second resolution was in support of establishing a Sexual Abuse Survivors and The Task Force.

In Support of Sexual Abuse Survivors and The Task Force

Whereas, we affirm the Baptist Faith and Message 2000 Article XV which states in part, "All Christians are under obligation to seek to make the will of Christ supreme in our own lives and in human society... We should work to provide for the orphaned, the needy, the abused, the aged, the helpless, and the sick... In order to promote these ends, Christians should be ready to work with all men of good will in any good cause, always being careful to act in the spirit of love without compromising their loyalty to Christ and His truth."; and

Whereas, the messengers of the 2021 Southern Baptist Convention in Nashville passed overwhelmingly the motion (*see endnote for full text*) creating a Task Force for the purpose of an independent investigation of the SBC Executive Committee requiring that privilege be waived; and

Whereas the trustees of the SBC Executive Committee are nominated to their positions for the purpose of executing the will of the messengers who are sole member; and

Whereas the trustees and staff of SBC Executive Committee struggled to affirm the will of the messengers and eventually did so; and

Whereas our brothers and sisters who are survivors of sexual abuse at the hands of Southern Baptist Pastors, Ministers, Deacons, Sunday School teachers and/or members should be heard, honored and cared for in a way that honors our Savior; therefore, be it

Resolved the Baptist Convention of Maryland and Delaware at our 2021 annual meeting declare that we wholeheartedly and unreservedly affirm the original SATF motion from the 2021 convention floor approved by an overwhelming majority of messengers present; and be it further

Resolved that the BCMD calls upon the trustees of the SBC Executive Committee to continue to fully abide by the terms given to them by the messengers at the 2021 Southern Baptist Convention; and be it further

Resolved that the messengers of the 2021 Baptist Convention of Maryland/ Delaware annual meeting, call on our convention of churches to support victims of sexual abuse by exposing all forms of abuse through faithful teaching and preaching of God's Word, by immediately and fully reporting every known case of sexual abuse to the proper civil authorities, removing from membership any church that knowingly perpetuates sexual abuse among its members or staff, and stand ready to offer holistic support to survivors of sexual abuse; and be it further

Resolved that the BCMD Executive Director, staff, General Mission Board members, Associational Missional Strategists/Directors of Mission and pastors commit to implementing the Southern Baptist Caring Well Initiative (<https://www.caringwell.com/>) to the fullest extent possible. In addition to the common practice of background checks and child protection policies, this initiative will serve our affiliated churches in protecting our men, women and children from the trauma of sexual abuse within the churches affiliated with the BCMD; and be it further

Resolved that the messengers of the 2021 BCMD Annual meeting request that the Affiliation Committee of the General Mission Board research the potential of requiring preventative measures like Caring Well Initiative, background checks and child protection policies for a church to be considered in good standing with the BCMD. This committee would report its findings to the Officers of the General Mission Board no later than 90 days prior to the 2022 BCMD Annual Meeting so that the Officers of the General Mission Board can

The motion was approved.

The Work of the BCM/D

Tom Stolle presented a report on the Special Needs Ministry. He encouraged all churches to begin ministering to all people with disabilities. He stated that many disabled people feel unwelcome at the church and therefore are unlikely to ever attend.

Emily Reedy, Director of Skycroft Conference Center, gave a report. She said 2022 is the 50-year anniversary of Skycroft. More decisions are made for Christ at Skycroft than within any other BCM/D ministry. In 2019, there were 51 professions of faith and 36 milestone decisions.

Stolle reported on the State Missions Offering. This offering supports three initiatives: special needs, disaster relief and Skycroft.

Looking ahead - 2025 Goals

Mark Dooley, Interim Executive Director, presented the 2025 goals. With each of these goals he presented ways in which the churches, associations and the BCM/D could work together to accomplish them.

- Church Plants - plant 50 new churches during the 2022-2025 time period.
- Caring Well for the Vulnerable - 100% participation of BCM/D churches engaging in the Caring Well initiative by 2025.
- Baptisms - 10,000 baptisms from 2022-2025

2021 Annual Report of the Baptist Convention of Maryland/Delaware

- Revitalizations – 100 churches engaging in revitalization efforts before 2025
- Missional Engagements – 1,000,000 missional engagements among BCM/D churches during 2022-2025
- Cooperative Program (CP) Giving – See CP giving grow from its current level to \$4,000,000 by 2025.

Baptist Foundation Report / Presentation - Bill Voelp

Baptist Foundation of Maryland Delaware currently manages assets of approximately \$14.4 million.

Through the Church Loan program, 16 churches affiliated with the BCM/D are being assisted with approximately \$2.7 million in outstanding loans. The Foundation makes a distribution annually to the BCM/D to be used to start churches and to strengthen existing churches. The distribution to be made for the fiscal year ended September 30, 2021, totals \$103,803.51, which was presented to the BCM/D.

An additional investment option exists via our partnership with the Kentucky Baptist Foundation, offering BCM/D affiliated churches a low-risk investment alternative to traditional money market and savings accounts.

President's Address - President Harold Phillips

President Harold Phillips gave a message on Joshua 24:29-33 on Stewardship. He stressed that the Lord is still working today in the BCM/D churches and in us as individuals. He encouraged messengers to return to the freshness of their relationship with Christ.

Report of Interim Executive Director Rev. Mark Dooley

It has been a joy to serve this convention these past two months as the interim executive director. Three years ago, Dr. Kevin Smith first spoke with me about joining the Baptist Convention of Maryland/Delaware (BCM/D) staff as the state director of evangelism. Since doing so, I've enjoyed serving alongside him and getting to know the rest of the talented staff of the BCM/D. My step into the interim executive director role since Dr. Smith's return to the pastorate has only increased that joy. In my role as state director of evangelism, I was able to be in many churches and speak with numerous pastors. That has only increased these past two months. For me, the opportunity to worship and dialogue with the people of our churches is one of the most rewarding aspects of this position.

I also knew firsthand about the amazing efforts of our Church Services team since that was the department that I led. However, these past few months have enabled me to see more closely the work that the rest of the BCM/D staff does. Please believe me when I say we are blessed with an incredibly talented and dedicated staff. It is both a joy and an honor to serve alongside each of them.

At this year's annual meeting, we will be sharing some 2022-2025 goals for our BCM/D churches. These goals represent opportunities to further our cooperative efforts and an opportunity for each of our churches to be involved in kingdom efforts. I am excited to speak to these goals with you today.

There is no doubt that these have been difficult days for Southern Baptists lately. We've frequently been in the news, and it hasn't always been for the amazing things taking place. Nonetheless, there are some wonderful things happening. That is true across the nation, and it is especially true here in our two-state convention of Maryland and Delaware.

