*(Approved at the 2023 BCM/D Annual Meeting)*

## **Article I • Name**

The body will be called the Baptist Convention of Maryland/ Delaware, Inc.

## **Article II • Mission Statement**

**Section 1**—The Baptist Convention of Maryland/Delaware will intentionally assist in the starting and strengthening of congregations so that together we can fulfill Jesus' commands in Matthew 28:19-20 and Acts 1:8.

**Section 2**—This Convention is an autonomous body and is neither limited nor restrained by any authority or decision of any other Baptist body and will achieve its objectives through such means as this Convention alone determines.

**Section 3**—This Convention does not have any ecclesiastical authority to limit the autonomy of the local congregation.

**Section 4**—This Convention recognizes the Southern Baptist Convention as our primary instrument to further the cause of Christ on a worldwide basis. This Convention pledges its loyalty and support to the purposes served by the Southern Baptist Convention.

## **Article III • Membership**

**Section 1**—The membership of this Convention will consist of messengers who are members of Baptist churches which are in friendly cooperation with this Convention and sympathetic with its mission and work, affirm the Baptist Faith & Message 2000, and which have during the preceding 12 months (October 1 through September 30) been bona fide contributors to the work of this Convention. In order to be affiliated with the BCMD, a local church must seek to protect vulnerable adults and children from sexual abuse in concrete ways which reflect the spirit and theology of Scripture.

Disaffiliation of Membership will occur in the following: when Baptist churches are no longer either in friendly cooperation with this convention and sympathetic with its mission and work, no longer affirm the Baptist Faith & Message 2000, or which have not during the preceding 12 months (October 1 through September 30) been bona fide contributors to the work of this Convention, or Disaffiliation of a church will occur when a church is found to be in open and unrepentant beliefs or behaviors that are contrary to the BF&M 2000.

**Section 2**—Each cooperating member church meeting the requirements in Article III Section 1 will be entitled to two (2) messengers; each cooperating church exceeding fifty (50) members will then be given one additional messenger for each additional fifty (50) members or part thereof; or one additional messenger for each \$750 contributed to the work of this Convention through the Cooperative Program until the maximum of thirty (30) is reached.

**Section 3**—Messengers to this Convention will be certified by their churches. This Convention will be the final judge of election and qualifications of its members.

**Section 4**—The officers of this Convention, the employed staff of this Convention, and its agencies may be messengers provided they are elected by the church in which they hold membership.

#### **Article IV • Meetings**

**Section 1**—This Convention will meet at least once each year, hereafter known as the Annual Meeting, at such time and place as may be fixed by this Convention at the Annual Meeting held the preceding year. The duly appointed messengers of the cooperating churches will comprise the voting body of this Convention.

**Section 2**—In case of an emergency, the General Mission Board is empowered to change the time and place of meeting or call a special meeting by a vote of two-thirds of the members present and voting.

**Section 3**—Notice of any special meeting will be given at least thirty (30) days prior thereto by publication online or in such other ways as the General Mission Board may direct.

#### **Article V • Officers**

**Section 1**—The Officers of this Convention will be a President, First Vice President, Second Vice President, Corporate Secretary, Treasurer, Recording Secretary, and an Assistant Recording Secretary. All but the Corporate Secretary and Treasurer will be elected at each Annual Meeting by a majority of the duly elected messengers present and voting, and will hold office until their successors are elected and installed. Employees of the Baptist Convention of Maryland/Delaware are ineligible to serve as officers of this Convention with the exception of the Executive Director who will serve as Corporate Secretary and the Director of Finance who will serve as Treasurer.

**Section 2**—Nominations will be from the floor. Election will be by ballot except where there is a single nominee for an office. In the latter case, the President will instruct the Secretary to cast a unanimous ballot for the nominee.

**Section 3**—Officers will serve for one (1) year and hold office until their successors are elected and qualified; however, the President and Vice Presidents may not serve more than two (2) complete successive terms in office. Terms of office will commence at final adjournment of the Annual Meeting in session at the time of their election and terminate in the final adjournment of the succeeding regular session of the Annual Meeting. In case of death, disability of, or other cause making necessary the retirement of the President, the Vice Presidents will succeed in order. The General Mission Board will determine when an office is vacant due to the disability of an incumbent.

**Section 4**—The President will preside over the deliberations of the Annual Meeting and will perform other duties as may be customary to the position or as determined in the Bylaws, and will become an ex officio member of all Convention committees and boards. The President will continue as ex officio member of the General Mission Board for one full year immediately following tenure as President of this Convention unless elected to fill a vacancy in the regular membership of the Board.

**Section 5**—The Vice President may, in the absence of the President or when requested by the President, preside over the Annual Meeting and will perform other duties as may be provided in the Bylaws or as requested by the President.

**Section 6**—The Secretary will keep accurate minutes of all sessions of this Convention and will cause these to be published in suitable form in the Annual of this Convention together with other information as this Convention or the General Mission Board of this Convention deems necessary and proper.

The Rules of Order for the meetings of the General Mission Board will be those in the current edition of Robert's Rules of Order.

The General Mission Board will be composed of three members from the geographic area of each association. For each 5000 resident members or major fraction thereof, one additional Board member will be chosen, up to but not to exceed a total of ten Board members from any association. The President of this Convention, the President of the Woman's Missionary Union and the Maryland/Delaware member of the Southern Baptist Convention Executive Committee will serve as at-large members of the Board. Board members selected by virtue of their Convention offices, will not be used in determining the number of members from an association or local church.

The term of the office of the members will be four years with, as nearly as possible, the terms of one-fourth of the members expiring each year. Any member serving for a full term or three years of an unexpired term will not be eligible for reelection until one year has expired.

Membership on the Board will cease when the member dies, moves membership from a church within the Convention, or the member's church ceases to be in cooperating fellowship with this Convention. In the event a member moves from a church in one association to another within this Convention, or the member's church changes from one association to another within this Convention, the member will be eligible to serve until a successor is elected at the next Annual Meeting. Membership on the Board will automatically be terminated when a member is absent for two consecutive meetings of the Board without notification submitted to the Board President or the Executive Director. The member will be notified of such termination.

