

CARING WELL SUNDAY

SEPTEMBER 24

Raising awareness to eliminate & prevent all forms of abuse.

RAISING AWARENESS

Abuse is a serious issue, and there are many ways that we can respond to it. As leaders and members of the church, we need to be prepared for this reality.

We know that physical, sexual, and emotional abuse occurs regularly, and the church is not immune to this sin. Most of us don't know how to handle it when it happens, and many churches aren't equipped with policies or resources to deal with this kind of abuse.

Today is dedicated to raising awareness regarding the effects of all forms of abuse. We commit to praying and working to eliminate and prevent abuse from happening within our churches and to **CARING WELL** well for victims of past abuse.

We have created a resource page on our website for victims, survivors, families, and churches. If you do not find what you need, please reach out to our office at 410-290-5290.