But regarding the issue that has been prominent recently, the issue of sexual abuse survivors, and our response, it is important to recognize that this is a significant gospel issue. For too long, many Christians have regarded important social issues (race relations, poverty alleviation, human trafficking, and more) as tertiary issues. We've left these things to the government to address, forgetting that we've been called to be salt and light on such matters and that we've been called to put our own house in order where we may have stepped out of line with the Scripture. We're called to bring such issues to light and travel the road of repentance when that is necessary.

The BCM/D is currently working to focus more diligent efforts toward helping our churches know how to respond to the pressing issue of sexual abuse. We need to help ALL churches have safeguards in place to guard the vulnerable. We need to provide training for ALL churches to know how to respond in the unfortunate

event that such occurs and to understand the implications of failing to provide protective efforts. We need to provide resourcing so that ALL churches can take proactive steps to protect everyone.

In this fallen world in which we live, no efforts are foolproof. But failing to make some effort at providing this protection is no longer a viable option. The BCM/D will help our churches be better and do better in this regard in the months ahead.

After a year of not gathering due to COVID-19, we are truly thankful to gather this year. We sincerely thank First Baptist Church, Laurel, for hosting this year's annual meeting. Even though we are meeting in an abbreviated fashion, it is exciting to come together to hear about the work the Lord is doing through the churches of the BCM/D. Our sincere hope is we will be able to expand next year's meeting to a longer time frame to share even more.

Acts 16:5 says, "So the churches were strengthened in the faith and grew daily in numbers" (NIV). My prayer is that the efforts of the BCM/D will help our churches be "strengthened in the faith." I also pray that we grow daily in numbers. In that regard, let me remind you that the report for our Annual Church Profile (ACP) will be due in January. Let's work hard to improve our participation in this effort. These are not numbers for numbers' sake. They are not for bragging rights. Instead, they help us determine priorities in ministry. They help determine the support we receive from national partners. The ACP is essential information, so I hope all our churches will make every effort to complete this report.

It is a joy to serve the Lord as Maryland/Delaware Baptists. We are a diverse group, ranging from gospel ministry in the mountains of the west to gospel opportunities at the ocean in the east. We serve the Lord in the urban areas along the Interstate 95 corridor between Washington and Wilmington. We serve the Lord in the more rural areas like the Delmarva Peninsula and southern Maryland. Each week, Maryland and Delaware Baptists worship in multiple languages and through multiple traditions. Indeed, we are a diverse group of people.

But at the core of it all, we are a gospel people. We are committed to the Lord, Jesus Christ. We are committed to His word. We are committed to His church, the church for which He shed His blood. We are committed to our cooperative mission. It's obvious that one church cannot do alone what many churches can do together. Let us remain committed to the cooperative mission that propels us forward in our kingdom efforts ... all to the glory of God.

2020-2021 Summarized Activities/ Highlights of the General Mission Board

The Baptist Convention of Maryland/Delaware (BCM/D) General Mission Board (GMB) is pleased to serve the churches within our convention.

As you know, the COVID-19 pandemic, which began in 2020, continues to impact our churches in 2021. Praise God that He continues to provide and sustain through this journey. The highlights of the last year follow.

The 2022 budget referred by the GMB to the messengers includes a commitment to send 48% of Cooperative Program receipts to the Southern Baptist Convention, reflecting our desire to allocate a significant portion to national and international missions causes. The budget forecasts \$3.5 million in Cooperative Program (CP) receipts in 2022. This budget also includes funding through our State Missions Offering for key initiatives, including ministries to individuals and families affected by disabilities, disaster relief, Skycroft Conference Center (Skycroft), and our international mission partnership with Kenya.

Concerning Skycroft, this budget reflects service to approximately 20,000 guests as well as ministry to more than 2,000 students attending the various on-site camps. Skycroft remains a vital part of the BCM/D's church strengthening and evangelistic ministry. Many campers make decisions for Christ through the ministry of Skycroft. We look forward to returning to increased church meetings and retreats as the pandemic wanes and hope to get closer to pre-pandemic attendance levels in 2022.

Due to the impact of the pandemic, Skycroft experienced lower than normal summer camp attendance in 2021, with attendance at slightly greater than 50% of pre-pandemic levels. That, combined with a reduced number of retreat bookings and visits from guests, generated a revenue shortfall. However, the resulting cash shortfall was partially offset by the receipt of a Payroll Protection Loan issued by the federal government earlier this year. We anticipate this loan will be fully forgiven and will essentially become a grant that will help maintain conference center operations.

In 2020, Skycroft began the journey of a repair and replacement of its current septic system. This journey continues. Convention leadership is working with an engineer, legal counsel, and state and county officials to design and install a new septic solution. A hydrogeological study required by the State of Maryland began earlier this year and is still ongoing. The results of this study will largely dictate our future direction. This project is anticipated to continue into 2022 and perhaps beyond before a solution is approved and installed.

The BCM/D maintains a health plan in which full-time staff of churches affiliated with the BCM/D can participate. In addition to the health plan, the Baptist

Foundation of Maryland/Delaware, in cooperation with the BCM/D and the Kentucky Baptist Foundation, is offering an investment option available to BCM/D-affiliated churches. It is a low-risk investment alternative to traditional money market and savings accounts.

Dr. Kevin Smith resigned as the BCM/D executive director to pastor a church in Florida. Mark Dooley has assumed the role of interim executive director. An executive search committee has been formed to seek the next executive director.

I pray that God is pleased with our efforts as we seek to serve and honor Him in all that we do. Approximately 500 churches choose to affiliate with the BCM/D to be a part of a cooperative sharing of the gospel. May God be glorified as we share the good news of Jesus with our communities, our nation, and our world.

In His Service,

Rev. Frank Duncan
President, General Mission Board

A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the cash receipts and disbursement basis of accounting; this includes determining that the cash receipts and disbursement basis of accounting is an acceptable basis for the preparation of financial statements in the circumstances. Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with the cash receipts and disbursement basis of accounting. We believe that the results of our procedures provide a reasonable basis for our conclusion.

We are required to be independent of the Baptist Convention of Maryland/Delaware, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our review.

Accountant's Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with the cash receipts and disbursements basis of accounting.

We draw attention to the notes to the financial statements, which describes the basis of accounting. The financial statements are prepared in accordance with the cash receipts and disbursement basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Notes to Financial Statements
December 31, 2021

Note 1 – Summary of Significant Accounting Policies

Date of Management Review: Management has evaluated subsequent events through February 24, 2022, the date on which the financial statements were available to be issued. The Organization did not have any material recognizable subsequent events during this period.