**Section 2**—The members of the General Mission Board will be elected by this Convention, after receiving nominations from the committee selected by this Convention for this purpose, and after giving opportunity for nominations from the floor of this Convention.

The General Mission Board will not have authority to control the agencies and institutions of this Convention, but it will maintain general care and responsibility for the work of same. It is instructed to study annually their reports, to interpret and apply the rules of the constitution and the business and financial policy of this Convention as items may apply to any of the agencies of this Convention, to make recommendations directly to agencies and also to make whatever recommendations to this Convention concerning them it may deem advisable.

**Section 4**—This Convention will annually elect members to fill all vacancies on the Board.

#### **Article VII • Agencies**

**Section 1**—The Convention may establish agencies for the purpose of performing collateral Christian services. An agency will be a separate corporation independent of the Baptist Convention of Maryland/Delaware in its day-to-day operations but will work in cooperation with the Convention in order to avoid costly duplication. The Convention and each agency will establish, through the General Mission Board, an agreement defining their working relationship. An agency of this Convention will act in accordance with our historic Baptist doctrine and practices.

**Section 2**—The trustees of these agencies will be elected by this Convention after receiving nominations from the Committee selected by this Convention for this purpose and after giving opportunity for nominations from the floor of this Convention. The number of trustees for each agency and their terms of office will be in accordance with the requirements of their respective charters and bylaws.

**Section 3**—All agencies sharing in the Cooperative Program receipts must include a summary of their financial report in the annual report to the Baptist Convention of Maryland/Delaware, and the General Mission Board will request a copy of the budget of all agencies sharing in the Cooperative Program receipts along with their requests for financial assistance.

**Section 4**—No agency of this Convention will create any liability or indebtedness (except such as can and will be repaid out of its anticipated receipts for current operations within a period of three years) without the consent of this Convention or the General Mission Board. In order to obtain such approval, the agency must file a statement showing the source of such anticipated receipts. Such consent must be likewise obtained for a purchase of properties or construction of same, subject to liens or encumbrances which cannot be repaid out of its anticipated receipts for current operations within a period of three years.

**Section 5**—Proposals for the establishment of new agencies must follow one of the following procedures: (1) Authority may be granted upon favorable vote by two successive Annual Meetings, or (2) Authority may be granted by vote of one Annual Meeting provided a favorable recommendation is made by the General Mission Board, after thorough study, and provided further that the proposal is published online 45 days before the Annual Meeting or in such other ways as the General Mission Board may direct.

**Section 6**—The agency of this Convention is the Baptist Foundation of Maryland/Delaware, Inc.

## **Article VIII • Business and Financial Policy**

## **Article XI • Miscellaneous**

**Section 1**—Neither this Convention nor any agency owned or supported in whole or in part by this Convention, will accept or receive, directly or indirectly, any gift, grant, or aid from the Federal or State governments or any governmental agency except for definite and full services rendered by the agency with the approval of this Convention or its General Mission Board. In any debatable instance that may occur, the General Mission Board will interpret this statement subject to the approval of this Convention.

**Section 2**—Any special campaign for funds must be specifically approved by vote of this Convention or the General Mission Board.

## **Article XII • Amendment**

All amendments to this constitution must be submitted in writing at an Annual Meeting. A vote will be taken when the amendment is presented and at the succeeding annual session. The proposed amendment may be modified in form but not in substance upon presentation for vote at the second session. The amendment will be adopted only after an affirmative vote of two-thirds of the messengers present and voting at two successive Annual Meetings. Non-substantive changes such as grammatical corrections and title or name changes may be made by the Administrative Committee of the General Mission Board and included in their report at the Annual Meeting of the Baptist Convention of Maryland/Delaware.

At least two months prior to the Annual Meeting, the President, in consultation with the two Vice Presidents, will appoint a Committee on Credentials and Enrollment, a Committee on Committees, a Resolutions Committee, and other committees when so directed by the Body (see Article II, Section 1). In case of death or incapacity to serve, the Vice Presidents will succeed the President in order.

**Section 2**—A First Vice President and a Second Vice President will discharge such duties as requested by the President, will serve as ex officio members of the General Mission Board, and in the event of the death or disability of the President, will succeed the President in order of their rank.

**Section 3**—The Recording Secretary will record and preserve the proceedings of this Convention and will, in cooperation with the Executive Director, have the same published. The Assistant Recording Secretary will serve in the absence of the Recording Secretary and assist as necessary.

**Section 4**—The Corporate Secretary will perform the duties legally required of this office.

**Section 5**—The President and the Executive Director will be advisory to all Convention committees and agencies.

#### **Article II • Committees and Their Duties**

##### **Administrative Guidelines for All Committees**

All committees will reflect, as much as possible, a balance between vocational ministers and others. An ex-officio member will have voting privileges. No person will be elected to serve simultaneously on more than one standing committee.

No church will have more than two representatives simultaneously elected to serve on BCM/D committees, the General Mission Board, or as trustees of a BCM/D institution or agency.

Committees of this Convention may appoint persons other than members to special limited purpose subcommittees and advisory committees provided such persons will serve only in an advisory capacity and will not be permitted to vote at meetings of the authorizing committee.

Membership on committees will cease when the member dies, moves membership from a church within the Convention, or the member's church ceases to be in cooperating fellowship with this Convention. In the event a member moves from a church in one association to another within this Convention, or the member's church changes from one association to another within this Convention, the member will be eligible to serve until a successor is elected at the next Annual Meeting. Membership on the Board will automatically be terminated when a member is absent for two consecutive meetings of the Board without notification submitted to the Board President or the Executive Director. The member will be notified of such termination.

In the event of a vacancy between Annual Meetings, the President shall appoint members to fill that vacancy as an interim until approval at the next Annual Meeting. This would apply to all BCM/D committees.

**Section 1**—In advance of the Annual Meeting, the President will appoint the following committees:

**1. Committee on Credentials and Enrollment**—The committee will consist of five members whose duties it will be to register messengers and visitors. This committee will review and rule upon any questions which may arise in registration concerning the credentials of messengers. Any such ruling may be appealed to this Convention during business session. This Committee will make a report to the assembled messengers upon the call of the President, and will pass on the credentials of all messengers.

