

DISABILITY SUNDAY

JULY 14TH

BRINGING AWARENESS TO THE NEED FOR DISABILITY MINISTRY

DID YOU KNOW...

?

22% OF MARYLAND RESIDENTS AND 26% OF DELAWARE RESIDENTS HAVE A DISABILITY

?

ESTIMATES ARE THAT 80% TO 85% OF CHURCHES DON'T HAVE ANY LEVEL OF DISABILITY MINISTRY

?

CHILDREN WITH AUTISM ARE 84% MORE LIKELY TO NOT ATTEND CHURCH

?

1/3 OF FAMILIES REPORT HAVING TO LEAVE THEIR CHURCH BECAUSE THEIR CHILD WITH DISABILITIES WAS NOT WELCOMED

We are committed to changing these numbers in our BCM/D churches. Today is dedicated to raising awareness for the need for disability ministry. We have a biblical mandate in Luke 14: 13 to invite the poor, the crippled, the lame, and the blind.

Disability ministry isn't merely a program. It's about removing barriers to the gospel.