Organizational Purpose: As stated by the mission statement of the Baptist Convention of Maryland/Delaware, Inc. (the "Organization"), it will intentionally assist the starting and strengthening of congregations so that together they can fulfill Jesus' commands in Matthew 28:19-20 and Acts 1:8. The Organization derives the majority of their income from individuals and churches in Maryland and Delaware.

Basis of Accounting: These statements are presented on the cash receipts and disbursements basis. The cash receipts and disbursements basis require that revenues and the related assets be recognized when received rather than when earned, and certain expenses be recognized when paid rather than when the obligation is incurred. However, these financial statements have been modified to reflect certain items budgeted for 2021 even through the actual funds related to those items have not been received or expended as of December 31, 2021. The statement of budgeted activities – cash receipts and disbursement basis reports only those transactions that were budgeted for in 2021.

Funds received by the Organization to be used for purposes unrelated to the operating activities of the Organization are recorded as a cash exchange liability until such funds have been disbursed.

Financial Statement Presentation: The Organization has adopted the Financial Accounting Standards Board (FASB) Accounting Standards Updated (ASU) 2016-14, "Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities." Under ASU 2016-14, the Organization is required to report information regarding its financial position and activities according to the following two classes of net assets:

Without Donor Restrictions

Net assets which are free of donor-imposed restrictions. Included net assets are donor advised funds, for which donors may make recommendations to the Board of Trustees with respect to the distribution of the income and/or principal for an agreed upon period of time. The Board of Trustees has complete discretion on whether to accept or reject the donor's recommendation.

With Donor Restrictions

The Organization reports gifts of cash and other assets as restricted support if they are received with donor or grantor stipulations that limit the use of the donated assets. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other specified events. When time or purpose restrictions expire, or are achieved, the net assets are reclassified to net assets without donor restrictions. Other restrictions are perpetual in nature, where resources are to be maintained in perpetuity.

The Organization has adopted the FASB issued ASU 2018-13, "Fair Value Measurement (Topic 820): Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement." The standards core principle is to improve the effectiveness of disclosures in the notes to the financial statements.

Cash and Cash Equivalents: Cash equivalents generally includes all highly liquid debt instruments that mature in 90 days or less.

Inventory: Inventories are stated at the lower of cost or market using the first-in, first-out (FIFO) method. Inventory consists of various supplies on hand needed for the operations of the Organization.

Baptist Convention of Maryland/Delaware, Inc.
Notes to Financial Statements

Note 1 – Summary of Significant Accounting Policies (continued)

Property Owned: Property and equipment that have been capitalized are stated at cost. Assets purchased in excess of \$2,500 which have a useful life in excess of one year, are capitalized. Major additions and betterments are charged to the asset accounts only to the extent the costs have been reflected in the operating budget. Management periodically reviews the utilization of assets and removes those assets that no longer have a useful life. Depreciation is not recorded since the operating budget makes no provision for non-cash expenses; accordingly, an impairment loss from the valuation of long-lived assets under FASB Accounting Standards Codification (ASC) 820 would not be recorded.

Cooperative Giving: The Organization adopted FASB ASC 958-605, "Not-for-Profit Entities – Revenue Recognition." In accordance with FASB ASC 958-605, contributions received are recorded without donor restrictions or with donor restrictions support depending on the existence and/or nature of any donor restrictions. Promises to give are not recorded as cooperative giving until the funds are received.

Investments and Investment Income: The Organization elected to adopt FASB ASC 958-320, "Not-for-Profit Entities – Investments – Debt & Equity Securities." Under FASB ASC 958-320, investments in marketable securities with readily determinable fair values and all investments in debt securities are valued at their fair values in the statement of financial position.

Investments, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. It is reasonably possible that changes in the values of investments could occur in the near term and that such changes could materially affect the amounts reported in the statement of financial position.

Investments held at the Baptist Foundation of Maryland/Delaware, Inc. are available to meet the needs for general expenditures of the Organization.

Income Taxes: The Organization is exempt from Federal taxes under Section 501(c)(3) of the Internal Revenue Code. The Organization is required to file a return to report unrelated business income generated at the Skycroft Convention Center. At December 31, 2021 the provision for unrelated business income tax was \$0. The Organization's Federal tax returns generally stay open to examination for three years from the filing date.

Estimates: The preparation of financial statements in conformity with the modified cash receipts and disbursements method used by the Organization, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reported period. Actual results could differ from those estimates.

Note 2 – Cash and Cash Equivalents

The Organization maintains its cash accounts at various financial institutions and its balances may at times exceed the Federal Deposit Insurance Corporation (FDIC) insured limits. The Organization has not experienced any losses in such accounts and monitors the creditworthiness of the financial institutions with which it conducts business. Management believes that the Organization is not exposed to any significant credit risk with respect to its cash balances.

Note 3 – Baptist Foundation of Maryland/Delaware, Inc.

This account represents funds transferred to the Baptist Foundation of Maryland/Delaware, Inc., which is the agency designated for the management of trust funds. Income earned from these funds is returned to the Organization or its designated agencies.

Note 3 – Baptist Foundation of Maryland/Delaware, Inc. (continued)

Marketable securities invested with the Baptist Foundation of Maryland/Delaware, Inc. are stated at fair value and are summarized as follows:

	Cost	Fair Value	Unrealized Appreciation as of December 31, 2021
Fixed Income Funds	\$ 1,169,691	\$ 1,199,682	\$ 29,991
Equity Funds	1,166,402	2,566,802	1,400,400
Total	<u>\$ 2,336,093</u>	<u>\$ 3,766,484</u>	<u>\$ 1,430,391</u>

Note 4 – Investments and Fair Value Measurements

The Organization accounts for the fair value of its investments under the Fair Value Measurement and Disclosure topic of the FASB ASC, which provides the framework for measuring fair value. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurement). The three levels of the fair value hierarchy under this guidance are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.

Level 2

Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2021. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements.

The Organization's financial instruments, none of which are held for trading purposes, include cash, marketable securities, and notes receivable. The Organization estimates that fair value of all financial instruments at December 31, 2021 does not differ materially from the aggregate carrying values of its financial instruments recorded in these statements. The estimated fair value amounts have been determined by the Organization using available market and appropriate valuation methodologies. Considerable judgment is necessarily required in interpreting market data to develop the estimates of fair value, and accordingly, the estimates are not necessarily indicative of the amounts that the Organization could realize in a current market exchange.

Note 9 – Skycroft Conference Center and Note Payable

Owned and operated by the Organization, Skycroft is located on over 341 acres in Frederick County, Maryland. The center opened in 1977 to offer the opportunity to slip away into a quiet spot to reflect, to be re-created, to be refreshed in the beauty of “God’s great outdoors.”