The Committee on Credentials and Enrollment will function under the following guidelines:

- Each person elected by a church, cooperating with the Baptist Convention of Maryland/Delaware, as a messenger to the Annual Meeting will be registered as a messenger to this Convention upon presentation of proper credentials. Credentials will be presented by each messenger, in person, at the Convention registration desk and will be in the following form:
- A completed and signed BCM/D registration card certifying the messenger's election in accordance with Article III Membership of the Constitution of the Baptist Convention of Maryland/Delaware, Inc.; but if the messenger does not have the messenger registration card,
- A letter from the messenger's church, signed by the clerk or moderator of the church certifying messenger's election in accordance with Article III Membership of the Constitution of the Baptist Convention of Maryland/Delaware, Inc.; or

**2. Committee on Committees**—This committee will consist of one member from each association whose duty it will be to nominate for election by this Convention the members and chairpersons of the committees listed in Sections 2 and 3 of this article, with the exception of the Committee on Committees, and other committees as may be assigned to it. Members of this committee will be appointed to a three-year term, one-third of its number retiring each year. A member of this committee cannot be nominated as a member of the General Mission Board, a trustee of the agencies of this Convention, or a member of any Convention committee.

**3. Resolutions Committee**—This committee will consist of five members. It will be responsible for initiating, reviewing, researching, preparing and recommending all resolutions for adoption. Only

resolutions presented to the Resolutions Committee at least 45 days in advance of the Annual Meeting will be considered by the committee before the first session. Other resolutions may be referred to the committee by the general body during the session as described in Article VI, Section 2. Resolutions should seek to build up and unify the body rather than divide it; therefore, only resolutions that have the full consensus of the committee will be presented at the Annual Meeting.

An announcement will be published online, or in such other ways as the General Mission Board may direct, no later than 75 days before the Annual Meeting requesting resolutions for the committee's consideration and possible presentation at the Annual Meeting. Proposed resolutions will be submitted in writing and addressed to either committee members or to: Resolutions Committee, BCM/D, 10255 Old Columbia Road, Columbia, Maryland 21046-1716.

**Section 2**—This Convention will elect the following committees to report to the next Annual Meeting:

**1. Committee on Order of Business**—This committee will consist of one member from each association. The members of this committee will be elected to a three-year term, one-third of their number retiring each year. The committee will be responsible for recommending to this Convention the place, time, preacher, and music director of the Annual Meeting one year hence and, if feasible, the time and place two years hence. The committee will present to the opening session of the Annual Meeting for adoption, a recommended agenda for the Annual Meeting.

**2. Committee to Nominate the Members of the General Mission Board and Trustees of the Agencies of this Convention**—This committee will consist of one member from each association. Members of this committee will be elected to a three-year term, one-third of their number retiring each year. The head of an agency, or his representative, will meet with the committee to suggest names for consideration on the committee, for vacancies on the respective agency's board of trustees and for the agency's representatives on the General Mission Board. A member of this committee cannot be nominated as a member of the General Mission Board, a trustee of the agencies of this Convention, or a member of any Convention committee.

**3. The Christian Life and Public Affairs Committee**—This committee will act for this Convention in the field of Christian ethics, public affairs, interfaith cooperation, and Christian social concerns. Specifically, but not exclusively, these areas will include family life, human relations, race relations, moral issues, economic life, daily work, citizenship, church-state relations, cooperative relationships with other religious groups, and those areas where the gospel and the churches affect or are affected by community and public life. The Christian Life and Public Affairs Committee may act on matters referred to it by this Convention, by the General Mission Board, or by any agency of this Convention

The Christian Life and Public Affairs Committee will be responsible for initiating consideration and study, and for recommending action of the Baptist Convention of Maryland/Delaware and/or General Mission Board on any matter or issue falling within the scope and purpose as set forth in the preceding paragraph.

The committee will be elected and directly responsible to the Baptist Convention of Maryland/Delaware. It will report annually to this Convention.

The committee is authorized to make pronouncements on matters within its scope and purpose in as far as they are consistent with actions previously taken by the Baptist Convention of Maryland/Delaware,

the General Mission Board, or the Southern Baptist Convention. However, under no circumstances will the committee assume the exercise of authority for this Convention, its agencies or the churches.

The Christian Life and Public Affairs Committee will be composed of one member from each association. At least half the members will be lay people. All members will be elected by the Convention in the Annual Meeting. Members will be elected to a three-year term, one-third of their number retiring each year. No member can be elected to serve more than two full terms of office until at least one year will have elapsed after the second full term. A member may be elected to complete an unexpired term caused by vacancy and thereafter be elected to two full terms per above. The incumbent General Mission Board, its officers and committees, will continue to function until the new General Mission Board, at its first meeting during or after the Annual Meeting of the Baptist Convention of Maryland/Delaware, is duly organized. The same is true for trustees and directors of any agency of this Convention.

## **Article VI • Procedure for the Annual Meeting**

### Section 1—Rules

1. The rules of order for the sessions of the Annual Meeting will be those in the current edition of Robert's Rules of Order, but in cases where the meaning may not be clear, the President's discretion will be exercised. The President may appoint a Parliamentarian who will advise and assist the President with respect to all matters involving parliamentary procedure.
2. No person addressing the Annual Meeting may speak more than twice on the same subject without unanimous consent.
3. The President is charged at all times with the maintenance of decorum and order.
4. The President will only allow new business to be considered once during the Annual Meeting by permission of majority vote of the messengers present.

### Section 2—Resolutions

All resolutions considered at the Annual Meeting will come from the Resolutions Committee and have their full consensus or, as a redress, one presented to but rejected by the committee may be ordered to the floor under a "question of privilege" without having the full consensus of the committee. All

resolutions available to the Resolutions Committee 45 days before the Annual Meeting will be automatically considered by the committee and, if accepted, will be printed and distributed at the first session of the Annual Meeting. If, in the opinion of the President, a messenger has a “copy-ready master” of a resolution with justifiable reason for not meeting the 45-day rule, it may be referred to the Resolutions Committee by the assembly at the first session. The action should follow the form: (Petitioner) “Mr. President, I request the consideration of a resolution concerning (subject).”; whereupon the President immediately puts the question without debate, “(Messenger) requests the privilege of having a late resolution considered, all who favor instructing the Resolutions Committee to review this resolution for consideration ... (vote).”