On December 30, 2016, the Organization purchased approximately 41 additional acres of land to add to Skycroft for a purchase price of \$325,000. The Organization obtained a note payable in the principal amount of \$276,250, secured by the land, to partially fund the purchase. The note payable requires monthly payments of principal and interest in the amount of \$2,036. The note payable bears interest at a rate of 3.89% per year and matures in December 2031. Interest incurred and paid on the note payable was \$7,634 for the year ended December 31, 2021.

WMU Executive Director Report

As the Executive Director for WMU, I have the honor of encouraging churches to view missions as a lifestyle and not as a program. Demetra Bennett and the WMU Executive Board continue to assist me in any way they can to keep missions alive and well in our churches.

Camp Wo-Me-To located in Jarrettsville, Maryland, is owned and operated by Woman's Missionary Union, Auxiliary to the Baptist Convention of Maryland/Delaware. Our camp staff is headed by Spirit-filled, missions-minded leaders. Frank Ulmer, Ben Block, & Debbie Jones are very capable in their commitment to serve. A major storm occurred on April 12, 2020, that caused damage to the septic system at the camp. A tree had to be removed to assess the damage to the dry well. After assessing the damage and considering the fact that the dry well was originally installed in 1966, it was decided that it would be a clever idea to contact the county and see what they would recommend as a septic system that would serve the camp for the upcoming decades. We had them base their septic design figures on a building with 250-person capacity that is being used year-round. We then completed a percolation test to find where the septic system would be placed, and the county designed a system to meet our needs. It was estimated that the new system would cost the camp about \$10,000.00. Replacing the damaged septic system and other repairs will enable camp to safely reopen after COVID. On December 8, 2020, the camp submitted a proposal to the WMU Heart Fund Grant Request. Praise the Lord, on December 15, 2020, the WMU Foundation granted the HEART fund request in the amount of \$11,000. The extra funds will be used for grading, sewing seed, moving water pipes, and replacing gas lines.

- Our theme for the 2020 Women on Mission Spring Retreat was to be "*Indescribable.*" Our scheduled keynote speaker was Rosalie Hunt, author, speaker, drama. *This event had to be cancelled due to the closing of the camp following the state COVID regulations.*
- Health Kits 2020. Due to the closing of the building because of the pandemic, only two faithful churches donated health kits. Kendal BC and Elder BC (with Erin Holland) were kind enough to continue to donate health kits. Through the kindness and caring of these churches, we collected fifty health kits. The kits were distributed to the newly formed unit of the Helping Up Mission for Inspiring Hope Capital Campaign for the Women's & Children's Center and the Baltimore Rescue Mission, Karis House, who support homeless women and children. The health kits are collected yearly May 1-31, 2019.
- The 2020 theme for Virtual Girls Camp was "*New Creation.*" The theme verse II Corinthians 5:17, "*When anyone lives in Christ the new creation has come. The old is gone! The new is here!*" The event had 25-30 girls in attendance and opened with introductions and Simon Says with Connie Zinn. We had worship songs and a mission prayer/study time. One of the

missionaries in the WMU Mosaic had a birthday that day (Cliff) and he sent the girls a private message with prayer requests. We had a scavenger hunt and another Bible study that included us going into break out zoom rooms with assignments related to the Bible Study with an adult leader. We have a Kahoot app gam to review the Bible study lesson which was a lot of fun! We ended the zoom call by being given direction on how to make a craft at home. The time spent was enjoyed by all and gave the leaders, counselors, and girls a chance to see each other during the pandemic.

- *Due to the pandemic and COVID restrictions for the state, 2020 Boys camp was cancelled.*
- The 2020 Annie Armstrong Easter Offering for North American Missions was *"It's All about the Gospel."* The year's total was over 49.4 million dollars. The Annie Armstrong Easter Offering (AAEO) is the primary way we support mission efforts in North America. **One hundred percent** of gifts given to AAEO are used to support Southern Baptist missionaries serving across the United States and Canada.
- The 2020 Lottie Moon Offering for International Missions (*Getting the Gospel to the Nations*) goal was \$175 million. That number was significant because 2020 marked the 175th anniversary of Southern Baptists sending workers to the nations. The final total was \$155 million. These gifts provide missionaries the services they need to live among the unreached peoples they serve. As always, the materials were mailed to each BCMD church. Additional materials were mailed upon request.
- For the very first time, Breathless 2020 was held virtually. Kim Hardy was our speaker for our first virtual conference. Kim is a wonderful speaker, pastor's wife, mom, and grand mom. She shared with us about, *"How to Grow in our Now."* You know, this new way of living life during a pandemic. Kim reminded us that God is still preeminent in our lives even during this pandemic. God has not lost His focus and we are to remain in having a proper view about Christ in the midst of all the changes we are going through in our new way of living. We were reminded and blessed by her reminding us that we can live an overcoming life even while we are journeying through this time of COVID.

We were blessed again to be led in worship by Janet Allen and company.

Church Planting

Michael Crawford, Church Planting Team Consultant, State Director of Missions

It is an honor to write the Baptist Convention of Maryland/Delaware (BCM/D) Church Planting report. I want to start by thanking every person who has prayed for, served our church plants, and given to the Cooperative Program (CP) and the Annie Armstrong Easter Offering (AAEO). As many of you know, 50% of AAEO goes directly to church planting. This year, thanks to you, we broke the record with gifts totaling \$66.5 million! Without your contributions, we could not have accomplished what we did this past year. I also want to thank every pastor and church in our BCM/D family. You have prayed for our

planters, supported them, and showed up time and time again to help them. We thank God for your faithfulness, gifts, and time.

A hero is defined as a person who is admired for great or brave acts or fine qualities. This is the best description of our church planters. Church planting is difficult in “normal” circumstances, but when you add our political climate, economic challenges, and the health and social adversities we are facing, it is remarkable that our planters have not only continued to work but made significant progress in reaching lost people, making disciples, and developing church planting teams. We bless God for His faithfulness towards our planters and their families even amid all the turbulence they have faced.

BCM/D family, when the world shut down, Jesus kept building His church. In 2020 and 2021, we saw 17 churches planted in our region. Can you believe it? God is faithful, powerful, and good. This brings our current number of church plants to 38. Because of your sacrificial and faithful giving, we can support them with money, coaching, training, and family events.

Our church planting family is comprised of 38 pastors, 37 wives, and 75 children. We are so blessed to have these men, women, and children on the front lines of our region pushing back darkness with the gospel of Jesus. I want to take a moment to call your attention to all the wonderful, strong, gifted, and incredibly dedicated church planting wives! Our BCM/D family is blessed to have these mighty women of God who work alongside their husbands to advance the kingdom in our region. They are often unseen, unheard, and seldom in the limelight, but God knows who they are and what they do. He has never forgotten their labor of love and all the sacrifices they have made and continue to make to ensure that disciples are made, and churches are planted. On behalf of the Church Planting team at the BCM/D, we want to say “THANK YOU” to all wives! You are amazing.

Family, we know we are living in challenging times, but we also believe that God flexes the most when times are darkest. His power prevails more when we are weakest. His will continues to be done in good times and in challenging times. Therefore, we want to encourage you to continue to pray for our two-state convention because we know the harvest is plentiful, and the workers are few. Yet, there is still room in the kingdom, and so many more need to be saved!

We also want to invite and encourage all BCM/D churches to prayerfully and persistently pursue the discovering, developing, and deploying of church planting teams from within. This, my brothers and sisters, is our greatest need. If you need any assistance with developing this process or any encouragement or tools for this process in your church, please reach out to anyone on our Church Planting team. We would love to come alongside you to help in any way we can. We long to see the day where every church in our convention is involved at some level in identifying, equipping, and sending leaders from their churches. There is so much to do, and as Jesus said, “As long as it is day, we must do the works of Him who sent me. Night is coming when no one can work” (John 9:4, NIV).

Finally, I would like to thank our incredible Church Planting staff. Brothers Dan Hyun, Jamie Caldwell, and Alejandro Molero are our church planting catalysts, along with our incredible sister, Margot Painter, who is our executive assistant. I would also like to thank our supporting staff — Phil and Pam Gifford, who help us with training, marketing, and logistics; and C.J. Matthews, who oversees our coaching process. In addition, I would like to thank our BCM/D staff for all the work they put in as they assist us, pray for us, and cheer us on as we help churches plant churches. Finally, I would like to thank the North

American Mission Board for their generous support, helpful resources, and prayer for our pastors, churches, and convention.

May God continue to bless us, and may His face continue to shine upon us, and may He bless you and keep you until we meet again in 2022.

Church Services

Mark Dooley, State Director of Evangelism

COVID-19 has presented some unique challenges in serving our churches over the past 18 months. Many churches scaled back extra meetings, while others forged full steam ahead. Most churches have been somewhere in the middle. Regardless of the approach of the local church, the Baptist Convention of Maryland/Delaware (BCM/D) Church Services staff has been available to assist churches in whatever manner best suits the churches' needs. Our team conducted in-person events, virtual events via Zoom, led church health assessments, met with leadership groups, and served in a myriad of other ways as we have continued to resource the needs of local churches.

The biggest asset we offer to BCM/D churches is our Church Services consultants, seasoned pastors who have served in the local church for years. As a result, BCM/D consultants understand the unique situations faced by pastors in their local context. Consultants seek to regularly connect with churches and pastors to discover the specific needs they face and find ways to partner with them in helping to meet those needs. Often, our consultants assist by filling the pulpit for a pastor while he is briefly away from his church fellowship. In addition, they frequently visit and fellowship with local churches, sometimes bringing brief greetings from the convention or simply participating as a worshiper in the congregation.

Overall, the work of Church Services remains strong and focuses on many vital areas.

REVITALIZATION

In 2021, church revitalization was one major area of emphasis. Seventy-seven individuals attended our eight revitalization webinars on six dates from January through June. Additionally, a small cohort of 8-10 pastors met every other month with Dr. David Jackson, the North American Mission Board's (NAMB) replant specialist for the Northeast. From Aug. 29 to Sept. 5, Dr. Kenneth Priest, director of the Center for Church Revitalization at Southwestern Baptist Theological Seminary (SWBTS), visited our state convention. He met with eight churches and one association to give guidance on a variety of issues. Dr. Priest has been a trusted revitalization partner for the BCM/D, first when he served with the Southern Baptist Convention of Texas and now through his involvement with SWBTS.

Unfortunately, Renovate, our major revitalization event for 2021, was canceled due to the uptick in the COVID-19 Delta variant. This marked the third time we had to cancel this event due to COVID-19. Since the 2022 calendar is finalized, we plan to host Renovate in 2023. The conference will bring nationally known revitalization practitioners to our area to lead BCM/D churches to learn and embrace principles that aid in revitalization.

PASTORAL TRANSITION

Local churches continued to face pastoral transitions throughout 2020 and 2021. BCM/D Church Services consultants worked with several churches to assist them at various levels through their transitions. Since January 2020, nineteen BCM/D churches have called new senior pastors, representing multiple levels of experience. Some served for years in vocational ministry, while others are serving for the first time. In September 2021, the

BCM/D hosted a new pastor orientation at Skycroft Conference Center. We invited pastors who began serving their churches on or after Jan. 1, 2019. Fifteen pastors attended the orientation. BCM/D consultants and leaders introduced the new pastors to the ministry of the convention and helped them learn how we partner together and serve their churches. Currently, sixteen BCM/D churches have a senior pastor vacancy.

The BCM/D maintains a database of resumes for potential pastors. Some are available to serve in pulpit supply roles when a pastor must be away. Others are available to serve in interim capacities. A subset of the interim work are those who act as “transitional interim” pastors, a more intentional and engaged effort than simply filling the pulpit regularly. The BCM/D offered transitional interim pastor training in 2021 to strengthen the skills of those called to this vital work. Twenty-three men took part in the online training in January and February, led by Dan Garland, who retired from Lifeway as the Director of Church Partnerships/Pastoral Ministries. Typically, a transitional interim pastor makes a commitment of 12-18 months to lead a church as the congregation organizes and prepares for a new full-time pastor. The BCM/D also supplies resumes of individuals interested in serving as full-time pastors, thus the supply of resumes ebbs and flows with the calling of individuals to serve in various churches.

ROUNDTABLE TRAINING

We conducted one Preaching/Teaching Roundtable this year. These events strengthen those who preach and teach the Word of God by focusing on various genres of Scripture and topics that enable us to be more effective communicators of divine truth. The target audience is not only pastors but all who use the word of God in teaching and discipleship.

The Roundtable in May took place on a Thursday evening via Zoom. One of our own BCM/D pastors, Dr. Curtis Hill, senior pastor of Ogletown Baptist Church in Newark, Delaware, spoke on preaching and teaching of multigenerational groups. Twenty-eight people attended this event. We had hoped to have our August Roundtable in person. However, because our nation saw a significant rise in the Delta variant, a last-minute decision was made to cancel the event.

In 2022, we are excited to welcome Dr. Chuck Lawless as the guest speaker for our Roundtable event on May 19-21. We will announce locations and topics as they are determined.