All resolutions passed at the Annual Meeting are the opinion of the overwhelming majority of the messengers present at that Annual Meeting but are not binding on the Baptist Convention of Maryland/Delaware, local associations, local congregations or individual Baptists. In order for a resolution to express the clear opinion of the messengers at the Annual Meeting, successful adoption will require an affirmative vote of two-thirds of the messengers present and voting.

### Section 3—Election of Officers

1. The Officers of this Convention will be nominated from the floor, and the election will be by secret ballot when two or more persons are nominated for the same office.

- The one receiving the majority of all votes will be declared elected.
- The chairperson of the Credentials Committee hands the results of the vote to the presiding officer who announces first whether the vote is a majority vote or not. If a majority, the candidate is declared elected. If not a majority, the chairperson declares a run-off of the two receiving the highest number of votes.
- The vote is not effective until announced.

2. The President will be elected before the Vice Presidents are nominated and the First Vice President is to be elected before receiving nominations for the Second Vice President.

### Article VII • Amendments to Bylaws

The Bylaws may be altered by a majority vote of the messengers present at the Annual Meeting of this Convention. Non-substantive changes such as grammatical corrections and title or name changes may be made by the Administrative Committee of the General Mission Board and included in their report at the Annual Meeting of the Baptist Convention of Maryland/Delaware.

**Section 2**—Each member church meeting the requirements in Article III Section 1 will be entitled to two (2) messengers; each cooperating church exceeding fifty (50) members will then be given one additional messenger for each additional fifty (50) members or part thereof; or one additional messenger for each \$750 contributed to the work of this Convention through the Cooperative Program until the maximum of thirty (30) is reached.

**Previously Submitted Resolutions**

Greg Kame, Chair of the Resolutions Committee presented two resolutions.

The first resolution was in appreciation of Kettering Baptist Church of Upper Marlboro, MD for hosting the meeting.

**On Appreciation for Kettering Baptist Church**

WHEREAS, the messengers to the 187th session of the Baptist Convention of Maryland/Delaware are enjoying a time of worship, encouragement, and fellowship in the Lord Jesus Christ; and

WHEREAS, We acknowledge God’s providence in all these blessings; and

WHEREAS, We acknowledge the kind hospitality of Kettering Baptist Church and Rev. Bucas Sterling, III for hosting the Annual Meeting with graciousness, generosity and professionalism; and

WHEREAS, We also acknowledge the kind hospitality of the Kettering Staff and volunteers for graciously and selflessly helping to make this gathering of Maryland/Delaware believers God honoring.

RESOLVED, That the messengers to the Baptist Convention of Maryland/Delaware meeting in Upper Marlboro, Maryland, November 10-11,2023, express our profound gratitude to the Lord and to all those through whom he is working to bring about an annual meeting characterized by prayer, grace, worship, encouragement, cooperation and purpose.

The resolution was approved.

The second resolution was to affirm Biblical values in an ungodly society and submitted by the Christian Life and Public Affairs Committee.

WHEREAS, the messengers of the Baptist Convention of Maryland and Delaware (BCMD), assembled at Upper Marlboro, MD, for their 2023 annual meeting; have come together to affirm and encourage one another to remain faithful to Biblical values in a society that often affirms values in opposition to the Word of God.

WHEREAS, there are social agendas in our society that advance views of marriage, family, gender, sexuality, race, life, education, and religious liberty in ways that are unbiblical;

WHEREAS, these social agendas reveal that many in society “love darkness more than light” (John 3:19); love “the creature more than the Creator” (Romans 1:25); exhibit a “corrupt” mind (Romans 1:28); call “what is good evil and what is evil good” (Isaiah 5:20) and in many ways “each person does what was right in their own eyes” (Judges 21:25).

THEREFORE, BE IT RESOLVED, that the messengers of the BCMD meeting in Upper Marlboro, Maryland for the 2023 Annual Meeting all BCMD churches to be committed to preaching and living out Biblical values in our society; and

BE IT FURTHER RESOLVED, we reaffirm as the BCMD the Biblical values of marriage, being one biological man and one biological woman intended for life (Genesis 2:24) (Matthew 19:4-6); family based upon God’s purpose coming through marriage as best for a good society (Genesis 2:24) (Matthew 19:4-6); gender as biological, male and female (Genesis 1:27); human race being created in the image of God with intrinsic worth (Genesis 1:27); we all come from one man forming the human race (Acts 17:26); life is given by our Creator from the womb to the tomb (Psalms 139:13-16); education that honors God and does not indoctrinate into secularism (Matthew 18:5-6; 2 Timothy 2:15); religious liberty that recognizes the right of each person to worship God and express faith publicly and without interference from Government (Acts 4:19-20); and

BE IT FURTHER RESOLVED, that we encourage pastors to teach and preach to their congregations on these Biblical values; and

BE IT FURTHER RESOLVED, that we unashamedly reject societal values that oppose Biblical values (Romans 1:16) even if this brings persecution (Matthew 5:10) and

BE IT FINALLY RESOLVED, that as Christians, we affirm the Word of God and our Baptist heritage and will unite upon promoting Biblical values over our daily lives and through public policy through legislators in an attempt to create a better society for all to live.

The resolution was approved.

### **Constitution and Bylaws Committee**

Phil Hurst, chair of the Constitution and Bylaws Committee, invited Myer to present constitution changes on behalf of the committee.

Article 3 Membership: Myer presented the second reading to add language in order to protect the vulnerable.

Section 1—The membership of this Convention will consist of messengers who are members of Baptist churches which are in friendly cooperation with this Convention and sympathetic with its mission and work, affirm the Baptist Faith & Message 2000, and which have during the preceding 12 months (October 1 through September 30) been bona fide contributors to the work of this Convention. In order to be affiliated with the BCMD, a local church must seek to protect vulnerable adults and children from sexual abuse in concrete ways which reflect the spirit and theology of Scripture.

The proposed changes were approved.

Article 3 Membership: Myer presented the second reading to add language to define disaffiliation of membership.

~~Membership will cease~~ Disaffiliation of Membership will occur in the following: when Baptist churches are no longer either in friendly cooperation with this convention and sympathetic with its mission and work, no longer affirm the Baptist Faith & Message 2000, or which have not during the preceding 12 months (October 1 through September 30) been bona fide contributors to the work of this Convention, or Disaffiliation of a church will occur when a church is found to be in open and unrepentant beliefs or behaviors that are contrary to the BF&M 2000.