PASTOR APPRECIATION

Other exciting events of 2021 included our two Pastors’ and Pastors’ Wives Appreciation events held at Skycroft Conference Center (Skycroft). We hosted these events in May and June as an opportunity for the BCM/D to show our appreciation for their service in ministry. In May, 35 pastors and their wives attended the event, which included a pastors’ tour of Antietam National Battlefield. In June, 27 pastors and their wives attended. Pastors enjoyed a round of golf at nearby Musket Ridge Golf Club while their wives participated in activities led by Melody Knox, BCM/D’s women’s ministry consultant. We also had a collective time of worship in the evening with challenging messages from Brian Croft, the executive director of Practical Shepherding; and Paul Chitwood, the president of the International Mission Board. The worship band from Paramount Baptist Church provided wonderful uplifting worship music for both events.

MINISTERS’ TAX SEMINAR

As the Scripture says, “You must also pay your taxes. The authorities are God’s servants, and it is their duty to take care of these matters. Pay all that you owe, whether it is taxes and fees or respect and honor” (Romans 13:6-7, CEV). Each year in January, the BCM/D hosts its annual Tax Seminar. In this training session, church pastors, treasurers, and lay

leaders learn about the IRS regulations specifically related to churches. This seminar is a great way to stay current on key areas that may apply to your church and its ministries. This conference is one of the most highly attended events presented by the BCM/D. Associate Executive Director and Chief Financial Officer Tom Stolle, CPA, leads this seminar. In 2021, due to the COVID-19 pandemic, this event was held virtually, expanding the reach of this training far beyond Maryland/Delaware. The seminar had attendees from as far away as Florida! Future seminars will be held in person but will also be presented virtually.

SPECIAL NEEDS MINISTRY

One of the more exciting initiatives of the BCM/D is the emphasis on special needs ministry. The Scripture says, "As Jesus was walking along, he saw a man who had been blind from birth. 'Rabbi,' his disciples asked him, 'why was this man born blind? Was it because of his own sins or his parents' sin?' 'It was not because of his sins or his parents' sins,' Jesus answered. 'This happened so the power of God could be seen in him'" (John 9:1-3, NLT).

Each year, the BCM/D hosts a Special Needs Conference. The BCM/D, partnering with The Banquet Network (TBN), held the 2021 conference at The Church at Severn Run in-person, with a virtual component available. This annual conference equips attendees to better serve individuals and families affected by disabilities. Speakers with different specialties share their knowledge and experience to help churches be better equipped and resourced to include these very special people into their church families.

Equally exciting, the BCM/D hosted its first annual Special Needs Camp at Skycroft this year. This camp was amazing! Cresthill Baptist Church, The Gathering Place (TGP), and The Banquet Network (TBN) staffed the camp with volunteers for the weekend. While the camp had many fun activities for our special guests, the primary goal was to share the gospel with the individuals and families that attended. Tommy Rowe, the pastor of TGP, served as the on-site camp pastor for the entire weekend. The power of God was truly revealed in these extraordinary individuals and families!

CHILDREN'S/YOUTH MINISTRY

"Jesus said, 'Let the little children come to me,'" (Matthew 19:14, NIV). But take their temperatures first, keep them six feet apart, make sure they wear masks, and don't let them share classroom supplies! Children's ministry in 2021 proved to be every bit as exhausting as 2020. Leaders found themselves once again in new territory as they navigated their way out of what they thought was the end of a pandemic. After thoughtfully and creatively pivoting kids' ministry to an online platform, it was time to bring children back into the building. Cautiously, leaders sought to ensure safe environments for kids while others remained online. Spring 2021 brought hope of a possible end in sight. Many ministries reopened; however, attendance was less than remarkable. Ministry leaders expressed frustration both in lack of attendance and a lack of volunteers returning to work with kids.

This work with children's/VBS ministry is ably directed by BCM/D Children's and Youth Ministry Consultant Kris Buckman. The convention's training efforts provide an important opportunity for fellowship among those called to this important work. The strengthening that results from the training enables participants to return and make a greater impact in their local churches. Leaders moved forward in the spring with their plans for hosting VBS in the summer again. BCM/D held a series of online VBS clinics and an in-person training event at Skycroft.

VBS kicked off in the summer as things began to open and look more promising for an end to the pandemic. More than 60 BCM/D churches took on the task of hosting VBS in some way, shape, or form! There was a “sweet spot” in the summer where parents felt comfortable, and ministry was happening again! It may have looked a little different, but it was happening! Many VBS programs moved outside, downsized, shortened in length or time, but they were happening, and God was at work!

At the peak of summer, it almost felt normal until the Delta variant began to spread. Churches that pushed their VBS back in anticipation of having better participation, thinking the pandemic would be on the decline, found themselves readjusting to things such as the return of mask mandates. They also started to see a decline in attendance as COVID-19 cases began to rise, despite many early registrations. There were BCM/D churches that had to cancel midweek after a few cases of COVID-19 emerged at the start of the week. Some had to completely push the week back as cases emerged within the church. Others had to contact families after VBS and inform them of positive cases. While COVID-19 did impact VBS in 2021, Maryland and Delaware children’s ministry leaders overcame the challenges. They successfully ministered to children while keeping them as safe as possible and conquered each hurdle with grace and compassion.

At the BCM/D, we were especially excited to see Buckman’s role expand this year to include work with youth ministry. Our youth leaders were no less impacted in 2021 as they struggled to stay connected to students in their churches. By the grace of God, many youth groups experienced growth during the last year. Youth were hungry for face-to-face interaction, and our leaders met them in that need. Youth groups returned to summer camps in droves! Some camps were hit with COVID-19 cases during the week or after returning home. Still, youth leaders were prepared and educated enough to mitigate any further spread. Youth leaders seek to use the height of the rebound in attendance as they move forward this fall. The season is ripe for discipleship! BCM/D hopes to connect youth leaders this year to encourage one another and create collaborations that will enhance the youth ministry experience for those ages 12-18.

DISASTER RELIEF

The work of Disaster Relief (DR) and community ministry continues to be a focus of BCM/D churches through our Church Services team. Despite the challenges of the COVID-19 pandemic, Maryland/Delaware DR volunteers have served at least 269 volunteer days in the past 12 months. This includes serving in “traditional disasters” such as:

- Carroll County — tornado.
- New Castle County, Delaware — Hurricane Isaias/tornado.
- Prince George’s County — summer storm flooding.
- Baltimore City — summer storm flooding.
- Philadelphia and Wilmington, Delaware — Hurricane Ida.

In addition, DR volunteers provided support to several COVID-19-related activities:

- Maryland National Guard, Westminster — laundry services.
- Maryland Department of Aging — personal protective equipment delivery and grocery/pharmacy delivery to seniors.
- Baltimore City/Maryland Food Bank — emergency food delivery.
- Federal Emergency Management Agency/Greenbelt Vaccination Center — greeting, mobility, and escort support.