The proposed changes were approved.

## **Report of Executive Director Tom Stolle**

In 2004, I answered God's call to join the staff of the Baptist Convention of Maryland/Delaware (BCM/D). I wanted to be where God wanted me to be. I wanted to be available to be used by God. I didn't think much about how God would expand my role and responsibilities, I just wanted to be faithful, but God did the expanding. In March 2023, after serving our convention for almost 19 years in a variety of roles, the General Mission Board (GMB) asked me to serve as executive director.

It's a joy to serve alongside so many wonderful BCM/D staff members. We enjoy serving our churches and pastors. We are in this together, partnering to advance the gospel in a world that desperately needs Jesus.

I pray that God moves our convention of churches forward according to His priorities in His way.

### **Tremendous Blessings**

God is honoring and blessing our desire to connect more deeply in our relationships with our churches.

We've made men's and women's ministry a priority and we've seen a massive response – especially from our women. We had almost 600 attendees at our men's and women's conferences, approximately 400 women and 170 men, both with much enthusiasm and expectation for future events. We had 84 churches represented at the women's conference and 78 churches represented at the men's conference. As large as those numbers sound, I believe we can push much farther forward! We want to help strengthen women and men within our churches. We want to encourage them. We want them to connect with other believers. I believe this helps to strengthen the local church.

God is also blessing our work and unity with our directors of missions. Many of these men I have known for many years, and I've always felt a closeness and a connectedness with them. They are special to me. Yet, at this moment, I've never felt more closely connected and aligned with our associational leaders. We are partnering together in ways that I believe will bear much fruit. I'm excited for our future together!

We have made major strides in bringing awareness to the issues of sexual abuse through the work of our sexual abuse task force. I would like to thank Keith Myer, pastor at Harvest Baptist Church in Salisbury, Maryland, for his exceptional job chairing this task force. Mark Dooley pioneered our Pathways training and continues to be a key contributor. In addition to the Pathways training, our team engages in conversations with churches and other leaders, establishes policy, provides cohorts, and has proposed constitutional amendments. Kris Buckman, who serves on both our local task force and the Southern Baptist Convention National Abuse Reform Implementation Task Force, designed a five-step rack card that was placed on every chair at the SBC Annual Meeting in New Orleans to help churches throughout the nation implement sexual abuse reform. This team has been mightily used by God. Past members Brad O'Brien (pastor at Jesus Our Redeemer Church in Baltimore, Maryland) and Dr. Bergina Isbell (Maryland City Church) were past members of the task force and were key contributors. God continues to advance the work of our task force. We are actively seeking to expand our team to be better equipped to serve the variety and diversity of our churches within our convention.

When abuse occurs in a church and someone is victimized, that abuse may lead them to believe that God doesn't love them or care about them, but instead is a God who is distant, doesn't care, or hates them. The church should accurately represent who God is!

Skycroft Conference Center sold out all seven weeks of summer camp this year! We had 85 salvations reported at our summer camps, with many campers reporting a call to ministry service. Through Skycroft, God has provided an organization that is being used to advance the gospel and is helping to generate future pastors, missionaries, and ministry leaders! I believe Skycroft is uniquely positioned to be used to more greatly advance this ministry effort, and we will continue to push in that direction.

Our disability ministry is growing and seeing fruit. I am so excited! Multiple churches are grasping the vision and are engaging in ministry to the world's largest lost people group. One church has a flourishing weekly class for individuals with disabilities. Another had a Vacation Bible School for a mix of neurotypical and neurodivergent individuals, and some are hosting special proms. Our third annual "Everyone Belongs" camp at Skycroft drew more than 100 attendees. It's amazing progress, and much more is coming!

### **Let's Partner**

I believe partnership is the way forward. Needs are many and it takes an army of people to meet a multitude of needs. I believe we are God's army in Maryland/Delaware for such a time as this!

Please partner with us in three primary ways – prayer, service and giving.

We are committed to prayer. We aren't going to accomplish what we need to accomplish or accomplish it God's way if we're not hearing from God, seeking God in prayer, and being obedient to God. All of us must pray.

The Bible teaches us that prayer moves the hand of God. I believe many of you could share stories that would greatly encourage others regarding the reality of how prayer has moved the hand of God in your life and in the life of your family and your church.

We must serve. The world will know we are Christians by our love and service in the name of Jesus.

We must give. I'm not just talking about money, but I'm talking about ourselves. Jesus gave it all. He deserves our best. Let's not hold anything back. We don't give to get; we give because God gave. The Bible says that "God so loved the world that He gave....". One of the ways we can display the character of God in our lives is to give!

In this booklet, you will see our pillars (on page xx), with our focused emphases moving forward. If we're going to advance the gospel and include individuals affected by disabilities, serve people who experience the reality of poverty, minister to people affected by disasters, help individuals who are struggling with mental health, and boldly share Jesus in our communities, we must partner and grow together in our love, trust, and care to maximize our effectiveness.

We must come together in prayer, serving and giving.

How can we effectively love and serve others outside of the church and in our communities if we struggle to love and serve each other? We are better together!

### **Godly Success**

As we look ahead - how will we know we are successful?

How would I define success? By accomplishing God's purposes. We move forward. We execute the vision by continuing to invest in churches, encouraging every man, woman and child to share Jesus. We continue to invest in pastors and their wives and families. We reach out to those in need.

If we are praying and giving and loving people, how can we not be successful? If we're obedient to God, God will bless us. Obedience is key!

I know we're not a large convention. There are many state conventions that are larger, have more cash, and have more staff. However, we serve the same God. He's the God who owns it all! We don't have to be something we aren't. We should strive to be the best version of us, to be all that God designed us to be! I assure you that if we can be all that God designed us to be, that will be more than sufficient and adequate. It would be world-changing!

I encourage our staff and our churches – just be all God made you to be. And if you can be all that God made you to be, I guarantee you that's enough.

May God bless us in ways far beyond what we can imagine, for His glory, not ours. In Jesus' name!