Three associations hosted in-person DR trainings in the spring, with two additional trainings scheduled for November.

COMMUNITY MINISTRY

COVID-19 has also impacted the ways churches love and serve their communities. It has caused some face-to-face ministries, such as English as a Second Language (ESL), to go into temporary hiatus while energizing new ways of ministering, such as opening church facilities for community Wi-Fi access, assisting students with online classes, and hosting vaccine clinics.

Training and equipping churches has also been a challenge as we have been learning how to offer services such as Zoom-based prayer-and-idea-sharing networks for school partnership ministries and partnering with other state conventions for Zoom-based training for ESL volunteers. As we move into our second pandemic winter, we're committed to finding effective ways to support and equip churches on the front lines of ministering to their communities.

WOMEN'S MINISTRY

The women's ministry/Woman's Missionary Union (WMU) efforts of the BCM/D continued despite COVID-19. Unfortunately, "Indescribable," the Women on Mission retreat for 2021, was canceled due to the pandemic. However, pastors' wives were able to take part in activities at the Pastors' and Pastors' Wives Appreciation events. As part of these events, the women enjoyed a ladies' tea with light refreshments. Knox presented the women with small gifts. At one of the sessions, the women had the opportunity to watch the movie, "War Room." Closing each session, Knox encouraged the women to consider what God had been teaching them through the pandemic. The wives were encouraged to return to their churches with a new attitude about what they learned during this period.

WMU Missions Camps occurred as well in 2021. For the Girls' Camp/Mother-Daughter Camp, the theme was "Becoming a New Creation." Although the camp was abbreviated due to the uncertainty of what restrictions might be required, it was a wonderful time of drawing closer to Jesus while having fun! The Bible studies were about how to become a new creation (salvation) and how Paul began his great adventure by accepting Jesus as his Savior and Lord and then continued his adventure by following God's direction in his life. The Missions Offering of \$325.70 was used to bless 50 children at Deep Creek Elementary School in Essex. Each child received a backpack filled with school supplies and a NAMB coloring book.

Likewise, Boys Camp 2021 was an amazing success, thanks to our Lord. The theme of "Unafraid" was embedded throughout the activities, with Bible study and evening vespers focused on the topic. One boy accepted Christ as his Lord and Savior, another rededicated his life to Christ, and others had various questions. It was great to see Christ working amongst the boys and men at the camp. One leader and four boys attended camp for the very first time. The boys had never been away from home overnight before. They had a wonderful experience!

Finally, the Breathless event for women was held virtually this year. We had over 54 ladies in attendance on Zoom. Our speaker this year was Pascha Lee, the wife of Wayne Lee, founding Pastor of Christian Liberty Church in Baltimore. Pascha serves as the church's women's ministry director and the founding director of Imagine Me Ministries. This is a mentoring and youth development organization for girls that operates primarily in Baltimore City. Pascha challenged us to be intentional about our work in the church for the Lord. She gave wonderful perspectives on how God can leave us breathless through the trials and good experiences in our lives. After each session, there were Q&A sessions with Pascha and Knox. Knox excitedly announced that there will not be a Breathless conference next year because Lifeway is bringing Priscilla Shirer to Baltimore for a women's event on Sept. 23-24, 2022.

ASSOCIATIONAL PARTNERSHIPS

The Church Services team continues to strengthen the partnerships we enjoy with the eleven existing associations within the BCM/D. Consultant John Gauger meets regularly with the associational missional strategists, seeking to find ways to enable them and the BCM/D to work closer together. We thank God for the associations that labor in partnership with us to advance the gospel through Maryland and Delaware. And we thank God for the privilege of serving the churches of the BCM/D.

LOOKING TOWARD 2022

As we look ahead to 2022, there are several exciting new events on the calendar. Many of the familiar events we've grown accustomed to will continue to be offered, but we're also looking forward to such events as:

- Core Values Index Webinars — Feb. 10, 2022, and Aug. 23, 2022.
- Assessing Corporate Worship Toward Revitalization Webinar — Mar. 8, 2022
- Leading in Crisis Times Retreat with Richard Blackaby — Mar. 15-16, 2022.
- Evangelism Conference — Oct. 7-8, 2022.

Whether we are serving an individual church or participating with multiple churches through corporate events, the BCM/D's Church Services team's goal and desire is to strengthen churches to be more effective in their ministry of building disciples and building gospel-centered, kingdom-minded bodies of believers. May such be true for the glory of God!

Convention Finance/Operations

Tom Stolle, Associate Executive Director

FINANCE OFFICE

Like most finance and accounting operations, the Finance Office records cash receipts, pays vendors, produces financial statements, and provides financial information to both management and staff. However, the Finance Office of the Baptist Convention of Maryland/Delaware (BCM/D) goes far beyond these internal processes. We also minister to Maryland/Delaware Baptists in other ways.

One method of ministry is through education. We offer a variety of training opportunities that may benefit your church. One of our most popular training opportunities is the annual Ministers' Tax Seminar. This seminar benefits church treasurers and pastors as they learn more about current regulations that help them improve their individual tax planning and preparation.

Other helpful learning opportunities that we offer include planned giving seminars. It is a joy to share information with Christ-followers that assists them in planning not only for their financial futures but also for their children's futures and the futures of their local churches.

We continue to make financial stewardship seminars available to our churches, presenting biblical principles for money management.

Multiple churches have participated in seminars that provide helpful information to church pastors, treasurers, and other church leaders concerning establishing and maintaining systems of internal control, including the safeguarding of church assets. No church wants to be a victim of fraud or embezzlement. Therefore, we provide training on how churches can better protect themselves against these threats. Other topics, such as preparing a church budget and insurance issues that churches face, are available.

These training opportunities have proven to be valuable to our churches. In addition, meetings with individual churches are scheduled on request and are routinely available throughout the year to assist our churches with these and other important issues.

Beyond the scope of the Finance Office's day-to-day operations, seminars, and individual church training on various financial and operational topics, the office provides accounting and financial services to a local Baptist association, the Baptist Foundation of Maryland/Delaware, and the Rivers Corporate Park condominium association (an association that includes the BCM/D as a member).

We must continue to educate our churches about the value and purpose of the Cooperative Program (CP). In March and September, requesting churches received CP promotional material through the Finance Office. Our emphasis is continuing education about the value of CP and how we can do more together than we can apart. The Finance Office works closely with our Communications team to emphasize the importance of church participation in giving through the CP. We are better together, and CP allows us, as Maryland/Delaware Baptists, to have a powerful, comprehensive missions and ministry impact.

BAPTIST CENTER

The facility staff continues to search for ways to make the Baptist Center's operation more efficient and its presentation to guests more aesthetically pleasing while being good stewards of the facility God has blessed us with.

Due to the pandemic, the physical headquarters was closed to the public. However, the building has recently reopened.

Maintenance, including heavy-duty cleanings such as duct cleaning, roof repairs, gutter cleaning, and air conditioner repairs, occurred. We also installed improved internet access points. Improvements are ongoing in the studio in which BCM/D videos and podcasts are recorded.

SKYCROFT CONFERENCE CENTER

The last two years have brought both challenges and opportunities to Skycroft Conference Center (Skycroft). We persevered through a long season of vacancy at the onslaught of the pandemic. We thought of new and creative ways to leverage Skycroft and serve others while the pandemic was at its peak. We adapted to restrictions, implemented new standards, and navigated a new environment to ensure the safety of our guests once they returned to campus. And while Skycroft's campus is still quieter than it was pre-COVID-19, we give thanks that God's people are gathering together again to worship Him on the mountaintop.

When COVID-19 restrictions went into place in March 2020, business at Skycroft came to a screeching halt like most of America. When faced with the bleak outlook of a freshly cleared event calendar, our Skycroft team did not throw in the towel; instead, we adjusted. We pivoted. We resolved to make Skycroft a better place during the unexpected season of vacancy that faced us. During about six months when there were

no guests to serve at Skycroft, our full-time team rallied together to focus our energy on improving every physical aspect of Skycroft we could with the resources we already had on hand. We repaired, spackled, painted, scrubbed, mowed, power-washed, and deep-cleaned every building. We now had the time to complete projects that had been previously sidelined due to our busy booking calendar. More than half of our lodging accommodations received interior facelifts with drywall, ceiling work, and fresh paint.

While we would have chosen to continue serving retreat groups during those months, we trust that the Lord used this season of vacancy at Skycroft to breathe new life into our facilities and complete much-needed work that will propel our ministry forward. I'm proud of what our team accomplished and even prouder to work alongside men and women who were willing to look past their job titles and show up humble and ready to serve in whatever capacity was needed.

Fall 2020 marked the return of retreat groups at Skycroft. Though our booking calendar was still sparse, it was an absolute joy to have guests back on the mountain singing God's praises, studying His Word, and fellowshiping together. During this season, we were also blessed to host several mission teams from BCM/D churches who assisted us with a variety of needs from tree removal to rebuilding the deck of Gresham Hall. In January, we successfully hosted two weekends of ReBoot, our annual winter camp program for students in 6th-12th grade.

This spring, we hosted a greater number of events per weekend, though still far fewer than normal, and we rejoiced over every paintball game, campfire s'more, and distantly-shared meal. Guests expressed their gratitude to have a special place such as Skycroft to retreat in God's beautiful creation and find spiritual refreshment. During this time, we hosted pastors for their sabbaticals, VBS training events, church staff vision planning, and retreats for people in every walk of life, from 5th graders to senior adults. We praise God for the ten baptisms that took place on campus last May as well!

Summer 2020 marked the first in more than 35 years without summer camps at Skycroft due to COVID-19 restrictions. So, it was with overwhelming joy that we welcomed campers back to Skycroft this summer! We kicked off our 2021 camp season with three weeks of Crossings, a student camp for middle and high school students, followed by four weeks of Lifeway's CentriKid Camps for second to sixth graders, and a weekend of special needs camp. Though the effects of the pandemic did suppress camper attendance overall, we still had the privilege to host over 1,000 campers and adult chaperones from 59 different churches across these seven weeks of camp. More decisions are made for Christ at Skycroft than within any other BCM/D ministry, and many of these professions of faith occur at summer camp. Praise God for the gift of salvation and new life in Christ for these brothers and sisters!

Things are picking up at Skycroft! By the time of our 2021 Annual Meeting, we will have hosted close to 60 group retreats and events since our last day of summer camp on Aug. 6. It is a joyous reunion each time we see a church, pastor, or the familiar face of a retreat guest return to campus after a year or more apart. We are encouraged and thankful to see more and more people return to Skycroft for time in prayer, Bible study, and Christian fellowship. Skycroft is special because of what the Lord does here in the lives of so many — people of all ages, ethnicities, abilities, and languages. We thank God for His faithfulness and provision through the pandemic and for preserving this place for nearly 50 years for His Kingdom's sake!

Baptist Foundation of Maryland/Delaware, Inc.

Bill Voelp, President; Tom Stolle, Director

The Baptist Foundation of Maryland/Delaware (BFM/D) works to advance the message of the gospel through the prudent management of invested funds that benefit Baptist work in Maryland/Delaware and around the world. We also provide loans to Baptist Convention of Maryland/Delaware (BCM/D)-affiliated churches and associations.

The foundation currently manages assets of approximately \$14.4 million dollars (\$11.3 million in invested funds and \$3.1 million in church loan funds). Significant growth in the amount of managed assets has occurred from \$3.8 million in 1991.

For the fiscal year ended Sept. 30, 2021, the Foundation distributed approximately \$470,340.80 to Southern Baptist and BCM/D mission causes from the Endowment Funds.

Through the Foundation's Church Loan programs, 16 churches affiliated with the BCM/D are being assisted with approximately \$2.7 million dollars in outstanding loans. The advantages of these church loans are favorable interest rates and low closing costs. In addition, the Foundation makes a distribution annually to the BCM/D to be used to start churches and to strengthen existing churches. The distribution to be made for the fiscal year ended Sept. 30, 2021, totals \$103,803.51.

The BFM/D is positioned to manage endowment funds for churches while saving them money on administration. Even churches with modest investment needs may take advantage of discounts typically offered only to much larger dollar investors simply by using the services of the BFM/D. We encourage churches to partner with us to create Heritage Funds to ensure funding for their future ministry efforts. An additional investment option exists via our partnership with the Kentucky Baptist Foundation, offering BCM/D affiliated churches a low-risk investment alternative to traditional money market and savings accounts.

The BFM/D continues to educate our churches in estate planning. If your church is interested in learning more about the Foundation, a representative will be pleased to provide additional information. You may also learn more about the Foundation by visiting www.bcnd.org/what-we-do/baptist-foundation. From here you can learn more about the Foundation's church loan, estate planning, and planned giving programs, as well as view the most recently available audited financial statements.

For more information, contact Tom Stolle at 410-290-5290, ext.207 or at tstolle@bcnd.org.

The Lord has truly blessed the kingdom work of our foundation. We look forward to continuing to serve Maryland/Delaware Baptists in the same trustworthy manner as our predecessors.