## **2022-2023 Summarized Activities/Highlights of the General Mission Board**

The General Mission Board (GMB) is pleased to serve the churches within our Convention.

The 2024 budget referred by the GMB to the messengers includes a commitment to send 37% of Cooperative Program (CP) receipts to the SBC, reflecting our desire to allocate a significant portion to national and international missions causes. This budget includes \$100,000 additional dollars to Maryland/Delaware church planting efforts, and an investment of \$100,000 into cooperating local Southern Baptist associations, and a commitment to church partnership efforts here at home. Budgeted funding for church partnership efforts includes budgeted funds for ministries to men, women, and youth/kids. We value connecting with pastors and their wives, disability ministry, poverty ministry, crisis care, ministerial counseling, youth ministry, protection of the vulnerable from abuse, and BCM/D Ready, which includes Disaster Relief. We can accomplish all this while still making a significant investment through our national partners in national and international missions. The budget forecasts \$3.175 million in Cooperative Program receipts in 2024. In 2024, SMO continues to be a grant program, with every dollar collected available for grants back to cooperating churches to assist in mobilizing these churches for mission, focusing on five ministry areas:

1. Members To Missionaries (encouraging and equipping every man, woman, and child in the local church to share Jesus with their communities).
2. Disability Care and Community (provide care and community for individuals and families affected by disability).
3. Poverty Ministry (provide for the spiritual, social, physical, and emotional needs of people trapped in poverty).
4. BCM/D Ready (serve communities when tragedy strikes).
5. Gospel-Centered Mental Health (provide opportunities for holistic care through community, conversation, and counseling).

Concerning Skycroft Conference Center, this budget reflects serving thousands of guests as well as ministering to more than 2,000 students attending the various on-site camps. Skycroft Conference Center remains a vital part of church partnership and evangelistic ministry. Many campers make decisions for Christ through the ministry of Skycroft. During this past summer, 85 campers made professions of faith in Jesus! The GMB will continue to assess Skycroft, recognizing its significant contribution to BCM/D ministry while evaluating the investment of resources and strategic use of the property moving forward.

The repair/replacement of the Skycroft septic system continues. The State of Maryland will be evaluating the water usage from this past summer as it considers the type of septic system solution that will be approved. We anticipate receiving communication from the state concerning the direction of the project and system design requirements soon.

In March 2023, the GMB called Tom Stolle as executive director and Mark Dooley as associate executive director. Together these men bring many years of experience to our executive leadership team. Tom has served on staff for more than 19 years in a variety of roles, including comptroller, human resource director, chief operating officer, and chief financial officer. Mark served as senior pastor at Leonardtown Baptist Church for more than a decade prior to joining our staff as Church Services team leader/state director of evangelism. Mark is also a past General Mission Board president.

The Sexual Abuse Task Force continues its work to emphasize to affiliated churches the vital importance of protecting children and vulnerable adults from abuse. The work of this task force has resulted in multiple training events for affiliated churches, recommended changes to the BCM/D Constitution that are being presented for a second reading at this annual meeting, and the completion of Abuse Prevention Policy and Procedures for BCM/D staff which have been added to the existing employee handbook. The GMB is appreciative of the work of this task force.

The Church Services Team was renamed Church Partnership, emphasizing our desire to partner with our existing churches to achieve more together than we can apart. Dan Hyun was added to the BCM/D staff as church partnership team leader, replacing Mark Dooley as Mark transitioned to the role of associate executive director.

The GMB approved listing the Columbia Headquarters for sale. When an agreement to sell the property is reached, the sale will be contingent on a vote from our messengers either at a future annual meeting or at a special called meeting. The GMB supports the position that efficient operations are not dependent on this facility. The BCM/D already has another physical location in Middletown (Skycroft) and the Columbia facility is under-utilized. The resources generated from a sale would be better used to establish a fund which earnings would generate ongoing future cash flows supporting church planting and church partnership. A portion of the proceeds would also fund the cost of a Skycroft septic system repair/replacement vital to the future health and sustainability of the growing camp/conference center ministry.

More than 400 churches choose to partner with the BCM/D to cooperatively share Jesus. We can do much more together than we can apart.

Galatians 6:9 says: “And let us not grow weary of doing good, for in due season we will reap, if we do not give up. Let’s continue partnering together, pressing on, not giving up! We are in God’s hands, and the Lord is our strength.”

Grace and Peace,

**Notes to Financial Statements**  
**December 31, 2023**

Note 1 – Summary of Significant Accounting Policies

*Date of Management Review:* Management has evaluated subsequent events through March 15, 2024, the date on which the financial statements were available to be issued. The Organization did not have any material recognizable subsequent events during this period.

*Organizational Purpose:* As stated by the mission statement of the Baptist Convention of Maryland/Delaware, Inc. (the "Organization"), it will intentionally assist the starting and strengthening of congregations so that together they can fulfill Jesus' commands in Matthew 28:19-20 and Acts 1:8. The Organization derives the majority of their income from individuals and churches in Maryland and Delaware.

*Basis of Accounting:* These statements are presented on the cash receipts and disbursements basis. The cash receipts and disbursements basis require that revenues and the related assets be recognized when received rather than when earned, and certain expenses be recognized when paid rather than when the obligation is incurred. However, these financial statements have been modified to reflect certain items budgeted for 2023 even through the actual funds related to those items have not been received or expended as of December 31, 2023. The statement of budgeted activities – cash receipts and disbursement basis reports only those transactions that were budgeted for in 2023.

Funds received by the Organization to be used for purposes unrelated to the operating activities of the Organization are recorded as a cash exchange liability until such funds have been disbursed.

*Financial Statement Presentation:* The Organization has adopted the Financial Accounting Standards Board (FASB) Accounting Standards Updated (ASU) 2016-14, "Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities." Under ASU 2016-14, the Organization is required to report information regarding its financial position and activities according to the following two classes of net assets:

Without Donor Restrictions

Net assets which are free of donor-imposed restrictions. Included net assets are donor advised funds, for which donors may make recommendations to the Board of Trustees with respect to the distribution of the income and/or principal for an agreed upon period of time. The Board of Trustees has complete discretion on whether to accept or reject the donor's recommendation.

With Donor Restrictions

The Organization reports gifts of cash and other assets as restricted support if they are received with donor or grantor stipulations that limit the use of the donated assets. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other specified events. When time or purpose restrictions expire, or are achieved, the net assets are reclassified to net assets without donor restrictions. Other restrictions are perpetual in nature, where resources are to be maintained in perpetuity.

The Organization has adopted the FASB issued ASU 2018-13, "Fair Value Measurement (Topic 820): Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement." The standards core principle is to improve the effectiveness of disclosures in the notes to the financial statements.

*Cash and Cash Equivalents:* Cash and cash equivalents include all monies in banks and highly liquid debt instruments that mature in 90 days or less available for use to meet the needs for general expenditures within one year of the balance sheet date.

*Other Current Assets:* Other current assets consist of inventories and prepaid expenses. Inventories are stated at the lower of cost or market using the first-in, first-out (FIFO) method. Inventory consists of various supplies on hand needed for the operations of the Organization.

Note 1 – Summary of Significant Accounting Policies (continued)

*Property Owned:* Property and equipment that have been capitalized are stated at cost. Assets purchased in excess of \$2,500 which have a useful life in excess of one year, are capitalized. Major additions and betterments are charged to the asset accounts only to the extent the costs have been reflected in the operating budget. Management periodically reviews the utilization of assets and removes those assets that no longer have a useful life. Depreciation is not recorded since the operating budget makes no provision for non-cash expenses; accordingly, an impairment loss from the valuation of long-lived assets under FASB Accounting Standards Codification (ASC) 820 would not be recorded.

*Cooperative Giving:* The Organization adopted FASB ASC 958-605, "Not-for-Profit Entities – Revenue Recognition." In accordance with FASB ASC 958-605, contributions received are recorded without donor restrictions or with donor restrictions support depending on the existence and/or nature of any donor restrictions. Promises to give are not recorded as cooperative giving until the funds are received.

*Investments and Investment Income:* The Organization elected to adopt FASB ASC 958-320, "Not-for-Profit Entities – Investments – Debt & Equity Securities." Under FASB ASC 958-320, investments in marketable securities with readily determinable fair values and all investments in debt securities are valued at their fair values in the statement of financial position.

Investments, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. It is reasonably possible that changes in the values of investments could occur in the near term and that such changes could materially affect the amounts reported in the statement of financial position.

Investments held at the Baptist Foundation of Maryland/Delaware, Inc. are available to meet the needs for general expenditures of the Organization.

*Liquidity:* All cash and receivables of the organization are available to meet general expenditures within one year of the balance sheet date.

*Income Taxes:* The Organization is exempt from Federal taxes under Section 501(c)(3) of the Internal Revenue Code. The Organization is required to file a return to report unrelated business income generated at the Skycroft Convention Center. At December 31, 2023 the provision for unrelated business income tax was \$0. The Organization's Federal tax returns generally stay open to examination for three years from the filing date.

*Estimates:* The preparation of financial statements in conformity with the modified cash receipts and disbursements method used by the Organization, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reported period. Actual results could differ from those estimates.

Note 2 – Cash and Cash Equivalents

The Organization maintains its cash accounts at various financial institutions and its balances may at times exceed the Federal Deposit Insurance Corporation (FDIC) insured limits. The Organization has not experienced any losses in such accounts and monitors the creditworthiness of the financial institutions with which it conducts business. Management believes that the Organization is not exposed to any significant credit risk with respect to its cash balances.

Note 3 – Baptist Foundation of Maryland/Delaware, Inc. (continued)

Marketable securities invested with the Baptist Foundation of Maryland/Delaware, Inc. are stated at fair value and are summarized as follows:

	Cost	Fair Value	Unrealized Appreciation (Depreciation) as of December 31, 2023
Fixed Income Funds	\$ 778,870	\$ 756,038	\$ (22,832)
Equity Funds	1,538,037	1,731,553	193,516
Total	<u>\$ 2,316,907</u>	<u>\$ 2,487,591</u>	<u>\$ 170,684</u>

Note 4 – Investments and Fair Value Measurements

The Organization accounts for the fair value of its investments under the Fair Value Measurement and Disclosure topic of the FASB ASC 820-10, which provides the framework for measuring fair value. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurement). The three levels of the fair value hierarchy under this guidance are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.

Level 2

Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2023. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements.

The Organization's financial instruments, none of which are held for trading purposes, include cash and marketable securities. The Organization estimates that fair value of all financial instruments at December 31, 2023 does not differ materially from the aggregate carrying values of its financial instruments recorded in these statements. The estimated fair value amounts have been determined by the Organization using available market and appropriate valuation methodologies. Considerable judgment is necessarily required in interpreting market data to develop the estimates of fair value, and accordingly, the estimates are not necessarily indicative of the amounts that the Organization could realize in a current market exchange.

## Church Planting Report

Jamie Caldwell

Hello family! It is an honor and a privilege to write the 2023 Baptist Convention of Maryland/Delaware Church Planting report for you.

Just like last year, I want to begin this report with a heartfelt word of gratitude. I truly could not do the work that I do without your support, your encouragement, and your generosity. So, thank you! Thank you for praying for, supporting, and sending church planters. Thank you for giving to the Cooperative Program (CP) and the Annie Armstrong Easter Offering (AAEO). I also want to specifically thank the staff and leaders at the BCM/D. It has been a hard year for many of our planters and men like Tom Stolle helped us make it through!

There are many things that we can celebrate as a convention, but the most important to me is that, over the last year, our Send Network churches and church plants have baptized dozens of new believers. These young men and women are being discipled so that they can eventually be deployed into whatever calling God has placed on their lives!

At the time of this writing, we have 27 funded church planters in the field. Since February, we have trained five church planters, endorsed three more, and have several in the early stages of discovery and development. As we end this year, we are already registering candidates for our next assessment in the Spring of 2024. Each of these churches is full of stories about men and women, boys and girls, whose lives have been changed by the gospel! God is so good!

We can also celebrate the bright future of the Send Network. In 2023, the Send Network hired Vance Pittman to lead our family of churches. Since he has been at the helm, we have launched into a bold new faith-filled vision that seeks to expand the kingdom of God and push back the darkness by 1%. That means thousands of new churches and millions of new believers across North America!

Obviously, a task like this will take a great deal of hard work. Which is why I am so happy to announce that our local Send Network team has grown to include two new missionaries: Adam Muhtaseb and Richard Pope. These men are gifted pastors, successful planters, and visionary leaders. I am more than excited about the passion and energy that they will bring to our team.

I truly believe that the Send Network is positioned to effectively and faithfully continue our work with local churches as they engage their cities and states, make disciples, and plant new churches.

We have communicated. We have celebrated. Now I would like to close out this report with a call to collaboration. Brothers and sisters, we need your help. The work of church planting is not something that conventions can do, nor is it something that networks can do. We know from the New Testament that the biblical model of multiplication relies on churches planting churches. So, here is what I am asking you to do. First, let's pray. Let's see that the harvest is

plentiful, but the laborers are few, and let us cry out to God, asking him to send laborers into his harvest. Then, let's plan. Let's act as if God is going to answer our prayers. Let's begin training and teaching as if God is going to call his children into ministry. The Send Network will join you in prayer and we'll gladly help you with your plans. Let's work together to engage our cities, make disciples, and plant churches!

## **Church Partnership Report**

Dan Hyun

Our Church Partnership department has experienced some changes over this year, the most obvious one being that the former Church Services department is now called “Church Partnership.” To be clear, this doesn’t mean that our team has ceased to serve our churches. We continue to strive to provide tangible means of strengthening and equipping our churches and leaders through helpful programs and services.

Rather, the shift to “partnership” is to convey our desire to walk together with the churches of the BCM/D as they seek to be obedient to the call the Lord has given all of us to be part of the Lord’s Kingdom, advancing work in our region. Partnership is a relational emphasis that we are better together than any of us are on our own.

In many cases, it will look like our convention staff offering the support of our resources and tools for those who can benefit from those things in pursuit of their missional work. But it will also take the posture of walking together with those churches who may not feel they necessarily need anything but who are in the place to utilize their gifts to help strengthen other sister churches throughout Delaware and Maryland. We believe the churches and their members are one of our greatest resources and our team’s goal is to act as a bridge to connect those throughout the convention with one another. Our Church Partnership team members view ourselves as missionaries whose goal is to catalyze our churches as missional outposts throughout the convention.

This missional work is guided by values of reconciliation, formation, and multiplication.

Reconciliation reminds us that our work is relational, including the restoration of relationship into how God intended. Whether it’s maintaining, building, or rebuilding trust, our staff is committed to deepening the relationships we have with our churches and their members. Formation guides us in recognizing that who we are becoming is just as critical as the work we do as we seek to help our churches grow in holistic formation as part of our mission. And multiplication conveys our priority on walking with our churches in our effectiveness to see ourselves as missionaries throughout Delaware and Maryland, not just for the time we live in but equipped for the future time that is coming as well.

We have a lean yet excellent team that is committed to walking with you in partnership. Our desire is to prioritize healthy leaders and pastors, which we believe will help cultivate healthy churches. Whether through focus areas such as disaster relief, youth and kids, men/women’s ministry, collegiate campus missions, disability ministries, church planting and revitalization, and pastoral care, our Church Partnership team is eager to walk with you in mobilizing your people from members into missionaries.

Some of our work will involve “Big Tent” events like our Women’s and Men’s Conferences and youth camps. These are intentionally designed to be spaces where the people of our broader convention gather together in unified celebration of our beautifully representative and diverse network of churches. The work will also be expressed on the ground among smaller tables

throughout Delaware and Maryland as we recognize the value of local ministry relationships. Our local associations are a key part of this, and we are encouraged by the opportunity to collaborate together with the many wonderful associational Directors of Mission in these partnership efforts.

In an age of cultural division and enmity, the relationships we share throughout the BCM/D will be one of our strongest pieces of evidence of the power of God. We invite you to join us in prayer as we pursue unity in the great Kingdom work of our King. All of you make us who we are. We are excited to witness how our partnership will advance the mission of God throughout Delaware and Maryland.

## **Baptist Foundation of Maryland/Delaware, Inc.**

Stacy Boyles, President

The Baptist Foundation of Maryland/Delaware works to advance the message of the Gospel through the prudent management of invested funds that benefit Baptist work in Maryland/Delaware and around the world. We also provide loans to BCM/D affiliated churches and associations.

The Foundation currently manages assets of approximately \$12.5 million dollars (\$9.4 million in invested funds and \$3.1 million in church loan funds). Significant growth in the amount of managed assets has occurred from \$3.8 million in 1991.

For the fiscal year ended September 30, 2023, the Foundation distributed \$788,514.75 to Southern Baptist and Baptist Convention of Maryland/Delaware ministry and mission causes.

Through the Foundation's Church Loan programs, 17 churches affiliated with the Baptist Convention of Maryland/Delaware are being assisted with approximately \$2.5 million dollars in outstanding loans. The advantages of these church loans are favorable interest rates and low closing costs. Included in the above referenced distribution, the Foundation makes a distribution annually to the Baptist Convention of Maryland/Delaware to be used to start churches and to strengthen existing churches. The distribution for the fiscal year ended September 30, 2023, totals \$120,637.87.

The Baptist Foundation is positioned to manage endowment funds for churches while saving them money on administration. Even churches with modest investment needs may take advantage of discounts typically offered only to much larger dollar investors simply by using the services of the Baptist Foundation. We encourage churches to partner with us to create Heritage Funds to ensure funding for their future ministry efforts. An additional investment option exists via our partnership with the Kentucky Baptist Foundation offering BCM/D affiliated churches a low-risk investment alternative to traditional money market and savings accounts.

The Baptist Foundation continues to educate our churches in estate planning. If your church is interested in learning more about the Foundation, a representative of the Foundation will be pleased to provide additional information. You may also learn more about the Foundation by visiting [www.bcnd.org/what-we-do/baptist-foundation](http://www.bcnd.org/what-we-do/baptist-foundation). From here you can learn more about the Foundation's church loan, estate planning, and planned giving programs as well as view the most recently available audited financial statements.

For more information, contact Tom Stolle at [tstolle@bcmd.org](mailto:tstolle@bcmd.org).

The Lord has truly blessed the Kingdom work of our Foundation. We look forward to continuing to serve Maryland/Delaware Baptists in the same trustworthy manner as our predecessors
